Yes. The Internal Audit Annual Report complies with statutory requirements.

Statement by Director of Finance And E-Government:

There are no direct financial implications arising from the report.

The work of the Internal Audit section is an essential element of the framework by which I discharge my obligations under s151 of the Local Government Act 1972. The opinion given by the Head of Internal Audit on the control framework provides assurance that key controls are operating to an acceptable standard.

The Annual Report and Opinion, (see Para 3) reminds Members of the nature of testing – it covers a proportion of Council activities at a particular point in time. There is, therefore, always a risk that weaknesses in control may have developed that have not yet been identified.

Staffing/ICT/Property:

There are no direct resource implications arising from the report.

Wards Affected:

The work of Internal Audit impacts on all of the Council's wards and Area Boards.

Scrutiny Interest:

None.

1.0 BACKGROUND

- 1.1 Members of the Audit Committee are actively involved in overseeing Internal Audit work – approving the annual plan, scrutinising reports, and monitoring progress. The Annual Report was introduced in 1999 and is now a regular feature, providing an opportunity to recap the performance of Audit over the whole (completed) year, and to take stock.

2.0 ISSUES

- 2.1 The Review of the Effectiveness of Internal Audit (attached as Appendix A) gives us the opportunity to consider what constitutes the system of internal audit in its widest sense and determine how effective it is. Significant resources are used in maintaining such systems and it is essential to review them.
- 2.2 The Annual Report (attached, Appendices B, C and D) examines the overall position with regard to systems and controls, having regard to the risks involved.
- 2.3 It is intended that the report will form part of the assurance Members are now required to seek under the provisions of the Accounts and Audit Regulations 2006. They will draw upon assurances gathered from various sources in order to fulfil the Council's obligation to issue a Governance Statement.

3.0 CONCLUSION

- 3.1 The report concludes that the planned work for 2007/08 was completed to a satisfactory degree and to an acceptable standard.
- 3.2 The report also concludes that the authority has a robust internal control framework and effective governance arrangements.
