## **1.0 BACKGROUND**

- 1.1 Under the Accounts and Audit Regulations 2006 the Council is required to produce a Governance Statement - one of the documents supporting the annual Statement of Accounts.
- 1.2 The purpose of the Statement is to provide an assurance as to the effectiveness of the internal control and governance framework.

## **2.0 ISSUES**

- 2.1 The Governance Statement became a legal requirement with effect from 2007/08 – replacing the Statement on Internal Control.
- 2.2 To prepare for this development, the Director of Finance & eGovernment agreed with KPMG locally, and CIPFA nationally, that the Council would pilot the statement for the 2006/07 financial year.
- 2.3 A Statement was produced in 2006/07 outlining the governance arrangements in place across the Council and compliance with the Local Code of Corporate Governance.
- 2.4 The Council's 2006/07 Statement has been incorporated in CIPFA's best practice guidance.
- 2.5 An updated Statement is attached in respect of 2007/08 (draft status). It reflects the evidence gathered via;
  - Internal Audit
  - External Audit
  - Consultation with officers
  - Assurance Statements provided by Directors
  - Review of compliance with the Council's Local Code of Corporate Governance
- 2.6 The Statement is reviewed on a quarterly basis and an update is submitted to the Audit Committee.
- 2.7 To further enhance this process, the Director of Finance & eGovernment is to establish a Governance Panel comprising;
  - Director of Finance & eGovernment
  - Director of Legal & Democratic Services
  - Head of Strategic Finance
  - Head of Internal Audit
- 2.8 This Panel will meet on a quarterly basis and assess the adequacy of the internal control / governance framework.

## **3.0 CONCLUSION**

- 3.1 Members are asked to reaffirm their assurance in the Council's control framework by endorsing the Governance Statement.

3.2 Members are requested to support the creation of a “Governance Panel”
