4.0 Small Grants Panel 2012/13

Bury Council has an annual allocation of £84,100 plus any residual funding from the previous years Community Fund (for 2012/13 £4,051) for the Small Grant's Fund. The current funding priority is to encourage and support grass-root community activity. This means small, community-based and locally controlled groups that manage themselves, encourage active participation from volunteers, and have minimal cash reserves and limited access to funding support.

The next meeting of the Small Grants Panel will be 1st May 2013; completed application forms need to be received by 9th April 2013. Application forms for the new round of funding are available from Liz Saunders 0161 253 6357 or e.saunders@bury.gov.uk

5.0 Community First

The fund, **Community First** aims to help groups improve their area and is intended to maximize community involvement in the process whilst expecting neighbourhood groups to match funds with either money or time.

The two eligible wards have set up Panels whose principal role is to identify local priorities for funding and make recommendations relating to projects to be supported. B3SDA is the panel partner. The first Panel meeting was held on Wednesday 27th June when the following applications were approved. The Panel will meet 18th March 2013 to agree the next round of applications.
