Summary of Township Forum in 2012-13

Area Plan

Over the past year, Bury West Township Forum produced a Township Plan, to identify priorities where, by working together with local councillors, community representatives, residents, local groups, and partner agencies, they can make a difference to improve life for all residents. The Township Plan includes an annual action plan that has been reported on at Township Forum meetings. This action plan includes the key projects and actions to be delivered over the coming year which contribute towards delivery of the over arching local priorities agreed by the Township Forum.

The Township Plans was developed through active engagement and discussions with Township Forum members - including both Councillors and Advisory Group members. 'Round table' discussions were held to provide an opportunity for wider community representatives, partner organisations and residents to get involved in agreeing local priorities. This will be repeated for 2013-14

Attendance

Bury West attendance figures are detailed below.

Bury West	Nov 2011	Jan/Feb 2012	March 2012	May 2012	July 2012	Sept 2012	Nov 2012	Jan 2013	Mar 2013	Average

Advisory Group involvement:

Each Township Forum appoints Advisory Group members to contribute and speak on relevant issues. They help to improve the range of knowledge and expertise on the Township Forum and provide an inclusive approach to improving the outcomes for each area. In particular, they champion or lead projects within Township Plans.

Presentations / Consultation with Township forums

The value of the Township Forums is recognised in major public consultation exercises. During 2012/13 this has included:

- Plan for Change
- Council Budget
- Presentations on major changes to health services in the borough (Clinical Commissioning Groups and Health and Wellbeing Board)
- Council Tax Support Scheme
- Welfare Reform
- Recycling and waste management updates
- Streetsafe – proposed introduction of 20mph zones

Community Fund

The Council continues to allocate £1,000 per ward each year to support the work of voluntary and community groups. Individual grants to the 'ward fund' are available for a maximum of £250. Additionally, a borough-wide allocation of £13,000 is available for 'cross-ward' applications from third sector organisations, with a maximum individual grant of £750. Small grants funds are also available for grants of up to £12,000.
