EXTRACT OF MINUTE OF THE EXECUTIVE – 10 JUNE 2009

EX.53 RISK MANAGEMENT ANNUAL REPORT

The Executive Member for Resource submitted a report which presented the Risk Management Annual Report. This provided Members with details of risk management activity that had taken place over the past 12 months. It outlined risk management policies and practices now in place and the key issues that would be addressed during the coming financial year.

RECOMMENDATION TO COUNCIL

That the Council's approach to Risk Management be supported and progress made throughout 2008/09 and actions planned for 2009/10 be noted.

Reasons for the decision:

Risk Management is integral to the authority's strategic and functional activities and robust risk management is necessary to safeguard the Council's assets and reputation.

Other options considered and rejected:

To seek amendments to the report.
