

# **COUNCIL**

**30 JANUARY 2013**

## **QUESTIONS TO JOINT AUTHORITY REPRESENTATIVES**

### **1. Councillor O'Hanlon (To Councillor Connolly)**

Could the representative of the Crime and Police Panel give members an update on recent changes to neighbourhood policing in Bury? Has there been any reduction in the number of frontline police and PCSOs available for neighbourhood policing? What is the future of the Prestwich Police station on Fairfax Road?

### **2. Councillor Pickstone (To Councillor Noel Bayley)**

Could the representative on Transport for Greater Manchester Committee please give members an update on the total amount expected to be borrowed to complete the current expansion of the Metronlink system. What arrangements are in place, through increases in fare revenue and the T4GM levy to pay for this borrowing in future years?

### **3. Councillor FitzGerald (To Councillor Noel Bayley)**

Please could the representative on Transport for Greater Manchester share with us any recent initiatives made by local bus companies in the Bury area following consultation with local councillors, members of the public and TfGM?
