1.0 BACKGROUND

- 1.1 Section 38 (1) of the Localism Act 2011 requires English and Welsh local authorities to produce a Pay Policy Statement for 2012/13 and for each financial year after that.
- 1.2 Guidance issued by the Department for Communities and Local Government states that the purpose of the Pay Policy Statement is to address the Governments issues with "top end pay" and some of the recommendations set out in the "Hutton Review of Fair Pay in the Public Sector Report".
- 1.3 The Act requires Councils to prepare Pay Policy Statements which details their policy on a range of issues relating to the pay of its employees; in particular, its senior staff ("Chief Officers") and its lowest paid employees.
- 1.4 The provisions do not apply to local authority school employees and neither do they change any existing responsibilities or duties under relevant Employment Legislation.
- 1.5 The Pay Policy Statement must be prepared for each financial year starting with 2012-2013. The Statement must be approved by full Council and then be published, at least, on the Council's web-site. This is to ensure transparency, so that local tax payers can take an informed view of whether local decisions and all aspects of remuneration are fair.
- 1.6 The Council's existing Pay Policy Statement (2012/13) was approved at the meeting of Council held on 27 March 2012.
- 1.7 The matters that must be included in the statutory pay policy statement are:
 - The local authority's policy on the level and elements of remuneration for each chief officer;
 - The local authority's policy on the remuneration of its lowest-paid employees (together with its definition of "lowest-paid employees" and its reasons for adopting that definition);
 - The local authority's policy on the relationship between the remuneration of its chief officers and other officers;
 - The local authority's policy on other specific aspects of chief officers' remuneration: remuneration on recruitment, increases and additions to remuneration, use of performance-related pay and bonuses, termination payments, and transparency.
- 1.7 The Act defines remuneration widely, to include not just pay but also charges, fees, allowances, benefits in kind, increases in/enhancements of pension entitlements, and termination payments.
- 1.8 The purpose of the statement is to provide transparency with regard to the Council's approach to setting the pay of its employees (excluding teaching staff working in local authority schools) by identifying;
 - the methods by which salaries of all employees are determined;
 - the detail and level of remuneration of its most senior staff i.e. 'Chief Officers', as defined by the relevant legislation;

- the Committee(s) responsible for ensuring the provisions set out in the Pay Policy Statement are applied consistently throughout the Council and recommending any amendments to the full Council.

1.9 The updated Pay Policy Statement [2013-2014], Appendix A, has been drafted to ensure compliance with the Localism Act and it is put before the Council for approval.
