

CABINET MEMBER PORTFOLIOS 2013/2014

CABINET MEMBER FOR ENVIRONMENT

Role specification

Role

Members of the Cabinet will have wide ranging leadership roles and will need to:

- Ensure that Policy decisions are taken in line with agreed Council priorities and the Member's Portfolio Work Plan/s;
- Have a clear understanding of the portfolio, the scope and range of the services for which they are responsible and policies in respect of those services;
- Ensure the delivery of best value and continuous improvement in services and implementation of best practice in Bury;
- Ensure an appropriate consultation programme is developed for their area of responsibility, to involve local people and communities in the decisions of the Council as fully as possible;
- Respond within an agreed timescale to the recommendations of relevant scrutiny panel(s), setting out what action is proposed, if any, and giving full reasons for decisions taken;
- Seek to involve and consult non-Cabinet members in the area of work for which they have responsibility, particularly members of the relevant Scrutiny Panel(s);
- Lead the community planning process and ensure best value, with input and advice from Overview and Scrutiny, Township Forums, officers and any other persons as appropriate;
- Lead the preparation of the Council's budget and policy framework, to include attending and contributing to the Council's annual Strategic Planning Event;
- Take decisions on resources and priorities with other stakeholders and partners in the local community to deliver and implement the budget and policies decided by full Council;
- Be the focus for forming partnerships with other local public, private, voluntary and community sector organisations to address local needs;
- Ensure that the diverse needs of all groups and citizens are properly reflected in local strategies, plans and service provision;
- Commit to the delivery of fair and non-discriminatory services to all members of the local community;
- Commit to upholding human rights and promoting equality and diversity; promote and uphold the values within the Bury Values Prospectus;
- Present, where appropriate, performance reports to Overview and Scrutiny;
- Represent the Council's view on portfolio issues at Council, Cabinet and where appropriate, Overview and Scrutiny;
- Represent the view of the Council on matters of corporate or strategic policy as the lead Cabinet Member, to the Government and to other bodies and organisations relevant to the Council's work;
- Participate as a member of any panel, task group or other Council forum as appropriate;
- Participate in local consultative arrangements and actively engage in communication and dialogue with any bodies and organisations involved in portfolio issues;
- Provide support and guidance and work collaboratively with the designated lead members working within the portfolio holders area of responsibility; and

- Be responsible for the functions delegated to the Cabinet either as a whole or to the Cabinet Member, as set out in the Council's Constitution.
- Ensure that occupational health and safety implications are adequately considered in policy development and decision making within the area of responsibility;

Specific responsibilities

The role of the Executive Member for Environment is pivotal to the success of the Council in meeting its ambitions and priorities, especially in the successful delivery of operational and financial performance targets within the Council's service development and delivery planning framework on all issues relating to the portfolio, in conjunction with appropriate directors.

The main areas of responsibility are:

- participation in the formulation and application of policies and in decision making and cross cutting issues;
- to work with other Cabinet Members and departments on specific responsibilities within the Portfolio namely:
 - Traffic Management
 - Highway Network
 - Street Lighting
 - Engineering Consultancy
 - Security
 - CCTV Monitoring
 - Waste Management
 - Winter Maintenance
 - Street Cleaning
 - Transport & Workshops
 - Planning, Transportation and Policy
 - Development Control
 - Building Control
 - Commercial Services
 - Environment
 - Climate Change
 - Carbon Reduction
 - Trading Standards
 - Architectural Practice
- to ensure that sustainability issues are taken into account by the Council in its budget and policy framework and planning processes;
- to promote the environmental agenda in the Borough
- to foster good relations with voluntary groups, other public bodies and the private sector on environmental issues;
- identify and understand the significant occupational health and safety risks within the area of responsibility and to ensure that they are adequately considered in policy development and decision making;
- to ensure that the Borough both influences and receives support at the GM level across Environmental, Climate Change, Planning Policy and Transport matters;
- to evidence base success and achievements within the Portfolio to enable a report back to Council.
