### 5.0 APPEAL DECISIONS

#### 5.1 72 Downham Crescent, Prestwich (40219/03)

**Appeal dismissed: Two storey rear extension**

The proposal involved a semi-detached house, separated from its neighbour by a gap of 2.7m. The neighbouring property had a secondary living room window facing the gap. The Inspector felt that there would be an undue loss of light and sun and increase the sense of enclosure.

#### 5.2 92 Sixth Avenue, Bury (40639/03)

**Appeal dismissed: Two storey and single storey rear extension**

The proposal involved a semi-detached house. The Inspector had no objection to the ground floor part of the scheme. However, he felt that the first floor would unduly reduce light to the neighbour's bedroom. Also, it would be an over prominent feature.

#### 5.3 16 Meadfoot Avenue, Prestwich (40064/03)

**Appeal dismissed: Raising a gable and adding a rear dormer**

The Inspector felt the new gable would unbalance the appearance of the building but not so badly as to warrant a refusal. However, the full width dormer would be too prominent and clash with the style of roofs in the area.

#### 5.4 Nailors Green Hotel, Brandlesholme Road, Greenmount (40094/03)

**Appeal allowed: 26 Apartments**

The development was part two storey, part three storey and had a higher density than the adjoining areas. The Inspector felt that the diversity was compatible with PPG, and the design was not obtrusive. He also felt that the three storey element would be mitigated by the open character of the land to the south-west.

The Inspector also said that screen planting would limit the amount of overlooking and loss of privacy for the neighbours. He also dismissed objections about car parking and traffic generation.

#### 5.5 Land at Tanners Street, Ramsbottom (40520/03)

**Appeal dismissed: 8 Apartments**

The design is poor and out of character with this attractive neighbourhood. The building would be too bulky and unduly prominent. The access arrangement would be a hazard to road users and pedestrians. There would be inadequate private amenity space.
