**Item:04 BENNYS NIGHT CLUB, WARTH FOLD ROAD, RADCLIFFE M26 4EN**

**Application No. 46691**

CONVERSION OF DISUSED NIGHT CLUB TO CLASS C2 (RESIDENTIAL CARE HOME)

Social Services have stated that they would not recommend approval of the application as they feel that there is an over provision of elderly beds in the Borough at this time. Whilst this is clearly an issue for Social Services, the situation of overprovision of places could not reasonably form the basis for a reason to refuse the planning application.

Condition 2 should also include reference to plan 532D A01- floor plans.

A Design and Access statement has been submitted with the proposals. The proposals confirm that the development has been designed to fit in with the scale of the space available and to maintain an appropriate relationship as seen from outside the site.

The scheme would still maintain sufficient turning space for servicing vehicles and any articulated vehicles. A distance of some 27m would still be available between the extension and the northerly boundary.

**Item:12 852 MANCHESTER ROAD, BURY, BL9 8DW Application No. 46990**  
CHANGE OF USE OF GROUND FLOOR FROM VACANT SHOP TO BOOKMAKERS (CLASS A2)

Letter of objection received from 850 Manchester Road. The objections can be summarised as follows:

- The front door to this property is directly adjacent to that of the entrance door to the proposed bookmakers and would result in the comings and goings of a certain clientele
- it would encourage loitering in the area
- there would be an increase in litter
- parking is already chaos in the area and would be compounded by the proposed use
- the car park to the rear of the shops requires access at all time and may be blocked by the increase in traffic.
- customers would cause littering and disturbance
- customers would constitute a threat to security in the area

**Item:13 31 CHURCH CROFT, HOLLINS, BURY, BL9 8JD Application No. 46742**  
CHANGE OF USE OF LAND TO FORM GARDEN EXTENSION; ERECTION OF

## 1.8m HIGH FENCING

Publicity - a letter of support for the application has been received from 4 Church Croft as the fence will prevent the area from gathering rubbish and attracting teenagers.

Consultations - Greater Manchester Police Architectural Liaison Unit have no objections to the scheme.  
Highways Team - no objections.

Conditions - Condition 3 should be replaced with the following:

3. A landscaping scheme shall be submitted to, and approved in writing by, the Local Planning Authority prior to the commencement of the development. It shall be implemented not later than 12 months from the date the boundary fence is erected; and any trees or shrubs removed, dying or becoming severely damaged or becoming severely diseased within five years of planting shall be replaced by trees or shrubs of a similar size or species to those originally required to be planted to the written satisfaction of the Local Planning Authority.

Reason. To secure the satisfactory development of the site and in the interests of visual amenity pursuant to Policy EN1/2 - Townscape and Built Design.
