**Item:05 WHITEFIELD POLICE STATION, BURY NEW ROAD, WHITEFIELD, M45 8QN Application No. 47152**  
**PROVISION & SITTING OF TEMPORARY PORTABLE BUILDINGS**

An objection has been received from 43 Nuttall Avenue for the following:

- The height of the proposal is too high in close proximity to residential house and would impact greatly on their privacy.
- There will be noise pollution by the changing shifts using the exterior stairwells.
- Lighting to the unit would impact on their children's ability to sleep at the rear of the house.
- A temporary period of three years is too long, six months would be long enough.
- They feel a site visit is needed and an alternative site sought.

The issues of positioning of the proposal and privacy have been dealt with in the officers report on the agenda.

**Item:06 CHURCH INN, 266 BURY NEW ROAD, WHITEFIELD, M45 8QS**  
**Application No. 46840**  
**LISTED BUILDING CONSENT FOR DEMOLITION OF PUBLIC HOUSE**

English Heritage have requested a deferral of the decision for one month to allow sufficient time for them to be able to consider the submitted PPG 15 justification for

the demolition of the building. They are commissioning traffic consultants for advice about the issue of the Quality Bus Corridor.

The Victorian Society is concerned that it has not been provided with sufficient time to consider the supplementary options statement and has requested a further period to be able to consider the new material. Similar requests for deferral have been made by the Georgian Group and the Council for British Archaeology as well as from English Heritage, as reported above. The Council for British Archaeology has also asked for a deferral to enable objectors to the proposal to meet on site to discuss the proposals and possible alternatives.
