INTRODUCTION

This report presents a brief analysis of Enforcement performance for the quarterly period from 1st October 2007 to 31st December 2007.

All Enforcement Notices served and Actions taken are considered against the provisions of the Human Rights Act 1998. In taking account of whether to serve an Enforcement Notice or take Action, which is a discretionary power afforded to Councils under the Town and Country Planning Act, 1990 as amended, consideration is taken as to whether the individual's rights are affected and whether it is expedient to serve such a Notice or take Action against the individual.

The service provided currently is a reactive one in that we respond to complaints received from members of the public. The resources are not currently available to provide a more proactive service which monitors development and compliance with planning conditions.

WORKLOAD/COMPLAINT CASES RECEIVED

The table above sets out statistical information for the period 1st October 2007 to 31st December 2007. During this time a total number of 12 Notices have been served.

Members may be interested to note that during this period we received 116 complaints, the vast majority of cases in this period were resolved without recourse to formal Enforcement Action.

The table above includes reference to 2 performance standards in terms of the speed of the responses to a) site visits and b) cases being closed.

FORMAL NOTICES SERVED/ACTIONS TAKEN

During the period 1st October 2007 to 31st December 2007 the number of cases which have been pursued through formal action remains at a high level.

A comprehensive list of Notices served and Actions taken can be seen at Appendix 1 attached

CONCLUSIONS

The number of planning Enforcement cases remains at a high level and is anticipated that the number of cases will continue to rise.

The majority of cases continue to be resolved without recourse to formal action but the marked increase in formal action being taken continues.
