between 05/01/2011 and 01/03/2011**

Case Ref: 0143 / 10

Location: Springside Farm, Springside Road, Bury, BL9 5QU

Issue: CHANGE OF USE OF THE LAND / SITING OF A BUILDING

This Appeal related to the siting illegally of a mobile home on a site while building works were being carried out to convert an agricultural building to a dwelling.

We are unhappy with the decision and believe that the Inspector has erred in law and as such we are considering applying to the courts for a judicial review.

Appeal Decision: Dismissed 23/02/2011
