This is an Appeal against a Discontinuance Notice issued by the Enforcement Team on a large advertisement on the gable of the public house.

When an advertisement is displayed as either Deemed Consent or at the end of a period of Express Consent, the Council can issue a 'Discontinuance Notice' requiring the removal of the display.

As an authority we have not used this power before and this case is one that we will be using to asses how successful we may be is we use this as a method of removing advertisements where they have an adverse impact on the character of an area.
