

Prestwich Township Forum
Briefing note for Forum meeting, Monday 5th March
2012
Section 106- proposed spending in Prestwich 2012/13

Section 106 monies are paid in connection with new housing developments for off site play, leisure, recreation and allotment provision. Sums of money have been received for projects in the Prestwich Area. Money should be spent in the locality of the new development. We have received funding in connection with the following developments

George Hotel (£8,792)
Greengate Lane (£6,377)
Fairfax Road (£5,962) remaining part of larger allocation
Heaton Park Congregational Church (£8,426)
11 Clarks Hill (£4,271)

This provides a total of £33,800 to put towards local projects

Following consultation with the play strategy, green space strategy, sports clubs and projects already identified in the local area it is proposed to put the funding towards

- Bailey Street Bowling Green - £5,000 towards a larger improvement scheme in partnership with the club
- Ostrich Lane Play Area - £7,000 for safety surfacing repairs
- Egypt Lane Allotments - £11,800 for major improvements to the allotment site to make it easier to let plots and towards the site being self managed
- St Mary's Park Play Area - £5,000 for replacement of the climbing net
- St Mary's Flower Park - £5,000 to support the development of a community gardening club, sustainable planting and minor improvements

The works will be programmed for completion in 2012/13
