1.	Resident	<p>Road works on Dumers Lane - a resident complained that the road is being dug up in stages but when it is being filled in the road surface is full of bumps and dips.</p> <p>Residents have also noticed that the double yellow lines across the borough are crumbling, and in light of the TV programme highlighting Bury the other night, they feel the marking should be checked and repainted.</p>	Highways and Parking	<p>CM Passed to the Customer Contact Team 11/01/13</p> <p>Thank you for contacting us.</p> <p>Your reference is: 1431590. Please quote this number should you need to contact us in relation to this matter in the future.</p> <p>If you have any further questions about this issue please ring 0161-253-5353, or E-mail customercontactteam@bury.gov.uk quoting your reference number</p> <p>The road works on Dumers Lane are part of a major sewer replacement and catchment scheme being undertaken by United Utilities. The nature of these major works will obviously cause some disruption to local residents; however the carriageway and footways will be reinstated to acceptable standards when all the works are completed. Completion date for these works is programmed for end of February.</p> <p>Duncan Davidson. Street Works Manager. Knowsley Place Bury</p> <p>0161 253 7629</p>
