1	Mrs Fairhurst	Cars were frequently being parked on the pavements in and around Tottington causing an obstruction and that dustbins were being left in groups once they had been emptied.	Cllrs Gartside and Wright	Councillor Gartside stated that this was something that he and Councillor Wright had dealt with in the past and they would be more than willing to take up the issue again.
2	Resident	A number of people wanted to discuss the Core Strategy in more detail. Request was made for it to be a future agenda item.	David Thomas	The Head of Planning Policy & Projects will be attending the January meeting to discuss initial feedback from the consultation on the Core Strategy.
3	Resident (Walshaw)	There had been an accident outside the primary school that evening and the problem was due to parked cars all along the road outside the school. Would it be possible to consider this area for residential parking?	David Thomas	A representative from Highways has agreed to attend the March Township Forum to discuss residential parking schemes.
