

STANDARDS COMMITTEE

16 FEBRUARY 2006

SUGGESTED ITEMS FOR THE MARCH 2006 BULLETIN

1. Standards Hearing

A debriefing has now taken place and issues raised will be addressed in the Bulletin, particularly the issue of timescale and sticking to the 3 month deadline.

2. The Islington case

This high profile case has resulted in criticism of the Standards Board.

3. Items from this meeting

It is suggested that a summary of the report on Standards of Conduct in English Local Government and information on the Code of Conduct for Non-Voting Representatives be included.

Members are invited to put forward any suggestions of matters for inclusion.
