Case study... what this means for Betty from Bury... now

Betty is a 72 year old widow who has diabetes

She tries not to bother her GP and so held off seeing him until she was so unwell she had to go to A&E late on a Friday

She was put into observation and seen by a consultant on Monday

She stayed for 2 weeks whilst tests were done and whilst she shook off an infection

She was discharged but remained poorly and confused

A week later Betty was back in A&E for an even longer spell...

Healthy lives strong communities

Case study... what this will mean for Betty from Bury... in the future

Betty was invited in for an assessment of her health and wellbeing

Her GP arranged for a specialist diabetes nurse to co-ordinate her care

The nurse's close links with social care meant that a personal health budget was set up to fund changes to help mobility

A tele-health system was set up in her home and now Betty's health can be monitored

If she feels ill, she has one number to call. When she did, the specialist nurse came to her home and changed her medication to keep her stable

She is living a healthy and happy life in her own home

Healthy lives strong communities

Next steps

- We want and value your feedback on the vision for transforming health and care services
- We will record your views, consider them locally and feed them into the wider Healthier Together process
- We will be participating in the Greater Manchester wide public consultation for Healthier Together later in the year
- Further opportunities for engagement and consultation on local models of care
 - Please tell us how you would prefer to be communicated and engaged with

Thank you for listening and providing
your feedback

Mr Watts informed the Group of schemes that were currently going out to consultation in the Brandlesholme east area and at the south end of Woodhill Road. Draft plans were examined by members of the Group at the meeting.

Councillor Southworth highlighted residents concerns about Hunstanton Drive being used as a cut through and requested that the road be included within the consultation.

During discussion of the issues relating to Hunstanton Drive, the Principal Engineer explained that due to the nature of the road, any scheme would require the introduction of physical measures.

In response to a suggestion by the Chair, Councillor Walker, about the potential for a chicane on Haig Road, Les Watts highlighted the cost of installation and the loss of on street parking for some residents.

With regard to the proposed scheme to the south of Woodhill Drive, Councillor Southworth highlighted the current problems faced as a result of vehicles from the company "Boomerang" taking up on street parking places.

It was reported that future schemes were planned for the Seddons Farm Estate and the Ainsworth area.

HIGHWAYS ISSUES WITHIN BURY WEST

The Principal Engineer provided an update in respect of Highways issues within the Bury West area.

With regard to the planned micro asphaltting works on Glenboro Avenue, it was reported the works had been delayed as a result of the weather. The wider programme had commenced this week and it is hoped that, depending on the weather, works on Glenboro Avenue will begin on 5 March 2014.

The Chair, Councillor Walker, highlighted the inconvenience to residents who had made efforts to clear the road only for the works to be postponed. Councillor Walker suggested that an explanation for the delay through the Bury Times would be a good public relations exercise and a means of keeping residents fully informed.

Welcome to Bury West Township Plan

Thank you for taking the time to read the Bury West Township Plan. This document provides details on how we plan to tackle some of the local issues we face as a community.

Over the past months, we have had round table discussions at Township forum meetings where Councillors, Community representatives and other members of the public were present and able to give us their views and share ideas. From this, and other statistical information, we have been able to identify our priority areas for the next three years.

This plan outlines how we will continue to make progress towards the vision for our Township to promote better outcomes for the social, health, economic, and environmental well being of people within our community

Despite the challenging economic climate we continue to strive for improvement, working together with our communities and partner agencies such as the Council, Police and Fire service, health services, faith groups and so on. We have a strong, dedicated, skilled and committed partnership that is working on a range of projects to help us deliver our priorities and improve the quality of life for residents in our community.

Bury Council has a number of key outcomes that underpin its work; delivery of this plan will support these outcomes.

- Reducing poverty and its effects
- Supporting our most vulnerable residents
- Making Bury a better place to live
- One Council, One success together

We would like to thank all our partners and residents for their continued efforts in supporting the Township Forum and the important work it does for the community of Bury West.

Cllr Michael Hankey
**Chair,
Bury West
Township Forum**

Who we are and what we do

Bury West Township Forum welcomes those who live, work, or have an interest in the area. The forum meets at local venues such as community centres, churches and schools. These meetings are public meetings and we strongly encourage everyone to come along. Discussions are fed back to Bury Council and its partners for appropriate action.

Bury West Township Forum is a constituted council committee consisting of all the elected members representing our area and a co-opted advisory group of local representatives from voluntary organisations and community groups. There are up to nine members on each Advisory Group and a place is also reserved for a young persons' representative.

The Forum empowers our communities, promotes the debate of local issues and brings decision making closer to our residents. It seeks to harness the many strengths and assets we have in place here in Bury West, including local groups, strong community networks, talented young people, charities and voluntary groups, to work through these issues as a strong and committed partnership.

For further information about your Township Forum please visit [Township Forums](#) or contact Christine Maksymowski, Township Co-ordinator on 061 253 7941, or by email at c.maksymowski@bury.gov.uk

Some facts about Bury West

Demography: Bury has a population of 185,060 (2011 Census Data), of these, approximately 21,809 live in Bury West. Bury West has an older population profile than Bury overall, with fewer under 35 year olds. Bury West has the 3rd highest life expectancy for women (82.4 years) and men (80.0 years) of all the Bury Townships.

Deprivation: In terms of measuring deprivation, England is split into small areas called lower super output areas (LSOA). Each LSOA represents approximately 1500 residents. Deprivation is measured over 7 domains: income, employment, health, disability, education and training, barriers to housing and services, living environment and crime. In England there are 32,482 LSOA. In the borough of Bury there are 120 LSOA. Each LSOA is given a ranking, with 1 being most deprived.

Daisyfield is the most deprived LSOA in Bury West. It is within the 25% most deprived in the country overall. Chantlers is the least deprived LSOA in the township, which is within the 15% least deprived LSOA in the country.

Closing the gap: Bury West is generally seen as an affluent area; however, there are clearly pockets of deprivation and inequalities, which adversely affect the life chances of many people who live in them. These inequalities between our neighbourhoods mean poorer health, lower levels of education and skills, higher crime and unemployment for people living in these areas. The Township Plan aims to help close the gap so that the lives of those in the most deprived areas are improved.

Our Assets: Bury West is a popular place to live, it has some beautiful parks and green spaces including Burrs County Park and Activity Centre, with active and enthusiastic friends groups to ensure that these spaces are well maintained. There are active Tenants and Residents Associations and an Allotment Society that are well represented on the Township Forum.

4.0 Small Grants Panel 2013/14

Bury Council has an annual allocation of £84,100 plus any residual funding from the previous years Community Fund (for 2012/13 £4,646.41) for the Small Grant's Fund. The current funding priority is to encourage and support grass-root community activity. This means small, community-based and locally controlled groups that manage themselves, encourage active participation from volunteers, and have minimal cash reserves and limited access to funding support.

Application forms for the new round of funding in May are available from Liz Saunders 0161 253 6357 or e.saunders@bury.gov.uk
