4.0 REPRESENTATIONS

4.1 Representations in respect of the application have been received from 4 local residents and from one ward councillor. Members are advised that some of the representations wrongly perceive this to be an application to extend the licensing hours which is not the case and many of the points raised do not relate to the four licensing objectives but refer to Planning and Building Control considerations which the Panel cannot consider. In addition, the representations relate to the following historical issues allegedly associated with the premises:

- a. Previous noise nuisance complaints have been made to the Licensing Authority in respect of the premises many of which relate to live and amplified music.
- b. Taxis sounding their horns
- c. People shouting and fireworks being thrown into a garden
- d. Car doors being slammed and screeching tyres.
- e. Anti social behaviour and noise pollution since the premises gained planning permission to construct a restaurant extension in 2005.
- f. A perceived lack of car parking space at the premises and previous noise and traffic issues.
- g. The proposed changes to the licensing hours will only exacerbate the current disruption to village residents quiet enjoyment of their gardens and dwellings.

4.2 All the representations were received before the end of the objection period.

5.0 REPRESENTATIONS FROM A RESPONSIBLE AUTHORITY

5.1 No representations have been received from any of the Responsible Authorities.

6.0 HISTORICAL COMPLAINTS

6.1 The Licensing Service can confirm that one of the representors, Mr Dutton, has made a number of noise nuisance complaints in respect of the premises between June 2008 and April 2011. The Licensing Service in liaison with colleagues from the Council's Environmental Health Service responded to each complaint which resulted in a noise monitoring device being installed in Mr Dutton's home on 4 separate occasions between February 2009 and June 2010, none of which resulted in obtaining evidence of noise nuisance emanating from the licensed premises. In addition, Mr Dutton has been given advice and supplied with the appropriate application forms to enable him to submit an application to the Licensing Authority at any time for a review of the Premises Licence in relation to any breach of the 4 licensing objectives relating to the Pack Horse Inn. To date, no review application has been received in respect of the premises.

7.0 OBSERVATIONS

7.1 After hearing the representations made and the evidence presented Members are obliged to determine the application with a view to promoting the licensing objectives and having regard to the Authority's Licensing Policy and National Guidance.
