RTF.271 DECLARATIONS OF INTEREST

Councillors D Bailey and Cllr M Bailey each declared a personal interest in relation to Agenda Item 5. NHS Healthier Together presentation as they are both NHS employees.

RTF.272 MINUTES

That the Minutes of the last meeting of the Township Forum held on 1 July 2014 be approved as a correct record and signed by the Chair.

Matters Arising:

RTF. 808 Open Forum – Councillor M Bailey asked that this item be moved higher up on the agenda as was agreed at the last meeting of the Township Forum. The Township Co-ordinator explained that this had been considered, however, given that the Forum would be considering the issue of the changes to the Refuse Collection service via the Waste Management presentation and the Healthier Together Consultation, it was decided to hold the Open Forum after these items in order to free up the Open Forum for any other issues.

RTF.273 LOCAL POLICE UPDATE

Inspector Lorraine Crossman, Bury South attended the meeting in order to provide an update on key policing issues in Bury:-

Radcliffe Township Forum, 18 September 2014

- Banana Walk – a series of community safety initiatives would be taking place following the recent serious sexual assault in the area. These would include the leaflet drop, the cutting back of foliage and the crime prevention event at Banana Walk on Tuesday 23 September. Inspector Crossman welcomed feedback in relation to the physical environment in this area and whether or not further changes would be necessary in terms of improving safety.
- Burglary Team – the remit of the team would change in order to deliver a wider proactive team in Bury. The changes would be taking place in October, the team being more proactive in dealing with other issues other than burglaries.
- Dark nights initiative would be brought in soon which would mean an increase in police foot patrols.
- Operation Treacle would be coming into force soon in the run up to Bonfire Night. The police were undertaking outreach work and work with young people in local schools as part of the initiative.
- Restorative Justice Service “Homewatch” Conference would be taking place on 23 October. Further information would be available from the Township Co-ordinator.

The Chair invited questions/comments from the audience:-

There have been a number of violent crimes reported in recent weeks -local shops targeted and car crimes in Dumers Lane. Is this representative of escalating higher levels of crime in Radcliffe?

Inspector Crossman reported that any violent crime was heavily investigated on an individual basis by the police. Recent crimes did not represent an overall increase in such crimes in Radcliffe. These crimes were most certainly representative of more sporadic pockets of crime in the area. Crime prevention advice was an important element of police work for householders and businesses.

Cllr Shori asked for clarification regarding PCSO's in Radcliffe.

Inspector Crossman explained that PCSO numbers had declined in Bury following cuts in the Police budget. There were no plans to increase the numbers of PCSO's in Radcliffe from the current 2 Officers. Inspector Crossman would be happy to forward the names of the PCSO's that cover Radcliffe to those interested in getting in touch.

Cllr D Bailey raised concerns regarding discovery of the cannabis farm following the recent fire in a rented property in Radcliffe and asked about the detection of Cannabis Farms in the area.

Inspector Crossman explained that the police rely and act on intelligence. Members of the public with suspicions/concerns were asked to report them to Crimestoppers.

It was agreed:

That the information provided be noted and Inspector Crossman be

Radcliffe Township Forum, 18 September 2014

thanked for her contribution to the meeting.

RTF.274 RADCLIFFE CARNIVAL UPDATE

Eddie Spencer from Radcliffe Carnival Committee attended the meeting to provide an update on the Radcliffe Carnival 2014. Eddie informed the meeting that despite the worst Carnival weather in living memory, the event had been a tremendous success with feedback from the public being described as nothing short of breath-taking. Next year's Carnival would be held on the weekend of 6th and 7th June 2015 and would be the 50th Radcliffe Carnival. The Radcliffe Carnival AGM would take place on 25th September at Radcliffe Cricket Club which would include a presentation of the end of year accounts giving a clear indication of monies available to put into community projects. The Committee would welcome suggestions as to deserving causes in Radcliffe which could benefit from money raised by the Carnival.

It was agreed:

That the information provided be noted, with thanks.

RTF.275 I WILL IF YOU WILL UPDATE

Shaun Gibson, Community Activator with the "I Will If I Will" campaign reported that the uptake of groups of women in Radcliffe joining the project had been extremely disappointing. Shaun welcomed anyone who may be interested in joining the project to contact him as there were grants available to support women to get involved in Radcliffe, the aim of the project being to get women and girls of Bury moving, trying new activities and having fun. Anyone interested could contact Shaun, who is based in Radcliffe with the project at s.gibson@bury.gov.uk and/or Liz Saunders at Bury Council. Further details of the project were available on the Council's and I Will If You Will websites.

It was agreed:

That the information provided be noted, with thanks.

RTF.276 NHS HEATHIER TOGETHER PRESENTATION

Dr Kiran Patel, Chair of the Bury Clinical Commissioning Group, attended the meeting to explain the current Healthier Together consultation and to ask those present for their comments and feedback on the proposals. It was explained that the way in which healthcare was provided across Greater Manchester was undergoing change. The three areas that were affected were:-

Radcliffe Township Forum, 18 September 2014

- GP services
- Health and Social Care
- Hospital Services (designation of Specialist Sites)

Work is currently taking place to look at how services between health and social care could be integrated. It was reported that some schemes were already in place to bridge the gaps. This ongoing work is bringing together lots of different organisations to provide joined up services across health and social care and bring more community based services to people outside of a hospital based setting.

The current consultation is asking all Greater Manchester residents to look at the different options for specialist hospital services (relating to Emergency and Planned abdominal surgery) across the conurbation and give feedback on them. Hospital currently providing specialist services such as stroke and heart surgery would not change. All hospitals that currently had an Accident and Emergency department would continue to have one and the changes being consulted on would effect a very small number of patients but would improve the service they received and help save lives.

The consultation was asking for views on which of the eight options set out was preferred and would run until 30th September, 2014. Copies of the consultation questionnaire were available at the meeting.

The Chair invited questions/comments from those present:-

Would maternity services be affected by the proposals?

Maternity services were not part of the proposals.

A question about standardised service provision at Specialist hospitals.

It was reported that all hospitals designated as providing "Specialist" services would meet all of the quality and safety standards and standard services would be retained.

Concerns regarding paramedics deciding on the appropriate hospital to take patients to and the subsequent time elements involved.

Any major trauma would be dealt with at a major trauma centre. Each journey would need to meet standards relating to the time elements in transporting a patient to the relevant hospital.

Are "Royal" hospitals preferred in terms of Specialist designation?

There are a number of "Royal" hospitals who are not deemed as "Specialist" centres.

Radcliffe Township Forum, 18 September 2014

My son is registered disabled – can parents still choose which hospital to take their child?

Yes, but if the nature of the emergency/non-emergency required specialist treatment, then that child would be transferred to the relevant "Specialist" hospital.

Will Bolton's Children's A & E remain?

The Children's A & E will remain, specialist services may be provided elsewhere in Greater Manchester.

Concerns raised regarding proposals to close Children's Centres in Bury.

The Healthier Together initiative would bring more care available to communities as part of integrated care services.

Councillor Shori commented on social care provision, the changing roles of health practitioners and the need for universal service provision within the community.

It was agreed:

That the information provided be noted, with thanks.

RTF.277 WASTE MANAGEMENT PRESENTATION

Councillor Tony Isherwood, Cabinet Member for Environment gave a presentation on the changes to bin collections across the borough and explained why the changes were necessary.

It was reported that the Council had to find savings of £16m for the 2015/2016 financial year and many options were being considered. Recycling figures had risen from 27% in 2011 to 47% currently but it was hoped that by encouraging more residents to recycle their waste more efficiently the percentage could be raised to 60% or more. This would then help to achieve a saving of over £1m and also help the borough to become greener. The Council was paid £25 per tonne for green bin waste (paper and card) and £25 per tonne for blue bin waste (glass, plastics and metal) it also raised income by producing compost from the brown bin waste (garden and food waste). The new collection rounds would commence in the second week of October and all residents would see a change to their current service.

Brown bins would be emptied every two weeks, blue and green bins would be emptied every three weeks as would the grey bin. The days on which the bins were emptied would also change for some residents.

It was explained that all of the information relating to the days on which the bins would be emptied was currently being delivered to every household in the borough along with information on what to put in each bin.

Radcliffe Township Forum, 18 September 2014

The Chair invited questions/comments from those present:-

Concerns raised regarding people dumping rubbish in other householder's bins.

If you were not able to move your bin back onto your property immediately after your bins had been emptied, please ask a neighbour to bring your bin back for you.

Not all residents had received a brown bin.

Give your name and address to members of the team at the meeting and this would be dealt with.

Were Council Offices recycling rubbish?

This was happening across Council buildings. If any staff were not being encouraged to do this then this would need to be flagged up with the Waste Management Team.

Concerns raised by families with babies and young children and nappy waste filling up grey bins and odour controls.

Officers can come to householders and carry out an assessment. If an extra bin was required then this would be provided. It was reported that the blue and green bins would be emptied more frequently.

Would schools be included in the publicity drive?

The Teams were working with local schools. Some children had also designed some of the Team's leaflets.

Concerns about the quality of liners and not being provided with enough liners.

The quality of the liners had recently been improved and bags could be provided at public meetings/other Council outlets.

Concerns raised regarding the supermarkets overpackaging of products.

Concerns expressed relating the hazards for pedestrians from people leaving their bins on pavements – particularly for wheelchair users and parents with prams.

A question as to whether or not this is an ideological and/or cost saving exercise?

Councillor D Bailey enquired about the possibility of a bin amnesty for those householders struggling with the amount of waste produced?

Councillor Isherwood explained about the work currently being undertaken by the Education Awareness Teams and welcomed feedback from the public. Anyone with further questions/issues were asked to contact their local Councillor or report issues to the Call Centre.

It was agreed:

That the information provided be noted, with thanks.

Radcliffe Township Forum, 18 September 2014

RTF.278 OPEN FORUM

The Chair invited questions/comments and representations from members of the public present at the meeting. The Township Co-ordinator undertook to obtain a reply to matters that could not be dealt with directly at the meeting:-

A number of concerns were raised regarding the proposals to close Children's Centres in Bury.

Councillor Shori explained about the current consultation process taking place. It was reported that 25 per cent of Under 5's in the area were currently living in deprivation and that universal services were not reaching these vulnerable families and that the Council had a moral obligation to support these families. Family and Health practitioners were key to providing support and all universal services were being considered as part of this consultation process. All of the concerns raised at this and other Township Forum meetings would be fed into the consultation process, including those raised regarding "Stepping Stones".

Would Councillors Matt and Daisy Bailey continue to support Labour policies in future following their recent move to Independent Councillors on the Authority?

Councillor M Bailey responded by informing the meeting that both Councillors would continue to support their communities and local representatives and would support policies if they felt that this was the appropriate course of action.

RTF.279 RADCLIFFE POOL UPDATE

Councillor Shori provided an update on the Radcliffe Pool facilities. Cllr Shori confirmed that there would be a pool in Radcliffe and the Council were currently looking into the installation of a temporary pool, similar to the one used in Broad Oak, as an interim arrangement. The Council were hoping that, in the long term a new facility would be built in Radcliffe on receipt of an external funding award. Radcliffe Pool is currently offering swimming lessons and gym facilities are open.

It was agreed:

To note the information provided, with thanks to Cllr Shori for the update.

RTF.280 DRAFT TOWNSHIP FORUM PLAN

Christine Maksymowski, Township Co-ordinator submitted the draft Township Forum Plan which provided an update on the progress of the themes contained within the Action Plan for 2013/14. The draft Plan contained issues/ideas raised at the July meeting as part of the Round Table discussions which took place. Comments on the draft

Radcliffe Township Forum, 18 September 2014

plan were welcomed and a request to forward them directly to Christine whose contact details were contained within the report.

It was agreed:

That the report be noted.

RTF.281 COMMUNITY FUNDING REPORT

A copy of the Community Funding report for Radcliffe was submitted, setting out details of the funding allocations to date in support of the work of local voluntary and community groups.

It was agreed:

That the report be noted.

RTF.282 ADVISORY GROUP MEMBERS - UPDATE

Colette Jones provided an update on the work of Friends of Close Park since the last meeting of the Forum, as follows:-

Colette informed the meeting of the recent act of vandalism carried out to structures in the park, particularly to the "Cupcake Man" and that it was doubtful if funds would be made available to repair the damage. The Rangers Hut had also been ransacked.

Community Development Fund had awarded funds for the forest pathway, including the owl carving and story chairs.

£3000 had been awarded towards gym activities in the park. Colette was concerned that the work needed to quantify/evidence funding was not being carried out due to lack of manpower and asked for Councillors to discuss this issue further with the Friends.

The Party in the Park, Tower Tours and RSPCA events had all been a great success.

Colette reported on the Apprenticeships available for young people around the Tower.

The Information Panel Walls created by volunteers would be ready by December.

Art Work at Bury College – no home available – ideas welcome.

The latest dig had uncovered other areas of interest, namely evidence of a manor house from the 14th Century.

It was agreed:

That the information provided be noted, with thanks.

Chair COLIN JONES

Welcome to Radcliffe Township Plan

Thank you for taking the time to read the Radcliffe Township Plan. This document provides details on how we plan to tackle some of the local issues we face as a community.

Over the past months, we have had round table discussions at Township Forum meetings where Councillors, Community representatives and other members of the public were present and able to give us their views and share ideas. From this, and other statistical information, we have been able to identify our priority areas for the next three years.

This plan outlines how we will continue to make progress towards the vision for our Township to promote better outcomes for the social, health, economic, and environmental well being of people within our community

Despite the challenging economic climate we continue to strive for improvement, working together with our communities and partner agencies such as the Council, Police and Fire service, health services, faith groups and so on. We have a strong, dedicated, skilled and committed partnership that is working on a range of projects to help us deliver our priorities and improve the quality of life for residents in our community.

Bury Council has a number of key outcomes that underpin its work; delivery of this plan will support these outcomes.

- Reducing poverty and its effects
- Supporting our most vulnerable residents
- Making Bury a better place to live
- One Council, One success together

We would like to thank all our partners and residents for their continued efforts in supporting the Township Forum and the important work it does for the community of Radcliffe.

Colin Jones
**Chair,
Radcliffe
Township Forum**

Who we are and what we do

Radcliffe Township Forum welcomes those who live, work, or have an interest in the area. The forum meets at local venues such as community venues and schools. These meetings are public meetings and we strongly encourage everyone to come along. Discussions are fed back to Bury Council and its partners for appropriate action.

Radcliffe Township Forum is a constituted council committee consisting of all the elected members representing our area and a co-opted advisory group of local representatives from the business community, voluntary organisations and community groups. There are up to nine members on each Advisory Group and a place is also reserved for a young person's representative.

The Forum empowers our communities, promotes the debate of local issues and brings decision making closer to our residents. It seeks to harness the many strengths and assets we have in place here in Radcliffe, including local groups, strong community networks, talented young people, charities and voluntary groups, to work through these issues as a strong and committed partnership.

For further information about your Township Forum please visit [Township Forums](#) or contact Christine Maksymowski, Township Co-ordinator on 061 253 7941, or by email at c.maksymowski@bury.gov.uk

Some facts about Radcliffe

Demography: Bury has a population of 185,060 (2011 Census Data), of these, approximately 34,189 live in Radcliffe. Radcliffe has a high proportion of the total population 23,800 (71.7%) who are of working age, well above the borough average of 63.9%. Jobseeker Allowance Claimants (JSA) in Radcliffe account for 21.1% of the total claimants in the borough.

Deprivation: In terms of measuring deprivation, England is split into small areas called lower super output areas (LSOA). Each LSOA represents approximately 1500 residents. Deprivation is measured over 7 domains: income, employment, health, disability, education and training, barriers to housing and services, living environment and crime. In England there are 32,482 LSOA. In the borough of Bury there are 120 LSOA. Each LSOA is given a ranking, with 1 being most deprived.

Within Radcliffe there are 7 out of the 20 LSOAs in the 25% most deprived in the country. Radcliffe Borough FC/Coronation Road is the most deprived LSAO in Radcliffe. It is within the 5% most deprived in the country overall. There is polarity within the township and deprivation is spatially concentrated around the centre of Radcliffe. Bradley Fold LSOA is within the 20% least deprived LSOA in the country.

Closing the gap: Radcliffe has some affluent areas but also pockets of deprivation and high levels of unemployment leading to inequalities which adversely affect the life chances of many people who live in them. These inequalities between our neighbourhoods mean poorer health, lower levels of education and skills, higher crime and unemployment for people living in these areas. The township plan aims to help close the gap so that the lives of those in the most deprived areas are improved.

Our Assets: Radcliffe has some beautiful parks and green spaces including Close Park and Outwood Forrest with active and enthusiastic friends groups to ensure that these spaces are well maintained. Radcliffe participates in Bury in Bloom and last year was awarded a gold medal. It has a newly built health centre servicing the whole of Bury. There are active Tenants and Residents Association and Voluntary Organisations that are well represented on the Township Forum.

Radcliffe Township Forum aims to promote better outcomes for the social, health, economic, and environmental well being of people within our community.

We can achieve this by working together to achieve a number of key outcomes:

Together we can achieve more!

Key Outcomes:

Our Plan will contribute to the following outcomes:

Improved employment opportunities

Key Issues identified: How to help reduce the number of benefit claimants, the need for more apprenticeships and pathways to work and the lack of employment opportunities locally, especially for young people.

Current Position: June 2014 there were 648 (JSA) claimants in Radcliffe which is 21.1% of the total of claimants in Bury

Radcliffe West has the highest number of youth (JSA) claimants (60).

Improve Community Safety

Key Issues identified: Youths Involved in Anti Social Behaviour (ASB). Community concerns regarding drug use and acquisitive crime, crime prevention the need to make Radcliffe Safer.

Current Position: Youth Anti Social Behaviour is an issue in some areas of Radcliffe. Drug related acquisitive crime is on the increase

Improved Health and Wellbeing Outcomes

Key Issues identified: To help improve the health and wellbeing of Radcliffe residents and work across the Children's Centre broad agenda to support children and families.

Current Position: Radcliffe has the highest levels of obesity in Reception Year and Year 6 pupils in the whole of the borough. About 1 in 8 (12%) of Reception Year Children are classified as obese. Almost 1 in 4 (24%) of Year 6 children are classified as obese

Improved Educational Attainment/Learning Opportunities

Key Issues identified: The need to ensure that children are 'school ready'.

Current Position: Some Nursery School children are well below the expected standards and have poor communication skills.

Radcliffe Township Forum aims to promote better outcomes for the social, health, economic, and environmental well being of people within our community.

We can achieve this by working together to achieve a number of key outcomes:

Together we can achieve more!

Community Cohesion, Community Pride and Belonging

Key Issues identified: To promote the positive side of Radcliffe. To make more use of the parks and open spaces and the need to improve Community Engagement and Town Centre Regeneration.

Current Position: Some people have a negative view of the Radcliffe area.

Making a difference

We will measure our performance as follows:

- We will monitor the action plan which will support delivery of these outcomes

(an updated action plan will be shared at each Township Forum meeting)

- Bi-annual performance reports in relation to the above outcomes (presented to our Township Forum)

Everybody's Involved

4.0 Small Grants Panel 2014/15

Bury Council has an annual allocation of £46,200 for the Small Grant's Fund. The current funding priority is to encourage and support grass-root community activity. This means small, community-based and locally controlled groups that manage themselves, encourage active participation from volunteers, and have minimal cash reserves and limited access to funding support.

The next round of funding for this financial year closes on 13th January and the panel will meet on 3rd February. Application forms for the new round of funding are available from Liz Saunders 0161 253 6357 or e.saunders@bury.gov.uk
