RTF.415 2015/16 BUDGET

Cllr Rishi Shori – Deputy Leader of the Council and Steve Kenyon – Assistant Director of Resources gave a presentation detailing the key financial issues facing the Authority and subsequent efficiency savings to be made for Bury Council's 2015/16 budget.

The following key facts were presented:-

- For 2015/16, £16 million will be cut from budgets. This equates to a loss of £54 m (50%) of the budget in 5 years.
- This means the Council will need to prioritise key services at a time when residents' needs and expectations are changing and demand for services is increasing.
- In order to do this the Council are exploring alternative ways of delivering services and reviewing organisational structures.
- For 2015/16 the Council have only received 1 year's funding settlement information from the Government, which has yet to be confirmed.
- The Council's core funding from Government is likely to be cut by 13% (to be confirmed).
- The Council will also face cuts to a number of grants received from the Government, for example Early Intervention and Education Services

grants. This is in addition to pressures from levies from other bodies and uncertainty following the localisation of Business Rates.

The meeting was informed of the following key measures to address the cuts:-

- Alternative Service Delivery Models - £3.420m
- Third Sector - £0.200m
- Income Generations - £2.012m
- Better use of External Funding - £3.376m
- Savings from the way the Council buys things - £1.320m
- Managing Assets - £0.726m
- T & C's, Restructuring and vacant posts - £3.229m
- Improved Recycling - £0.862m
- Reduction in provision of services - £0.662m

Bury Residents were being informed of the financial issues facing the Authority as part of a consultation process for the 2015/16 budget and were being asked to consider changing expectations about service delivery; working more closely with individuals and communities to deliver services ie. volunteering/self management; a stronger focus on demand reduction such as self care/early intervention/personal responsibility; examining alternative ways of delivering remaining Council services and changing the way residents access services – "digital by default".

In terms of the next steps, it was reported that from 6 November 2014 to 9 January 2015 the Council will be consulting residents and stakeholders on the package of cuts needed for 2015/16. This will be followed by a review of the consultation feedback which will be fed into the budget setting process for 2015/16. The Council will debate the 2015/16 budget and formally approve a package of cuts. Residents were informed of the various ways they can contact the consultation team and leave comments by 9 January 2015.

The Chair invited questions/comments from the audience:-

- Community pay-back (CPB) – could Bury not make further good use of this?
The Council were looking into all alternative means of service delivery. CPB had been used in an ad-hoc way previously. If there is further scope for this then this will be considered.
- Council Staffing issues – would the Council be willing to cut the number of higher paid senior officer posts as part of cuts?
The number of Directorships had been considered and reduced. The Council hoped to avoid compulsory redundancies.
- Cuts in Manchester City Council had affected services in Manchester – concerns raised that this would happen to Children's Services in Bury. Manchester City Council had not seen as big a reduction in income as Bury over 5 years. The Council would be looking at social enterprise initiatives – there was the need to keep the public sector ethos.
- Close Park had received funding which had had to be returned due to the lack of staff/resources to initiate this funding received – concerns raised as to how much cutting back would be taking place.
- Would the Council look at reducing the Council member allowances?

Document Pack Page 3

Radcliffe Township Forum 6 November 2014

Councillors had already reduced their allowance and the number of Cabinet posts had also been reduced.

- Had the Council an estimate for the number of compulsory redundancy which may be necessary?

No such figures were available, the Council were hoping to avoid compulsory redundancies through a programme of voluntary redundancies, flexible retirement and redeployment.

- When the settlement figure for 2015/16 is finally made available from the Government, had the Council factored in a worse case scenario in terms of forecasted figures?

This had been considered and factored in to the proposals.

The Chair, Cllr Briggs concluded the debate by explaining that these were unprecedented times for the Council and that any changes would be made in consultation with Bury communities. Members of the public were asked to read the proposals and to get involved in the process.

It was agreed:

That the information provided be noted and Cllr Shori and Steve Kenyon be thanked for their contribution to the meeting.

RTF.416 OPEN FORUM

The Chair invited questions/comments and representations from members of the public present at the meeting. The Township Co-ordinator undertook to obtain a reply to matters that could not be dealt with directly at the meeting:-

- Concerns regarding pressures faced by local businesses whilst Church Street was blocked off by the United Utilities works. It was reported that United Utilities would be liable for fines if the work ran over the agreed time period set within the original permit. Cllr Matt Bailey commented that the Council would need to keep a check on the work schedule given that the closure order was for a period of 42 weeks and the date the work actually started.
- An offer to help raise funds/support local heritage of East Lancs Papermill Gates. The resident was informed that Radcliffe Library had set up a Heritage Group and the next meeting of the Group would be taking place on 17 November, at 6 pm at Radcliffe Library. Cllr Shori agreed to look into this and report back at a future meeting. Cllr Bury informed the meeting that the Council had secured ownership of the gates and that this was an ongoing issue.
- Abbey Court – 50 flats desperately needed a supply of dustbins. Beige bins and food caddy's had been promised to residents and the Council had now stopped delivering black bins. Also lights needed repairing in communal areas.
- Radcliffe Christmas Lights would be put up this year. The official switch on would take place on 29 November, hopefully to coincide with the re-launch of Radcliffe market.
- Concerns regarding the loss of trees on the boundary of Banana Walk from a local resident and privacy issues for existing residents if the proposals for the new housing development goes ahead.

RTF.417 LOCAL POLICE UPDATE

Inspector Kenny attended the meeting in order to provide an update on key police issues in Bury, as follows:-

- Bryn Williams, an Officer with over 30 years experience had recently retired. Inspector Kenny, on behalf of all members of the Township Forum wished Bryn a long, healthy and happy retirement.
- Burglary Team – the changes to the remit of the team had now taken effect. These changes now meant that the team would be more proactive in the area.
- The Dark Nights initiative was now in effect which would mean an increase in police foot patrols.
- Operation Treacle had been a success.
- Crime prevention surgeries would be taking place over Autumn/Winter.
- The key threats in Bury remained burglary, vehicle crime and anti-social behaviour.
- Crime preventions advice – leave lights on at home if you are going out, take part in neighbourhood watch schemes, look out for your neighbours – be vigilant and report anything suspicious.

The Chair invited questions/comments from the audience:-

- Concerns raised regarding a number of high profile crimes reported in recent weeks including the theft of Mayoral chains in Radcliffe and the serious sexual assault at Banana Walk. Are these crimes on the increase? Inspector Kenny reported that although these crimes were obviously a concern they did not represent an overall increase in violent crimes in Radcliffe. These crimes were the exception rather than the norm and Bury remained a relatively safe place to live. Inspector Kenny reiterated the need for residents to remain vigilant and report anything of concern.
- Chapelfield residents were concerned about recent crime in the area but thanked the police who, through the work of local PCSO's had helped residents giving advice and distributing crime prevention items such as the timing lights and the recent bike marking event. Inspector Kenny reported that the PACT meetings were being prioritised by the police and it was hoped that partner agencies would be willing to prioritise these meetings with the support of the police.
- What were the plans for the Town Centre police station in Radcliffe? It was reported that local police still use the building as a base, however there could be other plans to utilise the building for community use, or as suggested as a one-stop shop for local residents.

It was agreed:

That the information provided be noted and Inspector Kenny be thanked for his contribution to the meeting.

RTF.418 CHILDREN CENTRES

Document Pack Page 5

Radcliffe Township Forum 6 November 2014

Councillor Gill Campbell, Cabinet Member for Children & Young People and Ian Chambers, Assistant Director (Learning) gave a presentation on the proposed new delivery model for Children Centres in Bury.

The meeting was informed of the key objectives for Bury Children Centres:-

1. To improve health for under 5's – measured by higher rates of breast feeding, reduced obesity and improved dental hygiene.
2. To improve child development – measured by improved school readiness and an increasing proportion of children achieving a good level of development.
3. Reducing the risk of mistreatment or abuse of under 5's – measured by reductions in the rate of family needs escalating to a level requiring family intervention.
4. Improving families' economic prospects measured by reduced numbers of under 5's in households on benefits.

It was reported that these objectives will be used to drive resource allocation to specific centre activities. The Index of Multiple Deprivation (IMD) rankings will be used to directly allocate overall resources – funding being directly linked to deprivation. The driver will be the number of children within a reach area for a Children Centre who are under 5 and living in a Lower Super Output Area. These are among the 40% most deprived nationally.

The presentation provided detailed information of the targeted support on offer as part of the objectives in relation to health, school readiness, early help and job readiness. Specific detail was also provided in relation to the proposed Children Centre Hubs across Bury. In Radcliffe, the Coronation Road site would cover the reach areas of the current Radcliffe cluster. The meeting was informed as to how each Hub would work, the staffing changes involved, outreach deployment and of the necessary steps required in order to convert the other sites in order to deliver the 2 year old offer in Bury. It was reported that from September 2014, 40% of 2 year olds should have access to free nursery places (a total of 1177 children in Bury). There was a current forecast of a shortage of 638 places (October 2014). The Council propose that Children Centres which are no longer required as Hubs will be offered as centres for the 2 year old offer.

In relation to service costs it was reported that total expenditure on Children's Centres in 2013/14 was £2.875m. The Council had seen a reduction of the Government's Early Intervention Grant of over £2.8m since 2012/13 and that the new proposed model of delivery will cost £1.949m which will deliver a proposed savings target for the service of £820k. The consultation period had been extended to 15 December, 2014 and following an analysis of feedback received and subsequent consideration by Cabinet, implementation of the proposals would begin from 1 April, 2015.

The Chair invited questions/comments from the audience:-

- Would some of the existing Children Centre buildings be sold?

It was reported that these buildings would still need to be used for children's services or the Council would be liable for a pay-back levy.

- Would private nursery providers be able to make a viable service under the terms of the 2 year old offer?

It was reported that some private providers had expressed an interest in the tender process to provide the 2 year old offer.

- How will the tender process work?

Tenders would be open to any provider. Inspections would take place before and after the nursery provision was open. Schools could tender for the services and become 2-11 year providers.

- There was compelling evidence that there was a higher need for children at Radcliffe Hall in terms of "school readiness". It is misleading to suggest that Radcliffe Hall did not have a business model in terms of 2 year old offer provision.

This is the Consultation stage and there were persuasive arguments from all interested parties. The levels of social care referrals would be an important consideration as was the need to balance this with levels of deprivation within an area.

- If the 2 year old funding offer is to be means tested, how can existing primary school provision be from 2 – 11 years?

Schools would be able to tender for the 2 year old offer places in conjunction with other children they currently provide services for.

- Surplus Children Centre buildings – are these separate to the Education budget?

It was confirmed that these were separate budgets.

It was agreed:

That the information provided be noted and Cllr Campbell and Ian Chambers be thanked for their contribution to the meeting.

RTF.419 RADCLIFFE TOWNSHIP FORUM PLAN/OUR PLACE

Christine Maksymowski, Township Co-ordinator submitted the draft Township Forum Plan which provided an update on the progress of the themes contained within the Action Plan for 2013/14. As this is a working document all comments/ideas were welcomed. The meeting was informed of the "Our Place" initiative and of the £20,000 funding secured since March towards improving the health of Radcliffe residents. The working group set up as part of the initiative were currently looking at health related themes in Radcliffe with the support of the Director of Public Health in Bury and it was reported that the overall plan would be submitted at the end of November. Anyone interested in getting involved in the project were asked to contact Christine.

It was agreed:

That the report be noted.

RTF.420 COMMUNITY FUNDING REPORT

A copy of the Community Funding report for Radcliffe was submitted, setting out details of the funding allocations to date in support of the work

of local voluntary and community groups.

It was agreed:

That the report be noted.

RTF.421 ADVISORY GROUP MEMBERS - UPDATE

Colette Jones representing the Friends of Close Park reported that the Friends hope to launch all of the Heritage work at a big event at the next Bank Holiday. Christine Maksymowski reported that the "Our Place" initiative included a participatory budget of £7,000 which could be used in support of the proposed event.

Barbara Law representing Chapelfield Residents Association reported on the following:-

- Saturday 15 November – Craft and Gift Fair at United Reform Church, 10 am – 4 pm.
- Thursday 20 November – Fracking talk from representative from "Frack Free" in Stockport
- Stand United Reform Church would be celebrating their 350 year centenary in 2015. The church would be looking at a programme of activities – further information to come.
- The Village Association had won an award from the Radcliffe in Bloom "It's Your Neighbourhood" competition. The RHS had given a discretionary award to Chapelfield – the first time such a group had been in receipt of this award. The Chair, Cllr Briggs congratulated the group on behalf of membership of the Township Forum.
- Dog Training Scheme had been a success – 6 dogs had received awards.

It was agreed:

That the information provided be noted, with thanks.

RTF.422 OTHER BUSINESS

Radcliffe Pool Update – Cllr Shori reported that funding had now been secured for a temporary pool in Radcliffe. The gym and leisure facilities would be provided at the site of Radcliffe Riverside school. The pool would be open by end of January 2015.

Radcliffe Town Team Forward Workshop/Town Team meeting - 12 November, at Radcliffe Civic Suite, at 6pm - to deliver a workshop providing businesses and stakeholders with information and guidance on how to establish and maintain a Town Team. The session will look at how to take forward an action plan to ensure that any funding available, ie. Portas funding, makes a real difference to the town centre.

Welcome to Radcliffe Township Plan

Thank you for taking the time to read the Radcliffe Township Plan. This document provides details on how we plan to tackle some of the local issues we face as a community.

Over the past months, we have had round table discussions at Township Forum meetings where Councillors, Community representatives and other members of the public were present and able to give us their views and share ideas. From this, and other statistical information, we have been able to identify our priority areas for the next three years.

This plan outlines how we will continue to make progress towards the vision for our Township to promote better outcomes for the social, health, economic, and environmental well being of people within our community

Despite the challenging economic climate we continue to strive for improvement, working together with our communities and partner agencies such as the Council, Police and Fire service, health services, faith groups and so on. We have a strong, dedicated, skilled and committed partnership that is working on a range of projects to help us deliver our priorities and improve the quality of life for residents in our community.

Bury Council has a number of key outcomes that underpin its work; delivery of this plan will support these outcomes.

- Reducing poverty and its effects
- Supporting our most vulnerable residents
- Making Bury a better place to live
- One Council, One success together

We would like to thank all our partners and residents for their continued efforts in supporting the Township Forum and the important work it does for the community of Radcliffe.

Colin Jones
**Chair,
Radcliffe
Township Forum**

Who we are and what we do

Radcliffe Township Forum welcomes those who live, work, or have an interest in the area. The forum meets at local venues such as community venues and schools. These meetings are public meetings and we strongly encourage everyone to come along. Discussions are fed back to Bury Council and its partners for appropriate action.

Radcliffe Township Forum is a constituted council committee consisting of all the elected members representing our area and a co-opted advisory group of local representatives from the business community, voluntary organisations and community groups. There are up to nine members on each Advisory Group and a place is also reserved for a young person's representative.

The Forum empowers our communities, promotes the debate of local issues and brings decision making closer to our residents. It seeks to harness the many strengths and assets we have in place here in Radcliffe, including local groups, strong community networks, talented young people, charities and voluntary groups, to work through these issues as a strong and committed partnership.

For further information about your Township Forum please visit [Township Forums](#) or contact Christine Maksymowski, Township Co-ordinator on 061 253 7941, or by email at c.maksymowski@bury.gov.uk

Some facts about Radcliffe

Demography: Bury has a population of 185,060 (2011 Census Data), of these, approximately 34,189 live in Radcliffe. Radcliffe has a high proportion of the total population 23,800 (71.7%) who are of working age, well above the borough average of 63.9%. Jobseeker Allowance Claimants (JSA) in Radcliffe account for 21.1% of the total claimants in the borough.

Deprivation: In terms of measuring deprivation, England is split into small areas called lower super output areas (LSOA). Each LSOA represents approximately 1500 residents. Deprivation is measured over 7 domains: income, employment, health, disability, education and training, barriers to housing and services, living environment and crime. In England there are 32,482 LSOA. In the borough of Bury there are 120 LSOA. Each LSOA is given a ranking, with 1 being most deprived.

Within Radcliffe there are 7 out of the 20 LSOAs in the 25% most deprived in the country. Radcliffe Borough FC/Coronation Road is the most deprived LSAO in Radcliffe. It is within the 5% most deprived in the country overall. There is polarity within the township and deprivation is spatially concentrated around the centre of Radcliffe. Bradley Fold LSOA is within the 20% least deprived LSOA in the country.

Closing the gap: Radcliffe has some affluent areas but also pockets of deprivation and high levels of unemployment leading to inequalities which adversely affect the life chances of many people who live in them. These inequalities between our neighbourhoods mean poorer health, lower levels of education and skills, higher crime and unemployment for people living in these areas. The township plan aims to help close the gap so that the lives of those in the most deprived areas are improved.

Our Assets: Radcliffe has some beautiful parks and green spaces including Close Park and Outwood Forrest with active and enthusiastic friends groups to ensure that these spaces are well maintained. Radcliffe participates in Bury in Bloom and last year was awarded a gold medal. It has a newly built health centre servicing the whole of Bury. There are active Tenants and Residents Association and Voluntary Organisations that are well represented on the Township Forum.

Radcliffe Township Forum aims to promote better outcomes for the social, health, economic, and environmental well being of people within our community.

We can achieve this by working together to achieve a number of key outcomes:

Together we can achieve more!

Key Outcomes:

Our Plan will contribute to the following outcomes:

Improved employment opportunities

Key Issues identified: How to help reduce the number of benefit claimants, the need for more apprenticeships and pathways to work and the lack of employment opportunities locally, especially for young people.

Current Position: June 2014 there were 648 (JSA) claimants in Radcliffe which is 21.1% of the total of claimants in Bury

Radcliffe West has the highest number of youth (JSA) claimants (60).

Improve Community Safety

Key Issues identified: Youths Involved in Anti Social Behaviour (ASB). Community concerns regarding drug use and acquisitive crime, crime prevention the need to make Radcliffe Safer.

Current Position: Youth Anti Social Behaviour is an issue in some areas of Radcliffe. Drug related acquisitive crime is on the increase

Improved Health and Wellbeing Outcomes

Key Issues identified: To help improve the health and wellbeing of Radcliffe residents and work across the Children's Centre broad agenda to support children and families.

Current Position: Radcliffe has the highest levels of obesity in Reception Year and Year 6 pupils in the whole of the borough. About 1 in 8 (12%) of Reception Year Children are classified as obese. Almost 1 in 4 (24%) of Year 6 children are classified as obese

Improved Educational Attainment/Learning Opportunities

Key Issues identified: The need to ensure that children are 'school ready'.

Current Position: Some Nursery School children are well below the expected standards and have poor communication skills.

Radcliffe Township Forum aims to promote better outcomes for the social, health, economic, and environmental well being of people within our community.

We can achieve this by working together to achieve a number of key outcomes:

Together we can achieve more!

Community Cohesion, Community Pride and Belonging

Key Issues identified: To promote the positive side of Radcliffe. To make more use of the parks and open spaces and the need to improve Community Engagement and Town Centre Regeneration.

Current Position: Some people have a negative view of the Radcliffe area.

Making a difference

We will measure our performance as follows:

- We will monitor the action plan which will support delivery of these outcomes

(an updated action plan will be shared at each Township Forum meeting)

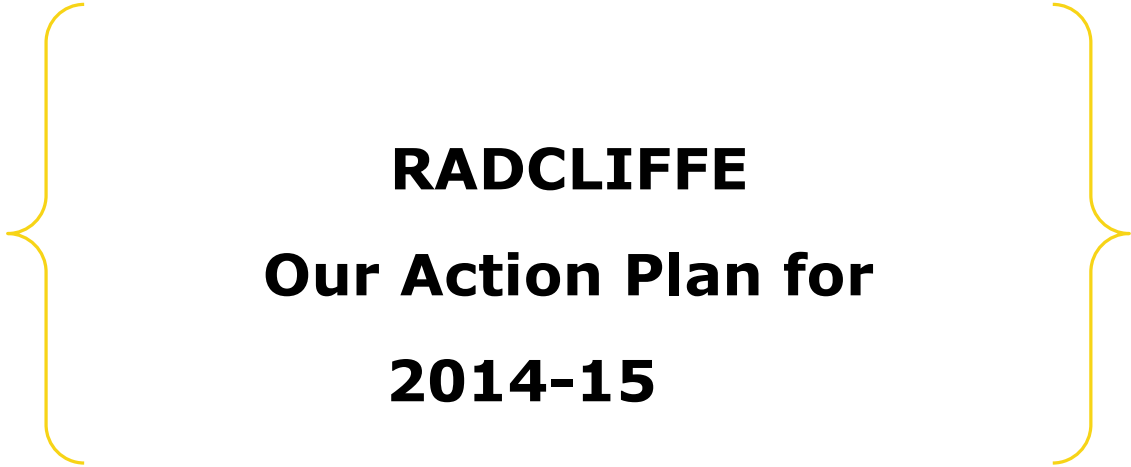

- Bi-annual performance reports in relation to the above outcomes (presented to our Township Forum)

Everybody's Involved

4.0 Small Grants Panel 2014/15

Bury Council has an annual allocation of £46,200 for the Small Grant's Fund. The current funding priority is to encourage and support grass-root community activity. This means small, community-based and locally controlled groups that manage themselves, encourage active participation from volunteers, and have minimal cash reserves and limited access to funding support.

The next round of funding for this financial year closes on 13th January and the panel will meet on 3rd February. Application forms for the new round of funding are available from Liz Saunders 0161 253 6357 or e.saunders@bury.gov.uk
