5.0 REVIEW APPLICATION

5.1 A copy of the review application from Matthew Taylor is attached at appendix A. His complaints concern the rear outside area of Cuckoo being used to cook food on a solid fuel oven the smoke and smell from which is causing considerable nuisance to his family and his neighbours inside their homes. He also complains about customers entering and intoxicated customers leaving Cuckoo via the rear gate which leads onto the gated private car park which he states is for the sole use of the residents of Nos: 5,7,9 and 11 Church Lane. Some of these customers have allegedly urinated against the residents parked cars. The use of the back gate to Cuckoo is causing a security issue for Mr Taylor and his family. He also complains about his family being disturbed by 'continuous loud dance music pounding through the walls of his home' on the evening of the 26/27 July 2014. He believes this was the result of the windows to the premises being left open and the rear door which leads out onto the outside area which is used by smokers, being opened and slammed shut by customers shouting and swearing. He states that on the evening of Wednesday the 30/07/14, an 'open mic night' took place at the venue resulting in his family being subjected to noise nuisance from amplified instruments and voice. He also complains that the shared drive is

often littered with cigarette ends, discarded chewing gum and broken glass. Mr Taylor concludes by stating that "the premises is not practical for the provision of loud late activities in a built up residential area. Sleep disturbance is causing stress".

Mr Taylor has also sent to the Licensing Authority video's showing the cooking of food and the smoke emanating from the oven which he has requested to be shown to the Members of the Panel. Copies of the video's have been sent to the premises licence holder.

7.0 OTHER REPRESENTATIONS

7.1 Representations have been received from a further three residents of Church Lane, Prestwich, which are similar in content to those received from Mr Taylor. Copies are appended to the report.

8.0 PREVIOUS COMPLAINTS

8.1 Previous complaints relating to noise nuisance emanating from the rear outside area when being used by customers smoking in this area have been brought to the attention of the licence holder by the Licensing Service and advice has been given in this regard. The most recent complaint was in connection with the evening of the 26/27th July 14, when the premises was being used until 02.00hrs under the authority of a Temporary Even Notice (TEN). The licence holder has been reminded that when operating under the authority of the Premises Licence, all doors and windows must be kept closed whenever live entertainment or recorded music is taking place.

9.0 NUISANCE FROM OUTSIDE COOKING

9.1 In relation to the complaints about smoke and smells emanating from the outside pizza oven causing a nuisance to local residents, this has been brought to the attention of the Council's Planning Department as a possible breach of planning regulations.
