RTF.769 HEALTHIER RADCLIFFE UPDATE

Doug Galvin, patient representative on Bury CCG provided an update on the Healthier Radcliffe initiative which had been set up in 2014 in Radcliffe in order to transform health and social care services in Radcliffe, bringing services together 7 days a week, 8 am to 8 pm. It was reported that in the last 12

Radcliffe Township Forum, 7 March 2016

months, over 18,000 health and social care appointments had been offered to Radcliffe residents from Radcliffe Health Centre with services such as Breast Screening, Audiology, CAB and Diabetic Community Teams now operating locally. However, there was no guarantee that future funding for the scheme would be secured. Doug asked that local residents and resident groups interested in improving health care in Radcliffe contact him so that together, they can lobby the Council and Health Care professionals to secure the continued improvements to health and social care provision in Radcliffe.

The Chair invited questions/comments from members/public present:-

- The CCG commission health care services in Radcliffe - more should be made available at Radcliffe Health Centre. Doug reported on the differing needs of Radcliffe residents compared to areas such as Greenmount, where the current Chair of Bury CCG is a health care practitioner.
- The new £6 BN health and social care budget for Greater Manchester would need to accommodate the transfer of the current health and social care budget deficit.
- The current underuse of Radcliffe Health Centre accommodation and difficulties in getting access to the building.
- Karen Young, Housing Officer to liaise with Doug Galvin to discuss current issues in service provision in Radcliffe

It was agreed:

That the information provided be noted and Doug be thanked for his presentation.

RTF.770 LOCAL POLICE UPDATE

PC Vicky Shaw provided an update on recent police activity in Radcliffe as follows:-

- Changes to the local police teams in Bury from 1 April would mean each area team would have their own Inspector and more Officers working from Whitefield.
- Radcliffe East - significant reduction in Anti-Social Behaviour (ASB) incidents in last 12 months, from 33 incidents in February 2015 to 10 in February 2016.
- Radcliffe North - slight increase in ASB incidents but decrease in burglary incidents.
- Radcliffe West - ASB incidents remain constant. Burglary (dwellings) - decrease in numbers reported. Reduction in vehicle crime reporting or in some areas had remained constant, but no increases in number of reported incidents.

Radcliffe Township Forum, 7 March 2016

- Future events - Bike Stamp 12 March; PACT meetings taking place on Square and on-line; Officers issued with Blackberry's/Ipads in August 2016 - mobile technology introduction would aid reporting and recording of crime in the area.
- Radcliffe Floods - patrolling of empty properties will remain a priority in Radcliffe.

The Chair invited questions/comments from members/public present:-

- Concerns expressed relating to the vulnerability of resident's empty properties following the flood. Reassurances provided that police patrols would be a priority for the foreseeable future.
- Concerns relating to the increased use of off-road trial bikes across Radcliffe.
- Is parking on pavements illegal? If causing an obstruction then this is illegal and vehicles should be reported by ringing 101 - the vehicles parking illegally can be removed by the Police.

It was agreed:

That the information provided be noted and Vicky be thanked for her presentation.

RTF.771 OPEN FORUM

Questions/comments were invited from residents on any other issues during Open Forum and the Township Co-ordinator undertook to obtain a reply to matters that could not be dealt with directly at the meeting:-

Colette Jones informed the meeting that residents had now set up a Radcliffe Residents Flood Action Group. Any resident interested in joining the group to contact Colette. A number of concerns were raised in Open Forum, as follows:-

- The banks of River were still a mess and unsightly.
- Thanks to those who helped clean up Close Park, however the 150 bin bags of rubbish collected had been left on the Park and were now damaged and litter was escaping from the bags.
- Not all correspondence to the Leader of the Council had received a reply. Some of the response received had been deemed disrespectful.
- Requests for access to the local Flood Incident Map had been declined leaving residents frustrated.
- United Utilities lack of response to collapsed drains.
- Problems with rat infestation due to collapsed drains.
- Insurance issues.

Radcliffe Township Forum, 7 March 2016

- Eviction threats to tenants from unscrupulous landlords when Tenants had requested repair works to rented properties.
- Joint Authority report on flood risks in Greater Manchester in 2009 had highlighted the vulnerability of some areas of Radcliffe as at risk of flooding and reasons provided for flood risk but no action taken by Agencies to address issues raised.
- Hardy's Gate development - report had stated that the "economic outcomes (of development) outweighed flood risk". Why had this development been approved and built in 2013?

Councillor Shori gave an assurance that the issues raised would be related to the Council's newly formed Flood Task Group but reiterated the constraints on the Authority in dealing with issues that were the statutory duty of other agencies such as United Utilities and the Environment Agency. The Chair commented on the need for the Agencies to take ownership of the short and long term flood issues in Radcliffe. Karen Young, Housing Officer offered to liaise with residents in relation to the eviction concerns raised at the meeting.

- Churches Together - 3 local Methodist Churches in Radcliffe had submitted a bid to the Government to open and run a Free High School in Radcliffe. Response from Government on the outcome of the bid was expected in June/July and if successful the aim would be for the school to be open in September 2017. Over 600 responses had been received following consultation of Radcliffe parents.
- Thanks from Radcliffe Heritage Society for the £250 funding obtained from the Funding Panel. The money had been used to purchase the Calendars which had been sold and had raised over £300 for the Society. In response to a question from Councillor Walker regarding progress on the Paper Mill gates, it was reported that the group were looking at applying for lottery funding towards the required £15 k costs. Councillor Preston informed the meeting that the society wished to save and house the Harold Wilson commemorative plaque and Mayoral Board from the Civic Suite prior to demolition. An offer to use the Carnival's garage space to store the plaque and board was made to the Society.

RTF.772 RADCLIFFE TOWNSHIP FORUM PLAN

Christine Maksymowski, Township Co-ordinator presented the report on each of the key priorities contained within the Township Action Plan for 2014/15. A performance report highlighting the main areas of work would be produced for the next scheduled meeting of the Township Forum.

It was agreed:

Radcliffe Township Forum, 7 March 2016

RTF.773 ADVISORY GROUP MEMBERS – UPDATE

The park was now clean but the issue of the Riverbank rubbish still needed to be dealt as a matter of urgency. The Rangers hut had now been repaired and would be opened soon. The Radcliffe Running Club were planning to stage an event in the Park in May and feedback would be provided at the next meeting. Kingfishers had been spotted in the Park.

Carol Kemp, Radcliffe Heritage Society reported that the HLF funding was ending soon. The Society were hoping to be able to preview the Heritage Trail within the next 2months. Councillor Shori thanked the Society for their hard work and commented that their work was building on the other good news events happening in Radcliffe such as the bus station and market improvements and the new housing initiatives which were seeing more people wanting to move into the area.

It was agreed:

That the information provided be noted, with thanks.

Summary of Township Forum in 2015-16

Area Plan

Over the past year, Radcliffe Township Forum produced a Township Plan, to identify priorities where, by working together with local councillors, community representatives, residents, local groups, and partner agencies, they can make a difference to improve life for all residents. The Township Plan includes an annual action plan that has been reported on at Township Forum meetings. This action plan includes the key projects and actions to be delivered over the coming year which contribute towards delivery of the over arching local priorities agreed by the Township Forum.

The Township Plans was developed through active engagement and discussions with Township Forum members - including both Councillors and Advisory Group members. 'Round table' discussions were held to provide an opportunity for wider community representatives, partner organisations and residents to get involved in agreeing local priorities.
