Bury West Township Forum, 8 March 2016

An analysis of passenger journeys on the 98 service was provided which highlighted the following:

- 50% travelled between Manchester and Radcliffe
- 30% travelled between Radcliffe and Bury
- 20% travelled across Radcliffe

In response to a suggestion from Councillor Walker to terminate the service at Whitefield, Mr Wells explained that the fact that 25% of journeys were travelling across Whitefield meant this would not be viable.

In response to a question raised by Councillor Walker, on behalf of Mr Burns, an undertaking was given to respond concerning the failure of the 98 service to arrive on 1st March.

With regard to the provision of real time bus information at the Interchange it was explained that TfGM was responsible for any potential provision as it is they who provide the infrastructure at stations.

That the update be noted.

Councillor Walker, Chair of the Highways Sub Group, provided an update on the work of the Group since the last meeting of the Township Forum.

The consultation for the proposed 20mph zone on Seddons Farm estate had produced a varied response. 76% of respondents would like a 20mph zone put in place but less than 50% wanted speed humps. Councillor Walker reported that the option to introduce dummy humps rather than physical features would be looked at again

It was explained that the Group had raised the issue of inconsiderate parking and access problems on Melrose Avenue near to the primary school.

It was agreed:

That the update be noted.

Summary of Township Forum in 2015-16

Area Plan

Over the past year, Bury West Township Forum produced a Township Plan, to identify priorities where, by working together with local councillors, community representatives, residents, local groups, and partner agencies, they can make a difference to improve life for all residents. The Township Plan includes an annual action plan that has been reported on at Township Forum meetings. This action plan includes the key projects and actions to be delivered over the coming year which contribute towards delivery of the over arching local priorities agreed by the Township Forum.

The Township Plans was developed through active engagement and discussions with Township Forum members - including both Councillors and Advisory Group members. 'Round table' discussions were held to provide an opportunity for wider community representatives, partner organisations and residents to get involved in agreeing local priorities.
