6th July 2017

Dear Laura,

Licensing Act 2003

Premises: Alpha Events Centre
Unit 12b Britannia Mill
Cobden Street
Bury
BL9 6AW

The information supplied in support the application for a premises licence, variation or comparable club premises certificate, dated **09/06/2017**, has been examined and Greater Manchester Combined Authority wish to make a representation to the Licensing Committee that the public safety objective of the Licensing Act has not been adequately addressed.

The applicant has been informed that Greater Manchester Combined Authority will be making a representation to the Licensing Committee.

The area(s) that are of concern to the Combined Authority are as follows:

Inadequate means of escape

A Fire Safety Evaluation has been carried out on the premises and the means of escape is suitable for no more than 100 people, this has been formulated by way of a restriction order under Article 31 of the Regulatory Reform (Fire Safety) Order 2005. Greater Manchester Combined Authority have issued this restriction to ensure public safety within the premises, this condition must be adhered to and managed whilst the premises is on use.

In addition, the premises has had certain rooms Prohibited due to excessive travel distance to the only emergency exit from the premises, this Prohibition notice has been served under Article 31 of the Regulatory Reform (Fire Safety) Order 2005. Greater Manchester Combined Authority have issued this notice to ensure public safety within the premises

Inadequate means of giving warning

During the inspection of the premises there was evidence that the premises was being used for residential accommodation. A Prohibition Order, under Article 31 of the Regulatory Reform (Fire Safety) Order 2005, has been served on the premises to prevent the premises from being used as residential accommodation. Greater Manchester Combined Authority have issued this notice to ensure public safety within the premises.

Other

The ceiling to the main event space is covered in a material that isn't known to be Fire Retardant, as such members of the public are being placed at great risk until the material can be certified or treated with a suitable flame retardant treatment.

In summary, Greater Manchester Combined Authority is in the opinion that the applicant for the licence hasn't taken the necessary actions to safeguard all relevant persons from fire within the premises.

Please could you advise us, at your earliest convenience, the date and time of the Licensing Committee Hearing?

If the relevant areas of concern are addressed and adequate notice is given to the Combined Authority, the representation may be withdrawn.

This letter is without prejudice to enforcing action that the Combined Authority intends to take under the Regulatory Reform (Fire Safety) Order 2005.

Should you wish to discuss the content of this letter, please contact the person indicated at the top of this letter.

Yours faithfully

Please attach supporting documents/further pages as necessary. Please number all extra pages and add the applicant's name and your name to each page.

Section 3A – The Objectives

<p>TO PREVENT CRIME AND DISORDER</p>	<p>Please state your reasons:</p> <p>Ms Bolanlwe Oladapo Shodipe has applied for a premises licence in respect of Alpha Events Centre, Unit 12B, Britannia Mill, Cobden Street, Bury BL9 6AW.</p> <p>A meeting has been conducted with the applicant at the premises and we have a number of concerns which are highlighted below.</p> <p>Ms Shodipe has advised that the premises is to hold up to 400 people for various party events and that the premises licence will allow the venue to be open until 05.30hrs 7 days a week.</p>
---	---

	<p>Patrons or Hirers will attend with their own food and alcohol. It is with careful consideration that we formally submit our objection to the application.</p> <p>Greater Manchester Police have concerns that although the application does not request alcohol; the option for patrons to bring their own alcohol and to be able to consume this unregulated in the venue until 05.30hrs gives the potential for disorder to take place. The applicant does not have any licensing experience and does not hold a personal licence.</p> <p>Given the numbers advised, the security provision stated in the application is not likely to be robust enough and we have noted that the current cctv system does not cover the entirety of the venue and appears to be limited to four cameras.</p> <p>The venue itself is part of an old mill complex and accessed via a gate from Cobden Street, through a tunnel to a courtyard and internal stone stairs. There is a security door at the top of the landing which is accessed using a serviced door bell. It is not known whether there is adequate lighting or cctv to prevent and detect crime in these areas. The venue is not easily accessed, and there may be a delay in any police response should we be required to attend.</p>
PUBLIC SAFETY	<p>Patrons can attend with their own alcohol; however there is no provision in place to regulate this. We have concerns that a 05.30hrs licence will allow patrons to obtain high intoxication levels and whilst this can cause issues on a personal level we are concerned that this could impact on members of the public and in turn the wider community should a police response be required.</p> <p>The venue itself is part of an old mill complex and accessed via a gate from Cobden Street, through a tunnel to a courtyard and internal stone stairs. It is not known whether there is adequate lighting or cctv to prevent and detect crime in these areas.</p>

<p>TO PREVENT PUBLIC NUISANCE</p>	<p>It is noted that the application does not include the provision for Recorded music. The applicant however confirms that DJ's will be in attendance for parties with the potential to be played until 05.30hrs on any day.</p> <p>A number of other businesses are located in the building and surrounding area, and lateness of the requested licence is likely to impact them. There is no provision for parking and the applicant advises that patrons use a nearby car park. All local car parks are attached to businesses and it is not clear if permission has been obtained to use them. Any overflow onto surrounding streets is unlikely to be unregulated and has the potential to impact the local community resulting in calls to the police to manage the situation.</p>
<p>THE PROTECTION OF CHILDREN FROM HARM</p>	<p>There is no provision in place to prevent children accessing alcohol that has been brought to the venue. With the numbers advised we believe that the consumption of alcohol by children will be difficult to prevent. As well as weddings, the applicant also intends to hire the premises for different types of parties. There is no evidence that should a 18th or 21st party be held that consumption of alcohol by children will be regulated. The applicant has made reference to "Challenge 25", however this needs to be explained in more depth. If patrons are bringing their own alcohol, at what point are proof of age checks made?</p>

Section 3B – Suggestions/Further information

We note that the applicant has been using the premises for two years unlicensed and acknowledge that she is now making an effort to rectify this issue by now submitting an application. It is in our opinion that the premises is not suitable in its current state to for hosting events as detailed in the reasons above.

The applicant states that she charges £500 for the room hire and up to £500 for room decorations. She takes about 3 bookings a month; however we believe this is unlikely to provide a viable business in its current state taking overheads into account. We have concerns that the applicant could, without difficulty, make a provision for alcohol within her bookings which would make the business more viable. We have no evidence of this, however we believe that applicant needs to be questioned further by the panel on the validity of the business.

Subject: BRITANIA MILL UNIT 12B COBDEN STREET

Hi,

This email is regarding the application for a premises licence at the following address, of which I have strong objections to :

BRITANIA MILL UNIT 12B COBDEN STREET BURY BL9 6AN

It is interesting to see an application for licensing has been submitted, given that the premises has already been used for this purpose over the last few weeks. My work premises backs onto COBDEN STREET, and over the last few weekends we have had masses of fly tipping dumped on our land by what can only be the applicant's business. I have no proof that it is this business, apart from all the bags of litter contain large numbers of empty prosecco bottles, cava bottles, vodka bottles and so on.

During work on the applicants premises, we have also had brick work, rubble and wood dumped on our land. This was seen by members of the public, however we have no CCTV footage - something we are now having to invest in given the frequent fly tipping.

I also have strong objections due to deliveries to the applicants premises and parking for their workers and customers. Only this morning did a member of the applicants tell a delivery driver to park on our land at the back of our premises, despite clear signs on the wall saying that it is private land. We have also had numerous people involved with the applicants premises park on our land. There simply is not enough parking in the area to accommodate a premises of this nature in the area during the applied for hours.

I also have strong objections to this given the level of violence and anti-social behaviour involved with such establishments. The premise is inside a large mill, in the back streets and outside of the town centre. There will not be the same police presence as there currently is in Bury town centre to help control any situations of violence and anti-social behaviour. My said premises used to be a Bar and Nightclub before I moved in, and this was shut down due to the level of violence and anti-social behaviour caused. I struggle to believe anything has changed since, and being in the same area there will be the same levels of trouble involved.

I look forward to a response on this.

Thanks.

Kind Regards,

Peter Hickford

Subject: Application Objection

Hello,

I would like to strongly object to the application for a premises licence that I have just seen on the wall in Cobden Street made by a person called Bola Shodiye for Unit 12B Britannia Mill, Cobden Street Bury. B19 6AW.

The back of my store is on Cobden Street and we are already having lots of trouble with the dumping of rubbish and car parking and this will only make things worse.

1. Every night we get carrier bags dumped in our car park on Cobden Street containing empty bottles of Prosecco, Vodka bottles, beer bottles, Coca Cola bottles etc. and empty pizza packets and various empty food containers. This happens EVERY night.

2. Every day cars park in our car park and go into the mill opposite despite us having No Parking signs displayed on the wall. People just ignore them.

3. I have heard very loud music sometimes, at weekends, and cars parked in our car park when there have been weddings and parties going on in the mill.

If this license is given approval things are only going to get worse.

1. They will be dumping even more rubbish in our car park.

2. Where is everyone going to park? There is already nowhere to park around this area, hence them using our car park all the time. If this person is given a license to open from 11am to 5:30am 7 days a week they won't be able to park anywhere.

I think it is ridiculous to even consider giving a license for these hours when in a mill where people are working and where there are no facilities. If I had a unit in the mill I would be even more annoyed. I can hear music now and we are in a unit across the road. If we were in the same building you wouldn't be able to work.

I would also be very concerned for the security of our building if people are going in and out of this premises all day and night. They already park in our car park and dump rubbish so we know there are people messing around our property in the evenings when we are not there.

This is a working area, not a nightclub area. Please do not allow this application.

Many Thanks,

Dennis Hickford.
