Appendix 2

With reference to the application of a licence to sell alcohol, provisions and music at the above address.

I oppose the application on the following grounds.

This whole area, including upto Singleton Road is very heavily populated with families that have young children.

By granting a licence for the reasons aforementioned and for the hours requested would cause untold problems.

The issue of noise that would occur from any form of entertainment, excess amount of people congregating on the streets at 1am is unacceptable in a populated residential area, causing noise and disturbance.

There would also be a high percentage of those people being intoxicated, causing them to act inappropriately, and disturb the people who live in the area.

There are many school children who pass along there, twice a day. It would be a Health and safety issues for them to have to pass intoxicated people.

We also have a lot of older children who pass by there during the evening hours.

Granting a licence is inviting people from outside the area to come and disturb the relaxed quiet atmosphere in the area in the evenings. It could also increase crime in the area.

There are no other such establishments in the vicinity.

The amount of pollution in the area from extra vehicles will be raised, which would be none beneficial to the health of the people living in this area.

There is also the issue of having parking spaces for the residents. If a licence is granted, the residents might be forced to park farther away from their homes, due to attendees of the venue taking the residents parking spaces in front of and close to their homes.

I believe that in a well populated and respected area a venue of the kind in question would not be suitable or welcome.

Yours faithfully

Hi

I would like to register my objection to the application for an alcohol & entertainment license for the above property.

The application is for premises on the corner of my street, Richmond Avenue. I am concerned that this late night alcohol and entertainment will create a nuisance to local residents as a result of noise and possible rowdy behaviour. The presence of inebriated persons walking around late at night could also endanger public safety. This is a nice quiet, peaceful area and we do not want it spoiled.

Thanks

Dear sirs

We are emailing about the above address re license application. We live at 7 Richmond Avenue and we are deeply distressed that the premises have applied for such a license. We have children who are teenagers and younger children, who will be affected with this. My children will be scared to go out in the street especially seeing drunk people around together with loud disgusting music which we are not accustomed to. This is a high class residential area which is going to get spoilt with low lives.

I am sickly worried for the safety of my children when this opens. We might be physically abused or even be threatened and we walk past or even when we are outside our house. Even when we are inside our children will be scared of the public nuisance caused by these violent thugs.

I plead with you nicely not to permit the license and again I stress that this area will stay as a nice calm residential neighbourhood.

Already the police unit is under staffed and you will be causing a further strain on the policing unit if this license is to be granted.

Hence please listen to our plea and don't grant the license.

Many thanks

Meir and Hannah Hassell

Good morning

I am writing in relation to the licensing application for the above property.

I am strongly object to the license to serve alcohol and have live music till late at night. I believe this will attract crime and unsociable behaviour in the area.

Furthermore, there are many children that live in the nearby and walk past at night. I feel that when alcohol is served and buyers may become intoxicated this may lead to undesirable consequences.

Yours Sincerely

To whom it may concern

It has come to my attention that an application has been made for the premises known as 24 Bury New Road Prestwich M25 0LD. These premises are located directly underneath our office where we have been renting since 2006. We have seen many businesses come and go at the premises below and have had no objection, these being takeaways and cafe style shops. With the new business planning to move in we have great concern on several fronts.

- We are always concerned about crime and ASB in the area. With our local neighbourhood policing team and the local business we have made a great effort to be vigilant and keep the area safe. Our concern is that all this effort will be undermined by licensing a premises to serve alcohol and have live music for extended periods of time.
- My staff wouldn't feel safe coming to work especially in the winter early nights when there is a premises on their doorstep serving alcohol.
- How are my staff supposed to work when there will be live music at all hours of the days and night
- This area is feet from a residential area where kids play. Is there any consideration about the type of customers such a premises will attract to the area?
- The area is predominantly populated by Jewish families and businesses where alcohol consumption is kept to a minimum. To allow for a premises that has a licenses for supplying alcohol and live music entertainment is concerning for members of the community.

Please take my objections into account and reconsider the application.

New Premises Application - Eat New York, 24 Bury New Road, Prestwich, M25 0LD

We write on behalf of the community in regard to this recent application for the above premises.

We object to this application on the numerous grounds as below.

This is a highly populated Jewish area, with a very high density of children. It is no secret that Jewish families in this area do not carry mobile phones etc over the Sabbath and Jewish Holidays. During these times, families, girls and children are often walking the streets, talking or walking to and from friends etc.

The concern is that with this premises being open so late, serving alcohol, live music etc, they will become a target for abuse both verbal and physical, antisemitism and being made to feel insecure. As they won't have any mobile phones on them during the Sabbath and Holiday, they will have no way of calling the emergency services or family members for help.

This is aside for the concern, of additional vehicles in the area, blocking driveways, additional noise in the area at night especially round the Richmond Avenue and Albert Avenue, disrupting family life and children sleep.

In short our concern is for the safety of the local children, public safety, and public nuisance. This is aside for the concern that it will increase crime and disorder locally, as general public may come to Prestwich as and when pubs close in town.

Craig Scherer

Premises Name: Eat New York
Address: 24 Bury New Road, Prestwich, M25 0LD
Proposed hours of opening: 08:00 - 01:30
Additional information: New Premises Application
Type: Live Performers, Late night refreshment, Supply of alcohol.
Objection Period Ends: 10/09/2020

I am writing to OBJECT to the above application for Variations to Premises Licences under the Licensing Act 2003.

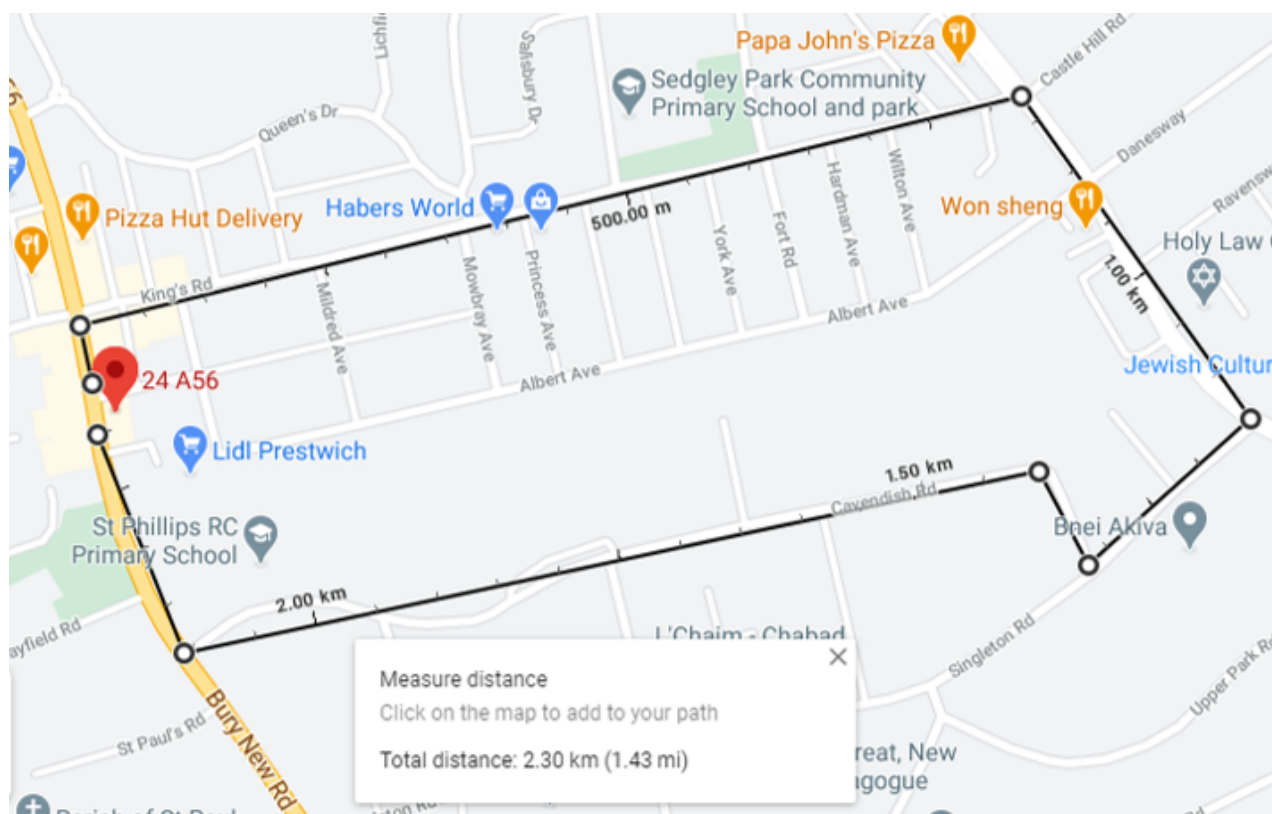

I believe that the license must not be approved, as these premises are intrinsically and generally unsuitable for this type of license due to the following unique characteristics.

- Issue #1:
 - o The property customer usable space is extraordinarily small. This means that outside usage must be an intrinsic part of the regular serviceable space. The consequence of this is that the entrance door will either be wedged open or regularly opened and closed.
- The reason this affects the application:
 - o This will have a very definite effect on the neighbours and area. The noise will be a public nuisance. Additionally, as this property is not setback in any way, people being served and drinking alcohol as many people are walking past – exceptionally close to where the customers are gathered is likely to cause crime and disorder.

There is also a second issue that is a very major factor and must be addressed which exacerbates the above.

- Issue #2:

- o Usually, if someone does not want to walk past premises – or does not want their child to walk past premises – that are selling alcohol, they can go around the location in a not too difficult manner. The uniqueness of this location however is that it is on a main road with no route around it! If someone wanted to avoid walking past this location, they could not just go around the block, rather the shortest detour would be 1.43 miles long, adding a good half hour walking time to anyone wishing to avoid this location due to the alcohol being sold there and the customer base and behaviour that results!
- o Please see map below.

- The reason this affects the application:
 - o There are many high schools within this area, with hundreds of pupils walking past this location in both directions on their way to and from school as well as after school clubs and when going to friends. As noted, due to the unique location of this premises, they have no viable alternative route. They could either take a 1.43 mile detour, or possibly cross a very busy main road, with the inherent dangers that poses. Furthermore, it would therefore be exposing these teenagers at a young age to seeing alcohol consumption in a manner they would not usually see, and this has the damaging effect of normalising such consumption, as well as the resulting behaviours, and as noted there are no viable alternative routes to avoid this. The above clearly harms the protection of children, besides the impact on crime, disorder and public nuisance due to the unique characteristics of these premises and its location.

We appreciate all you do, balancing the promotion of local business with the safety and wellbeing of the local residents, especially the children.

For the reasons outlined above I therefore clearly OBJECT to the above application for Variations to Premises Licences under the Licensing Act 2003.

Yours sincerely

Subject: License for corner shop
To: <licensing@bury.gov.uk>

Mr Michael Bridge

Dear sir

We were upset to hear from a 3rd party of a license application from the above, for long hours food, music and alcohol 7 days a week...

We live at 2 Richmond avenue, practically next door to the applicant , and we will suffer greatly if such license is granted.
We are a relatively quiet neighborhood, and have enough coming and going with the existing takeaways on the block!!

I wouldn't like to imagine the noise and traffic on the street if the corner shop will be having music and alcohol from morning to late night !!

My kids safety will be compromised, and they will be denied the relative freedom they enjoy, playing outside the house, if the area will be occupied with people loitering around under alcohol influence.

I therefore, on behalf of my whole family, object to the application being granted.

Sincerely yours
Mr M Craimer and family

I am writing as a resident of Richmond Avenue Prestwich which is same road as this shop which is on the corner.

We are in a residential area of families and children and under any circumstances we do not want a alcohol outlet opening in our area.

It will cause a nuisance as well attract unwanted people to the area besides the fact that they will come and use the side streets as a short cut or for toilet etc.

I ask you in the most polite way to please reconsider this application.

Many thanks

Dear Mr Bridge,

I am writing in regard to a licensing application to a property near to my home. It is the corner unit on 24 Bury New Road, Sedgley Park, Prestwich, M25 0LD. Eat New York Ltd is the company.

The request is to have live music and performances ,serving of alcohol between 8pm-1am on Mondays til Sunday, with availability at weekends to serve refreshments until 1.30am with later dispersal. Its says 8 til 1, am I wrongly assuming it is 8pm or is it daily from 8am?

As a local and nearby resident I am pleased to see premises used again and it will likely be a great asset locally. However this will only be the case if its licensing and dispersal is managed properly.

I would like to know why a license to have alcohol drinking is necessary each day until 1am ? Is there a dilineated area planned to supply alcohol both on and off premises?Those people who have consumed alcohol all evening will only be heading home in early hours 5 nights a week and even later at weekends. It could encourage people to hang around locally when drunk unless dispersal is managed well. Many homes where I am,do have large young families and noise will undoubtedly be a factor.

Why is Eat New York Ltd, not required to have normal local licensing rules? Serve til 11pm and then disperse? This will ensure prevention of public disturbance will at least be no more, than anywhere else locally.

There is an obvious great potential to have noisy behaviour and drunkenness at any venue in a premuses very close to a usual quiet residential area. If there is external seating, noise will carry greater to front and back of houses. Many homes even nearer, than myself, have very young children. It does not seem reasonable that Eat New York Ltd, is given a license until early hours 7 days a week.

So, as much I am pleased a new business is planned, one which I will likely visit, I object on the grounds as outlined. Wholly, my objection is to do with extended alcohol license being applied for. It is not necessary in an area that abuts residential housing. This is apart from the additional parking pressures in a densely parked and currently unrestricted residential street.

Sincerely

Bridie Breen

Good Afternoon,

With regard to the new application submitted for 24 Bury New Road - Eat New York - Ref: 1196

The area in which we live, is proud for it's quite evenings that contain no fear of harm to any residents young or old.

Permission for the sales of alcohol and late night music etc, would not only cause the area to loose it's tranquillity, but would result in higher crime rates. We will feel unsafe to allow our children to venture out alone were such a type of business to operate so close to our home. Fights and shouting will most definitely take place were alcohol to be permitted. We do not wish to be privy to such despicable behaviour.

Having people under the influence of alcohol, will cause untold nuisance and harm to the public who frequent our area.

This would be considered an outright danger hazard and therefore we strongly object to any local business obtaining a permit for late night activities with music and alcohol.

Dear Sir/Madam,

New application submitted for 24 Bury New Road - Eat New York - Ref: 1196

I was very disturbed to hear about the potential license permit for the above address to dispense alcohol and refreshments with late night music.

Since we have lived at this address, the area has always been calm and peaceful especially at night.

Having such activities taking place would mean our streets would no longer be the safe and peaceful place we know it to be. Higher crime rates would be inevitable, causing all local residents and those who frequent our area to be at risk. We fear for our children to be victims of people influenced by alcohol.

Fights and shouting on the streets is something we do not want to see or hear, not us adults and not our children!

Please help us to keep our area and community free from these hazards.

To whom it may concern

I am writing with regards to plans to open a shop selling alcohol at the above address. There is massive worry about the rise in crime and anti social behaviour this will cause on our streets. The shop is regularly passed by our children on their way home from school and the very nature of the above shop will make it dangerous for them to pass. Crime rates in the area will definitely rise as intoxicated patrons of the shop hang around the area.

PLEASE PLEASE do not allow this shop to open and allow ourselves and our children to walk the streets safely without fear.

Looking forward to your positive response,

Yours sincerely

As a local resident with young children I would like to object to the license application for the following reasons:

Prevention of crime and disorder, concern of public safety in the area, to prevent public nuisance and to protect our children from harm.

To Bury Council,

I am writing regarding the application for license for late night alcohol at 24 Bury New Road, Prestwich.

I strongly object to the application for late night sale of alcoholic beverages.

I am a resident in close proximity at 67 Richmond Avenue with my family of 3 young children.

It is a very safe and peaceful area where my children feel extremely comfortable to be on the streets. The opening of the above establishment will definitely destroy the feeling of safety that my children feel and will greatly disturb their emotional freedom that is a vital part of their childhood years.

I am sure Bury council will fully understand that for the best interest of our children, a late night music and alcoholic establishment does not belong to a calm residential area in addition to the concern of an increase in crime as a result.

Many thanks for your understanding in this important issue.

Kind Regards,

re: 24 bury new road

A request has been placed for a license to the above address. I live a mere few steps from this place and fiercely oppose such a proposition on the following grounds. I have 3 children and live in this area in order to provide a safe and quiet environment for them to thrive. I truthfully fear that if there is a site in such close proximity selling alcohol, this will considerably affect their safety. It is inevitable that we will get rowdy 'elements' walking directly past our house where children are playing in the garden and I fear they will be scared to play and develop.

The music which has been requested is also a major cause for concern. There is no doubt that this will reverberate over the street while my children (and ourselves) are trying to sleep. Music playing 7 days a week until 1:00AM is ridiculous and I fear serious mental health challenges to my children and others in the area.

We have looked for, and found a safe and secure area to live and, both my wife and myself were highly disappointed to discover that a public nuisance of such a serious level was to be put at our doorstep.

We, and our children, beg you to reject such a proposal and protect our rights to physical safety and mental stability!

Please read this with the same gravity of spirit with which it was written.

Thank you!

J and Y Beaton

re Licensing application: 24 Bury new road, M25

This is to object to the above licensing application

I live on 12 richmond Avenue, M25 0NA and I understand there has been an application for the above to be licensed for the following until 1 and 1:30 am both during ordinary weekday and weekends:

supply alcohol until 1 am

provide live music indoors until 1 am

late night refreshments until 1:30 am

I object to all of the above as i am living with my 4 young children, the youngest is a toddler with additional needs.

i am concerned about the safety of my 4 small children of being so close by to a property whos main purpose is provision of alcohol with live music

Live music indoors until 1 am will definitely be a disturbance and public nuisance - this is long after normal working hours, and as it is during nighttime it will wake up my children and disturb their sleep.

Additionally supplying alcohol both during daytime and especially nighttime will be a risk to myi childrens safety and a nuisance - People walking nearby or past our home under the influence of alcohol would traumatise my young children, especially during nighttime if they hear and get woken up from racaus from drunkards walking past/nearby

I understand that during these times especially, it is a priority to help the economy and support businesses. However I respectfully point out that my young children's education is also important and it will definitely be affected as they will be tired in school as they will be disturbed at night, as above

Additionally, their safety is even more important, as explained I am afraid for their emotional well being

Thank you for reading this

I am able to speak at the hearing if this would help the case

Dear Sir

Re: Application for licence at 24 Bury New Road

We are most concerned about this application.

The property in question is at the corner of Richmond Avenue where we have lived for over 25 years.

Our first concern is that permitting music till 1 am will certainly disturb local residents/children trying to sleep.

Secondly, the consumption of alcohol will undoubtedly have a negative impact on the local residents.

Most households on this road have young children many of whom enjoy playing on the pavement or in their front gardens.

As parents we are worried about the effect this licence would have on the safety of the local children. Inebriated clients will, at best, be frightening to young kids even if there is no actual interaction. Not to mention the obvious risk that crime and disorder will increase. We still remember the disorderly noisy manner in which clients of the former local pub, The George, would make their way home.

Please consider this carefully as it would be a great shame if the current pleasant atmosphere on the street were to deteriorate.

Yours sincerely

Aron Santhouse

With reference to the application of a licence to sell alcohol, provisions and music at the above address.

I oppose the application on the following grounds.

This whole area, including upto Singleton Road is very heavily populated with families that have young children.

By granting a licence for the reasons aforementioned and for the hours requested would cause untold problems.

The issue of noise that would occur from any form of entertainment, excess amount of people congregating on the streets at 1am is unacceptable in a populated residential area, causing noise and disturbance.

There would also be a high percentage of those people being intoxicated, causing them to act inappropriately, and disturb the people who live in the area.

There are many school children who pass along there, twice a day. It would be a Health and safety issues for them to have to pass intoxicated people.

We also have a lot of older children who pass by there during the evening hours.

Granting a licence is inviting people from outside the area to come and disturb the relaxed quiet atmosphere in the area in the evenings. It could also increase crime in the area.

There are no other such establishments in the vicinity.

The amount of pollution in the area from extra vehicles will be raised, which would be none beneficial to the health of the people living in this area.

There is also the issue of having parking spaces for the residents. If a licence is granted, the residents might be forced to park farther away from their homes, due to attendees of the venue taking the residents parking spaces in front of and close to their homes.

I believe that in a well populated and respected area a venue of the kind in question would not be suitable or welcome.

Yours faithfully

Hi,

I've been made aware of a planning application at 24 Bury New Road, M25 0LD for a change of use, which will include sale of alcohol and musical entertainment. I did try to find further details of the application on the Council's website but was unsuccessful.

I've been a Prestwich resident all my life, growing up as a child on Fairway, and recently having bought a house on Sedgley Ave. I really know this area well, and have watched it change over the course of time. I remember how we would need to call the Police when local teens left their dog to run wild and come into our garden. I still remember how a local kid from Bishops Road was caught outside our home about to throw a brick through our window. Over the last twenty years, things have improved dramatically, and it concerns me to hear of the above proposed developments.

I live close to the above location and am concerned that it will attract people who may not act responsibly, who may well cause disruption and nuisance when coming and going, especially if they are in any way intoxicated. This could even lead to damaging property and possibly even personal harm.

I trust you to take these matters seriously, and ask that you consider my point when making your decision.

Thank you very much,
Benjamin Black

To whom this may concern

I have noticed the sign regarding an application for a license to sell alcohol including during late night hours on the premises at:

24 Bury New Road,
Prestwich
M25 0LD

I am worried this will negatively impact our safe and the peaceful quiet in our neighbourhood.

As our family uses this route many times a day.

Of particular concern I have is :

- Safety of my children and concern they will be afraid to walk nearby especially in evenings and weekends
- the disturbance and rowdiness this will bring to our otherwise quiet and peaceful neighbourhood
- the disorder and noise this will bring As I often use this route myself for late night walks I am concerned for my own safety as well as of my children.

Please therefore can I strongly request that the council reject this application and do not grant this licence.

Many thanks for your understanding

To Whom It May Concern,

I would like to register my strong objection to the application for an alcohol and entertainment license for the above property. I live on Richmond Avenue which ends at the property being discussed. My road is a quiet residential area with lots of young children. I feel that an establishment serving alcohol late at night would create noise and possibly rowdy behaviour that will disturb the peace and quiet in our neighbourhood. In addition, the presence of inebriated people can create fear and general disturbance which would not be appreciated.

Thank you for your consideration in this matter.

Customer message: Hi I am writing regarding the application of 24 Bury New Road, Prestwich. They have applied for a live music and alcohol license. I AM VERY AGAINST IT!!!!!!!!!!!!!! I am a mother with young children in a residential area and it is NOT CORRECT to allow it as it will be a disturbance. Please can you help us stop thw license coming through. Thank you

Certainly Laura.

It is 28 Kings Road, M25 0LE.

As we are corresponding anyway now, I would like to add a few more points for your consideration.

The residents of this area are predominantly Jewish who don't carry or use phones on a Friday night – Saturday. That means that when things get rowdy at those times, as they do at every Pub/On license, the local residents will have no way of summoning help. This puts them all at an unfair risk of vandalism and physical harm as well as verbal abuse. Many people will be intimidated and feel unsafe in the vicinity of 24 Bury New Road, particularly girls ladies and children.

I can only urge you in the strongest terms to refuse this application as it will be a major disruption to this peaceful neighbourhood.

Yours Sincerely

Edward Winegarten

Subject: Re 24 Bury New Rd Planning Application

To Bury Council

Re 24 Bury New Rd Planning Application

We are very concerned about the above planning application, on a number of counts.

1. The risk to public safety.
 - a. A pub on a busy corner with drunken people exiting where traffic is rushing past , is an accident waiting to happen.
 - b. Richmond avenue is crowded with cars as it is. A pub on the corner will encourage more visitors to seek parking in Richmond avenue thus increasing the likelihood of accidents there due to overcrowding.
2. Public nuisance.
 - a. The premises are not sufficiently large to contain a proper pub. Clientele will spill onto the street and cause a public nuisance blocking the pavement etc.
 - b. Our area is a quiet peaceful area. We do not want the noise and disturbance that will inevitably result from music and alcohol being supplied in our area. Every night there will be boisterous drunkards making lots of noise on our streets. During the day traffic will increase. At all hours but particularly at night music will disturb the neighbours.
3. Harm to Children.
 - a. Children run in and out between the parked cars. Increased traffic brings increased risks.
 - b. There will be people who break the law and will drive under the influence of alcohol. Adults may be more wary when crossing the road near a pub. Children will lack the awareness and the maturity to deal with this heightened risk.
 - c. Alcohol often brings out the worst in people. Children should not and indeed are not around pubs and the like. This area has many children. It would be morally and ethically wrong to build a pub in an area full of children exposing them to all the dangers of drunken adults. That includes verbal abuse, physical abuse and potential sexual abuse. This is a child friendly area and there is no need or demand from within the area for this sort of thing.
4. Crime and disorder.
 - a. As mentioned above in other points, there will be great disruption to the calm and peace currently enjoyed in the area. We do not want this.
 - b. Abuse is a real risk. We don't want that to happen.
 - c. Very few people in this area will be using a pub. The vast majority if not the entire clientele will be from out of the area. This is a disruption to the local inhabitants.
 - d. The possibility of unsavoury characters being attracted to a night club/pub is real and unnerving. Crime can only increase from something like this. Vandalism, fights etc.

We implore you therefore, in the name of the current residents of this area, to disallow this planned Pub/club and leave the character, safety and integrity of the area undamaged.

Yours Faithfully

Dear Sir

I would like to bring to you attention the license that 24 Bury New Road Prestwich have requested.

It is very small premises especially with social distancing so will end up spilling out on the street which we can not accept!

In the evenings, a lot of children are around and it will be a very bad influence to our children.

Especially now coming up to the winter, our children need to walk past these premises when it is already dark and they will be very afraid to walk past especially if some of the customers will be intoxicated.

The noise will be a disturbance to our children while trying to put to them bed.

Bringing people who will become intoxicated to the area, can cause the area to become unsafe.

It is a residential area which is short on parking already from the shops and neighbours cars. The customers will have to look for parking and some will be parking outside our house. So if when customers would be leaving even at 1am, firstly getting in a car can be noisy [closing doors etc] and secondly if there are some intoxicated passengers they will not be able to keep thier own talking low [have you ever tried asking a drunkard to talk quietly?]

Those customers coming by foot or public transport may become overly intoxicated and end up getting lost etc, no doubt trespassing our properties.

Those going home by taxi, no doubt the taxi drivers wont care [/wont give a hoot] and hoot in the middle of the night.

We do not want this premises or anywhere else in the area to have a license for music and alcohol till early hours of the morning.

We live in a quiet safe beautiful residential area and would not like to change it.

Thank you for listening to us and please can you help us avoid this tragedy in our community.

Thank you
Mr & Mrs YD Salzer

To whom it May concern

I wish to object to the planning application in relation to the above address being used for live music and serving alcohol from 8am until 1am.

The area in which we live is a heavily residential area of young families and the effect this would have on the lives of families with children and teenagers would be harmful.

These premises could cause an issue of public nuisance at the least if not even a public safety issue to the residents and patrons of local eateries of the area.

As a resident of the local area I object to this establishment being given planning for this, and am hopeful the planning committee will turn down their request.

To Whom this may concern,

I am writing to you to raise my concern regarding the proposed license for 24 Bury New road.

As I think of the residents of my quiet serene neighbourhood I do not think this business will be frequented by neighbourhood residents so this business is not catering for us. It will only create noise that will disturb the peace of the neighbourhood residents.

~~At~~ At the moment I feel quite safe walking along Bury New road late at night but I don't think that safe feeling will remain if you agree to give this business the license it wants. I would also like to point out that it may create a raised anti-semitic problem for the ~~major~~ ethnic groups which make up a large number of local residents.

I ask of you to please consider us residents carefully as ~~to~~ whether to ~~give~~ give them a license at all.

Yours sincerely

Hi

I would like to voice my objection to the application for the sale of alcohol license on the premises at:

24 Bury New Road,
Prestwich
M25 0LD

We live nearby and I use this route multiple times daily.

Our neighborhood is quiet residential one and having late night hangouts and the sale of alcohol will increase crime and disorder on our streets.

We have particular concern for the safety of our children and are concerned they will not feel secure to walk past there.

Therefore please can I request that the council rejects this application for a licence.

Many thanks

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.

<p style="text-align: right;">NOTES ON REGULATED ENTERTAINMENT</p> <p>If the document is not a passport, a copy of the whole document should be provided.</p> <p>Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.</p> <p style="text-align: center;">Home Office online right to work checking service</p> <p>As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.</p> <p>To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.</p> <p>In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.</p> <p>An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.</p>
