4 APPLICATION FOR A PREMISES LICENCE TO BE GRANTED UNDER THE LICENSING ACT 2003 IN RESPECT OF FUEL UP BURY, 155 MANCHESTER ROAD, BL9 0TD

The Licensing Authority received an application for a premises licence for Fuel Up Bury, 155 Manchester Road, BL9 0TD from Mr Benjamin Degisi of 34 Scholes Walk, Prestwich, M25 0AZ, who was also the proposed Designated Premises Supervisor (DPS) under Part 3 of the Licensing Act 2003 (the Act).

The Applicant has complied with all the necessary procedural requirements laid down by the Act.

Representations were received within the appropriate period by the Licensing Authority from a Responsible Authority, namely Greater Manchester Police (GMP) and a another interested party.

All written representations were contained within the written submissions provided in the report to the Sub Committee.

All documentary evidence provided with the agenda pack comprising the application, the report and representations were served on all parties in advance of the hearing.

Extra information circulated prior to the meeting after publication of the agenda pack included:-

- A statement from Mr Degisi, the Applicant.
- 7 statements of support from members of the public which had been emailed to the Licensing Department.

The proposed operating schedule showed the following:

- a. Supply of alcohol – For consumption on the Premises.

Monday to Thursday	12:00 to 22:00
Friday to Saturday	12:00 to 23:00
Sunday	12:00 to 22:00
- b. Hours open to the Public

Monday to Thursday	08:00 to 22:00
Friday to Saturday	08:00 to 23:00
Sunday	10:00 to 22:00

It was noted that the report should have stated for consumption 'on' the Premises and not 'off'.

The Licensing Unit Manager presented a report that explained that GMP had had made representations in relation to the Premises Licence application requesting that the Sub-Committee do not grant the application as submitted. However, it was stated that since that time, mediation between GMP and the Applicant had taken place and agreement reached as to the replacement of the majority of the operating schedule with the new conditions attached in Appendix 1 of the report. This was confirmed by the Applicants.

Appendix 2 of the report contained information in relation to the other interested party who had made a representation regarding this application.

Mr Degisi and Ms Toni Genovese provided the sub-committee with background information about the business that the reason for the application was with the aim of creating a bistro and not a bar to provide a family environment. Information was provided about parking arrangements in the local area. The Licensing Unit Manager reported that parking was not a matter to take into consideration for licensing matters.

The Applicant was questioned as to his awareness of the Challenge 25 scheme and the associated conditions. The Applicant confirmed his awareness of this and the proposal to implement it.

The Sub-committee then duly retired to consider the application.

The Members of the Panel were advised by the Legal Officer as to their duties under Section 4 of the Licensing Act 2003 to at all times consider the promotion of the Licensing Objectives, these being:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance
- d) the protection of children from harm

The Members were also advised of their duties in carrying out those functions in relation to:

- a) the Council's published Statement of Licensing Policy
- b) the Guidance issued by the Secretary of State as contained in section 182 of the Licensing Act 2003, which was updated in April 2018

In addition, Members were advised to give appropriate weight to the steps that are appropriate to promote the licensing objectives together with relevant representations presented by all parties.

Delegated decision

All of the evidence was considered with care, and it was established that having understood the application and equally noting and understanding all of the representations and assurances made by the Applicant and in view of the agreement reached between the Applicant and the Responsible Authority, the Sub-Committee found there were no causes for concern so far as the promotion of the licensing objectives were concerned.
