4 APPLICATION FOR A PREMISES LICENCE TO BE GRANTED UNDER THE LICENSING ACT 2003 IN RESPECT OF CARMELO'S & BILARDI'S BAR, 1 CHAPEL STREET, TOTTINGTON, BL8 4AL

The Licensing Authority received an application to vary a Premises Licence under section 34 of the Licensing Act 2003 in relation to Carmelo's & Bilardi's Bar, 1 Chapel Street, Tottington, Bury, BL8 4AL. Representations had been received from a Responsible Authority, namely Greater Manchester Police (GMP) and two interested parties, namely members of the public.

The Applicant in respect of the above premises is Mr Carmelo Bilardi. Mr Bilardi is also the Designated Premises Supervisor (DPS) at these premises.

The Applicant had complied with all the necessary procedural requirements laid down by the Act.

Representations were received within the appropriate period by the Licensing Authority from GMP and 2 other interested parties.

All representations were contained within the written submissions provided in the report to the Sub-Committee.

All documentary evidence provided with the agenda pack comprising the application, the report and representations were served on all parties in advance of the hearing.

The proposed variation of the operating schedule requested was as follows:

Supply of Alcohol - For consumption On the Premises

Sunday to Thursday	11.00 until 00.00
Friday and Saturday	11.00 until 01.30

Provision of Live Music (Indoors)

Sunday to Thursday	23:00 until 00.00
Friday and Saturday	23.00 until 01.30

Hours open to the Public

Sunday to Thursday	11.00 until 00.30
Friday and Saturday	11.00 until 02.00

The Deputy Licensing Officer confirmed the above hours were correct and the report in the agenda packs was incorrect which contained a 14.00 start time for the above. It was also reported that GMP had been mediating during the representation period with the Applicant prior to the hearing and they have agreed and accepted the conditions contained at Appendix 1.

The Deputy Licensing Officer presented a report and the operating schedule with conditions attached in Appendix 1 of the report.

Appendix 2 of the report contained information in relation to the interested parties who had made representations to this application.

Mr Gareth Williams, representing the Applicant advised the Sub-Committee that the main time extension was for a Friday and Saturday night of one and half hours, with an increase on Sundays of 30 minutes and that there had been no reported problems with the current operating times. He explained that the reasoning behind the extension was that customers who had eaten their meal could enjoy a drink afterwards in the bar area beyond the current midnight deadline. He went on to refer to some of the representations received and stated that the use of the restaurant's car park for drop offs and pick ups could be a condition or policy so door staff would be instructed to advise people stopping at

the front to go to the car park, in order to avoid the road junction being blocked by vehicles and to help with any possible noise issues.

Mr Williams noted that it was believed that the loud noises reported would more than likely be from other establishments with an outdoor venue further along the road. He advised that the bar area at the front of the premises was a piano bar and there were no plans for rock bands or similar performers. He also noted that there had been no concerns raised by Environmental Health.

The Applicant provided the Sub-Committee with background information as to how the business operated from the premises, which had been in existence at the location for over 30 years and which was previously a public house and then a sports bar. The Applicant added that the restaurant would close at 2.00am and alcohol would only be served until 1.30am on the days requested.

Mrs Featherstone reported that vehicles such as taxis currently park on the road outside the door to the restaurant. She felt the current hours were sufficient and the later times could impact upon local residents. She had noise concerns for a tenant who rented a flat from herself which was located across the road from the premises. She thought the slamming of car doors in the early hours would be a disturbance and had concerns that the venue could be a late night drinking establishment.

All parties were invited to sum up and Mr Williams reported that door staff would not allow new customers to enter the premises after midnight to avoid the public using the venue for late night drinking and a dispersal policy could be undertaken by staff.

The Sub-Committee then duly retired to consider the application.

The Members of the Panel were advised by the Legal Officer as to their duties under Section 4 of the Licensing Act 2003 to at all times consider the promotion of the Licensing Objectives, these being:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance
- d) the protection of children from harm

The Members were also advised of their duties in carrying out those functions in relation to:

- a) the Council's published Statement of Licensing Policy
- b) the Guidance issued by the Secretary of State as contained in section 182 of the Licensing Act 2003, which was updated in April 2018

In addition, Members were advised to give appropriate weight to the steps that are appropriate to promote the licensing objectives together with relevant representations presented by all parties.

Delegated decision

All of the evidence was considered with care, and it was established that having understood the application and equally noting and understanding the representations and assurances made by the Applicant and in view of the agreement reached between the Applicant and the Responsible Authority (GMP),

the Sub-Committee found there were causes for concern so far as the promotion of the licensing objectives were concerned, namely public nuisance caused by vehicles stopping at the front of the premises and therefore it was agreed unanimously, to add an additional condition in relation to public nuisance that could be mitigated by door and bar staff at the premises assisting customers being dropped off or picked up by vehicles via the restaurant's car park and not from the public highway, an additional condition listed above which was suggested and accepted by the Applicant and his representative.

It was therefore agreed unanimously, to grant the application for the variation of the Premises Licence as requested, subject to the conditions proposed by GMP in the report (Appendix 1) being attached to the Licence together with the matters set out within the Operating Schedule within the application, where they are not otherwise covered by the conditions at Appendix 1; along with an additional condition that;

- Vehicles dropping off or collecting clientele, must not be allowed to do so at the front of the Licensed Premises and must be directed by staff, to the car park attached to the Licensed Premises.

The Sub-Committee therefore granted the variation of the licence with the new timings:-

In addition, it agreed that the following conditions to be applied :-

A GM-wide Equality Impact Assessment has been undertaken and a copy is available on request.

Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to -

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;*
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;*
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.*

The public sector equality duty requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services.

The Licensing Service have considered the Equality Act 2010 and due to each application being dealt with on its own merits there is no positive or negative on any of the protected characteristics

Representation 1

I write in relation to the above factory located on James Street Radcliffe.

I object the plans for the following reasons.

I see under the plans a proposed operational working day has been suggested of 7am to 9pm, this being 7 days a week. I see a massive public safety issue here. Currently traffic gets extremely congested around the factory due to staff parking on the street and large HGV's collecting / delivering causing blockages to James Street. HGV's will drive into Lodge Close to reverse into the factory often parking on Lodge Close until they are able to enter the factory. This can cause massive congestion at times. It has also been known for HGV's to block James Street often double parking with cars completely blocking the road or even blocking private houses.

The volume of traffic in and out of the surrounding area is high due to the amount of private houses and also the school. My worry has always been public safety including that of children but also should either the house or school require the assistance from any of the emergency services the congestion would significantly delay the arrival of such service.

I also see the proposed opening hours to be a public nuisance to the local residential area.

We as local residents are working hard to combat crime at the moment with an increase in burglary's. I also worry that having a whiskey factory would encourage crime in the area.

Should you require any further information please contact me.

Representation 2

Good afternoon

I would like to raise an objection against the licensing application submitted by The Whiskey Stock.

My objection relates to the hours they wish to operate, specifically relating to their steps to promote public nuisance and public safety, to which, in their application, they have stated they will take no steps.

I have a 5-year-old autistic daughter with diagnosed sleep difficulties. Her bedroom is in the room opposite the factory and I am concerned that these operating hours are likely to have a detrimental effect on her sleep. Once she is woken by noise, she doesn't go back to sleep and this will affect her ability to learn in school as well as the effect on our family as when she is tired she is more prone to meltdowns. Unfortunately with autism it isn't just a case of 'changing her room' as she is very dependent on routine. In addition, I have an 8 year old son so I don't feel I should have to prioritise one child's sleep over the other.

In addition to this, we are already being subjected to extremely large vehicles coming and going. I have attached an example of a lorry that was parked across mine and my neighbour's drive just last week at 8.30am, which blocked my car in and I was unable to get my children to school on time as the driver had gone into the factory so I had to wait for him to come out and request he move the vehicle.

These vehicles are parked in this way on a daily basis and left unattended for a period of time. The factory that operates currently does not usually work weekends and the opening hours are certainly shorter than the opening hours being proposed by the Whiskey Stock. In addition to the lorries, on a daily basis, staff members are dropped off and picked up from the factory, for which, again, my driveway is used as a parking spot. Drivers will sit and wait for workers to finish their shift, blocking my drive while they do so.

I have also seen these lorries turning into Lodge Close to turn and then, driving over the pavement and then reverse into the factory as, since the residential estate was built, there is little room for the lorries to manoeuvre into the factory. Not long ago I had to report an issue with the pavement near the factory as it had actually collapsed from the weight of the lorries parking on it while waiting to get into the factory.

There is a primary school just round the corner, in addition to school drop offs and collections, the teachers regularly bring the children out and down James Street on short trips. It really does feel like a matter of time before there is a serious incident involving one of these vehicles.

Kind regards

Re: Licensing notice reference 1236, Application number 70586, The Whiskey Stock, Faith House, James Street, Radcliffe, M26 1LN.

Good Afternoon

I am e-mailing to raise an objection to the above licensing application requested by The Whiskey Stock Ltd, proposing operating hours of 07.00 – 21.00.

Since the Faith House site has been established, a residential estate has been built directly opposite with the existing site now using the estate road as a means of dangerously and frequently reversing artic lorries into the factory site. I appreciate planning would have been granted for the factory prior to the estate being built, however, without the estate road (Lodge Close), large delivery vehicles would not be able to enter the site. Currently delivery vehicles drive into Lodge Close, reverse blindly across James Street and into the site. They are not able to drive in and out of the site in forward gear. They will continue to carry out the dangerous reversing manoeuvres they do so today with an even longer working window of 7am – 9pm if the license is approved. This is a risk to public safety.

St John's Primary School is on Johnson Street, the next street to Faith House and distribution between the hours of 7am – 9pm poses a public safety risk to those school children walking to and from school.

Secondly, as previously stated, there is a residential estate directly opposite the proposed site of which I am a resident. Operating hours of 7am – 9pm will cause a noise nuisance if deliveries/distributions/factory operations are allowed to take place during these hours. Several residents have young children who go to bed around 7pm.

Notwithstanding the above, this application is being submitted without any consultation/communications with residents whom for many years have been disrupted and put at risk by the factory deliveries and working hours, with no consideration for the resident's safety. I understand this is not a legal requirement of the notice process, however it would have demonstrated consideration for the residents if we had been informed of this intention. The licensing notice posted on site quotes no reference number for those who may wish to seek further detail on this application or indeed object and be able to do so easily.

The factory has been contacted by several residents with regards to these deliveries with promises of improvement which have never come to fruition. I note one of the Directors of The Whiskey Stock Ltd is also a director of Faith in Nature who currently reside at the site, leading to further concerns this lack of consideration with regards to noise nuisances and delivery vehicle manoeuvres will continue if this license is granted.

I have attached photos and a video to include with the above objection showing the existing delivery problems. The video was taken Friday morning and hopefully highlights my concerns are not just a one off scenario.

I'd be grateful if you could acknowledge receipt of my objection.

Kind Regards

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
