1.0 INTRODUCTION

- 1.1 This report relates to an application by the Chief Constable of Greater Manchester in respect of licensed premises known as Topshop, 20 Hurst Street, Bury, BL9 7ER for a summary review of the premises licence due to the premises being associated with serious crime. The Licensing Authority must consider whether interim steps are required pending a full summary review hearing.
- 1.2 Summary reviews can be undertaken when the police consider that the premises concerned are associated with serious crime or serious disorder (or both). The summary review process allows interim conditions to be quickly attached to a licence and for the review of the licence to be fast tracked
- 1.3 A 10 working-day public consultation exercise is undertaken in accordance with Licensing Act 2003 regulations, requiring the application to be advertised by the displaying of a blue

Page 6

notice at or on the premises and details of the application to be published on the Council's website.

- 1.4 Under section 53C of the Licensing Act 2003, the licensing authority must hold a full review of the premises licence and determine the review within 28 days after the day of receipt of the application
- 1.5 Following the review under section 53C, the licensing authority must then review the interim steps in place and determine whether it is appropriate for the promotion of the licensing objectives for the steps to remain in place, or if they should be modified or withdrawn.
- 1.6 The premises licence in respect of Topshop has been held by Syed Khurshid Hussain Shah since 19 February 2020. He has also been the designated premises Supervisor since the same date.
- 1.7 The Licensing Act 2003 (as amended by the Violent Crime Reduction Act 2006) and the Licensing Act (Hearings Regulations) is the relevant legislation.
- 1.8 The Local Authority is required to consider whether interim steps should be imposed for the promotion of the licensing objectives and what the steps should be. Any such measures and the reasons for them must be immediately notified to the premises licence holder.
- 1.9 The Panel will make a decision in relation to interim steps on the day of the hearing and the parties will be notified subsequently of the decision and the reasons for it by letter from the Licensing Office.

2.0 BACKGROUND

2.1 The Chief Superintendent has issued a certificate under section 53A (1)(b) of the Licensing Act 2003 in which he states the following:-

At 16:00 hours on Thursday 20th April 2023, officers from Bury Council's Trading Standards and Licensing department attended Topshop, 20 Hurst Street, Bury, in company with Greater Manchester Police and immigration officers. The intention was to search the premises for illicit tobacco and illegal vapes, however during the search, a large quantity of cannabis, already divided in separate snap bags (75 Cannabis and 11 cannabis resin) were discovered in the store room at the rear of the premises.

Two individuals were arrested in the premises on suspicion of an offence of Possession With Intent to Supply, however neither party is the DPS or Premises License Holder. During the investigation, it has been established that neither detained persons, were employed by the store and certainly one male had been asked to temporarily watch the store by two Asian males as Police and other agencies arrived on scene.

It is in my opinion that an expedited review of the premises license is necessary to allow the Licensing Authority to review/amend the license conditions and prevent a recurrence of such serious crime.

Attached to this report at Appendix 1 (Application by Greater Manchester Police for the Summary Review) and Appendix 2 (Certificate issued by the Chief Superintendent) respectively.

Following the serving of the application for the Expedited Review the Premises Licence Holder cancelled the Premises Licence in writing stating that the shop had been sold, however no evidence of the sale was provided. The Hearing must still be held as the Premises Licence can be reinstated by way of transfer within 28 days. Emails cancelling the licence are attached at Appendix 3.

3.0 CURRENT LICENSABLE ACTIVITIES

3.1 The Premises Licence showing the current licensable activities and conditions is attached at Appendix 4.

4.0 DETERMINING THE APPLICATION FOR INTERIM STEPS TO BE IMPOSED

- 4.1 In determining whether or not to impose interim steps, pending the summary review of the premises licence which must be held within 28 days from the date of the application being received, members must consider the information presented in relation to serious crime and or serious disorder. If members decide to impose interim steps, the following options are available to the Licensing Authority:
 - a. To modify the Conditions attached to the licence
 - b. The exclusion of the sale of alcohol from the scope of the licence.
 - c. The removal of the Designated Premises Supervisor from the licence.
 - d. Suspension of the premises licence
- 4.2 For the purposes of subsection 4.1a, the conditions of a premises licence are modified if any of them are altered or omitted or any new condition is added.

5.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003

- 5.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 5.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 5.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

6.0 CONCLUSION

- A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:
 - the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and

Page 8

- the protection of children from harm.
- 6.2 In reaching the decision, regard must be had to relevant provisions of the national guidance and the Council's licensing policy statement.
- 6.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.
- 6.4 In making its decision with regard to this interim steps hearing, the steps the Sub-Committee can take are:
 - a) To modify the conditions of the licence;
 - b) To exclude any of the licensable activities from the licence;
 - c) To remove the designated premises supervisor;
 - d) To suspend the licence
- 6.5 The conditions of the licence, with the exception of mandatory conditions of the premises licence, may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 The Sub-Committee is asked to determine what steps, as set out in 6.4 above, are appropriate for the promotion of the licensing objectives.

I confirm that a certificate has been given by a senior member of the police force for the police area above, that in his opinion the above premises are associated with serious crime or serious disorder or both, and the certificate accompanies this application.
(Please tick the box to confirm) X

4. Details of association of the above premises with serious crime, serious disorder or both:

At 16:00 hours on Thursday 20th April 2023 an incident of serious crime occurred inside the above premises. I along with officers from Immigration Enforcement, Bury Councils Trading Standards and Licensing Departments attended the property with a view to searching for illicit tobacco and illegal vapes. It also presented an opportunity for Bury Councils Licensing Department and I to look at any potential breaches with regards to the current premises license.

Upon arrival at the premises, two Asian males were stood outside the premises on the street corner. On entering the premises no one was present inside the store or in the storeroom at the rear of the property however a minute or so later, a white male entered the store. Upon asking the male if he was in charge, he stated that he had just been asked to look after the store temporarily by the two Asian males stood outside.

There was a pungent smell of cannabis within the shop and within minutes two plastic containers were found in the storeroom which contained a total of 75 snap bags containing cannabis bush and 11 snap bags containing cannabis resin. Unfortunately, the two Asian males had left the scene however another Asian male entered the property and went directly to the storeroom where he removed some personal property. As such both he and the individual temporarily in charge were arrested on suspicion of possession with intent to supply class B drugs

Although the premises has a premises license to sell alcohol, it was apparent that the store had not sold alcohol for some time with no stock on the shelves or in the storeroom. In fact, the only stock we found in the storeroom was the containers of cannabis and it is my opinion that the shop itself is a front for the sale of drugs which are likely to be just as readily available as a packet of crisp.

Further to the above, it was also apparent that the premises had no CCTV whatsoever and no refusals book could be found.

Given this incident and the evidence obtained during the search, it is quite clear that the licensing objectives are being undermined and it is my opinion that an expedited review of the premises licence is necessary to allow the licence authority to review/amend the licence conditions and prevent a reoccurrence of such serious crime.
