## **5.0 OBSERVATIONS**

5.1 After hearing the representations made and the evidence presented, Members are obliged to determine the application with a view to promoting the licensing objectives and having regard to the Authority's Licensing Policy and National Guidance.

## **6.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003**

6.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

6.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

6.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

## **7.0 CONCLUSION**

7.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and

- the protection of children from harm.
- 7.2 In reaching the decision, regard must be had to relevant provisions of the national guidance and the Council's licensing policy statement.
- 7.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.
- 7.4 In making its decision with regard to this variation hearing, the steps the Sub-Committee can take are:
- To grant the application in the terms requested
  - To grant the application subject to conditions
  - To amend or modify existing or proposed conditions
  - To refuse the application
- 7.5 All licensing determinations should be considered on the individual merits of the application.
- 7.6 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 7.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 7.8 The Sub-Committee is asked to determine what steps, as set out in 8.4 above, are appropriate for the promotion of the licensing objectives.

**Section 18 of 21**

**LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

**Continued from previous page...**

List here steps you will take to promote all four licensing objectives together.

All staff will be provided with training in relation to the licensing objectives that are commensurate with their duties. This will include the individual's responsibilities, age verification and licensing offences, as appropriate. Details of the training will be recorded in a personnel file or log book and will be refreshed at regular intervals.

**b) The prevention of crime and disorder**

A CCTV system shall be maintained at the premises with cameras in the location indicated on the accompanying plan. Recordings shall be made of images from the cameras whilst a licensable activity is taking place and shall be retained for a period of at least 30 days from the date of recording.

A member of staff shall be trained on how to provide copies to police officers, where a request is received that complies with the requirements of the Data Protection Act 2003 and any other legislation covering the disclosure of recorded material.

An incident book will be maintained in a non-loose leaf format to record details of any incidents in the premises that relate to the licensing objectives, in particular any refusals of sales of alcohol.

Signage will be displayed at the exit to the premises that advises customers that they must not take open alcoholic beverages from the premises.

**c) Public safety**

All safety matters at the premises are adequately covered by statutory provisions such as The Health and Safety at Work (etc) Act 1974

The Regulatory Reform (Fire Safety) Order 2005

**d) The prevention of public nuisance**

A telephone number for the premises shall be displayed that is visible from the exterior of the building in the event that contact needs to be made with the staff to deal with any issue that might arise from the licensable activity.

Staff from the premises shall regularly monitor the exterior of the premises in an attempt to identify persons loitering in the area who may have purchased alcohol from the premises or appear to be accompanied by a person who has purchased alcohol from the premises. Where such persons are identified, they will be requested to leave the area.

Persons identified as drinking alcohol in the immediate area around the premises (whether or not they have purchased alcohol from the premises) will be requested to leave and if they refuse to do so, a report will be made to the Police.

Any person who refuses to leave the area, or is identified as causing antisocial behaviour, will be subject to a ban from the premises. A record of

banned individuals shall be maintained in the premises and all staff made aware of the persons who are currently banned so that entry may be refused. This record shall be kept available for inspection while the premises are open for trading.

**Continued from previous page...**

All alcohol sold from the premises will be marked in a way that can be used to identify that the alcohol has been purchased from the shop. A regular inspection shall be made of the area immediately in the vicinity of the premises and any litter that can reasonably be assumed to have originated from the premises shall be collected for disposal.

e) The protection of children from harm

A Challenge 25 scheme will be adopted in compliance with the age verification condition: Customers who appear to be under 25 years of age will be required to prove their age when purchasing alcohol. Suitable forms of identification will be a passport, 'Pass' card or other identification recognized by the licensing authority in its statement of licensing policy.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam

We wish to place an objection for the above premises, 40 Holly Street, Tottington, Bury for the -

**Sale and supply of Alcohol, 7 days a week Monday to Sunday at the hours of 07:00 to 22:00.**

Our objection to the proposal of sale of alcohol at these hours are based on -

- Potential increase of traffic ( issues with parking for residents).
- Primary School opposite/nearby
- There is no place for their customers to stop on the residential street
- Potential increase in noise from deliveries, car doors.
- Potential increase of anti social behaviour/gangs
- Potential increase of litter/rubbish
- There is already a store/garage nearby (Spar) approx.. 250 metres that sells alcohol.
