## **PART 1 - INTRODUCTION AND SUMMARY**

### **Introduction and summary**

#### **1.1. The Constitution**

The Council of the Metropolitan Borough of Bury (known as Bury Council) is a metropolitan district authority operating executive arrangements with a Leader and Cabinet. The Council has agreed this Constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

The Constitution is divided into several Parts which set out the Rules governing the Council's business.

Article 1 of the Constitution commits the Council to providing clear community Leadership and operating in a way which is transparent, efficient and accountable and upholds the values of the Council. The remaining articles and parts of the Constitution explain the rights of the public and how the key parts of the Council operate.

#### **1.2. How the Council operates**

The Council comprises 51 Councillors each elected every four years. Every year a third of the Councillors have to submit to an election. Councillors are democratically accountable to residents of their ward. The overriding duty of Councillors is to the whole community of Bury, but they have a special duty to their constituents, including those who did not vote for them.

Councillors have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Monitoring Officer trains and advises on the code of conduct.

All Councillors meet together as full Council. Meetings of full Council are normally open to the public and the Councillors decide the Council's overall policies and set the revenue budget and capital programme each year. At its annual meeting, full Council appoints one Councillor to be the Leader of the Council.

#### **1.3 How decisions are made**

Most day to day service decisions are taken by senior employees of the Council. Elected Councillors sitting as the full Council will decide an overall framework of policies governing how services are to be provided.

The Leader of the Council approves the scheme of delegation of executive functions. The Council's Cabinet of Councillors will make recommendations to the Council about the policy framework and will itself take decisions that ensure services are provided within that framework.

For most “key” decisions to be made by the Cabinet or by Cabinet members the Council is required to publish in advance information about the matter to be decided; who will be making the decision, the date or timescale for the decision, and the place where the decision will be made.

The Cabinet can only make decisions which are in line with the Council’s overall budget and policy framework. If it wishes to make a decision which is contrary to the budget and policy framework, this must be referred to full Council to decide.

Full Council will appoint committees with power to carry out its non-executive and other functions (e.g. planning and licensing). Non-executive functions are those which the Cabinet does not have the power to carry out.

The Cabinet is held to account by the overview and scrutiny committees appointed by full Council.

#### **1.4 The Council’s employees**

The Council has people working for it (called ‘officers’) to give professional advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A protocol governs the relationships between officers and members of the Council. This protocol is included within the Constitution.

#### **1.5 Citizens’ rights**

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, while others are given at the discretion of the Council, depending on the Council’s own processes.

Where members of the public use specific Council services, for example as a parent of a school pupil or as a social care user, they may have additional rights. These are not covered in this Constitution. Details of such rights may be obtained directly from the service concerned or from the Council’s customer services.

The Council welcomes participation by its citizens in its work. A guide to public participation is included in part 5.

# Article 1 - The Council and the constitution

---

This article explains the Council's priorities and values, and the Constitution which is published on the Council's website. The Council has decided to operate a leader and cabinet model of governance.

## Strategic priorities and values of the council

### 1.1 Priorities

The Council and its partners have adopted a 10-year strategic plan called Bury 2030 to provide strategic direction of the Council's work. Bury 2030 sets out priorities in order to improve the quality of life of the people in Bury and the measures used to show how far those priorities have been met. A delivery plan that sets out what actions the Council will take to achieve the priorities of Bury 2030 is agreed each year by the Cabinet and progress is reported on a quarterly basis. The Let's Do It strategy has forged the following LETS principles that will guide the Council's work:

#### **Local** neighbourhoods

We know that is relationships, not services, which truly make the difference to people's lives. We want to build on this through empowered local communities where individuals, families and communities are in control and at the heart of decision making. We will bring our collective talent, energies and community power together for the greater good by:

- Engaging people where and how they live
- Hearing all voices and learning from them
- Trusting and helping each other, always working together
- Listening when others talk, helping and enabling
- Supporting development and growth and removing barriers to collaboration

#### An **Enterprising** spirit

We are known for our spirit of enterprise and innovation and we will harness that spirit to raise aspirations to grow and develop our people and businesses. We will remove the barriers that prevent people from getting on and connect local people to opportunities through their skills, confidence and relationships by:

- Demonstrating pride in our collective and individual achievements and in the place where we live
- Ensuring everyone has an equal voice and equal life chances by harnessing and nurturing all talents
- Championing innovation, always looking for ways to improve quality of life for all
- Being courageous and stepping out of our comfort zone to help ourselves and others
- Opening doors at every opportunity

#### Delivering **Together**

A new relationship between public services, communities and businesses which is based on co-design and accountability for shared decision making; it is about doing 'with' not 'to' by bringing a greater focus on wellbeing, prevention and early intervention. We will take responsibility for making a difference by:

- Committing to making a positive, practical difference in addressing and tackling our challenges
- Valuing and developing the role and voices of people and communities to share and deliver, wherever we can
- Empowering residents and groups to take decisions and harness resources
- Strength through cultural diversity
- Growing relationships and new connections across boundaries
- Demonstrating dignity, kindness and respect in everything we do.

## A **Strengths-based** approach

Our vision is for a place in which people are helped to make the best of themselves, by recognising and building on strengths not deficits of all our children, families and our communities, and taking an evidence-led understanding of risk and impact to ensure the right intervention at the right time. We will do this by:

- Really listening to understand each other and our shared potential
- Being flexible and putting our energies into where we can make the most positive difference asking 'what matters to you?'
- Being open to trying new things and doing things differently
- Valuing the skills, strengths and successes of individuals and communities.

## 1.2 Powers of the Council

The Council's duties and powers are set out in the law of England. A duty that requires the council to act in a particular way. A power that gives the Council discretion to act. The arrangements are complex and detailed.

The Council must meet high ethical and other standards in everything it does; it must comply with legal requirements; and it must use public money and other resources economically, efficiently and effectively, accounting fully for its actions. In order to discharge these responsibilities, members and senior officers must ensure the proper governance of the council's affairs and the stewardship of its resources.

Powers are exercised by the Council and its functions carried out in accordance with the functions scheme (part 3). The council operates the "leader and cabinet" model of Executive arrangements

## 1.3 The constitution

This Constitution and all its appendices form the Constitution of the Council of the Metropolitan Borough of Bury (known as Bury Council).

## 1.4 Purpose of the Constitution

The purpose of the constitution is to set out in a single place and clear language how the council works and how it makes decisions to

- a) enable the Council to provide clear leadership to the community in partnership with citizens, businesses and other organisations
- b) support the active involvement of citizens in the process of council decision-making
- c) help Councillors represent their constituents more effectively
- d) enable decisions to be taken efficiently and effectively
- e) create a powerful and effective means of holding decision-makers to public account
- f) ensure that no one will review or scrutinise a decision in which they were directly involved
- g) ensure that those responsible for decision making are clearly identifiable to local people and that they explain the reasons for decisions
- h) provide a means of improving the delivery of services to the local community

## **1.5. Meaning of the Constitution**

If the constitution gives the council a choice about what to do, the council must choose the option that it thinks is closest to the purpose of the constitution.

## **1.6 Review and changes to the Constitution**

Reviews and changes to the Constitution will be in accordance with the functions scheme.

## **1.7 Suspension of the constitution**

The only power to suspend the Constitution is in accordance with the council procedure rules.

## Article 2 - Councillors

---

This article explains who Councillors are, what they must do and how long they serve.

Information about Councillors and the wards they represent and how to stand for election as a Councillor is on the Council's website and at Council contact centres.

### 2.2.1. Number of Councillors and areas they represent

The Council has 51 elected members called Councillors. Each Councillor represents an area of the district known as a ward. The voters of each ward elect a Councillor to represent them.

Anybody may stand for election as a Councillor provided they are:

- a) registered to vote in local government elections in the district, or have lived or worked there for the 12 months preceding the day of election, and are
- b) not stopped by law from holding office as a Councillor

### 2.2.3. Elections

Anyone over 18 residing in the district is entitled to vote and be included on the electoral register.

The running of the elections is the responsibility of the Returning Officer. Electoral registration is the responsibility of the Electoral Registration Officer.

The Chief Executive of the council is the Electoral Registration Officer and Returning Officer. The Council has an elections office that helps the Chief Executive discharge these functions.

Electoral registration and elections are subject to strict rules and further information can be obtained from the Council's elections office or the Electoral Commission.

Candidates are not allowed to use Bury Town Hall as their address on their imprints on electronic campaigning material.

### 2.2.4. When elections happen and how long Councillors are elected for

Elections for one of the three seats in each ward will usually take place on the first Thursday in May every year. People elected as Councillors commence office on the fourth day after being elected and finish on the fourth day after four years.

### 2.2.5. Roles and functions of all Councillors

All Councillors must:

- a) together be the makers of overall policy for the district in relation to its functions

- c) if they are stopped by law from holding office, or
- d) the period for which they were elected has come to an end and they have not been re-elected.

## 2.2.10. Political or other groups

Councillors may join a political group of two or more Councillors who belong to the same political party or have some other common interest. Political groups are recognised by law and in the constitutional arrangements within the Council.

The number of places that each political group has on the Council determines how many places are allocated to members of that political group on Council committees and other bodies.

There is no constitutional or legal requirement that a member of a group must vote on any matter in the same way as their political group. Usually on policy matters a political group will have a collective view and will vote together on the issue.

There are certain functions of the Council that are regulatory or quasi-judicial e.g., planning. A political group may not direct its members how to decide such matters. Similarly, the political group should not direct its members how to decide matters for consideration at any of the Council's three scrutiny committees.

### 3.6.8. Political Management

3.6.9. The council comprises councillors who may be members of political or other groups, as referred to in article 2 (2.2.22). Those groups are an important part of the way the council operates and are formally recognised in the appointment of committees. The leader of the council, who is elected by Council, is usually from the political group comprising the majority of councillors and the leader usually appoints members from their political group to be cabinet members.

3.6.10. Each political group appoints a group leader. The group leaders have an important informal role to play in relation to the functions scheme. This role is separate and distinct from any role or function that any councillor who is a leader of a political group has under the functions scheme. ## Section 7 - Officer Functions

3.7.1 The intention of the Council is that decision taking should be delegated in the interests of speed where that is consistent with the democratic process in terms of accountability and openness.

3.7.2 The various levels of decision making are:-

- Council
- Committee
- Delegations to officers.
- Leader - Cabinet (either collectively or by individual Cabinet member)

3.7.3 A purpose of this Constitution is to encourage delegation of decision making to individual officers. This constitution delegates decisions to the Chief Executive. Where such decisions have been delegated it remains open to the officer making the delegation to call back for their own decision, issues of significance or sensitivity and for the decision maker to refer matters upwards for determination.

3.7.4 The Chief Executive and nominated Chief Officers have the ability to take six types of decision. The Monitoring Officer has issued Guidance [\[Take in Link\]](#) in relation to recording and publishing Officer Decisions.

### 3.7.5 Operational Decisions

An operational decision involves the day to day management of the Council. They are usually incidental to a function being exercised by the Council. Such decisions are taken by the Chief Executive, in accordance with the Scheme of Delegation and any financial or contracting requirements specified in the Finance or Contracts Procedure Rules or associated Monitoring officer Guidance and will be classed as operational so long as:

- within an approved budget
- not in conflict with the Council's policies, strategies or relevant service plans
- Does not amend existing or raise new policy issues

Such operational decisions will not be recorded and published unless the Monitoring Officer advises otherwise or they relate to:

- Expenditure over £100,000
- The letting of contracts with a value (over the lifetime of the contract) of £100k or more
- The disposal or purchase of land or assets with a value of £100k or more
- The granting or revoking of a permission or license
- A change to an individual's legal rights
- A change to a service (e.g. opening hours, location or service level)

### **3.7.6 Cabinet Decisions**

The cabinet has delegated non- key decisions to the Chief Executive and nominated Chief Officers. These will be decisions concerning a function being exercised by the Council which is below the key decision threshold.

### **3.7.7 Council Decisions**

The Council has decided that some of its decisions can be taken by the Chief Executive. Where the effect of the decision is to grant a permission or licence; changes the legal rights of an individual; or awards a contract (above £100k) or incurs expenditure (£100k) which in either case materially affects the Council's financial position there is a requirement to publish the decision.

### **3.7.8 Local Choice Decisions**

The Council has delegated certain further functions to the Chief Executive. As a result these become Cabinet or Council decisions and will follow the procedures for those type of decisions.

### **3.7.9 All necessary decisions in cases of Emergency.**

For the purposes of this scheme, 'emergency' shall mean any situation in which the Chief Executive believes that there is a risk of damage to property, a threat to the health or wellbeing of an individual, or that the interests of the Council may be compromised. 'All necessary decisions' includes decisions to take such action as is necessary within the law to protect life, health, safety, the economic, social or environmental wellbeing of the county, its communities and individuals living, working or visiting, and to preserve property belonging to the Council or others;

### **3.7.10 Implementing Decisions**

There is implied authority for the Chief Executive to take all necessary actions to implement Council, Committee and Cabinet decisions that commit resources, within agreed budgets in the case of financial resources, as necessary. There will also be express authority within certain decisions, delegating further decisions to a named officer, usually a Director, to take certain actions within the parameters of the recommendation from Council, Committee or Cabinet decisions.

- 3.7.11 All of these six types of decisions can be taken by the Chief Executive without consultation with elected members, however where Cabinet decisions are being taken by officers, cabinet members are normally briefed by a Director before taking the decision.
- 3.7.12 The Chief Executive is unable to make all of these decisions on behalf of the Council and therefore they have a sub delegation scheme which provides for these decisions to be taken by a senior officer.
- 3.7.13 Any officer of the Council who has been authorised by the Chief Executive to carry out any of the Chief Executive's functions of the Council may delegate those functions to other officers. In the case of Cabinet decisions, it is not appropriate for those delegations to be given to any officer below the level of assistant director in the organisation structure.

- 3.7.14 The Chief Executive will maintain the Officer Scheme of Delegation detailing all relevant delegations, including the delegation of any proper officer functions as required in a number of statutes and statutory provisions relating to the functions of the Council which require that one of the Council's officers is the "proper officer" for the purposes of that statutory provision.
- 3.7.15 The Council designates the Chief Executive as its proper officer for all such purposes other than the s151 Officer, Monitoring Officer and Scrutiny Officer and unless otherwise stated where the Chief Executive has delegated the responsibility for fulfilling any proper officer function to another officer.
- 3.7.16 The Officer scheme of delegation will be regularly reviewed and updated to ensure that it contains all relevant delegations.
- 3.7.17 The Officer Scheme of delegation will be published on the Council's website.

**3.7.18 Place Based Lead**

- 3.7.19 As part of the implementation of the new Integrated Care System arrangements, there is a requirement that each Greater Manchester locality is required to identify a Place Based Lead, to coordinate and act on behalf of the Local Authority and an additional named Executive Lead in the Place to support the Placed Based Lead.
- 3.7.20 It has been proposed that, in Bury, the Place Based Lead is the current Chief Executive and the Executive Lead in the Place is the current Executive Director of Strategic Commissioning for the Council and CCG. This proposal has been visited and endorsed by the Locality Board.

### **Delegated Powers- Scheme of Delegation May 2024**

#### **Summary:**

Each Director or Monitoring Officer has the authority to make amendments to this Scheme of Delegation necessitated by legislative changes as and when appropriate.

Officers may only exercise the powers delegated to them in accordance with all relevant statutory requirements, the provisions of the Council's Constitution, the revenue and capital budgets of the Council, its Contract Procedure Rules, Financial Procedure Rules and other relevant policies and procedures.

Where an officer post to which any function has been delegated is renamed or is affected by a staffing reorganization, then the relevant delegation shall be treated as applying to the renamed post or, as appropriate, to the post which has been allocated the same or substantially the same relevant duties as the original post following that reorganisation.

In exercising the power delegated to them officers must observe any additional procedural requirements that apply within their services, eg, any requirement to consult local ward Councillors, Cabinet Members and/or the Leader. It is also good practice to keep local ward councillors informed of decisions made and implemented under delegated powers that significantly affect members of the community in their ward.

This scheme of delegations will apply to all permanent, contract and temporary officers working for the Council.

**The scheme of delegation is to be read in conjunction with relevant sections of the Constitution, including:**

**Part 3- Functions Scheme**

**Part 4 – Section 6 – Contract Procedure Rules**

**Part 4 – Section 7 – Financial Procedure Rules**

g) that the decision exceeds the powers or terms of reference of the decision maker responsible for the decision; or

(h) that the access to information rules have not been adhered to.

#### **4.1.110. Advice should be sought from the Monitoring Officer on these matters**

When a decision is made by the Cabinet or an individual Cabinet member that decision will be published widely by electronic means. This includes:

(a) displaying it on the Council website

(b) sending a copy of the decision electronically to all members of the Council identifying which overview and scrutiny committee's remit the decision falls within

The decision will be in the form of a notice and bear the date upon which it is published and will specify that the decision will come into force, and may be subsequently implemented, at the expiry of five working days after the date of publication, unless it is called in under these call in rules.

To call the decision in a call in notice must be received by 5.00pm and must:

(a) clearly states the decision(s) which is/are being called in by reference to the decisions as set out on the decision notice

(b) clearly states the grounds for the call in as laid out above as applied to each decision being called-in and the evidence on which the grounds are based

(c) is signed by the Chair of the Committee or any two or more members of the Committee or any eight member of the Council (not including cooptees). If electronic notification is being used an email in accordance with the requirements of this paragraph must be submitted by each member supporting the call in.

#### **4.1.111 Limitations of call in**

The call in procedure is restricted to decisions made by Cabinet or individual Cabinet members, decisions made by joint committees of the Executive and decisions made by officers under delegation from the Executive.

Where a decision has been taken in circumstances where the special urgency provisions apply, as set out in the access to information rules (Part 4), that decision will not be subject to call in.

The call in procedure will also not apply where the decision taken needs to be implemented urgently. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public interest.

In this case the record of the decision, and notice by which is it made public shall state whether in the opinion of the decision making person or body, the decision is one that requires urgent implementation and the reasons why, and the Monitoring Officer should confirm that as such it is not subject to call in.

The chair of the relevant overview and scrutiny committee must agree both that the decision taken was reasonable in all the circumstances and to it being treated as a matter of urgency.

The consent to the decision being taken as a matter of urgency will be recorded on the published notice of the decision and must be reported to the next available meeting of the Council, together with the reasons for urgency.

#### **4.1.112. Post call in**

The Monitoring Officer will determine the validity of the call in as soon as possible. The Monitoring Officer may, if appropriate, reject a request for call in if, in their opinion, it fails to meet any of the grounds listed in 4.5.65 above, or if they consider it is in any way vexatious, frivolous or otherwise inappropriate.

Examples include but are not limited to:

- (a) the cited grounds bear no relevance to the decision that is identified for call-in;
- (b) the requisition cites grounds for which no relevant evidence is produced in support;
- (c) those requisitioning the call-in signed the requisition before it was complete (e.g. signed a blank form in advance or emailed consent without detailing the grounds and evidence);
- (d) the call-in includes material which could be defamatory;
- (e) the requisition is being used for improper purposes (e.g. to admonish an officer); or
- (f) the decision is in accordance with the advice or recommendations provided to the decision maker by the overview and scrutiny committee.

If the call in is determined not to be valid, the Monitoring Officer will inform those members submitting the notice of the call in of the reasons for that determination.

If accepted as valid, the Monitoring Officer will then advise the original decision maker of the call in.

- The Monitoring Officer shall then call a meeting of the relevant overview and scrutiny committee on such a day as they shall determine in consultation with the relevant chair and in any event within five working days of the Monitoring Officer accepting the validity of the call in notice.

- Having considered the decision in light of the grounds and evidence for the call in, the options available to the Scrutiny Committee are as follows:
  1. The Scrutiny Committee decides not to offer any comments on the Notice. In this situation the decision of the Cabinet will stand.
  2. The Scrutiny Committee decides to offer comments or objections, which will be referred back to the next Cabinet meeting.
  3. The Scrutiny Committee may refer the Notice, without comment, to the Council. The matter will then be considered by the Council (a standard item appears on all Council summons to consider referrals from Scrutiny Committees). Any comments or objections from Council will be referred back to the Cabinet at the earliest opportunity. (Call in protocol is detailed below).

The Cabinet will be required to consider any objections and comments but will not be bound by them unless it is contrary to the Policy Framework or contrary to or not wholly consistent with the Budget.

- The decision maker shall reconsider any decision referred to them following call-in, take into account any views expressed by the relevant overview and scrutiny committee and may either amend or confirm the original decision or require further specified work to be undertaken before making a final determination.
- Having been referred to the next Council meeting the Council has two options: (i) amend the policy / budget framework to accommodate the called-in decision, in which case the decision is implemented immediately; or (ii) require the decision maker to reconsider the decision again and refer it to a meeting of the Cabinet to be held within five working days of the Council meeting. The Cabinet may choose to amend or confirm the decision and there will be no further right of call in.

If an overview and scrutiny committee or the Council does not meet within the time permitted by these rules or such extended time as may be agreed or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the meeting or expiry of the period in which the meeting should have been held, whichever is the earlier.

#### **4.1.113. Extension of time limit**

In exceptional circumstances the time limit of ten working days for convening a meeting of an overview and scrutiny committee to consider the called in decision may be extended as agreed by the original decision maker and/or the Leader where practical considerations or any unforeseen factor make such an extension appropriate.

#### **4.1.114. Pre decision call in and the forward plan**

The overview and scrutiny committees should consider the forward plan as the chief source of information regarding forthcoming key decisions and in doing so, may

identify a forthcoming decision on the forward plan relevant to the remit of the committee and examine the issues around it.

In order not to obstruct the council in its business, the overview and scrutiny committee may call in an executive decision in advance of its actually being taken. In such a situation all the time-limits apply as above, except that a key decision cannot actually be implemented any sooner than it would have been had the overview and scrutiny committee not called it in.

Where the overview and scrutiny committee has called-in a key decision from the forward plan before its due date, the decision cannot be called-in again after the final decision has been taken.

#### **4.1.114. Party whip**

Government guidance views party or group “whipping” as incompatible with overview and scrutiny functions. Whipping arrangements should not be applied to overview and scrutiny committees and members should be free to comment and vote on matters under consideration.

**Call in Procedure:**

In considering the matter, the options available to the Scrutiny Committee are as follows:

1. The Scrutiny Committee decides not to offer any comments on the Notice. In this situation the decision of the Cabinet will stand.
2. The Scrutiny Committee decides to offer comments or objections, which will be referred back to the Cabinet at the meeting arranged for XXX.
3. The Scrutiny Committee may refer the Notice, without comment, to the Council. The matter will then be considered by the Council on XXX (a standard item appears on all Council summons to consider referrals from Scrutiny Committees). Any comments or objections from Council will be referred back to the Cabinet at the earliest opportunity, in accordance with the Council Constitution.

The Cabinet will be required to consider any objections and comments but will not be bound by them unless..."it is contrary to the Policy Framework or contrary to or not wholly consistent with the Budget"

If the Cabinet or its Committees meet to discuss a key decision to be taken collectively, with an officer other than a political assistant present, within 28 days of the date according to the Forward Plan by which it is to be decided, then it must also comply with Rules 1-12 unless Rule 17 (general exception) or Rule 18 (special urgency) apply. This requirement does not include meetings whose sole purpose is for officers to brief Members.

#### 4.2.14. Procedure before taking key decisions

Subject to Rule 17 (general exception) and Rule 18 (special urgency), a key decision may not be taken unless:

- (a) a notice has been published in connection with the matter in question at least 28 days in advance of the decision being taken;

If there is no Chair of the relevant Scrutiny Committee or if the Chair is unable to act, then the agreement of the Chair of the Council (Mayor), or in his/her absence the Vice Chair (Deputy Mayor) will suffice.

#### *4.2.19.2 Executive Report to Council*

The Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within seven clear working days of receipt of the written notice, or the resolution of the Scrutiny Committee, then the report may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the individual or body making the decision, and if the Leader is of the opinion that it was not a key decision the reasons for that opinion.

#### *4.2.19.3 Quarterly Reports on Special Urgency Decisions*

In any event the Cabinet will submit quarterly reports to the Council on the executive decisions taken in the circumstances set out in Rule 18 (special urgency) in the preceding three months. Members of Overview and Scrutiny Committees will be supplied with copies of any reports or papers which are to be submitted to public or private meetings of the Cabinet or its Committees for consideration, except that Voting Education Representatives and Co-opted Members of a Committee will not be supplied with exempt or confidential reports unless such reports are relevant to an action or decision being reviewed or scrutinised by the Committee.

All Members of the Council will be entitled to inspect any document (except those available only in draft form) in the possession or under the control of the Cabinet which relates to any key decision unless paragraph (a) or (b) above applies.

### *4.2.26.3 Nature of Rights*

The Overview and Scrutiny Committee shall report to the Cabinet on the outcome of its deliberations. The Overview and Scrutiny Committee shall have six weeks to respond to the initial proposals of the Cabinet unless the Cabinet considers that there are special factors that make this timescale inappropriate. If it does, it will inform the Overview and Scrutiny Committee of the time for response when the proposals are referred to it.
- (c) Having considered the report of the Overview and Scrutiny Committee, the Cabinet, if it considers it appropriate, may amend its proposals before submitting them to the Council meeting for consideration. It will also report to Council on how it has taken into account any recommendations from the Overview and Scrutiny Committee.
- (d) In reaching a decision, the Council may adopt the Cabinet's proposals, amend them, refer them back to the Cabinet for further consideration, or in principle, substitute its own proposals in their place.

- (f) Before the Council:-
  - (i) amends the draft plan or strategy;
  - (ii) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or

strategy (whether or not in the form of a draft) of which any part is required to be so submitted, or

(iii) adopts (with or without modification) the plan or strategy; it must inform the Leader of any objections which it has to the draft plan or strategy and must give to him instructions requiring the Cabinet to consider, in the light of those objections, the draft plan or strategy submitted to it.

(g) Where the Council gives instructions in accordance with Rule 2(f), it must specify a period of five clear working days beginning on the day after the date on which the Cabinet receives the instructions, within which the Cabinet may:-

(i) submit a revision of the draft plan or strategy as amended by the Cabinet ("revised draft plan or strategy"), with the Cabinet's reasons for any amendments made to the draft plan or strategy to the Council, for the Council's consideration; or

(ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.

(h) When the period specified by the Council, referred to in Rule 2(g), has expired, the Council must make a final decision and when:-

(i) amending the draft plan or strategy or, if there is one, the revised draft plan or strategy;

(ii) approving for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft or a revised draft) of which any part is required to be so submitted; or

(iii) adopting (with or without modification) the Plan or strategy; take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet's reasons for those amendments, any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for that disagreement, which the Cabinet submitted to the Council, or informed the Council of, within the period specified.

(i) The Council shall at that meeting make its final decision on the matter by a simple majority of votes cast at the meeting.

(j) The decision shall then be made public in accordance with Article 4, and shall be implemented immediately.

### 4.3.3. Budget Preparation Process

(a) Subject to Rule 3(e) where, before 8 February in any financial year the Cabinet submits to the Council for its consideration in relation to the following financial year:-

- (i) estimates of the amount to be aggregated in making a calculation (whether originally or by way of substitute) in accordance with any of Sections 32 to 37 or 43 to 49 of the Local Government Finance Act 1992;
- (ii) estimates of other amounts to be used for the purposes of such a calculation;
- (iii) estimates of such a calculation;
- (iv) amounts required to be stated in a precept under of Part 1 of the Local Government Finance Act 1992 and following consideration of those estimates or amounts the Authority has any objections to them, it must take the action set out in Rule 3(b).

(b) Before the Council makes a calculation (whether originally or by way of substitute) in accordance with any of the sections referred to in Rule 3(a)(i), or issues a precept under Part 1 of the Local Government Finance Act 1992, it must inform the Cabinet of any objections which it has to the Cabinet's estimates or amounts and must give to the Cabinet instructions requiring the Cabinet to reconsider, in the light of those objections, those estimates and amounts in accordance with the Council's requirements.

(c) Where the Council gives instructions in accordance with Rule 3(b), it must specify a period of at least 5 clear working days beginning on the day after the date on which the Cabinet receives the instructions on behalf of the Cabinet within which the Executive may:-

- (i) submit a revision of the estimates or amounts as amended by the Cabinet ("revised estimates or amounts"), which have been reconsidered in accordance with the Council's requirements, with the Cabinet's reasons for any amendments made to the estimates or amounts, to the Council for the Council's consideration; or
- (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.

(d) When the period specified by the Council, referred to in Rule 3(c), has expired, the Council must, when making calculations (whether originally or by way of substitute) in accordance with the Sections referred to in Rule 3(a)(i), or issuing a precept under Part 1 of the Local Government Finance Act 1992 take into account:-

- (i) any amendments to the estimates or amounts that are included in any revised estimates or amounts;
  - (ii) the Cabinet's reasons for those amendments;
  - (iii) any disagreements that the Cabinet has with any of the Council's objections; and
  - (iv) The Cabinet's reasons for that disagreement, which the Cabinet submitted to the Council, or informed the Council of, within the period specified.
- (e) Rules 3(a) - (d) shall not apply in relation to:-
- (i) calculations or substitute calculations which the Council is required to make in accordance with Section 52I, 52J, 52T or 52U of the Local Government Finance Act 1992 and
  - (ii) amounts stated in the precept issued to give effect to calculations or substitute calculations made in accordance with Section 52J or 52U of that Act.

#### 4.3.4. Decisions Outside the Budget or Policy Framework

- (a) Subject to the provisions of paragraph 5 (virement) the Cabinet 's, Committees of the Cabinet and any officers or joint arrangements discharging executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full Council, then that decision may only be taken by the Council, subject to 4 below.
- (b) If the Cabinet, Committees of the Cabinet, and any officers or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Finance Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the budget and policy framework) shall apply.

### 4.3.5. Urgent Decisions Outside the Budget or Policy Framework

(a) The Cabinet, a Committee of the Cabinet, or officers or joint arrangements, discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:

- (i) if it is not practical to convene a quorate meeting of the full Council; and
- (ii) if the Chair of the relevant Overview and Scrutiny Committee agrees that the decision is a matter of urgency, and if a nominated opposition or majority group member of the Committee as appropriate and the leader of the second largest opposition group has been consulted.

The reasons why it is not practical to convene a quorate meeting of full Council and the Chair of the relevant Overview and Scrutiny Committee's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of the relevant Overview and Scrutiny Committee, the consent of the Mayor and, in the absence of both, the Deputy Mayor will be sufficient.

(b) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

### 4.3.6. In-Year Changes to Policy Framework and Virement

In approving the policy framework, the Council may also specify the degree of in-year changes to the policy framework which may be undertaken by the Cabinet. The extent of virement within the budget which may be undertaken by the Cabinet is included in the Financial Procedure Rules in Part 4 of this Constitution. Any other changes to the policy and budgetary framework are reserved to the Council.

### 4.3.7. Call-in of Decisions Contrary to the Budget or Policy Framework

(a) Where the relevant Overview and Scrutiny Committee is of the opinion that an Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer.

(b) In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Leader with a copy to every Member of the Council. Regardless of whether the decision is delegated or not, the Leader must decide what action to take in respect of the Monitoring Officer's report and/or Chief Finance Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the relevant Overview and Scrutiny Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.

(c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the relevant Overview and Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. At the meeting the Council will receive a report on the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may either:

(i) endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way.

Or

(ii) amend the Council's Financial Procedure Rules or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way;

Or

(iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer/Chief Finance Officer.

(e) Where the Cabinet has submitted a draft plan or strategy to the Council for its consideration and, following consideration of that draft plan

or strategy, the Council has any objections to it, the Council must take the actions set out in sub-paragraph (f).

(f) Before the Council:-

- (i) amends the draft plan or strategy;
- (ii) approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted, or
- (iii) adopts (with or without modification) the plan or strategy;  
It must inform the Leader of any objections which it has to the draft plan or strategy and must give to him instructions requiring the Cabinet to consider, in the light of those objections, the draft plan or strategy submitted to it.

(g) Where the Council gives instructions in accordance with Rule 2(f), it must specify a period of five clear working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet within which the Leader may:-

- (i) submit a revision of the draft plan or strategy as amended by the Cabinet ("revised draft plan or strategy"), with the Cabinet's reasons for any amendments made to the draft plan or strategy to the Council, for the Council's consideration; or
- (ii) inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.

(h) When the period specified by the Council, referred to in Rule 2(g), has expired, the Council must make a final decision and when:-

- (i) amending the draft plan or strategy or, if there is one, the revised draft plan or strategy;
- (ii) approving for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft or a revised draft) of which any part is required to be so submitted; or
- (iii) adopting (with or without modification) the Plan or strategy;  
take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Leader/Cabinet Member's reasons for those amendments, any disagreement that the Leader/Cabinet Member has with any of the Council's objections and the Leader/Cabinet Member's reasons for

that disagreement, which the Leader submitted to the Council, or informed the Council of, within the period specified.

## **BURY MBC CONTRACT PROCEDURE RULES 2024**

### **A. WHY WE HAVE PROCUREMENT RULES**

1. Section 135 of the Local Government Act 1972 requires all local authorities to have them.
2. They are part of our Constitution and must be followed by all employees of the Council, its suppliers, contractors and consultants
3. They ensure that there is fair competition and value for money when we buy goods and equipment or commission services or works. They set out the procedure to be followed.
4. They apply to a wide range of contracts we award as a local authority, including our schools. They don't apply to staff contracts, purchases of land or financial investments by the Council.

### **B. LEGISLATION AND REGULATION**

1. The Procurement Act 2023 and Regulations made under it, the Local Government Act 1999 and the Public Services (Social Value) Act 2012 govern how the award of our contracts must be conducted.
2. The Local Government Transparency Code 2015 requires us to make available to the public details of our contracts and expenditure on them. We are required to maintain a publicly accessible Contracts Register with details of all contracts over £5K and publish monthly details of all payments made over £500.

### **C. WHAT WE GAIN THROUGH HAVING THESE RULES**

1. They make sure that we get the benefits of competition and act in a proper manner.
2. They help us get best value. That is a statutory obligation under the Local Government Act 1999. We must ensure economy, efficiency and effectiveness in all our transactions,
3. They require us to show fairness, transparency, equality and integrity in all our dealings. These are not nice to have - they are enforceable legal obligations. If bidders are not happy with how they are treated they can take legal action against us.

### **D. SOCIAL VALUE**

1. We must follow the Public Services (Social Value) Act 2012.

2. That means that when we embark on a procurement exercise the procurement lead must consider how it might improve the economic, social and environmental well-being of the inhabitants of Bury.

3. We have a Social Value Strategy which those undertaking procurement and managing contracts must adhere to.

## **E. WHAT WE MUST AVOID**

1. Whilst it is desirable to have productive relationships with suppliers, contractors or consultants, it is important to be fair and objective. We can't appoint them just because they are recommended to us or because we have used them before.

2. We can't re-appoint them simply because we think they have "done a good job." We must test the market. The incumbent provider will obviously have a major advantage. If they don't win a re-appointment, there must be a quality or cost concern.

## **F. THE INITIAL STAGES OF PROCUREMENT**

### **1. Pipeline programme**

- Under the Procurement Act 2023, but also as best practice, we must have an ongoing programme of identified contract activity.

- We must publish an 18-month forward plan of all contracts over £2M on our website at the start of each financial year. It is good practice to publish those over £10K.

### **2. Authority to Procure**

- The lead officer's first step for all procurements is to obtain authority under our Scheme of Delegations. This will be at officer level unless the estimated value is over £500K. In that case Cabinet approval is needed.

- The expenditure approvals thresholds are set out in Table 1.

### **3. Estimating Value**

- The lead officer must make an informed estimate of the value of the contract and be aware of the threshold values under the Procurement Act. These dictate which rules apply.

- This must be genuine and not a way to get round the prescribed thresholds. For example we cannot divide up contracts or orders without a valid reason.

- They must calculate the value that the person winning the contract will get over the expected life of the contract, including any extensions provided for. This must also include any sums we get from third parties such as Central Government.

#### **4.Getting Best Value**

-Everything we do has to be designed to ensure best value for the Council. The definition we use is the combination of whole life costs and benefits to meet the Council's needs.

-Before starting any procurement or awarding any contract the lead officer must understand those needs and check whether they could be met instead from an existing contract.

-The lead officer also must check that there is finance available from a Council revenue or capital budget.

#### **5.Proper Briefs and Specifications**

-Every procurement must have a brief or specification setting out clearly and precisely what the Council needs.

-Without one there is no legal comeback if things go wrong and we don't get what we expected and have paid for.

- We do not allow the tender to be advertised until the brief or specification is ready.

-The brief or specification cannot include material that is discriminatory, distorts competition or is non-commercial. This applies to any quality standards we specify.

-We only name specific products, sources or process if these are essential for our needs. When we do so we also allow equivalent items to be used.

-All our briefs and specifications must include conditions requiring compliance with our statutory obligations and Council policies. We also require minimum levels of insurance cover.

### **G. UNDERTAKING A COMPETITIVE PROCESS**

#### **1.We Use Public Sector Portals**

-All procurements over £30K must be advertised on the Government Central Digital Platform.

-Lead officers must use the Chest, the North West's Local Authority Procurement Portal for all competitive procurements over £10K.

#### **2. We Use Frameworks**

- We support the use of national, regional and local frameworks as they produce significant savings in time, effort and cost for the Council.

- Frameworks can only last 4 years.

-Call-off contracts are awarded in most cases through a mini-competition between pre-qualified suppliers on the framework agreement.

-In certain limited circumstances direct awards can be made under frameworks. For example where suppliers are ranked. Advice from Corporate Procurement must always be obtained in such cases.

### **3. Market Engagement**

-Lead officers must seek to obtain an understanding of the supply market to increase the likelihood of a successful procurement.

-Seeking expressions of interest and running market engagement events are appropriate steps to take in this connection.

## **H. THRESHOLDS FOR COMPETITION**

### **1. Adherence to the Thresholds**

-The thresholds are critically important and must be adhered to.

- They are summarised in Table 1.

### **2. UNDER £10K**

-Competition is not required. The lead officer should obtain one quotation. Although for more technical requirements it is considered good practice to obtain more than one to ensure that the Council is achieving best value.

-There must be a written brief and a written proposal received from the supplier, contractor or consultant in all cases.

### **3.£10K TO £50K**

- A Request for Quotation (RFQ) must be issued through the Chest portal.

-There must be a minimum of three quotations, five or six if possible. In certain circumstances there may not be that number in the market. If so, advice must be sought from Corporate Procurement before proceeding.

-If the lead officer knows of suitable local suppliers or contractors, it is permissible to invite them to quote.

-There must be a written specification in all cases with a minimum of three appropriate key performance indicators.

### **4.ABOVE £50K**

-A detailed Invitation to Tender (ITT) must be issued through the Chest portal.

- This must follow the standardised format prescribed by Corporate Procurement with clear criteria and weightings set out.
- There must be a written specification in all cases with a minimum of three appropriate key performance indicators.
- Advice should always be sought from Corporate Procurement. They will arrange for the Invitation to Tender to be issued on the Chest when the documentation is finalised.

## **I. CHOOSING THE RIGHT PROCUREMENT PROCEDURE**

### **1.The Procurement Act 2023 Procedures**

- The procedures have been reduced to two. These are:
  - = Open Procedure
  - = Competitive Flexible Procedure

### **2.The Open Procedure**

- As its name implies, there can be no restriction on the number of bidders who can apply. It is a single stage process.
- The tender documentation must set out the criteria and weightings that will be used in decision making.
- All compliant bids must be considered at the selection stage

### **3.The Competitive Flexible Procedure**

- This new procedure provides the Council with considerable flexibility.
- It allows the procurement exercise to be carried out in the manner we consider most appropriate. For example with a multi-stage process.
- We must make clear in the procurement documents how the process will work and how selection will operate, particularly if it is to be multi-stage.
- We must also set out the criteria and weightings that will be used in decision making.

### **4.Core Principles of Public Procurement**

- These must be followed in all cases:
  - = Transparency: absolute clarity on what is required and what will happen.
  - = Equal Treatment: all interested parties and bidders must be treated the same.

= Proportionality: we must act fairly and proportionately throughout the process

## **J. BID RECEIPT**

### **1. Use of the Chest portal**

-Competitive bids can only be submitted through the Chest portal. Bids submitted by any other means such as by post or email cannot be accepted in any circumstances.

### **2. Late Bids**

-Bid deadlines must be adhered to by bidders. Late bids cannot be accepted save in wholly exceptional circumstances.

-Wholly exceptional circumstances are restricted to situations entirely outside the control of the bidder where the bidder attempted to submit the bid in good time but was prevented by problems relating to the Chest portal itself. In such a case the Council has a discretion as to whether to accept a late bid. Advice should always be taken from Corporate Procurement before accepting a late bid.

## **K. EVALUATION OF BIDS**

### **1.The Panel**

-Lead officers should use a panel made up of staff from their department (ideally three but no more than five).

-Where necessary a moderator can be supplied by Corporate Procurement.

### **2.The Test**

-The test applied is called MAT - Most Advantageous Tender. That means an assessment of price and quality to ensure we get proper value. The ratio of price to quality will depend on the subject matter of the contract.

### **3.Price-Only**

-We don't ever use a price-only test, as there is always a quality need even if it's for something basic like pencils.

### **4 Quality Criteria**

-These must be set out in the tender documentation in all cases.

-They should cover technical merit, functionality, competence and organisation of staffing, key milestones and social value

-They must be accompanied with appropriate percentage weightings.

## **5. Alterations**

- Bids cannot be altered during the evaluation, except where there are obvious arithmetical errors that would affect the value of the bid. If that happens the lead officer can make an appropriate correction. A record must be kept of any corrections.
- Substantive amendments or submission of additional documents of any kind cannot be accepted in any circumstances.

## **6. Clarifications**

- In extremely restricted circumstances requests for clarification can be made to resolve any obvious ambiguity. However the opportunity cannot be used by the bidder to amend the wording of the bid or re-negotiate any aspect of it.

## **L. MAKING THE CONTRACT AWARD**

### **1. Evaluation Report**

- Once the preferred bidder has been identified an evaluation report must be prepared and sent to Corporate Procurement.

### **2. Expenditure Approval**

- The lead officer must obtain a written expenditure approval for the proposed award. This will be at officer level in accordance with the thresholds in Table 1, provided the contract sum is under £500K. A written record must be retained.
- Any proposed award above £100K must be published on the internet by Democratic Services in accordance with the Local Government Transparency Code 2015.
- If the contract sum is above £500K a report must be submitted to Cabinet for approval as an executive decision in accordance with our Constitution.
- If there is exceptional need for an early decision in the best interests of the Council the Urgent Decision route can be employed.

### **3. Standstill Letters**

- Where required for certain high value transactions, these will be issued by Corporate Procurement.
- Contract award cannot take place until the prescribed time-period for objections has elapsed.

### **4. Issue of Contracts**

- If the value is over £75K the contract will be drafted by Legal Services.
- If below £75K, it can be drafted in the lead officer's department with help from Corporate Procurement as required.

## **5. Contracts Register**

- All contracts of value over £5K must be published on the publicly accessible Council Contracts Register.
- The Contracts Register to be regularly updated and is a mandatory requirement under the Local Government Transparency Code 2015.

## **M. EXEMPTIONS TO PERMIT DIRECT AWARDS**

### **1.Approvals**

- The written approval of the Head of Corporate Procurement and the Director of Law and Democratic Services is required to establish the availability of a permitted exemption.
- Financial approval must then be obtained by the lead officer from the appropriate officer in accordance with the thresholds set out in Table 1.
- If the sum involved exceeds £500K Cabinet approval must be obtained.

### **2.Publication**

- Direct awards over £5M must be published by the Council in accordance with the Procurement Act 2023. This affords suppliers or contractors the opportunity to object.

### **3.Permitted Grounds**

- (a) Direct award to protect life* -to protect human, animal or plant life or health, or protect public order or safety.
- (b) Prototypes and Development* - to research the suitability of novel goods or services
- (c) Single Supplier* - in the absence of competition and no reasonable alternative
- (d) Additional goods, works or services* - where change in supplier would result in disproportionate technical difficulties in operation or maintenance
- (e) Commodities* - purchase of goods on a commodity market
- (f) Insolvency* – where advantageous terms for the Council for a contractor to take over the obligations of the insolvent provider
- (g) Extreme and Unavoidable Urgency* - if unforeseeable and not the fault of the Council. Act of God situations such as Covid, RAAC, fire or flood.
- (h) User Choice Contracts* -social care field where the view of the individual or their carer is paramount

## **N. PERMITTED VARIATIONS**

### **1.Approvals**

-The written approval of the Head of Corporate Procurement and the Director of Law and Democratic Services is required to establish the availability of a permitted variation.

-Financial approval must then be obtained by the lead officer from the appropriate officer in accordance with the thresholds as set out in Table 1.

-If the sum involved exceeds £500K Cabinet approval must be obtained.

### **2.Publication**

-Substantial variations must be published by the Council in accordance with the Procurement Act 2023. This affords suppliers or contractors the opportunity to object.

### **3. Permitted Grounds**

*(a) The variation is provided for in the original contract.*

*(b) A minor variation:*

-not increasing or/decreasing the contract value by more than 10% for goods and services or 15% for works:

-not increasing or decreasing the duration of the contract by more than 10%

*(c) Protection of life* - to protect human, animal or plant life or health or protect public order or safety

*(d) Extreme and Unavoidable urgency* - if unforeseeable and not the fault of the Council, provided doesn't increase the costs of the contract by more than 50%

*(e) Materialisation of Known Risk* - provided doesn't increase the costs of the contract by more than 50%

*(f) Additional goods, works or services* - change in supplier would result in disproportionate technical difficulties in operation or maintenance and substantial duplication of costs for the authority, provided doesn't increase the costs of the contract by more than 50%

*(g) Transfer on Corporate re-structuring* - to novate the contract to a new provider who takes on the obligations of the original contractor.

## Section 6 - Financial regulations

---

### 4.7.1. Introduction

4.7.1.1. To conduct its business efficiently, Bury Council needs to ensure that it has sound financial management policies in place and that they are strictly adhered to. Part of this process is the establishment of financial regulations that set out the financial policies of the Authority.

4.7.1.2. These financial regulations provide clarity about the financial accountabilities of individuals - Cabinet Members, the Chief Executive, the Monitoring Officer, the Chief Finance Officer, and other Chief Officers. Each of the financial regulations sets out the overarching financial responsibilities.

4.7.1.3 These regulations should be read in conjunction with other internal regulatory documents that form part of the Council's Constitution. For example, the Medium and Long Term Financial Strategy, the Council's Procedure Rules, Schemes of Delegation, Terms of Reference of Overview and Scrutiny Committee and Article 4 of the Constitution which provides the meaning of the Council's budget. Additionally, Appendix A of these regulations sets out the Budget and Policy Framework Procedure Rules that also form part of the Council's Constitution.

### 4.7.2. Status of financial regulations

4.7.2.1. Financial regulations provide the framework for managing the authority's financial affairs. They apply to every Member and Officer of the Authority and anyone acting on its behalf.

4.7.2.2. The regulations identify the financial responsibilities of the full Council, Cabinet, Scrutiny Management and Resource and Performance Members, the Head of Paid Service (the Chief Executive), the Monitoring Officer, the Section 151 Officer and other Chief Officers. Cabinet Members and Chief Officers should maintain a written record where decision making has been delegated to members of their staff, including seconded staff. Where decisions have been delegated or devolved to other responsible Officers, such as school governors, references to the Chief Officer in the regulations should be read as referring to them.

4.7.2.3. All members and staff have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, is properly authorised, provides value for money and achieves best value.

4.7.2.4. The Chief Finance Officer is the responsible Officer under S.151 of the Local Government Act 1972 and S.114 of the Local Government Finance Act

1988 for the proper administration of the financial affairs of the Council. The Financial Regulations have been designed to meet these legal requirements.

4.7.2.5. In order to meet these statutory responsibilities, the Chief Finance Officer is Head of Financial Services for the whole of the Authority and as such all staff who provide financial services are accountable to the Chief Finance Officer for the maintenance and promotion of the highest standards of financial management, integrity and administration in line with these Financial Regulations, the Accounts and Audit Regulations, Accounting Standards and Codes of Practice.

4.7.2.6. All accounting and financial systems operated by the Council shall be subject to minimum standards laid down by the Chief Finance Officer and any departure from using corporate financial systems may only be allowed after approval by the Chief Finance Officer.

4.7.2.7. The Chief Finance Officer is responsible for maintaining a continuous review of the financial regulations and submitting any additions or changes necessary to the full Council for approval. The Chief Finance Officer is also responsible for reporting, where appropriate, breaches of the financial regulations to the Council and/or to the Cabinet Members.

4.7.2.8. For the purposes of these Regulations, "Chief Officer" shall include the holders of positions of Executive Director, Director and Chief Officers.

4.7.2.9. Chief Officers are responsible for ensuring that all staff in their departments are aware of the existence and content of the Authority's financial regulations and other internal regulatory documents and that they comply with them. They must also ensure that an adequate number of copies are available for reference within their departments.

4.7.2.10. Chief Officers are responsible for the control of resources within their department and shall exercise that control within the Standing Orders and Financial Regulations and any other decisions of the Council. Within their areas of responsibility they shall consult the Chief Finance Officer with respect to any matter which is liable materially to affect the finances of the Council before any provisional or other commitment is incurred or before reporting thereon to a Committee.

4.7.2.11. The Chief Finance Officer is responsible for issuing advice and guidance to underpin the financial regulations that Members, Officers and others acting on behalf of the Authority are required to follow.

## 4.7.3. Financial Regulation A: Financial Management

### 4.7.3.1. Introduction

## Appendix A

### Financial implications and risk considerations for reports for the Cabinet

You will need to separately identify the revenue and capital costs, where applicable, together with their sources of funding e.g. existing budgetary provision, virement from another budget, bid for resources (budget pressure) etc., for the current financial year and the following 2 financial years. This is in line with the requirements of the Prudential Code. Affordability of the development/issue is critical and for the following 2 years you will also need to consider the possible effect on Council Tax where there are considerable revenue implications, together with highlighting any savings that may arise from the development / issue.

#### *Revenue*

You will need to provide a suitable breakdown of the type of expenditure and income, together with a total for both expenditure and income.

For example, standard groupings include:-

- **Employees** - salaries and wages; employers NI and superannuation contribution; agency staff; employee expenses; advertising costs etc.

- **Premises related expenditure** - e.g. energy costs; rents; rates; water services; fixtures and fittings; cleaning and domestic supplies etc.
- **Transport related expenditure** - staff travelling expenses; car allowances; public transport; contract hire and operating leases etc.
- **Supplies and services** - including equipment, furniture and materials; catering; printing, stationery and general office expenses; communications and computing; grants and subscriptions
- **Third Party payments** - payments to external providers or internal service providers. Can include: - payments to health authorities, government departments, other local authorities, joint authorities
- **Capital charges** - this records the revenue impact of capital items in the revenue account of a department.
- **Income** - e.g. government grants; customer and client receipts; contributions from other parties e.g. other local authorities, organisations

Highlight in these amounts those which are one-off costs/sources of funding and those which are ongoing costs/sources of funding.

### *Capital*

For schemes over £250,000 a project brief will need to be completed for approval by the Cabinet.

For expenditure you will need to break down the costs between works costs; fees/ salaries; furniture and equipment; land acquisition costs etc. For the sources of funding you will need to identify whether the source is government grant, capital receipts, loan, revenue reserves, external funding etc.

### *Risk considerations*

You will need to consider and highlight the risks and hazards that the Council/ Department may be faced with in connection with the development/issue.

Such risks and hazards can be:-

- **Legal** - associated with current or potential changes in national or European legislation, or possible breaches of legislation.
- **Competitive** - those affecting the competitiveness of the service.
- **Social** - those relating to the effects of changes in demographic, residential or socioeconomic trends on the organisations ability to deliver its objectives.
- **Financial** - connected with financial planning and adequacy of insurance cover and internal funds.
- **Physical** - those related to fire, security, accident prevention and health and safety.
- **Reputational** - those relating to the Council's reputation and the public's perception of its effectiveness and efficiency.

- **Environmental** - those relating to pollution, noise or energy efficiency.
- **Technological** - those relating to reliance on operational equipment e.g. IT systems or equipment and machinery, plus those associated with the Council's capacity to deal with the pace and scale of technological change.
- **Contractual** - those associated with the failure of contractors to deliver services or products to the agreed cost and specification.
- **Customers/Clients** - those associated with the failure to meet the current and changing needs and expectations of customers and

#### **4.8.6 Disciplinary Action - Head of Paid Service, Monitoring Officer and Chief Finance Officer**

(To be considered in conjunction with the Disciplinary Procedure for Head of Paid Service, Section 151 Officer and Monitoring Officer - Appendix A))

- (1) Where the matter cannot be resolved informally, an initial filtering will take place to determine if the issue requires investigating.
- (2) In some circumstances, the Council may consider that in order to clarify whether there is any substance to the allegation or complaint, preliminary initial inquiries should be undertaken before the Model Procedure is invoked. This would be particularly appropriate where the matter has been raised under another procedure such as a grievance and is not itself a disciplinary complaint. To enable this process to happen the Council should nominate an officer who would most appropriately be the Council's Monitoring Officer.
- (3) Once it is determined that an investigation is required, the Head of Paid Service, Monitoring Officer and S151-Chief Finance Officer may be suspended whilst the investigation takes place into alleged misconduct. That suspension will be on full pay and will be reviewed after two months and periodically thereafter as appropriate. Pay will not be reduced during the period of suspension, for example if the period of suspension coincides with one of sickness absence, and their entitlement to full pay under the sickness scheme reduces or expires the officer(s) will continue to receive full pay.
- (4) The Council must approve the dismissal or other disciplinary action in relation to the Head of Paid Service, the Monitoring Officer or the S151-Chief Finance Officer following the recommendation of dismissal or disciplinary action by the Employment

Panel (the Investigating and Disciplinary Committee - IDC) and an Independent Panel.

- The IDC will have delegated powers to exercise the functions of the IDC as set out in the model procedure. They have an important role in deciding whether any allegations against the officer meet a 'threshold test' (see procedure in Appendix A) which justifies further investigation, and then considering the report of an independent investigator.
- The IDC will set up an initial meeting to inform the officer of the allegation, hear any representations and evidence from the officer and determine whether or not there is a case to answer. If it is determined that there is a case to answer an independent investigator will be appointed.
- Following receipt of the investigation report the IDC will conduct a Hearing to consider the findings/ recommendations of the independent investigator, hear the officer's case and question any witnesses.
- If a disciplinary sanction/dismissal is recommended the Panel will notify the Director of People and Inclusion who will, through Democratic Services, notify every Member of the Cabinet of the name of the person recommended to be dismissed and relevant details of the sanction or dismissal.

The IDC's recommendation will then be put to an Independent Panel.

- (5) The Independent Panel will be established comprising of two or more independent panel members:
- an independent person appointed by the Council who is a local government elector
  - any other independent person appointed by the Council
  - an independent person who has been appointed by another Council

The Panel will:

- hear the evidence of the investigator
- hear oral representation from the officer
- hear the response/recommendations from the IDC
- ask questions of all parties

The Panel will consider all of the evidence and review the recommendations from the IDC.

A report will be prepared by the Independent Panel for Council with a clear recommendation as to whether or not they feel the officer should receive a disciplinary sanction or be dismissed. If they disagree with the IDC's recommendations to issue a disciplinary sanction or dismiss, the report should include a clear rationale of the reasons why.

If the Panel are in agreement with the IDC's recommendations the officer should be informed of this in writing and given the right of appeal.

- (6) Under the 2015 regulations any decision to issue a disciplinary sanction or dismiss will be taken by full Council, who will take into account any advice, views or recommendations of the Independent Panel.

A special meeting of Council will be convened and will take place at least 20

working days after the meeting of the Independent Panel.

At the meeting, which will also act as the officer's appeal if they have appealed, the case will be reviewed (a full re-hearing will not take place). In addition:

- the officer will make representation first as this will effectively be their opportunity to appeal
- the advice, views and recommendations of the Independent Panel will be taken into consideration
- the conclusions from the investigation will be considered Council may decide:
- to remove the disciplinary sanction or determine a lesser sanction
- to overturn the dismissal and award a lesser sanction (formal warning or action short of dismissal)
- to confirm the disciplinary sanction or dismissal of the officer Decisions must be approved by way of a vote.

#### **4.8.7 Disciplinary Action - Chief Officers and Deputy Chief Officers (other than the Head of Paid Service, Monitoring Officer and Chief Finance Officer)**

The Employment Panel shall approve the dismissal of or other disciplinary action in relation to Chief Officers and Deputy Chief Officers (other than the Head of Paid Service, Monitoring Officer or the Chief Finance Officer).

#### **4.8.8 Disciplinary Action - Other Officers**

Other than hearing Appeals against dismissal, Councillors shall not be involved in the dismissal of or disciplinary action in relation to any Officer below Deputy Chief Officer except where such involvement is necessary for any investigation or enquiry into alleged misconduct and also through the Council's Disciplinary, Capability and Related Procedures as adopted from time to time, which may allow a right of appeal to Members in respect of such action.

#### **4.8.9 Special Severance Payments**

- (1) Any Special Severance Payments (SSPs) made in excess of £100k require approval by full Council.
- (2) Any and all payments of £20k and over in value upto £100k require approval from the Monitoring Officer, Section 151 Officer and Chief Executive and Leader, in consultation with the Chair of Overview and Scrutiny. Any payments under £20k can be approved by the Monitoring Officer.
- (3) Where the proposed payment is to the Head of Paid Service, to avoid a conflict of interest, the Employment Panel will oversee this and will appoint an independent panel to approve the payment to the Chief Executive:
  - This panel must comprise of 3 independent persons (or at least 2).
  - The Independent Panel will make recommendations to the Employment Panel and the decision will, ultimately be approved by Council

## **Appendix A**

### **Disciplinary Procedure for Head of Paid Service, Section 151 Officer and Monitoring Officer**

#### **Background**

The Local Authorities (Standing Orders) (England) Regulations 2001 (as amended by the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015) provide a degree of protection for chief executives and certain statutory chief officers (section 151 and monitoring officers) against unwarranted political interference in their roles as Head of Paid Service, Section 151 Officer and Monitoring Officer.

These changes have been incorporated into the Council Constitution.

#### **Scope**

This procedure sits alongside the Model Disciplinary Procedure and Guidance as outlined in the Joint Negotiating Committee for Local Chief Executives National Salary Framework and Conditions of Service Handbook (updated 7 September 2022) and will be used to manage the disciplinary process for the Head of Paid Service, Section 151 Officer and Monitoring Officer.

Should any cases involving allegations against any of these three officers also implicate other officers and there is one investigation, this higher level procedure will be used for all officers under investigation.

Where the procedure refers to a Hearing, the process will follow the Council's Hearing Procedure.

Democratic Services, in conjunction with HR, will be responsible for arranging all meetings / hearings.

The Council's usual declaration of interest arrangements apply throughout this process and officers/members involved in the process should not engage with other staff/the public in discussions of the case. Such actions will not only create adverse publicity for the council and the officers but may create conflicts of interest and could limit the role that those officers/councillors can then take as the case progresses.

#### **Right to be accompanied**

The JNC procedure provides that at all stages, officers have the right to be accompanied by a trade union representative or some other person of their choice at their own cost. The only exception being, if an emergency suspension needs to take place where there is a serious risk identified.

The disciplinary procedure cannot be delayed, however, due to the unavailability of representative although every effort will be made to arrange dates that are mutually

convenient.

The statutory right to be accompanied applies in disciplinary hearings where decisions around disciplinary action, a disciplinary sanction or an appeal are taken. Officers may also be accompanied in IDC meetings.

Given the statutory requirement for an Independent Panel to meet to consider a recommendation for dismissal, it would also be appropriate, where the officer is attending that meeting, for them to be accompanied.

In these cases we will attempt to arrange dates suitable for all parties however, should the officer's representative be unavailable to attend we will postpone the Hearing for up to a week when the Hearing will go ahead regardless of the representative's availability.

Fair notice will be given as far as possible to enable the officer adequate time to prepare an initial response to the allegations or issues under investigation

### **Informal Resolution**

If possible, an informal resolution should be sought and the Council will pay full regard to the principles within the ACAS handbook. The advice of the Joint Secretaries may also be sought. Alternative resolution methods, for example mediation, should be considered. Formal action should be a last resort and only take place where the matter cannot be resolved informally.

An initial filtering will take place to determine if the issue requires investigating. In some circumstances, the Council may consider that in order to clarify whether there is any substance to the allegation or complaint, preliminary initial inquiries should be undertaken before the Model Procedure is invoked. This would be particularly appropriate where the matter has been raised under another procedure such as a grievance and is not itself a disciplinary complaint. To enable this process to happen the Council should nominate an officer who would most appropriately be the Council's Monitoring Officer.

### **Formal Procedure**

#### ***Suspension***

The decision to suspend the Chief Executive, S151 Officer or Monitoring Officer must be considered carefully by the IDC taking into account the nature of the allegations, the effect on the officer and potential reputational damage to the Council.

On rare occasions circumstances could arise which require an immediate suspension before the IDC has a reasonable opportunity to meet, for example if the allegations of misconduct are such that officer's remaining presence at work poses a serious danger to the health and safety of others or a serious risk to the resources, confidential information or reputation of the authority. It may also be necessary if the continuing presence at work of the officer might compromise the investigation or impair the efficient exercise of the council's functions.

In these cases emergency suspension may be considered, subject to the suspension being reviewed by the IDC at the earliest opportunity.

Ordinarily, the council's Chief Executive/Monitoring Officer will make the decision for an emergency suspension to take place after consultation with the Chair of the IDC.

However, should the Chief Executive and/or Monitoring Officer be implicated in disciplinary investigations at the same time, the Executive Director (Strategy & Transformation) in consultation with the Director of People & Inclusion has delegated authority to suspend in relevant circumstances in conjunction with the Leader of the Council and relevant Cabinet Member.

Suspension should be reviewed by the IDC after 2 months and periodically thereafter as appropriate.

### ***Investigating and Disciplinary Committee - initial meeting***

As part of the procedure, an Investigating and Disciplinary Committee (IDC) is required to be set up. This committee, who will have delegated powers to exercise the functions of the IDC as laid down in the model procedure, has an important role in deciding whether any allegations against the officer meet a 'threshold test' which justifies further investigation, and then considering the report of an independent investigator.

Cases will vary in complexity but the threshold test for the IDC in deciding whether to appoint an Independent Investigator is to consider the allegation or matter and assess whether:

- if it were to be proved **through an independent investigation**, it would be such as to lead to dismissal or other action which would be recorded on the chief executive's personal file and
- there is evidence in support of the allegation sufficient to require further investigation

It is intended that this initial assessment as to whether the 'threshold test' has been met is conducted as expeditiously as possible. Should the test be met the IDC will arrange for the appointment of an Independent Investigator.

The panel will be politically balanced and will consist of a panel of at most five members, including at least one cabinet member. Members appointed to the panel should have no prior knowledge or conflicts of interest in the case/officer involved. The Council's usual arrangements for declarations of interest will apply throughout the process.

Prior to the initial meeting, the Council should shortlist three people (or less if three are not available) from a list of independent investigators held by the Joint Secretaries to conduct an investigation should the IDC decide that this is the appropriate way forward.

The IDC's initial role will be to inform the officer of the allegations in writing, providing any evidence that might require investigation. The officer will be invited to put forward any

written representations and evidence to the meeting (this includes any written evidence from witnesses they wish to be considered at this stage). The officer will also be invited to attend the meeting to make oral representations. If they do not attend their written representations will be taken into account.

At the meeting, the IDC will consider any evidence presented by the officer, either in writing or in person, and determine if it is appropriate to call the witnesses at this stage before any decision is taken. The IDC may decide:

- no further formal action is taken, or
- there is a case to answer and an investigation is required, or
- to consider other actions (for example mediation, use of a different procedure, mutual termination (within the realms of other relevant procedures) etc.)

If the IDC decides that there is a case to answer they will appoint an independent investigator.

They will also consider if it is appropriate to suspend the officer. If the officer has already been suspended under emergency powers, the IDC will review the decision to determine whether or not the suspension stands at the earliest opportunity. Suspension will be further reviewed by the IDC after 2 months and periodically thereafter as appropriate. Pay will not be reduced during the period of suspension, for example if the period of suspension coincides with one of sickness absence, and their entitlement to full pay under the sickness scheme reduces or expires the officer(s) will continue to receive full pay.

The officer will be informed of the decision in writing.

### ***Investigation***

The Joint Secretaries hold a list of independent investigators who have been selected for their suitability and experience for this work and who have received training. Once the options of independent investigators from the list are determined suitable by the Council, the officer will be invited to select an investigator from the list (if no selection is made within 14 days of the names being supplied or there is more than one officer under investigation and agreement cannot be reached, the Council will select an investigator from the list).

The IDC will be responsible for deciding the terms of reference for the investigation and for providing this and other information to the Independent Investigator. It will also be in a position to discuss timescales for the investigation.

The Independent Investigator may approach the IDC at any point to seek further guidance or clarification on issues which emerge during the investigation. The role of the investigator will be to establish the facts and collate evidence. The investigation should remain confidential, impartial, and should be speedy and thorough.

They should operate on the basis of an independent investigation using his / her powers

to access information and interview witnesses.

The investigator will prepare a report to the IDC outlining:

- the facts of the case
- findings and evidence
- their opinion as to whether or not they believe that the evidence gathered supports the allegation and the need for disciplinary action to be taken
- their recommendations as to what disciplinary action they believe to be appropriate

Before finalising the report, the Independent Investigator should consider whether they should check the factual content of the report with the officers and other witnesses as appropriate.

The Council will designate an officer to administer the arrangements. The administering officer will ensure that the officer receives the Independent Investigator's report simultaneously with the IDC.

### ***IDC – Hearing***

On receipt of the investigation report, the IDC will conduct a Hearing at which the Independent Investigator will present his / her report and both the Council and the officer will have the right to question them and to call and question each other's witnesses. The IDC hearing should be conducted in accordance with the Council's Hearing Procedure.

The Independent Investigator must recommend any disciplinary action that appears to be appropriate. At this stage clarity is important and a clear reasoned recommendation should be given. The IDC will:

- consider the findings, report and recommendations of the independent investigator including any new material evidence material to the allegations
- give the officer the opportunity to state their case
- question any witnesses where relevant

The IDC may decide on the following outcomes:

1. No further action should be taken - the officer should be informed and appropriate communication prepared to ensure no damage to the officer's reputation
2. The issue should be resolved informally or through another procedure
3. The case should be referred back to the investigator for further investigation - this should be only when it is absolutely necessary in order to make a decision (for example to investigate any new evidence)
4. To take action short of dismissal (ie to issue a disciplinary sanction) - the officer should be notified of this and given the right of appeal
5. To recommend to Council to dismiss the officer

Where the IDC recommends to dismiss the officer, the Leader and all members of the Cabinet should be informed. This part of the process should be carried out by the

Executive Director (Strategy & Transformation) in consultation with the Director of People & Inclusion and in conjunction with Democratic Services.

The IDC will inform the officer of the decision and put that recommendation to the Independent Panel along with the Independent Investigator's report and any other necessary material.

The IDC will reconvene once the report from the independent panel is received to consider the recommendation to dismiss. If the recommendations to dismiss do not change, the officer will be informed of the decision at this point and given the right to appeal. This will be to full Council.

Should the IDC decide not to dismiss, other options should be considered (see above IDC outcomes).

### ***Independent Panel***

If a recommendation to dismiss is made by the IDC an Independent Panel (IP) will be established comprising of three independent panel members (or at least 2) who are:

- an independent person appointed by the Council who is a local government elector in this borough
- an independent person appointed by the Council for the purpose of the Council members conduct regime under the Localism Act 2011
- an independent person appointed by another Council for the purpose of the Council members conduct regime under the Localism Act 2011

Appropriate training devised by the JNC is available for panel members if required.

The IP will be held in accordance with the Council's Hearing Procedure and will take place at least 20 working days before the meeting of the Council and the timings of the meetings should be set far enough apart so as to ensure that the Panel can perform its role thoroughly, including to produce a report which can be circulated to council members five working days before the Council meeting.

The Panel is **not** a full re-hearing of the case and will not involve the calling of witnesses.

The Panel will be supported by officers who have not attended meetings of the IDC and the agenda/papers agreed by both the Council and the officer.

Both parties should be present or represented (the IDC might be represented by its Chair or other nominated person) at the Panel meeting.

The Panel should review the IDC's recommendation for dismissal and prepare a report for Council. It will:

- receive the IDC recommendations and reasons - presented by the Chair of the IDC
- receive the report from the independent investigator, who will be invited to the IP to provide clarification if required

- receive oral/written representations from the officer, who will be invited to attend and invite any response on behalf of the IDC to the points made
- ask questions of either party

The IP will consider all of the evidence and formulate any advice, views or recommendations it wishes to make to Council concerning the dismissal of the officer. A report will be prepared for the IDC / Council. If the Panel disagree with the IDC's recommendations to dismiss, the report should include a clear rationale of the reasons why and the Chair of the Independent Panel should be invited to attend the meeting of the IDC to present the report and answer questions.

### ***Council***

As the Standing Orders Regulations require that the council approves the recommendation for dismissal before notice of dismissal is issued, there might be concern about the ability to offer a fair appeal if the whole council was already familiar with the issues and had already taken the decision to dismiss.

The Model Procedure upon which this procedure is based envisages that the principal decision to recommend dismissal is taken by the IDC and the council meeting fulfils the necessary requirement for an additional level of decision making necessary to demonstrate an effective appeal.

Where there is a recommendation to dismiss the Head of Paid Service, S151 Officer or Monitoring Officer, Council must approve the dismissal before notice of dismissal is issued.

A special meeting of Council will be set up by Democratic Services and will take place at least 20 working days after the meeting of the Independent Panel.

The Council meeting serves two purposes:

- To consider whether to approve the IDC recommendation to dismiss
- To act as the appeal mechanism against a dismissal decision

In view of the need for the council to ensure a fair decision-making process, it will need to consider whether members already involved in these, or other, ways should take part in the council meeting having regard to whether their participation in the meeting would give rise to unlawful decision-making or maladministration, due to predetermination or bias. Therefore Members with previous involvement should not take part in the Council deliberations.

This involvement might be as:

- Complainant
- Member of the IDC
- Witness in the investigation and / or hearing
- Member offering public comments on the ongoing disciplinary process

Disciplinary proceedings are usually conducted in meetings from which the public have

been excluded, and this practice is commended for council meetings considering the exercise of the function to dismiss the Head of Paid Service, Monitoring Officer or S151 Officer.

Given the thoroughness and independence of the previous stages it will not be appropriate for Council to undertake a full re-hearing of the case. Instead, consideration by the council will take the form of a review of the case and the recommendation to dismiss, and any advice, views or recommendations of the Independent Panel and the meeting will review the case, the recommendations to dismiss and any other evidence/representations. This stage will also act as the officer's appeal against the recommendation to dismiss.

In addition:

- the officer will attend and make representation first as this will effectively be their opportunity to appeal
- the Chair of the IDC will attend and present the recommendation to dismiss/reasons
- the advice, views and recommendations of the Independent Panel will be taken into consideration
- the conclusions from the investigation will be considered

Council will have three options:

- to confirm the dismissal of the officer - this should be communicated to the officer as soon as possible
- to reject the recommendation to dismiss the officer, ie no sanction - this should be communicated to the officer and communications prepared to ensure as far as possible there is no damage to their reputation
- Impose a lesser sanction or refer back to the IDC to determine the lesser sanction

### ***Appeals Committee***

Appeal Hearings against disciplinary sanctions short of dismissal imposed by the IDC will be heard by an Appeals Committee which will be politically balanced, include at least one cabinet member and will comprise of at most five elected members who were not members of the IDC.

Its purpose is to hear the officer's representation and review the case (the case and disciplinary sanctions applied by the IDC, the IP findings and the investigation report along with any other evidence relating to the case for example new information, executive objections (if relevant), outcome of any further investigation, etc.

They will also conduct any further investigations necessary to enable them to reach a decision.

The Panel may decide:

- to confirm the sanction given
- no sanction should be given - communications should be agreed with the officer to ensure as far as possible no damage to their reputation)

- a lesser sanction should be given

The decision of the Appeals Committee is final.

## **Appendix A – The Seven Principles of Public Life**

The principles are:

### **Selflessness**

Holders of public office should act solely in terms of the public interest.

### **Integrity**

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

### **Objectivity**

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

### **Accountability**

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

### **Openness**

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

### **Honesty**

Holders of public office should be truthful.

### **Leadership**

*Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and willing to challenge poor behaviour wherever it occurs.*

## Section 2 - Employees' code of conduct

---

***Local Employees/Officers' Code of conduct, consistent with a model code yet to be issued by the Secretary of State, will be inserted here in due course.***

### **1.0 Standards**

1.1 Local government employees are expected to give the highest possible standard of service to the public, and where it is part of their duties, to provide appropriate advice to councillors and fellow employees with impartiality. Employees will be expected, through agreed procedures and without fear of recrimination, to bring to the attention of their immediate supervisor any deficiency in the provision of service. Employees must report to their immediate supervisor or the Director of Personnel any impropriety or breach of procedure.

### **2.0 Disclosure of Information**

2.1 It is generally accepted that open government is best. The law requires that certain types of information must be available to members, auditors, government departments, service users and the public.

2.2 Committee agendas and most reports and background papers are required by law to be available for public inspection. Detailed guidance is available from the Director of Legal and Democratic Services. Obstruction of a Member of the public who wishes to exercise these rights is a criminal offence.

2.3 No employee shall communicate to the public the proceedings of any 'closed' Committee or meeting associated with the business of any Committee, nor the content of any document relating to the authority, unless required by law or expressly authorised by the Chief Executive to do so. Employees making unauthorised communications shall render themselves liable to disciplinary action.

2.4 Employees should follow any specific ground rules adopted by the authority in relation to commercially sensitive information, particularly with regard to Compulsory Competitive Tendering (CCT).

2.5 Employees should not use any information obtained in the course of their employment for personal gain or benefit, nor should they pass it on to others who might use it in such a way. Any particular information received by an employee from a councillor which is personal to that councillor and does not belong to the authority such as details of her/his marital/domestic arrangements, should not be divulged by the employee without the prior approval of that councillor, except where such disclosure is required or sanctioned by the law.

### **3.0 Political Neutrality**

3.1 Employees serve the authority as a whole. It follows they must serve all councillors and not just those of the controlling group, and must ensure that the individual rights of all councillors are respected.

3.2 Subject to the authority's conventions, employees may also be required to advise political groups. They must do so in ways which do not compromise their political neutrality.

3.3 Employees, whether or not politically restricted, must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.

3.4 Should the authority decide to appoint political assistants in accordance with the Local Government and Housing Act 1989 these employees would be exempt from the standards set in paragraphs 3.1 to 3.3.

### **4.0 Relationships**

4.1 **Councillors** - Employees are responsible to the authority through its senior managers. For some, their role is to give advice to councillors and senior managers and all are there to carry out the authority's work. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be avoided.

4.2 **The Local Community and Service Users** - Employees should always remember their responsibilities to the community they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community as defined by the policies of the authority.

4.3 **Contractors** - All relationships of a business or private nature with external contractors or potential contractors, should be made known to your immediate supervisor and shall be recorded in a book to be kept for that purpose by the Chief Executive which shall be available for inspection by Members of the Council. Orders and contracts must be awarded on merit by fair competition against other tenders, and no special favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against.

Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship to their immediate supervisor and this should be recorded in the book kept for that purpose by the Chief Executive.

## **5 Appointment and Other Employment Matters**

5.1 Employees involved in appointments should ensure that these are made on the basis of merit. It would be unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post. In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with him or her. Where a Senior Officer has power to engage an employee he or she shall not appoint any relative to such a position without first referring the proposed appointment to the Committee concerned.

5.2 Similarly, employees should not be involved in decisions relating to discipline, promotion or pay adjustments for any other employee who is a relative, partner, etc.

## **6.0 Outside Commitments**

6.1 Some employees have conditions of service which require them to obtain written consent to take any outside employment. All employees should be clear about their contractual obligations and should not take outside employment which conflicts with the authority's interests. Employees are advised to discuss any such issues with their immediate supervisor. Apart from those employees whose conditions of service require them to obtain written consent to take any outside employment, it is not intended that employees be prevented from taking outside employment except where such employment would conflict with the authority's interests.

6.2 Employees should have regard to the ownership of intellectual property or copyright arising out of and during the course of their employment and act in accordance with any rules of the authority which may be in force.

## **7.0 Personal Interests**

7.1 Employees must declare to their immediate supervisor any non-financial interests that they consider could bring about conflict with the authority's interests.

7.2 Employees must declare to their immediate supervisor any financial interests which could conflict with the authority's interests.

7.3 In the case of any matter under consideration by the Council or any other application to the Council where employees or any close relative have a personal interest, whether pecuniary or otherwise, they should, if such matter or application falls to be dealt with by the Department in which they are employed, inform their immediate supervisor of their interest as soon as they become aware of the matter or application concerned. The immediate supervisor must

then ensure that all aspects of the matter or application are conducted or supervised by an employee more senior to the individual who has declared the personal interest. On no account must employees be directly involved in the processing of any matter or application in which they or any close relative have a personal interest.

7.4 The definition of a close relative shall be as set out in the Supplemental Conditions of Service for APT & C Staff (Appendix H). A copy of the Supplemental Conditions is available for inspection in your Department.

7.5 Employees should declare to their immediate supervisor membership of any organisation not open to the public without formal membership and commitment of allegiance and which has secrecy about rules or membership or conduct.

7.6 Any declarations referred to in Section 7 shall be recorded in a register kept for that purpose by the employees Chief Officer for inspection by Members of the Council.

## **8.0 Equality Issues**

All local government employees should ensure that policies relating to equality issues as agreed by the authority are complied with in addition to the requirements of the law. All members of the local community, customers and other employees have a right to be treated with fairness and equality.

## **9.0 Separation of Roles During Tendering**

9.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the authority. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness and at time discretion and confidentiality.

9.2 Employees in contractor or client units must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors, in accordance with any policies and rules determined by the Council, particularly in relation to Compulsory Competitive Tendering.

9.3 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

9.4 Employees contemplating a management buyout should, as soon as they have formed a definite intent, inform their immediate supervisor and withdraw from the contract awarding processes.

9.5 Employees should ensure that no special favour is shown to current

or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

## **10.0 Use of Financial Resources**

Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money for the Council and to the local community and to avoid legal challenge to the authority.

## **11.0 Corruption**

11.1 Employees must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity. If charged with this offence it is for the employee to demonstrate that any such rewards have not been corruptly obtained.

11.2 Rewards corruptly obtained will put your job at risk and are punishable by up to seven years' imprisonment.

## **12.0 Gifts and Hospitality**

12.1 There can be little doubt that the acceptance of gifts by employees from persons who have, or may seek to have, dealings with their authority would be viewed by the public with grave suspicion and would make the employee concerned and the Council extremely vulnerable to criticism. An employee should, therefore, tactfully refuse any personal gift which is offered to him/her or a close relative by, or indirectly attributable to any person or body who has, or may have, dealings of any kind whatsoever with the Council or, who has applied, or may apply, to the Council for any planning or other kind of decision.

12.2 The only exceptions to this rule are:

- (a) small gifts of only token value often given by way of trade advertisements to a wide range of people, e.g. calendars, diaries, tape measures and similar articles of use in the workplace; or
- (b) small gifts of only token value given on the conclusion of a courtesy visit, e.g. to a factory or other premises

12.3 If there is any doubt about whether a gift may be accepted the gift should be politely and tactfully refused.

12.4 Employees are reminded that under provisions of Section 117 of the Local Government Act 1972, they are forbidden under the colour of their office and employment to accept any fee or reward other than their proper remuneration and any person who contravenes this provision would be liable,

on summary conviction, to a fine not exceeding £2,500. (Subject to review).

12.5 In the event of an employee receiving a gift without warning, which does not fall in any of the exceptions mentioned above, this should immediately be reported to a Chief Officer who will be responsible for deciding whether the gift should be returned.

12.6 If any employee becomes aware that he/she has been included as the beneficiary in the Will of a client, for whom the Council offers or used to offer a service where there is a connection with the employee's work, the above rules apply.

12.7 Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the local authority in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the authority should be seen to be represented. They should be properly authorised and recorded in a register kept for that purpose by the employee's Chief Officer.

12.8 When hospitality has to be declined those making the offer should be courteously but firmly informed of the procedures and standards operating within the authority.

12.9 When receiving authorised hospitality employees should be particularly sensitive as to its timing in relation to decisions which the authority may be taking affecting those providing the hospitality.

12.10 Acceptance by employees of hospitality through attendance at relevant conferences and courses is acceptable where it is clear the hospitality is corporate rather than personal, where the authority gives consent in advance and where the authority is satisfied that any purchasing decisions are not compromised. Where visits to inspect equipment etc. are required, employees should ensure that the authority meets the cost of such visits to avoid jeopardising the integrity of subsequent purchasing decisions.

12.11 Employees must refuse offers of hospitality where any suggestion of improper influence would be inferred. Special caution is necessary where hospitality is offered by a person or body having or seeking business with, or a decision from the authority, particularly where the offer is to an individual employee.

12.12 Concerning offers of hospitality there should be no cause for concern if the offer is made by another non-commercial public body but in all other cases offers of hospitality must be treated with caution.

12.13 Hospitality should only be accepted where it is on a scale appropriate to the circumstances, reasonably incidental to the occasion and not extravagant and where it is apparent that no cause could reasonably arise for

adverse criticism about the acceptance of hospitality.

### **13.0 Sponsorship - Giving and Receiving**

13.1 Where an outside organisation wishes to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

13.2 Where the authority wishes to sponsor an event or service neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to their immediate supervisor of any such interest. Similarly, where the authority through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

13.3 Any declaration of an interest will be recorded in a register kept for that purpose by the employee's Chief Officer. The register will be available for inspection by Members.

### **14.0 Declaration of Criminal Offences**

14.1 Employees must declare to the Council:

- If they are under investigation by the police for a criminal offence involving a child/vulnerable adult or a serious criminal offence involving any physical assaults or sexual assaults on anybody
- If they are under assessment by a children's services function over the welfare of their own children or children regularly in their care
- If they are being charged or prosecuted for a criminal offence that is either reportable to their professional body or standards body, or which could either:
  - bring the Council into disrepute, or
  - result in them being unable to undertake the role for which they are employed (e.g. a driving ban), or
  - may result in a prison sentence (suspended or otherwise)

14.2 Declarations must be made to the Head of Service, who will consider – with advice from HR and, if the employee works with children or vulnerable adults, in line with LADO/PIPOT procedures respectively – what support could be put in place or action taken. This could include disciplinary action.

14.3 Failure to declare or accurately declare relevant investigations or offences could result in disciplinary action.

### **15.0 Interpretation**

15.1 Any interpretation of this Code should be determined by the Director of People and Inclusion after consultation with Cabinet Member for Corporate

Affairs and HR and relevant Opposition spokespersons.

#### **16.0 Disciplinary Action**

Any serious contravention of this Code may result in disciplinary proceedings.

#### **17.0 Grievance Procedure**

17.1 An employee who has a grievance arising from the interpretation of the Code shall have access to the Council's Grievance Procedure.

17.2 Any officer or Member who has been involved in an interpretation of the Code which results in a grievance arising should not be involved in the consideration of that grievance.

#### **18.0 Application of Code**

The Code embodies general guidance for all employees of the Council. It is recognised, however, that specific arrangements may be made at Departmental level to address circumstances/situations encountered by certain employees

## **Section 3 - Protocol on member and officer relations**

Mutual trust and respect between members and officers is at the heart of a council's good governance. They are essential if the partnership necessary for the effective running of a local authority is to succeed.

### **Purpose**

- to promote trust, openness, fairness and honesty by establishing some ground rules;
- to define roles so as:
  - o to clarify responsibilities (i.e. who does what),
  - o to avoid conflict, and
  - o to prevent duplication or omission
- to secure compliance with the law, codes of conduct and a council's own practices; and
- to lay down procedures for dealing with concerns by members or officers.

This protocol should be recognised both as a central element of the Council's corporate governance, and as a commitment to upholding standards of conduct in public life.

### **Principles**

Members and officers must at all times observe this protocol.

The protocol has been approved by the Council's Standards Committee who will monitor its operation.

The protocol seeks to maintain and enhance the integrity (real and perceived) of local government which demands the highest standards of personal conduct.

Members and officers must always respect the roles and duties of each other. They must show respect in all their dealings by observing reasonable standards of courtesy, and by not seeking to take unfair advantage by virtue of their position.

Whilst members and officers are indispensable to one another, their responsibilities are distinct. Members are accountable to the electorate and serve only as long as their term of office lasts. Officers are accountable to the Council as a whole. Their job is to give advice to members (individually and collectively) and to carry out the Council's work under the direction of the Council.

The Council has adopted codes of conduct for both members and officers. Both represent best practice. The members' code follows the national code which in turn is based on the general principles governing members' conduct enshrined in law

Breaches of this protocol by a member may result in a complaint to the Monitoring Officer breaches by an officer may lead to disciplinary action.

## **1. The Role of Members**

Members have a number of roles and need to be alert to the potential for conflicts of interest which may arise between the roles. Where such conflicts are likely, Members may wish to seek the advice of senior colleagues, the relevant chief officer(s), and/or the Monitoring Officer.

1.1 Collectively, members are the ultimate policy-makers determining the core values of the Council and approving the authority's policy framework, strategic plans and budget.

1.2. Members represent the community, act as community leaders and promote the social, economic and environmental well-being of the community often in partnership with other agencies.

1.3. Every elected member represents the interests of, and is an advocate for, his/her ward and individual constituents. He/she represents the Council in the ward, responds to the concerns of constituents, meets with partner agencies, and often serves on local bodies.

1.4 Some Members have roles relating to their position as members of the Cabinet and Scrutiny Committees of the Council.

1.5. Members serving on Scrutiny Committees monitor the effectiveness of the Council's policies and services, develop policy proposals and examine community issues. They also monitor local health service provision.

1.6. Members who serve on other committees and sub-committees collectively have delegated responsibilities, e.g. deciding quasi-judicial matters which by law are excluded from the remit of the Cabinet.

1.7. Some members may be appointed to represent the Council on local, regional or national bodies.

1.8 As politicians, members may express the values and aspirations of the party political groups to which they belong, recognising that in their role as Members they have a duty always to act in the public interest.

1.9. Members are not authorised to instruct officers other than:

- through the formal decision-making process;
- to request the provision of consumable resources provided by the Council for members' use;
- where staff have been specifically allocated to give support to a member or group of members; and
- in the case of political assistants.

1.10. Members are not authorised to initiate or certify financial transactions, or to enter into a contract on behalf of the Council.

1.11. Members must avoid taking actions which are unlawful, financially improper or likely to amount to maladministration. Members have an obligation under their code of conduct to have regard, when reaching decisions, to any advice provided by the Monitoring Officer or the Councils Section 151 Officer.

1.12. Members must respect the impartiality of Officers and do nothing to compromise it by insisting that an Officer change his/her professional advice.

1.13. Members have a duty under their code of conduct:

- to promote equality by not discriminating unlawfully against any person, and
- to treat others with respect.

1.14. Under the code, a Member must not when acting as a Member or in any other capacity:

- bring the Council or his/her position as a Member into disrepute, or
- use his/her position as a Member improperly to gain an advantage or disadvantage for his/herself or any other person.

## **2. The Role of Officers**

Officers are responsible for giving advice to Members to enable them to fulfil their roles. In doing so, Officers will take into account all available relevant factors.

2.1. Under the direction and control of the Council (including, as appropriate, the Cabinet, committees and sub-committees), Officers manage and provide the Council's services within the framework of responsibilities delegated to them. This includes the effective management of employees and operational issues.

2.2. Officers have a duty to implement decisions of the Council, the Cabinet, committees and sub-committees which are lawful, and which have been properly approved in accordance with the requirements of the law and the Council's constitution, and duly minuted.

2.3. Officers have a contractual and legal duty to be impartial. They must not allow their professional judgement and advice to be influenced by their own personal views.

2.4. Officers must assist and advise all parts of the Council. They must always act to the best of their abilities in the best interests of the authority as expressed in the Council's formal decisions.

2.5. Officers must be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for Members, the media or other sections of the public.

2.6. Officers have the right not to support Members in any role other than that of Member, and not to engage in actions incompatible with this protocol. In particular, there is a statutory limitation on officers' involvement in political activities.

### **3. The Relationship between Members and Officers**

The conduct of Members and Officers should be such as to instil mutual confidence and trust.

3.1. The key elements are a recognition of and a respect for each other's roles and responsibilities. These should be reflected in the behaviour and attitude of each to the other, both publicly and privately.

3.2. Informal and collaborative two-way contact between Members and Officers is encouraged. But personal familiarity can damage the relationship, as might a family or business connection.

3.3. Members and Officers should inform the Monitoring Officer of any relationship which might be seen as unduly influencing their work in their respective roles.

3.4. It is not enough to avoid actual impropriety. Members and Officers should always be open about their relationships to avoid any reason for suspicion and any appearance of improper conduct. Where a personal relationship has been disclosed, those concerned should avoid a situation where conflict could be perceived. Specifically, a Member should not sit on a body or participate in any decision which directly affects the officer on a personal basis.

3.5. Officers serve the Council as a whole. They have a duty to implement the properly authorised decisions of the Council.

3.6 With the exception of political assistants, Officers work to the instructions of their Chief Officers, not individual Members. It follows that, whilst such Officers will always seek to assist a Member, they must not be asked to exceed the bounds of authority they have been given by their managers. Except when the purpose of an enquiry is purely to seek factual information, Members should normally direct their requests and concerns to a senior officer, at least in the first instance.

3.7 Officers will do their best to give timely responses to Members' enquiries. However, officers should not have unreasonable requests placed on them. Their work priorities are set and managed by senior managers. Members should avoid disrupting officers' work by imposing their own priorities.

3.8 Members will endeavour to give timely responses to enquiries from officers.

3.9 An Officer shall not discuss with a member personal matters concerning him/herself or another individual employee. This does not prevent an Officer raising on a personal basis, and in his/her own time, a matter with his/her ward member.

3.10. Members and Officers should respect each other's free time.

## **4. The Council as Employer**

4.1 Officers are employed by the Council as a whole.

4.2. Members' roles are limited to:

- the appointment of specified senior posts,
- determining human resources policies and conditions of employment,
- the appointment of political assistants, and
- hearing and determining appeals.

4.3. Members shall not act outside these roles.

4.4. If participating in the appointment of Officers, Members should:

- remember that the sole criterion is merit (other than in the case of political assistants where political consideration may apply),
- never canvass support for a particular candidate,
- not take part where one of the candidates is a close friend or relative,
- not be influenced by personal preferences, and
- not favour a candidate by giving him/her information not available to the other candidates.

4.5. A Member should not sit on an appeal hearing if the appellant is a friend, a relative, or an officer with whom the member has had a working relationship.

## **5. Mayor and Officers**

Officers will respect the position of Mayor and provide appropriate support.

## **6. Cabinet Members and Officers**

6.1. Cabinet members will take decisions in accordance with the constitution and will not otherwise direct staff. Chief Officers will be responsible for instructing staff to implement the Cabinet Members decisions.

6.2. In addition to individual members of the Cabinet, Chief Officers (including the Monitoring Officer and the Section 151 Officer ) have the right to submit papers to the Cabinet as a whole or to individual Cabinet Members for consideration.

6.3. Chief Officers and Cabinet members shall agree mutually convenient

methods of regular contact. Before taking any formal decisions, the Cabinet will seek appropriate professional advice including, without exception, the Monitoring Officer and Section 151 Officer, and will not direct Officers in the framing of recommendations.

6.4. Before any formal decisions with a financial implication are taken by the Leader, the Section 151 Officer and the Chief Officer(s) for the service(s) concerned must be consulted. This is to ensure that those officers who are budget holders:

- are aware of the proposed decision,
- have the opportunity to offer advice, and
- are subsequently able properly to authorise the financial transactions needed to implement decisions.

6.5. An individual Cabinet member who is minded to write or commission a report on a matter within his/her portfolio must ensure that those other Members and Officers who need to know of the matter are so informed. There is a particular requirement to involve other Cabinet members on cross-cutting issues.

6.6. Cabinet members when making decisions must state the reasons for those decisions. The written record of the decisions must include the reasons.

6.7. Officers taking decisions under their delegated powers must consider the advisability of informing the relevant Cabinet Member(s) and also opposition Members of their intentions in advance when the matter to which the decisions relates is likely to be sensitive or contentious, or has wider policy implications.

## **7. Scrutiny Members and Officers**

7.1. Chairs and other leading scrutiny members shall maintain regular contact with the Officer(s) providing the principal support to the scrutiny function. In consultation with chairs, it shall be the responsibility of the latter to ensure that those who need to know of matters being considered or for possible future consideration are so informed.

7.2. A Scrutiny Committee or its Chair acting on its behalf may require Officers to attend scrutiny meetings, to support their Cabinet Member. Members should not normally expect junior officers to give evidence. All requests should be made to Chief Officers in the first instance.

7.3. When making requests for officer attendance, scrutiny Members must have regard to the workload of Officers.

7.4. It is recognised that Officers required to appear before a Scrutiny Committee may often be those who have advised the Cabinet or another part of the Council on the matter under investigation. In these circumstances, an officer may have a conflict

of interest. Both Members and Officers need to consider the severity of the conflict. If deemed appropriate, research and advice may be sought elsewhere.

7.5. Subject to 7.4 above, Officers should be prepared to justify advice given to the Council, the Cabinet, or other committees and sub-committees even when the advice was not accepted.

7.6. Officers must also be prepared to justify decisions they have taken under delegated powers.

7.7. In giving evidence, Officers must not be asked to give political views.

7.8. Officers should respect Members in the way they respond to members' questions.

7.9. Members should not question Officers in a way which could be interpreted as harassment. Neither should they ask about matters of a disciplinary nature.

7.10. Scrutiny proceedings must not be used to question the capability or competence of Officers. Chairs and Members need to make a distinction between reviewing the policies and performance of the Council and its services, and appraising the personal performance of staff. The latter is not a scrutiny function.

7.11. In exercising the right to call-in a decision of the Leader/Cabinet, Scrutiny Members must seek Officer advice if they consider the decision is contrary to the Council's approved plans, policies or frameworks, or is unlawful.

## **8. Members of Other Committees or Sub-Committees and Officers**

8.1. The appropriate Chief Officers will offer to arrange regular informal meetings with chairs, vice-chairs, and Members of committees and subcommittees.

8.2. Senior officers (including the Monitoring Officer and the Section 151 Officer) have the right to present reports and give advice to committees and sub-committees.

8.3. Members of a committee or sub-committee shall take decisions within the remit of that committee or sub-committee, and will not otherwise instruct Officers to act.

8.4. At some committee or sub-committee meetings, a resolution may be passed which authorises a named Officer to take action between meetings in consultation with the chair. In these circumstances it is the Officer, not the chair, who takes the action and is responsible for it. A chair has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she apply inappropriate pressure on the officer.

## **9. Party Groups and Officers (excluding Political Assistants)**

9.1. Chief Officers may properly be asked to contribute to deliberations of matters concerning Council business by party groups.

9.2. Officers have the right to refuse such requests, and will normally not attend a meeting of a party group where some of those attending are not members of the Council.

9.3. Officer support will not extend beyond providing factual information or professional advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business, and therefore should not be expected to be present at meetings or parts of meetings when such matters are to be discussed.

9.4. Party group meetings are not empowered to make decisions on behalf of the Council, and conclusions reached at such meetings do not rank as formal decisions. The presence of an Officer confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so.

9.5. Where Officers provide factual information and advice to a party group in relation to a matter of Council business, this is not a substitute for providing all the necessary information and advice when the matter in question is formally considered by the relevant part of the Council.

9.6. It must not be assumed that an Officer is supportive of a particular policy or view considered at a party group meeting simply because he/she has attended or provided information to the meeting.

9.7. Officers will respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, will not relay the content of such discussions to another party group or to any other members. This shall not prevent an officer providing feedback to other senior officers on a need-to-know basis.

9.8. In their dealings with party groups, Officers must treat each group in a fair and even-handed manner.

9.9. Members must not do anything which compromises or is likely to compromise Officers' impartiality.

9.10 .The duration of an Officer's attendance at a party group meeting will be at the discretion of the group, but an Officer may leave at any time if he/she feels it is no longer appropriate to be there.

9.11 An Officer accepting an invitation to the meeting of one party group shall not decline an invitation to advise another group about the same matter. He/she must give substantially the same advice to each.

9.12. An Officer who is not a Chief Officer shall not be invited to attend a party group meeting, but a senior officer may nominate another officer to attend on his/her behalf.

9.13. An Officer should be given the opportunity of verifying comments and advice attributed to him/her in any written record of a party group meeting.

9.14. No Member will refer in public or at meetings of the Council to advice or information given by Officers to a party group meeting.

9.15. At party group meetings where some of those present are not Members of the Council, care must be taken not to divulge confidential information relating to Council business. Persons who are not Members are not bound by the Members' Code of Conduct. They do not have the same rights to Council information as members.

9.16. Any particular cases of difficulty or uncertainty in relation to this part of the protocol should be raised with the Monitoring Officer and the relevant party group leader.

## **10. Local Members and Officers**

To enable them to carry out their ward role effectively, Members need to be fully informed about matters affecting their ward. Chief Officers must ensure that all relevant staff are aware of the requirement to keep local members informed, thus allowing members to contribute to the decision-making process and develop their representative role.

10.1. This requirement is particularly important:

- during the formative stages of policy development, where practicable,
- in relation to significant or sensitive operational matters,
- whenever any form of public consultation exercise is undertaken, and
- during a scrutiny investigation.

10.2. Issues may affect a single ward. Where they have a wider impact, a number of local Members will need to be kept informed.

10.3. Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the wards affected should be invited to attend the meeting as a matter of course.

10.4. If a local Member intends to arrange a public meeting on a matter concerning some aspect of the Council's work, he/she should inform the relevant Officer.

Provided the meeting has not been arranged on a party political basis

- an officer may attend but is not obliged to do so, and
- the meeting may be held in Council-owned premises.

10.5. No such meetings should be arranged or held in the immediate run-up to Council elections. (Refer to the Council's Purdah Guidance).

10.6. Whilst support for Members' ward work is legitimate, care should be taken if staff are asked to accompany members to ward surgeries. In such circumstances:

- the surgeries must be open to the general public, and
- officers should not be requested to accompany members to surgeries held in the offices or premises of political parties.

10.7 Officers must never be asked to attend ward or constituency political party meetings.

10.8 It is acknowledged that some Council staff (e.g. those providing dedicated support to Cabinet members) may receive and handle messages for members on topics unrelated to the Council. Whilst these will often concern diary management, care should be taken to avoid Council resources being used for private or party political purposes.

10.9. In seeking to deal with constituents' queries or concerns, Members should not seek to jump the queue but should respect the Council's procedures. Officers have many pressures on their time. They may not be able to carry out the work required by members in the requested timescale, and may need to seek instructions from their managers.

## **11. Members' access to documents and information**

This part of the protocol should be read in conjunction with the Access to Information Rules in the Council's Constitution.

11.1. Members may request Chief Officers to provide them with such information, explanation and advice as they may reasonably need to assist them to discharge their roles as Members. This may range from general information about some aspect of the Council's services to specific information on behalf of a constituent.

Where information is requested on behalf of a third party, it will only be provided if:

- it is in the public domain, and
- it is not barred by the Data Protection Act from being given.

11.2. Every Member of the Cabinet, and Scrutiny Committees and/or any other committee or sub-committee has a right to inspect documents about the business of that Scrutiny Committee, other committee or sub-committee or the Cabinet.

11.3. A Member who is not a member of a specific Scrutiny Committee, other committee or sub-committee, or the Cabinet may have access to any document of that specific part of the Council provided:

- he/she can demonstrate a reasonable need to see the documents in order to carry out his/her roles as a member (the "need to know" principle), and
- the documents do not contain "confidential" or "exempt" information as defined by the law.

11.4. Disputes as to the validity of a Member's request to see a document on a need to know basis will be determined by the Monitoring Officer. Officers should seek his/her advice if in any doubt about the reasonableness of a Member's request.

11.5. A Member should obtain advice from the Monitoring Officer in circumstances where he/she wishes to have access to documents or information:

- where to do so is likely to be in breach of the Data Protection Act, or
- where the subject matter is one in which he/she has a personal or prejudicial interest as defined in the Members' Code of Conduct.

11.6. Information given to a Member must only be used for the purpose for which it was requested.

11.7. It is an accepted convention that a Member of one party group will not have a need to know and therefore a right to inspect a document which forms part of the internal workings of another party group.

11.8. Members and Officers must not disclose information given to them in confidence without the consent of a person authorised to give it, or unless required by law to do so.

11.9. When requested to do so, Officers will keep confidential from other Members advice requested by a Member.

11.10. Members and Officers must not prevent another person from gaining access to information to which that person is entitled by law.

## 12. Media Relations

All formal relations with the media must be conducted in accordance with the Council's agreed procedures and the law on local authority publicity which includes the Code of Recommended Practice on Local Government Publicity (2011)

12.1. Press releases or statements made by officers must promote or give information on Council policy or services. They will be factual and consistent with Council policy. They cannot be used to promote a party group.

12.2. Officers will keep relevant members informed of media interest in the Council's activities, especially regarding strategic or contentious matters.

12.3. Before responding to enquiries from the media, Officers shall ensure they are authorised to do so.

12.4. Likewise, officers will inform the Council's press office of issues likely to be of media interest, since that office is often the media's first point of contact.

12.5. If a Member is contacted by, or contacts, the media on an issue, he/she should:

- indicate in what capacity he/she is speaking (e.g. as ward member, in a personal capacity, as a Cabinet member, on behalf of the Council, or on behalf of a party group);
- be sure of what he/she wants to say or not to say;
- if necessary, and always when he/she would like a press release to be issued, seek assistance from the Council's press office and/or relevant Chief Officer, except in relation to a statement which is party political in nature;
- consider the likely consequences for the Council of his/her statement (e.g. commitment to a particular course of action, image, allegations of jumping to conclusions);
- never give a commitment in relation to matters which may be subject to claims from third parties and/or are likely to be an insurance matter; or in an emergency situation
- consider whether to consult other relevant members; and
- take particular care in what he/she says in the run-up to local or national elections to avoid giving the impression of electioneering, unless he/she has been contacted as an election candidate or political party activist.

12.6 In an emergency or civil contingency, official statements will be issued through the press office after liaising with relevant council leadership, the lead authority responding and relevant partners

- In such a situation the council may also appoint an official spokesperson
- Officers should not comment or speculate about an emergency or civil contingency before speaking to the press office (the press office will have been activated as part of the council's emergency planning process and will have the facts and what is in the public domain)
- Members should not comment or speculate about an emergency or civil contingency before speaking to ?

12.7 During the pre-election period (previously known as 'purdah') members and officers must follow the official publicity guidance issued at the time to ensure a fair election.

## 13. Correspondence

13.1. Correspondence between an individual Member and an Officer should not be copied to another Member unless the author expressly intends and states that this is the case or consents. Where correspondence is copied, this should always be made explicit, there should be no "blind" copies.

13.2. Official letters written on behalf of the Council should normally be in the name of the relevant Officer. It may be appropriate in some circumstances (e.g.

representations to a Government Minister) for letters to appear in the name of an Cabinet member or the chair of a Scrutiny Committee.

13.3. The Mayor may initiate correspondence in his/her own name.

13.4. Letters which create legally enforceable obligations or which give instructions on behalf of the Council should never be sent in the name of a Member.

13.5. When writing in an individual capacity as a ward Member, a Member must make clear that fact.

## **14. Access to premises**

14.1. Officers have the right to enter Council land and premises to carry out their work. Some Officers have the legal power to enter property in the ownership of others.

14.2. Members have a right of access to Council land and premises to fulfil their duties.

14.3. When making visits as individual Members, Members should:

- whenever practicable, notify and make advance arrangements with the appropriate Manager or Officer in charge;
- comply with health and safety, security and other workplace rules;
- not interfere with the services or activities being provided at the time of the visit;
- if outside his/her own ward, notify the ward Member(s) beforehand; and
- take special care at schools and establishments serving vulnerable sections of society to avoid giving any impression of improper or inappropriate behaviour.

## **15. Use of Council Resources**

The Council provides all members with services such as, stationery and computer equipment, to assist them in discharging their roles as members of the Council. These goods and services are paid for from the public purse. They should not be used for private purposes or in connection with party political or campaigning activities.

15.1. Members should ensure they understand and comply with the Council's own rules about the use of such resources, particularly:

- where facilities are provided in members' homes at the Council's expense;
- in relation to any locally-agreed arrangements e.g. payment for private photocopying; and
- regarding ICT security.

15.2. Members should not put pressure on staff to provide resources or support which Officers are not permitted to give. Examples are:

- business which is solely to do with a political party;
- work in connection with a ward or constituency party political meeting;
- electioneering;
- work associated with an event attended by a member in a capacity other than as a member of the Council;
- private personal correspondence;
- work in connection with another body or organisation where a member's involvement is other than as a member of the Council; and
- support to a member in his/her capacity as a councillor of another local authority.

## **16. Interpretation, Complaints and Allegations of Breaches**

The protocol should be read in conjunction the Council's "whistle- blowing" policy and social media guidance.

Members or officers with questions about the implementation or interpretation of any part of this protocol should seek the guidance of the Monitoring Officer.

A member who is unhappy about the actions taken by, or conduct of, an Officer should:

- avoid personal attacks on, or abuse of, the officer at all times,
- ensure that any criticism is well founded and constructive,
- never make a criticism in public, and
- take up the concern with the officer privately.

If direct discussion with the Officer is inappropriate (e.g. because of the seriousness of the concern) or fails to resolve the matter, the Member should raise the issue with the Officer's manager or the relevant senior officer.

A serious breach of this protocol by an Officer may lead to an investigation under the Council's disciplinary procedure.

An Officer who believes a member may have acted other than in accordance with this protocol should raise his/her concern with the Monitoring Officer. He/she will consider how the complaint or allegation should be dealt with. At a minor level, this may be no more than informally referring the matter to the Leader of the relevant party group.

More serious complaints may involve alleged breaches of the members' code of conduct, and may be referred to the Monitoring Officer / Standards Committee.

## 1. Introduction

---

Bury Council is committed to enabling and securing the highest standards of conduct, honesty, propriety and accountability from its staff and from individuals and organisations who conduct business with Bury Council in delivering its services and the management of its resources and assets. This includes making sure that the opportunity for fraud, bribery and corruption is minimised and adopting a 'Zero Tolerance' approach to fraud and corruption. We will take decisive action where these offences are found to have been committed.

The range, nature, and size of Bury Council activities, means there is an ever-present risk of loss due to fraud and corruption from both internal and external sources. By putting in place effective measures to counter the risk of fraud and corruption, Bury Council can reduce losses which undermine standards of service and reduce the resources available for the good of the Bury community.

Bury Council will work collaboratively with government, other local authorities and public bodies, including the Greater Manchester Police and National fraud agencies to minimise the impacts of fraud and corruption on the public purse.

Whilst it is difficult to fully quantify, fraud and corruption has been previously estimated by the National Fraud Authority as costing UK Local Government at least £2.2 billion a year, and more recent figures are quoting fraud as costing £7.8bn. As such, it is vital that Bury Council has a comprehensive strategy in place to guide our Anti-fraud and Corruption culture, prevention, and response. Through its Elected Members and officers, Bury Council works hard to establish a reputation as a responsible guardian of public funds, but we need to be vigilant to ensure that this reputation is safeguarded.

We will endeavour to do our utmost to foster a culture in which fraud and corruption are kept to a minimum, and any attempt to conduct illegal activity, either internally or externally, against Bury Council will be robustly investigated.

Bury Council will seek to ensure this Anti-Fraud Strategy which outlines our corporate stance on tackling fraud, corruption and wrongdoing is widely publicised and that all stakeholders have access to the appropriate policy and procedural guidance and training. The policy will be posted on the Council's website, where it can be accessed by both staff and members of the public. Fraud awareness will be promoted throughout the Council which will be delivered via online training modules, newsletters, and briefings and presentations by representatives of the Fraud, Audit, Insurance and Risk Team, to working groups / team meetings across the Council.

## 2. Aims

---

The aim of this strategy is to raise awareness and educate staff, Councillors and residents about the risk of fraud occurring and the intention is to prevent fraud from occurring and protect the public purse, Bury residents and Bury Council assets and to ensure that fraud and corruption both within and perpetrated against Bury Council are kept to an absolute minimum.

This strategy sets out Bury Council's approach to managing the risk of fraud and corruption and how an anti-fraud and corruption culture is established and promoted. In all instances

where fraud cannot be prevented, we will conduct robust investigations and bring fraudsters to account. By adopting this strategy, we are committing to:

- Develop and maintain a culture within Bury in which fraud and corruption are unacceptable.
- Continually assess and monitor our fraud risks and our internal control framework.
- Continually improve the effectiveness of fraud prevention including the use of technology.
- Share information effectively via data matching exercises and analysis to help prevent and detect instances of fraud and error.
- Confirm the responsibilities of Directors and Officers in managing the risk of fraud and corruption; and
- Demonstrate how Bury Council meets best practice principles under the CIPFA guidance Managing the Risk of Fraud and Corruption in Local Government and Fighting Fraud and Corruption Locally (FFCL) Strategy.

This strategy is underpinned by other related anti-fraud policies and behaviour policies including the Whistleblowing Policy, Anti-Fraud and Corruption Prosecution Policy, Anti-Bribery Policy; Anti-Money Laundering Policy and Employee and Member Codes of Conduct.

The effectiveness of this strategy will be subject to regular review, by the Head of Fraud, Audit, Insurance and Risk, Section 151 Officer, Monitoring Officer, and the Audit Committee. In the case of significant changes, the strategy will be presented for approval to the Audit Committee.

### **3. Scope**

---

This strategy and associated Policies apply to all Bury Council activities and covers all employees, Elected Members and Advisors. It also extends to Consultants, temporary agency staff, external persons working for Bury Council such as contractors, delivery partner staff, and also suppliers, funded bodies and any other external agencies in their business dealings with Bury Council.

### **4. What is Fraud?**

---

#### **4.1. Fraud**

Fraud can be broadly described as acting dishonestly with the intention of making a gain for themselves or another, or inflicting a loss (or a risk of loss) on another, including:

- Dishonestly making a false representation
- Dishonestly failing to disclose to another person, information which they are under a legal duty to disclose
- Committing fraud by abuse of position, including any offence as defined in the Fraud Act 2006

The Fraud Act 2006 can be found here [Fraud Act 2006 \(legislation.gov.uk\)](https://www.legislation.gov.uk/ukpga/2006/35/section/1).

## 4.2. Bribery and Corruption

The Bribery Act 2010 defines bribery as “the inducement for an action which is illegal, unethical or a breach of trust. Inducements can take the form of gifts, loans, fees, rewards or other advantages whether monetary or otherwise”.

Corruption is the abuse of entrusted power for private gain. It affects everyone who depends on the integrity of people in a position of authority.

- Section 7 of the Act created the offence of failure by an organisation to prevent a bribe being paid for or on its behalf. It is possible to provide a defence by implementing adequate procedures to prevent bribery occurring within the organisation. If these cannot be demonstrated and an offence of bribery is committed within the organisation senior officers of the Council can be held accountable.
- A separate anti-bribery and corruption policy is to be prepared and will be made available on the Council website. Target date for this document to be completed, approved and uploaded to the website is end of October 2023.

## 5. Roles & Responsibilities

---

The primary defence against fraud and corruption is the establishment of sound practices and systems that incorporate effective controls, which are subject to regular scrutiny and oversight.

Our staff also play a key role in the prevention and detection of attempts of fraud, corruption, or bribery. We expect and encourage them to be alert to the possibility of acts of fraud, corruption, or bribery and to raise any such concerns at the earliest opportunity.

Staff have a duty to protect Bury Council assets, including information, as well as property. When an employee suspects that there has been fraud or corruption committed against the Council, they must report the matter in line with the Whistleblowing Policy.

Some individuals or groups of individuals have specific responsibilities, as follows:

- Collectively, the Chief Executive, the Executive Team, the Senior Leadership Team, and members of the Senior Managers Forum have responsibility for ensuring that Bury Council has effective measures in place to identify, detect, and deal with matters of a fraudulent nature. The Chief Executive’s Management Team has a responsibility to support and promote an anti-fraud culture.
- The Section 151 Officer and The Head of Fraud, Audit, Insurance and Risk (F.A.I.R) have the responsibility to ensure that proper arrangements are in place to administer the Council’s financial affairs and for the promotion and delivery of the anti-fraud strategy and coordination of key activities.
- Directors of functional areas and Managers contribute to the delivery of the strategy and have a responsibility for ensuring they are aware of the risks of fraud and irregularity, for obtaining assurance that these risks are being appropriately managed in their area and for raising risks or issues with Senior Management and Internal Audit.
- All staff are required to comply with Bury Councils policies and procedures, to be

aware of the possibility of fraud, corruption and theft, to report any genuine concerns to management and to the Head of Fraud, Audit, Insurance and Risk (F.A.I.R), and to ensure that internal controls, within their area of responsibility, for the prevention and detection of fraud, are rigorously observed and applied.

- Whistleblowing arrangements are in place to allow suppliers, contractors, and other stakeholders to report any concerns/suspensions to Internal Audit. These arrangements will provide protection for the complainant, as required, under the Public Interest Disclosure Act 1998 and Bury Council's Whistleblowing Policy. The Whistleblowing Policy is a separate document, approved by Audit Committee in July 2023, and is available on the Council's website.
- Bury Council's Mayor and Elected Member roles and responsibilities in relation to the prevention of fraud and corruption are discharged through the Audit Committee and the Council's Executive Management Team.

## **6. Managing the Risk of Fraud and Corruption**

---

Our strategy incorporates the best practice guidance for combatting fraud in Local Government and is based on the following publications:

- [Fighting Fraud Corruption Locally Strategy 2020 | CIPFA](#)
- [Code of Practice on Managing the Risk of Fraud and Corruption | CIPFA](#)
- [Review into the risks of fraud and corruption in local government procurement | Local Government Association](#)

Bury Council will adhere to the key principles set out in the CIPFA Code of Practice on Managing the Risk of Fraud and Corruption in Local Government (the Code) and Fighting Fraud and Corruption Locally (FFCL) strategy as these represent best practice and compliance with these measures will enable Bury Council to demonstrate effective stewardship of public funds.

The FFCL highlights the following pillars of activity that local authorities should focus its efforts on, to tackle the thread of Fraud.

GOVERN
<i>Having robust arrangements and executive support to ensure anti-fraud, bribery and corruption measures are embedded throughout the organisation.</i>
This strategy seeks to make sure that those who are charged with governance provide the necessary Executive support required to ensure that there are robust arrangements to embed counter fraud, bribery, and corruption measures throughout Bury Council.
Bury Council Priorities for 2023-25
<ul style="list-style-type: none"> <li>• Develop a Counter Fraud Strategy.</li> <li>• Review and update of the Policy Framework specifically Whistleblowing, Anti-Money Laundering and Anti-Bribery and Corruption.</li> <li>• Ensuring staff know how to report concerns and are aware of the Whistleblowing procedures</li> <li>• Conduct an Organisational Fraud Risk Assessment (Based on the CIPFA model).</li> <li>• Develop and embed a Risk Management Strategy</li> </ul>

ACKNOWLEDGE
<i>Accessing and understanding fraud risks</i> <i>Committing to the right support and tackling fraud and corruption</i> <i>Demonstrating that it has a robust anti-fraud response</i> <i>Communicating the risks to those charged with Governance</i>
Bury Council acknowledges that no organisation is free from the risk of fraud, corruption and wrongdoing.

<p>Preventative measures help to make offences more difficult to carry out. Prevention establishes physical, logical, and procedural barriers to discourage fraud and corruption, by implementing proportionate and cost-effective countermeasures to prevent or reduce the identified fraud risk. This includes:</p> <ul style="list-style-type: none"> <li>• Delivery of the Internal Audit Plan, which is informed by the organisations' risk registers, which include fraud risks.</li> <li>• The effectiveness of the system of internal control in preventing and detecting fraud, bribery and corruption is reported upon in Bury Council's Annual Governance Statement.</li> <li>• All Bury Council's core financial systems and processes should be fully documented, the documentation kept up to date.</li> <li>• Effective segregation of duties; a prerequisite of a sound system of control over financial transactions is the separation of duties. effective reporting arrangements and staff are encouraged to raise genuine concerns through the appropriate reporting channels including Whistleblowing.

- Delivering work outlined in the Annual Fraud Plan.
- Publicising Successes – communicating successful outcomes across the organisation to act as a deterrent. Proactively share fraud alerts and scams with staff and details of emerging fraud risks.

## PURSUE

*Prioritising fraud recovery and use of civil sanctions*

*Developing capability and capacity to punish offenders*

*Collaborating across geographical and sectoral boundaries*

*Learning lessons and closing the gaps*

To develop a robust enforcement response to pursue fraudsters and deter others.

It is important in maintaining an anti-fraud culture within the organisation, that all offences are dealt with in a consistent manner and that minor unethical practices are not overlooked (such as petty theft or small scale expenses fraud) or dealt with in a unduly lenient manner.

## Bury Council Priorities for 2023-25

There is a range of measures

- Where there is evidence of fraud or corruption, the matter will be investigated and we may refer the matter to our legal team to consider prosecution. It is recognised that it may not always be in the public interest to refer cases for criminal proceedings. Additionally, disciplinary investigations may also be instigated. These investigations will follow the HR guidance for Disciplinary, capability and grievance procedures which are available to staff on the Council's intranet.
- Where fraud and corruption is proved and a financial loss has been suffered, Bury Council will seek to recover the full value of any loss from the perpetrators. This may involve civil proceedings being instigated through the courts.
- We will make use of legislation, for example the Proceeds of Crime Act 2002, to ensure that funds are recovered where possible by the organisation.
- Bury Council will publicise successful actions it has taken against fraudsters through Press Releases and on Council Intranet and Web pages.
- Conducting Lessons Learned reviews where fraud and error has occurred and where improvements are required to strengthen the control framework and reduce the risk of reoccurrence.

## **7. Monitoring and Review**

---

This strategy is owned and approved by Bury Council's Audit Committee and will be reviewed and approved on an annual basis alongside the annual Internal Audit and Fraud Plans.

The effectiveness of the strategy will be reviewed by the Head of Fraud, Audit, Insurance and Risk and Bury Council's Audit Committee. The review will encompass a review of Anti-fraud arrangements against the key principles set out in the CIPFA Code of Practice on Managing the Risk of Fraud and Corruption in Local Government (the Code) and FFCL strategy as these represent best practice and compliance with these measures will enable Bury Council to demonstrate effective stewardship of public funds.

Progress of fraud related activity will be reported to Audit Committee on a quarterly basis with an annual report presented on the outcome of fraud referrals.

## **1. Scope and Purpose**

---

The fraud and corruption prosecution policy forms part of the Council's overall counter fraud and corruption arrangements. The policy covers all acts, and/or attempted acts, of fraud or corruption committed by officers or members of the Council, or committed by members of the public, or other organisations or their employees, against the Council.

The policy sets out the circumstances in which the Council will take legal action against the perpetrators of fraud or corruption. It also sets out the circumstances when it is appropriate to consider alternative courses of action such as offering a caution.

In addition to prosecution, where employees are alleged to have committed fraud, an internal investigation may also be undertaken following the Council's Disciplinary, Capability and Grievance Procedures which are detailed on the Council's intranet.

This policy should be read in conjunction with the Council's constitution, financial regulations, the anti-fraud strategy, the whistleblowing policy and the Council's disciplinary policy and procedures.

The policy contains specific guidelines for determining the most appropriate course of action when fraud has been identified. Offences other than fraud and corruption (for example those relevant to the enforcement of regulations) are dealt with by the appropriate service departments under other policies and relying on specific legal powers.

## **2. Principles**

---

The Council is committed to deterring fraud and corruption. As part of its overall strategy to do this, the Council will seek to take appropriate action against anyone suspected to have attempted and/or committed a fraudulent or corrupt act against it. The Council considers that those guilty of serious fraud or corruption must take responsibility for their actions before the courts.

The policy is designed to ensure that the Council acts fairly and consistently when determining what action to take against the perpetrators of fraud or corruption.

Where evidence is identified that staff and members may have committed fraud or corruption they may be prosecuted in addition to such other action(s) that the Council may decide to take, including disciplinary proceedings and referral to the relevant officer or professional body. Any decision not to prosecute a member of staff for fraud and corruption does not preclude remedial action being taken by the relevant director(s) in accordance with the Council's disciplinary procedures or other policies.

This Policy is also designed to be consistent with council policies on equalities. The Council will be sensitive to the circumstances of each case and the nature of the crime when considering whether to prosecute or not. This document may be made available in alternative language upon request.

The consistent application of the policy will provide a means for ensuring that those who have perpetrated fraud and corruption are appropriately penalised. It will also act as a meaningful deterrent to those who are contemplating committing fraud or corruption. The Council recognises the deterrent value of good publicity and therefore information regarding successful prosecutions and sanctions will be made public.

Any decision taken by the authorised officers to prosecute an individual or to offer a formal sanction will be recorded in writing. The reason for the decision being taken will also be recorded. For cases which recommend prosecution of an employee, the authorised officers who will make the decision to prosecute are the Monitoring Officer in conjunction with the S151 Officer and the Head of Human Resources. For all other cases, the authorised officers making the decision to prosecute are the Head of Fraud, Audit, Insurance and Risk in conjunction with Head of Legal Services.

Irrespective of the action taken to prosecute the perpetrators of fraud and corruption, the Council will take whatever steps necessary to recover any losses incurred, including taking action in the civil courts.

### 3. Prosecution

---

In the accordance with The Code for Crown Prosecutors<sup>1</sup> this policy is intended to ensure the successful prosecution of offenders in court. However, not every contravention of the law should be considered for prosecution. The Council will weigh the seriousness of the offence (taking into account the harm done or the potential for harm arising from the offence) with other relevant factors, including the financial circumstances of the defendant, mitigating circumstances and other public interest criteria. All cases will be looked at individually and be considered on their own merit.

To consider a case for prosecution the Council must be satisfied that The Code for Crown Prosecutors two tests have been passed. Firstly, there must be sufficient evidence of guilt to secure a conviction. This is called the **evidential test**. Secondly, it must be in the public interest to proceed – the **public interest test**.

#### 3.1. Evidential Test

---

<sup>1</sup> <https://www.cps.gov.uk/publication/code-crown-prosecutors>

To pass the evidential test, authorised officers must be satisfied that there is a realistic prospect of conviction based on the available evidence (that is, there must be sufficient admissible, substantial and reliable evidence to secure a conviction):

### **3.2. Public Interest Test**

To pass the public interest test, the authorised officer will balance, carefully and fairly, the public interest criteria against the seriousness of the offence. The public interest criteria include:

- the likely sentence (if convicted)
- any previous convictions and the conduct of the defendant
- whether there are grounds for believing the offence is likely to be repeated
- the prevalence of the offence in the area
- whether the offence was committed as a result of a genuine mistake or misunderstanding
- any undue delay between the offence taking place and/or being detected and the date of the trial
- the likely effect that a prosecution will have on the defendant
- whether the defendant has put right the loss or harm caused.

It will generally be in the public interest to prosecute if one or more of the following factors applies, subject to any mitigating circumstances:

- the actual or potential loss to the Council was substantial
- the fraud has continued over a long period of time
- the fraud was calculated and deliberate
- the person has previously committed fraud against the Council (even if prosecution did not result) and/or there has been a history of fraudulent activity
- the person was in a position of trust (for example, a member of staff)
- there has been an abuse of position or privilege
- the person has declined the offer of a caution or financial penalty
- the case has involved the use of false identities and/or false or forged documents

Investigating officers and prosecutors will review the appropriateness of pre-charge engagement where prosecution is considered. This is likely to occur where such engagement may lead the defendant to volunteer additional information that may identify new lines of inquiry. Pre-charge engagement may be instigated by the investigating officer, the council prosecutor, the defendant's representative or a defendant themselves (if unrepresented).

## **4. Mitigating Factors**

---

The following mitigating factors will be taken into account when determining whether to prosecute:

#### **4.1. Voluntary Disclosure**

A voluntary disclosure occurs when an offender voluntarily reveals fraud about which the Council is otherwise unaware. If this happens, then the fraud will be investigated but the offender will not be prosecuted unless in exceptional circumstances. However, any person colluding in the crime will still be prosecuted. A disclosure is not voluntary if the:

- admission is not a complete disclosure of the fraud
- admission of the fraud is made only because discovery of the fraud is likely, (for example, the offender knows the Council is already undertaking an investigation in this area and/or other counter fraud activity)
- offender only admits the facts when challenged or questioned
- offender supplies the correct facts when making a claim to Legal Aid

#### **4.2. Ill Health or Disability**

The suspects mental and physical health will be taken into account before any decision is made to prosecute. Evidence from a GP or other doctor will be requested. It is also necessary to prove that the person understood the rules governing the type of fraud committed and was aware that their action is wrong. This may not be possible where, for instance, the offender has serious learning difficulties. However, simple ignorance of the law will not prevent prosecution.

#### **4.3. Social Factors**

A wide range of social factors may make a prosecution undesirable. The test is whether the court will consider the prosecution undesirable and go on to reflect that in the sentence.

#### **4.4. Exceptional Circumstances**

In certain exceptional circumstances the Council may decide not to prosecute an offender. Such circumstances include:

- the inability to complete the investigation within a reasonable period of time
- the prosecution would not be in the interests of the Council
- circumstances beyond the control of the Council make a prosecution unattainable

### **5. Alternatives to Prosecution**

---

If some cases are considered strong enough for prosecution but there are mitigating circumstances which cast a doubt as to whether a prosecution is appropriate then

the Council may consider the offer of a sanction instead. The three sanctions available are:

- a caution, or
- a financial penalty, or
- a civil penalty

### **5.1. Simple Cautions**

A simple caution is a warning given in certain circumstances as an alternative to prosecution, to a person who has committed an offence. All cautions are recorded internally and kept for a period of six years. Where a person offends again in the future, any previous cautions will influence the decision on whether to prosecute or not.

For less serious offences a simple caution will normally be considered where all of the following apply:

- there is sufficient evidence to justify instituting criminal proceedings
- the person has admitted the offence
- there is no significant public interest in prosecution
- it was a first offence
- a financial penalty is not considered to be appropriate.

Only in very exceptional circumstances will a further caution be offered for a second or subsequent offence of the same nature.

Cautions will be administered by the Head of Fraud, Audit, Insurance & Risk, or a Senior Corporate Fraud Officer on behalf of the Council. If a caution is offered but not accepted, the Council will usually consider the case for prosecution. In such cases the court will be informed that the defendant was offered a caution but declined to accept it.

### **5.2. Financial Penalties – Council Tax and Council Tax Reduction Scheme**

The Council Tax Reduction Schemes (Detection of Fraud and Enforcement – England) Regulations 2013, permit a financial penalty to be offered to claimants as an alternative to prosecution. The penalty is set at 50% of the amount of the excess reduction, subject to a minimum of £100 and a maximum of £1000. Once a penalty is accepted, the claimant has 14 days to change their mind.

Subject to the criteria set out in the guidelines below, a financial penalty will normally be offered by the Council in the following circumstances:

- the Council believes that there is sufficient evidence to prosecute
- it was a first offence or a previous offence was dealt with by way of a caution, and
- in the opinion of the Council, the circumstances of the case mean it is not

- overwhelmingly suitable for prosecution, and the claimant has the means to repay both the overpayment and the penalty, and there is a strong likelihood that both the excess reduction and the penalty will be repaid

### **5.3. Civil Penalties for failure to supply information – Council Tax**

Schedule 3 of the Local Government Finance Act 1992 allows Bury Council to impose a penalty of £70 where a person fails to comply with certain requirements as to the supply of information.

A penalty can be imposed on any person who:

- has been requested by the Council to supply information to identify the liable person for Council Tax and has failed to supply this information, or
- has knowingly supplied information, with regard to identifying the liable person, which is inaccurate in a material particular, or
- has failed, without reasonable excuse, to notify the Council that the dwelling will not be, or was no longer an exempt dwelling, or
- has failed, without reasonable excuse, to notify the Council that the chargeable amount is not subject to a discount or is subject to a discount of a lesser amount.

It is important to note that the suspect does not need to have admitted the offence for a financial penalty to be offered. Financial penalties will be administered by the Head of Fraud, Audit, Insurance & Risk, or a Senior Corporate Fraud Officer. If a financial penalty is not accepted or is withdrawn, the Council will usually consider the case for prosecution. In such cases, the court will be informed that the defendant was offered a penalty but declined to accept it.

## **6. Proceeds of Crime Act 2002 (POCA)**

---

In addition to the actions set out in this policy, the Council reserves the right to refer all suitable cases for financial investigation with a view to applying to the courts for restraint and/or confiscation of identified assets. A restraint order will prevent a person from dealing with specific assets. A confiscation order enables the Council to recover its losses from assets which are found to be the proceeds of crime.

## **7. Review**

---

Bury Council will continue to review its rules and procedures and will make sure that the Fraud and Corruption - Prosecution Policy is regularly reviewed to ensure it stays current, appropriate and effective.

## 1. Introduction

---

The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment, it is expected that employees who have concerns about any aspects of the Council's work should come forward and voice those concerns. It is recognised that some cases will have to proceed on a confidential basis.

This Whistleblowing (Confidential Reporting) Policy intends to encourage and enable employees to raise any concerns within the Council – [see Section 4](#).

This policy applies to all employees. For the purpose of this policy only, the term "employees" also includes contractors and suppliers working for or on behalf of the Council, on Council premises or elsewhere.

If you are not a Council employee, you can still contact the Council to report any concerns or disclosures over wrongdoing and these will be treated in the same way. Unlike disclosures made by employees, protection under the Public Interest Disclosure Act 1998 does not extend to disclosures made by members of the public. You can contact us by:

- Our online form - <https://www.bury.gov.uk/my-neighbourhood/fraud>
- Phone – 0161 253 6446
- Email - [whistleblowing@bury.gov.uk](mailto:whistleblowing@bury.gov.uk)

Child safeguarding concerns, for example that a child may have suffered harm, neglect or abuse, can be reported to Children's Safeguarding on 0161 253 5678 or email [childwellbeing@bury.gov.uk](mailto:childwellbeing@bury.gov.uk); or in an emergency contact the Police direct on 101 or 999 in an emergency.

Adult safeguarding concerns can be reported to the Adult Safeguarding on 0161 253 5151 or email [adultcareservices@bury.gov.uk](mailto:adultcareservices@bury.gov.uk); or in an emergency contact the Police direct (101 for non-urgent and 999 for urgent matters).

If you are a School employee, please refer to Appendix 1 of this document, which details arrangements for whistleblowing for School Employees.

The whistleblowing policy is not to be used where other more appropriate reporting procedures are available, either within the Council, or within a school, for example, in relation to any grievance relating to employment matters or to make a general complaint about a service / school.

This document may be made available in alternative language upon request

## 2. Aims and scope

---

This policy aims to:

- encourage employees to feel confident in raising any concerns and to question and act upon concerns about unacceptable behaviour or practice within the Authority
- provide avenues for employees to raise those concerns and receive feedback on any action taken
- ensure that employees receive a response to their concerns and that employees are aware of how to pursue them if they are not satisfied, and
- reassure employees that they will be protected from possible reprisals or victimisation if employees have a reasonable belief that they have made any disclosure in the public interest.

There are existing procedures to lodge a grievance relating to employment matters <http://intranet/index.aspx?articleid=12567>. The Whistleblowing (Confidential Reporting) Policy is intended to cover all concerns that fall outside the scope of other policies/procedures. It may cover concerns such as:

- Conduct which is an offence or a breach of the law
- Disclosures related to miscarriages of justice
- Damage to the environment
- Unauthorised or inappropriate use of public funds
- Fraud, corruption and bribery
- Health and safety risks, including risks to the public as well as other employees
- Abuse/harassment of a service recipient or council employee
- Vulnerable adult or child safeguarding concerns, for example harm, neglect or abuse
- Modern Slavery, and
- Unethical conduct

Any concerns that employees have about any aspect of service provision or the conduct of officers or Members of the Council or others acting on behalf of the Council can also be reported under the Whistleblowing (Confidential Reporting) Policy within [Section 4](#). This may be about something that:

- is against the Council's Constitution and policies, or
- falls below established standards of practice, or
- amounts to improper conduct.

## 3. Our assurances to you

---

### 3.1. Your Safety

3.1.1. The Council are committed to this policy. If you raise a genuine concern under this policy, you will not be at risk of losing your job or suffering any form of action against you as a result. Not only is the Council committed to this, but

you also have legal protection under the Public Interest Disclosure Act 1998. Providing you are acting in good faith, it does not matter if you are mistaken. Of course, we do not extend this assurance to someone who maliciously raises a matter they know is untrue. If you make an allegation, frivolously or for personal gain, disciplinary action may be taken against you.

### **3.2. Your Confidence**

3.2.1. We will not tolerate the harassment or victimisation of anyone raising a genuine concern. Disciplinary action may be taken against those who victimise a person reporting a concern.

3.2.2. We hope that you will feel able to raise concerns openly as this will make it much easier to resolve any issues. We also know that others may well try to deduce the source of any complaint. However, we recognise that you may nonetheless want to raise a concern in confidence under this policy. If you ask us to protect your identity by keeping your confidence, we will not normally disclose it without your consent. If the situation arises where we are not able to resolve the concern without revealing your identity (for instance because your evidence is needed in court or you are at risk of harm) we will discuss with you whether and how we can proceed. Despite your request for confidentiality, there may be circumstances therefore, where the Council must disclose your identity. For example, if safeguarding concerns are identified.

### **3.3. Anonymous complaints**

3.3.1. If you do not tell us who you are, we will still consider anonymous reports, however it will be much more difficult for us to look into the matter, to protect your position or to give you feedback.

## **4. How to raise a concern**

---

As a first step, employees should normally raise concerns with their immediate manager or their supervisor. This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice. For example, if employees believe that management is involved, or if they need advice and guidance on how to pursue matters, they should approach:

- Head of Fraud, Audit, Insurance & Risk – 0161 253 5085
- Executive Director of Finance – 0161 253 7858
- Director of Law and Democratic Services – 0161 253 5592
- Director of People and Inclusion – 0161 253 5880
- Chief Executive – 0161 253 5002

Alternately, you can contact the Whistleblowing Hotline:

- Online form - <https://www.bury.gov.uk/my-neighbourhood/fraud>
- By phone – 0161 253 6446
- By email - [whistleblowing@bury.gov.uk](mailto:whistleblowing@bury.gov.uk)
- In writing – by marking your correspondence as private and confidential and addressing to the appropriate Officer to: Town Hall, Knowsley Street,

Bury, BL9 0SW

Concerns to the Council may be raised online, verbally or in writing/email. Employees who wish to put their complaints in writing/email should do so using the following format:

- the background, reasons and history of the concerns
- who is involved e.g. names of Officer(s), Company/Contractor name(s), name of Councillor(s) etc
- any relevant dates or times
- any witnesses
- any evidence (which can be included within the letter or attached to an email)
- if anyone else has been informed, along with their name and any other relevant information
- any additional information you wish to provide e.g. vehicle registration numbers, descriptions etc
- Information about yourself (you do not have to provide this information if you wish to remain anonymous, but a telephone number will be helpful so that we can obtain any further details that we may need, to help with the investigation):
  - Your name
  - Preferred contact number (so that we can obtain further information from you if needed)
  - Preferred time of contact (if you have provided us with a telephone number)
  - Email address

The earlier employees express their concerns, the easier it is to take action. It is important to provide **all** information and evidence from the outset in order for officers to undertake a thorough and timely investigation. You should not try to investigate your concerns before / after reporting them as a whistleblowing concern.

Although employees are not expected to prove the truth of allegations, they will need to demonstrate to the person contacted that there are reasonable grounds for their concerns.

If employees are unwilling to refer the matter of concern to one of the internal sources above, then section 6 contains details of how concerns can be reported elsewhere.

Employees may invite their trade union or professional association representative or workplace colleague to be present during any meetings or interviews in connection with the concerns they have raised.

## **5. How the Council will respond and handle the matter**

---

Once you have told us of your concern, we will look into it to assess initially what action should be taken. This may involve an internal inquiry or a more formal investigation.

A team of officers will usually be established to investigate the allegations. The team will include as a minimum, to maintain independence, a member of the Fraud, Audit, Insurance and Risk Team and, to ensure someone with knowledge of the service / legislation around the service, an appropriate representative from the service against which the allegation has been made. A HR contact for the duration of the investigation will also be nominated to assist and support the team where required.

In the event that allegations are made against a member of the FAIR Team, the Head of HR and the Monitoring Officer will appoint an investigation team.

The Investigation Team will follow the guidance for conducting effective investigations which is available to Bury Council employees via the intranet (Disciplinary, capability and grievance procedures).

At the conclusion of the investigation a report will be written, (see template at Appendix 2). The report will be shared with the Director of People and Inclusion, and the Executive Director of the department responsible for implementing recommendations. The report will also be shared with the Council's Monitoring Officer, Executive Director of Finance, and Chief Executive. The report will also be submitted to Audit Committee Members for their information .

While the purpose of this policy is to enable us to investigate possible malpractice and take appropriate steps to deal with it, we will give you as much feedback as appropriate. As a minimum, we will let you know when the enquiries have been completed.

Within ten working days of a concern being received, the Head of Fraud, Audit, Insurance & Risk or another designated officer will write to the complainant in those instances where the complainant has provided contact details:

- acknowledging that the concern has been received
- indicating how it is proposed to deal with the matter
- giving an estimate of how long it will take to provide a final response
- indicating whether any initial enquiries have been made
- supplying information on staff support mechanisms, and
- indicating whether further investigations will take place and, if not, why not.

The amount of contact between the investigating officers considering the issues and the relevant employee making the whistleblowing disclosure will depend on the nature of the circumstances. If necessary, further information will be sought from the relevant employee.

Meetings can be arranged at a mutually convenient location, and away from the workplace if required.

## **6. How matters of concern can be taken further**

---

This policy is intended to provide employees with an avenue to raise concerns within the Authority. However, if employees are reluctant to raise their concern through

internal channels, or if they feel that matters of concern previously reported have not been dealt with satisfactorily, then the following are possible contacts if they wish to take matters further:

- Local Councillors – details of how to contact and surgery hours are on the Council's website [www.bury.gov.uk](http://www.bury.gov.uk)
- Mazars - the Council's external auditors. They are completely independent from the Council and can be contacted on 0161 238 9200 or by writing to them at 1 St. Peter's Square, Manchester, M2 3DE
- Relevant professional bodies or other government organisations
- Solicitors
- Greater Manchester Police – telephone number 101
- Protect – this is a whistleblowing charity, which provides free and strictly confidential advice and legal help to anyone concerned about a malpractice which threatens the public interest. They operate a helpline on 020 3117 2520 or can be e-mailed at [whistle@protect-advice.org.uk](mailto:whistle@protect-advice.org.uk). More information is on their website at [www.protect-advice.org.uk](http://www.protect-advice.org.uk).

If employees take matters outside the Authority, it will be necessary to ensure that they do not disclose confidential or legally privileged information. As such, it is advisable that employees take appropriate advice before proceeding.

## **7. How we will protect your data**

---

The Freedom of Information Act 2000 gives a general right of access to all types of recorded information held by Public Authorities. As such the Council often receives requests for information under the Freedom Of Information Act.

The Council has a legal obligation to provide the information unless it falls under one of the exemptions of the Act.

The Freedom of Information Act contains exemptions which may be applicable to permit the withholding of information identifying the whistleblower, including:

- Section 40 Personal Data
- Section 41 Information which, if disclosed, would give rise to an actionable breach of confidence.

Many people making a disclosure to the Council will wish to protect their identity and the Council will always seek to protect the identity of individuals during the course of progressing an investigation. If the Council receives a request for information identifying a whistleblower, the Council will contact the whistleblower to seek their views beforehand and will, wherever possible, seek to comply with those views.

The principle of maintaining confidentiality should also be applied to the identity of any individual who may be the subject of a disclosure.

The Council will ensure that our handling of concerns meets the requirement of the General Data Protection Regulations and Data Protection Act 2018 and the Freedom of Information Act 2000.

## **8. How we will monitor complaints**

---

Internal Audit will maintain a central record of all whistleblowing referrals made under this policy and monitor the outcome of these cases. All records will be held securely and confidentially.

As such, details of any allegation should be reported to Internal Audit by the receiving manager on receipt. Internal Audit will log and allocate each case a reference number whether or not Internal Audit are involved in the investigation work. The outcome of the investigation should be notified to Internal Audit by the Investigating Officer.

The records held by Internal Audit will be used to analyse the impact and effectiveness of the arrangements in place in statistical terms. The detailed case records form part of the process of reporting back to Members on the effectiveness and outcomes of the Policy and form the record of actions taken in the case of any matters raised under the Public Interest Disclosure Act. The information will be referred to for monitoring purposes and periodic assurance reports provided to the Audit Committee by the Head of Fraud, Audit, Insurance and Risk as part of this process.

The Chief Executive has overall responsibility for the maintenance and operation of this policy and monitoring the effectiveness of the Council's Whistleblowing Policy (Confidential Reporting) and Process. The Standards Committee has an overview of this policy.

## **9. Training and awareness**

---

Chief Officers and Heads of Service are responsible for ensuring that their employees are aware of the whistleblowing policy and process and that any training needs are addressed which may arise from the application of the policy. Raising awareness of the Council's Whistleblowing Policy should form part of the induction training for all employees and should be addressed as refresher training for all employees.

Employees have a responsibility to ensure that they are aware of and understand the Council's policy in relation to Whistleblowing.

## **10. Review**

---

Bury Council will continue to review its rules and procedures and will make sure that the Whistleblowing (Confidential Reporting) Policy is regularly reviewed to ensure it stays current, appropriate and effective.

**Guidance for employees of Schools**

Schools maintained by the Council. Such as Community Schools, Special Schools, Voluntary Controlled or maintained nursery school and pupil referral units.

If you are an employee of a School maintained by the Council, such as a community school, special school, voluntary controlled or maintained nursery school and pupil referral units, where the Council is the legal employer, you should report your concerns in accordance with the Schools' own whistleblowing policy. However, if you are reporting a fraud, this must be reported to the Council. This can be done either by using the details of Bury Council whistleblowing policy or by using the form at <https://www.bury.gov.uk/my-neighbourhood/fraud>

If you are an employee of a school (as previously detailed), and you have a concern that you feel you cannot raise / discuss with the management of the school, or have good reason to believe your complaint or disclosure will not be properly handled, then you may report your concern directly to Bury Council or prescribed regulator using the Council's whistleblowing reporting procedures as detailed in this policy.

Safeguarding concerns - if the concern raised relates to a child protection issue, these should be reported to the Local Authority Designated Officer (LADO) and in line with the specific guidelines outlined in the school's safeguarding policy.

The whistleblowing policy is not to be used where other more appropriate reporting procedures are available within school, for example, in relation to any grievance relating to employment matters or to make a general complaint in relation to the school.

Employees who wish to raise concerns over practices in other schools should report these directly to the Council.

The Council expects these schools to respond to a disclosure or allegation in the same way as the Council would respond. The Headteacher or Chair of Governors would be expected to seek advice as necessary from the Council.

Internal Audit can offer advice and support to schools on the approach to be taken to investigate whistleblowing allegations to ensure concerns are properly addressed.

The action taken by schools in response to allegations made will depend on the nature and seriousness of the concern. Where appropriate, the matters raised may be:

- investigated by school management, or Council's Internal Audit Service;
- referred to the Police;
- referred to the External Auditor;

- subject of an independent enquiry.

For monitoring purposes the Headteacher or Chair of Governors must report at the earliest opportunity the details of all whistleblowing allegations or suspicions of fraud, theft or corruption made within school. These must be reported to the Council's Head of Fraud, Audit, Insurance and Risk. Internal Audit will monitor the outcome of all cases, including action taken to reduce the risk of reoccurrence.

#### Foundation and Voluntary Aided Schools.

This policy does not extend to staff employed in these schools as in these schools the governing body is the employer and not the Council. It is therefore the governing body who must decide how employees and workers may make a qualifying disclosure under PIDA or raise an allegation of wrongdoing.

The Council's ability to legally investigate disclosures of serious wrongdoing in foundation and voluntary aided schools is reduced unless the allegations relate to safeguarding matters, Special Educational Needs and/or financial mismanagement concerns. The Council should be notified of details of all concerns reported in relation to these matters.

As such each school should have their own whistleblowing policy and arrangements for reporting, logging and investigating concerns.

#### Academy Schools, Sixth Form Colleges and Free Schools

These institutions should adopt their own whistleblowing policy and procedures as the Council has no legal power to investigate, except for those concerns relating to safeguarding issues and Special Educational Needs.

If the Council receives any disclosures relating to these institutions, we will acknowledge these and seek to advise whistleblowers on an appropriate course of action on matters raised. If the disclosure relates to serious wrongdoing in respect of safeguarding issues involving Children or vulnerable adults the Council has a legal obligation to investigate and will do so irrespective of the status of the school.

In relation to schools that fall outside the scope of the Council's whistleblowing policy, Bury Council does have a process whereby any individual who has concerns of wrongdoing can contact the Council at the same time as making a whistleblowing allegation to the school. Bury Council may not be able to deal with the complaint as a whistleblowing under its own policy as this will have to be done by the school but logging this with Bury Council will enable us to monitor the progress and where possible deal with the concerns having regard to any legal obligations or duty of care in relation to the school

The Council will work with the Regional School Commissioner and Department for Education to review any matter referred to them in relation to Schools in Bury.

Employees who have major concerns about other schools or about other Council services can report these matters to Bury Council as a member of the public.

## **ANTI-BRIBERY POLICY**

### **What is bribery?**

Bribery is an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage.

### **Bribery could be through:**

- The giving, promising to give or offering payment, gift or hospitality in the hope of gaining a business advantage.
- Accepting a payment from a third party when you know or suspect that it is offered with the expectation of business advantage.

Anyone receiving, or providing, gifts and hospitality, or having a business or personal interest beyond their main role within the Council, needs to consider whether their actions leave themselves and/or the Council vulnerable to allegations of bribery. Procurement, recruitment, key decision-making, and contract management are all areas of vulnerability.

### **Council's statement**

Bribery is a criminal offence. The Council does not pay or accept bribes or offer or accept improper inducements.

The Council is committed to the prevention and detection of bribery and aims to maintain arrangements to ensure compliance.

### **The Council is committed to:**

- encouraging vigilance
- ensuring there are suitable channels for Members, employees and the general public to report concerns.
- taking appropriate action when a concern comes to light.

The Act sets out the offences that relate to the behaviour of an individual.

- Bribery of another person (section 1)
- Accepting a bribe (section 2)
- Bribing a foreign official (section 6)

The Act also sets out the corporate responsibility by the offence of failing to prevent bribery (section 7). The organisation will have a defence to this corporate offence if it can demonstrate that it had adequate procedures in place to prevent bribery.

### What are the penalties?

For an individual who commits an offence under this act the maximum penalties are:

- Conviction in a magistrates' court – imprisonment term of 12 months and a fine of £5,000
- Conviction in a crown court – imprisonment term of 10 years and an unlimited fine

If the Council was found to have committed the offence under section 7 there is an unlimited fine.

Employees who are found to have breached this policy may also be subject to disciplinary action.

### Who in the Council is covered by this policy?

This policy covers all personnel.

This includes all levels and grades of employees, employed on a permanent or temporary basis, working in all areas of the Council's business. It also includes contractors, volunteers and consultants. For ease of reference when this policy refers to "employees" it relates to all of the above. The policy is also relevant to Members.

The Council will share this policy with schools to ensure that they are aware of the policy and are able to introduce their own policy which should be complied with.

The Council will also seek to promote this policy with partners and suppliers and will expect them to bring it to the attention of their staff when they are working for the Council and for large partner organisations and suppliers to have similar policies in place.

### Employee responsibilities

All employees are required to:

- act with honesty and integrity at all times
- avoid activity that breaches this policy
- read and understand this policy
- raise concerns if they believe/suspect a conflict with this policy has occurred, or is likely to occur in the future

### Corporate responsibilities

There is a corporate responsibility to ensure that the policy and procedures in place are appropriate.

### Proportionality

The policy and procedures have been developed based on the nature of the risk that the Council faces. In order to determine this the level and nature of the risk has been assessed.

## Top level commitment

The lead officer is the Director of Law and Democratic Services (The Monitoring Officer). The Corporate Management Team is committed to upholding the highest standards of probity and integrity. The policy is presented to Audit Committee and formally approved by Council for inclusion within the Constitution.

## Due diligence

The Council applies due diligence procedures taking a proportionate and risk based approach.

## Communication/training

This policy is published to all employees, and on the Council's website, thereby demonstrating the top level commitment.

## Monitoring/review

The number and nature of incidents reported will be recorded and reported annually to Audit Committee. Detailed reports of any investigations undertaken will also be provided to Audit Committee along with any lessons learned.

The policy will be subject to annual review.

## Raising a concern

Employees and Members have a responsibility to raise any concern that bribery may be taking place within the organisation.

Employees and Members can raise their concerns by following the guidance in the Whistleblowing policy.

Any subsequent investigations will be undertaken in line with the process detailed in the Whistleblowing policy.

## Reporting mechanism

The Director of Law and Democratic Services has overall responsibility for this policy and will report annually to Audit Committee.

Any investigated incidents will be reported to the Audit Committee.

This policy should be read in conjunction with:

- Financial Regulations
- Contract Procedure Rules
- Members code of conduct
- Employee code of conduct
- Whistleblowing policy

# **Anti-Money Laundering Policy**

## **1.0 Introduction**

Bury Council ("The Council") is committed to the highest standards of openness, probity and accountability and has put in place appropriate and proportionate anti-money laundering safeguards and reporting arrangements.

The aim of this policy is to set out the procedures which must be followed where money laundering is suspected within the Council.

## **2.0 Definition of Money Laundering**

Money laundering is the illegal process of making large amounts of money, generated by criminal activity, appear to have come from a legitimate source.

The Proceeds of Crime Act (POCA) 2002 makes it an offence to; -

- conceal, disguise, convert, transfer or remove criminal property from the UK and/or
- enter into or become concerned in an arrangement which you know or suspect facilitates the acquisition, retention, use or control of \*criminal property by or on behalf of another person and/or
- acquire, use or have possession of criminal property

These primary offences carry a maximum penalty of 14 years' imprisonment and/or an unlimited fine.

## **3.0 Scope of the Policy**

This policy applies to all Council employees, whether permanent or temporary, and Members of the Council. Its aim is to enable Council employees and Members to respond to a concern which may arise within the course of their Council duties. Any concern, relating to a matter outside the Council, should be referred directly to the Police.

## **4.0 Council obligations**

Whilst Local Authorities are not directly covered by the requirements of the Money Laundering Regulations, there is the risk of reputational and/or financial loss. Guidance from the Chartered Institute of Public Finance and Accountancy (CIPFA) suggests that public service organisations should comply with the underlying spirit of the legislation and regulations and as such the Council is committed to ensuring compliance as follows:

- To appoint a money laundering reporting officer ("MLRO") to whom any suspicions of money laundering activity can be reported
- Implement a procedure to enable the reporting of suspicions of money laundering
- Maintain client identification procedures in certain circumstances

- Maintain record keeping procedures

## **5.0 The Money Laundering Reporting Officer (MLRO)**

This is the Head of Fraud Audit, Insurance and Risk who has the ability to act upon reported cases. The deputy MLRO role is undertaken by both Senior Auditors within the Fraud, Audit, Insurance and Risk Team.

## **6.0 Reporting Procedure for Suspicions of Money Laundering**

Where money laundering activity is suspected of taking/has taken place, this must be disclosed as soon as practicable to the MLRO using the disclosure report, attached at Appendix 1 to this policy.

The disclosure report must include as much detail as possible including; -

- Full details of the people involved
- Full details of the nature of their/your involvement.
- The types of money laundering activity involved
- The dates of such activities
- Whether the transactions have happened, are ongoing or are imminent
- Where they took place
- How they were undertaken
- The (likely) amount of money/assets involved
- The reasons for the suspicions.
- Any other available information to enable the MLRO to make a sound judgment as to whether there are reasonable grounds for knowledge or suspicion of money laundering and to enable a report to the National Crime Agency (NCA), where appropriate, to be prepared.

Copies of any relevant supporting documentation must also be provided to the MLRO.

Once the matter has been reported to the MLRO all subsequent directions from the MLRO must be followed, no further enquiries into the matter should be made as any necessary investigation will be undertaken by the National Crime Agency (NCA)

All Council employees will be required to co-operate with the MLRO and any other bodies, as directed, during any subsequent money laundering investigation.

At no time and under no circumstances should suspicions be voiced to the person(s) suspected of money laundering, or reference made on any client file without the specific consent of the MLRO. Alerting an individual to the fact that a referral has been made or making reference to this on a client file, which the client may subsequently exercise their right to see, could result in the Council employee committing an offence known as “tipping off”, for which they could be prosecuted.

The MLRO will keep the appropriate records in a confidential manner.

## **7.0 Consideration of the disclosure by the Money Laundering Reporting Officer**

Upon receipt of a suspicion of a money laundering transaction the MLRO or nominated representative will update the money laundering incident log and undertake appropriate investigations to determine whether a report to the National Crime Agency (NCA) is required.

Once the MLRO has evaluated the allegation and any other relevant information, they will make a timely determination as to whether; -

- there is actual or suspected money laundering taking place; **or**
- there are reasonable grounds to know or suspect that is the case; **and**

- whether they need to seek consent (in liaison with the Section 151 Officer from the NCA for a particular transaction to proceed.

Where the MLRO concludes that there are no reasonable grounds to suspect money laundering then they will update the money laundering incident log and give consent for any ongoing or imminent transaction(s) to proceed.

All suspicions referred to the MLRO and reports made by them to the NCA will be retained by the MLRO in a confidential file kept for that purpose, for a minimum of five years.

If a money laundering allegation involves a member of staff who is subsequently prosecuted then Human Resources will be informed so it can be considered under the disciplinary procedure.

## Part 5: Section 5 - Monitoring officer protocol

**The Monitoring Officer is a statutory appointment under Section 5 of the Local Government and Housing Act 1989. This Protocol provides some general information on how those statutory requirements will be discharged at Bury Council.**

The current responsibilities of the Monitoring Officer role rest with the Council Solicitor (Director of Law and Governance) who undertakes to discharge his/her statutory responsibilities with a positive determination and in a manner that enhances the overall reputation of the Council. In doing so he/she will also safeguard, so far as is possible, Members and Officers whilst acting in their official capacities, from legal difficulties and/or criminal sanctions. The Monitoring Officer has a broad role in ensuring the lawfulness and fairness of corporate decision making, ensuring compliance with Codes and Protocols, promoting good governance and high ethical standards.

The main functions of the Monitoring Officer at Bury Council are:

- a) To report to the Council and to the Cabinet in any case where he/she is of the opinion that any proposal or decision of the authority has given rise to or is likely to or would give rise to any illegality, maladministration or breach of statutory code under Sections 5 and 5A of the Local Government and Housing Act 1989; (LGHA 89)
- b) To investigate any matter which he/she has reason to believe may constitute, or where he/she has received an allegation that a matter may constitute, a reportable incident under Sections 5 and 5A of the LGHA 89;
- c) To act as the principal adviser to the authority's Standards Committee;
- d) To maintain the register of members' interests;
- e) To act as the Proper Officer for the preparation, publication and retention of records of decisions taken by or on behalf of the Council and the Executive;
- f) To have responsibility for responding to complaints to the Local Government Ombudsman
- g) To undertake, with others, investigations in accordance with the Council's Whistleblowing procedures

In general terms, the Monitoring Officer's ability to discharge these duties and responsibilities will depend, on Members and Officers; complying with the law (including any relevant Codes of Conduct) complying with any General Guidance issued making lawful and proportionate decisions; and complying with the Council's Constitution and standing orders; generally, not taking action that would bring the Council, their offices or professions into disrepute. It is essential that Members and Officers communicate effectively with the Monitoring Officer and seek advice when required on any issues relating to constitutional or ethical matters.

## Working arrangements

Having excellent working relations with Members and officers will assist in the discharge of the statutory responsibilities by the Monitoring Officer. Equally, a speedy flow of relevant information and access to debate (particularly at the early stages of any decision-making by the Council) will assist in fulfilling those responsibilities. Members and officers must, therefore, work with the Monitoring Officer (and his/her staff) to discharge the Council's statutory and discretionary responsibilities. The following arrangements and understandings between the Monitoring Officer, Members and Chief Officers are designed to ensure the effective discharge of the Council's business and functions.

The Monitoring Officer will:
<p><b>Resources:</b></p> <p>(a) report to the Council, as necessary on the staff, accommodation and resources s/he requires to discharge his/her statutory functions,</p> <p>(b) have sufficient resources to enable him/her to address any matters concerning his/her Monitoring Officer functions;</p> <p>(c) have control of a budget sufficient to enable him/her to seek Counsel's opinion on any matter concerning his/her functions.</p> <p>d) appoint a deputy and keep him/her briefed on any relevant issues that he/she may be required to deal with in the absence of the Monitoring Officer. The Deputy will only act in the absence of the Monitoring Officer if urgent action is required which cannot await the return of the Monitoring Officer.</p>
<p><b>Access to information/meetings:</b></p> <p>a) be alerted by Members and officers to any issue(s) that may become of concern to the authority, including, in particular issues around legal powers to do something or not, ethical standards, probity, propriety, procedural or other constitutional issues that are likely to (or do) arise:</p>

(b) have advance notice, (including receiving agendas, minutes, reports and related papers) of all relevant meetings of the authority (including meetings at which officer delegated decisions are taken) at which a binding decision may be made (including a failure to take a decision where one should have been taken);

(c) have the right to attend (including the right to be heard) any meeting of the authority (including meetings at which officer delegated decisions are taken) before any binding decision is taken (including a failure to take a decision where one should have been taken).

(d) be a member of the Executive Management Team and will have advance notice of those meetings, agenda and reports and the right to attend and speak.

(e) in carrying out any investigation(s), have unqualified access to any information held by the Council and to any officer who can assist in the discharge of his/her functions.

#### **Relationships:**

a) ensure the other Statutory Officers (Head of Paid Service and the Section 151 Officer) are kept up-to-date with relevant information regarding any legal, ethical standards, probity, propriety, procedural or other constitutional issues that are likely to (or do) arise;

b) meet regularly with the Head of Paid Service and the Section 151 Officer to consider and recommend action in connection with Corporate Governance issues and other matters of concern regarding any legal, ethical standards, probity, propriety, procedural or other constitutional issues that are likely to (or do) arise;

report to the Council, annually, on the Constitution and any necessary or desirable changes following consultation, in particular, with the Leader, the Head of Paid Service and Section 151 Officer;

c) in accordance with statutory requirements, make a report to the Council, as necessary on the staff, accommodation and resources he/she requires to discharge his statutory functions;

d) have an appropriate relationship with the Leader, Deputy Leader, Opposition Group Leaders and the Chairs of, Full Council, Standards Committee and Scrutiny Committees with a view to ensuring the effective and efficient discharge of Council business;

e) develop effective working liaison and relationship with the District Auditor and the Local Government Ombudsman (including having the authority, on behalf of the Council, to complain to them, refer any breaches to them or give and receive any relevant

information, whether confidential or otherwise, through appropriate protocols, if necessary) and settle any compensation payments for alleged or actual maladministration found against the Council in consultation with the Chief Executive and the appropriate Head of Service;

f) maintain and keep up-to-date relevant statutory registers for the declaration of members' interests, gifts and hospitality;

#### **Standards and Governance Matters:**

a) promote and maintain high standards of conduct under the Localism Act 2011 and the Council's adopted procedures for all matters relating to the Code of Conduct; which will include giving informal advice and undertaking relevant enquiries into allegations of misconduct and, if appropriate, making a written report to the Standards Committee (unless the Chair of the Standards Committee agrees a report is not necessary);

b) in consultation, as necessary, with the Leader of the Council, Cabinet and the Standards Committee defer the making of a formal report under Section 5 Local Government and Housing Act 1989 where another investigative body is involved;

c) subject to the approval of the Standards Committee, be responsible for preparing any training programme for members on ethical standards, the Constitution and Code of Conduct issues;

d) advise on all applications from Council employees (or prospective employees) for exemption from political restriction in respect of their posts and where appropriate sign the certificate of opinion required by the independent adjudicator provide information in response to a contact from a member of the public about an elected member(s) provided that it would not compromise the Monitoring Officer should a formal complaint be made subsequently by the member of the public.

f) Complaints about any breach of Bury Council's Code of Conduct for Members must be referred in the first instance to the Monitoring Officer, who will make determinations in consultation with the Independent Person. In exceptional circumstances, the Monitoring Officer will refer a complaint for assessment by the Standards Assessment Sub-Committee

g) The Monitoring Officer will provide an annual report to the Council's Standards Committee on Member Complaints.

To ensure the effective and efficient discharge of the arrangements set out above, Members and officers will report any breaches of statutory duty procedures and other vires or constitutional concerns to the Monitoring Officer, as soon as practicable

The Monitoring Officer retains the right in all cases to make a statutory report where, after consultation with the Chief Executive and the Section 151 Officer, he/she is of the opinion that this is necessary in order to respond properly to a reportable incident. In addition, in appropriate cases, the Monitoring Officer may refer matters to the Police for investigation.

### **Monitoring the Protocol Annually**

The Monitoring Officer will report to the Standards Committee regarding whether the arrangements set out in the Protocol have been complied with and will include any proposals for amendments in the light of any issues that have arisen during the year.

### **Sanctions for Breach of Protocol**

Complaints of a breach of this Protocol by an Officer will be referred to the relevant Strategic Director and/or the Chief Executive for appropriate action to be considered, including disciplinary investigation if appropriate.

## Part 5: Section 6- Public Participation Guide

---

**A healthy democracy depends upon active citizenship. Citizens are encouraged to make conscientious use of their roles as both voters and members of a wider community, and this guide gives an overview of the ways in which you can do that.**

- Attending meetings

We encourage the public to attend all meetings of the Council and its committees, that are held in person or remotely in some circumstances. Members of the public may use social media to report on proceedings at meetings as long as this does not disrupt proceedings, or unless the press and public are excluded for that part of the meeting or there is good reason not to do so.

As a matter of courtesy, anyone wishing to film proceedings is asked to advise the Chair or the Democratic Services Officer clerking the meeting so that those present are aware.

Details of what meetings are coming up are published on the Council's website.

<https://councildecisions.bury.gov.uk>

Meetings of the Full Council and Cabinet are live-streamed and details of how to view meetings on-line are available on the Council's website.

<https://councilstream.com/burycouncil>

The agenda and papers are normally published on our website at least five working days in advance of the meeting. Draft minutes of the meeting are also published on the website as soon as possible after the meeting.

- Why are some meetings private?

On some occasions an agenda item includes information which may be personal to an individual, which would compromise the commercial position of the Council or another individual or organisation or which there are other particular legal or employment reasons for asking the public to leave the meeting for discussion of that item. When this is the case, we will explain the reasons why and, as far as is legally possible, will afterwards provide a public summary of the decision taken.

- Asking questions at meetings of the Council

*Which meetings can the public ask questions at?*

Questions can be asked at public meetings of:

- The Full Council
- Cabinet
- Health and Wellbeing board
- Licensing and Safety Committee
- Scrutiny Committees
- Locality Board Bury Bee Local Network Forum

A period of up to 30 minutes, will be allocated for questions and supplementary questions. This period may be varied at the discretion of the Chair.

*Who can ask questions?*

Questions can be put by anyone living, working or studying in Bury.

*What notice is required for questions?*

A question must be delivered by email ([democraticservices@bury.gov.uk](mailto:democraticservices@bury.gov.uk)) by no later than Midday two working days before the date of the meeting. Each question must provide the name and residential/business address of the questioner (although only the name and town will be published).

*How many questions can be asked?*

A member of the public may ask one\* question at any public meeting of the Council as listed above. (\*=See below for supplementary questions)

*What is the scope for questions?*

Questions should relate to the function of the committee where they are being asked. A question at the full Council can be addressed to any Chair or Cabinet Member and must relate either to something that the Council is responsible for or that affects the Borough.

We will not consider any question that is:-

In multiple parts

Not about a matter for which the Council has responsibility for or which affects Bury,

- Is defamatory, offensive or frivolous,
- Substantially the same as one submitted in the previous six months which has been put at a meeting of the Council\*,
- Requires the disclosure of confidential or exempt information
- From a Council employee and is related to their employment,
- Relates to a Planning or Licencing Application or appeal against a committee decision.
- Is submitted by a publicly declared candidate for election during the pre-election period.

*What happens at the meeting?*

Time is made available early on the agenda for any accepted questions to be dealt with. Copies of any questions and available answers will be published on the Council's website before the start of the meeting, and will be made available to members of the public who attend the meeting.

You will be asked to confirm your attendance at the meeting to present your question.

If you are not able to attend the meeting the question will not be dealt with at the meeting and a written response will be provided.

A questioner who has put a question in person can also ask one supplementary question, without notice, in response to the reply to their question. A supplementary question must arise directly out of the original question or the reply given. The chair can reject a supplementary question on any of the grounds detailed in the section above. The Chair will invite the questioner to put a supplementary question to the Councillor named in the notice.

*What form will the reply take?*

The answer may be either a direct oral answer, a referral to an existing publication, or if the question requests service information a referral to an officer to respond in writing. If the reply cannot conveniently be given orally, if the questioner or the member to whom the question is put is absent, or the time allowed for public questions has expired, a written answer will normally be provided within ten working days.

There cannot be any discussion on questions but any matters raised by a question can be referred to the relevant Cabinet member or the appropriate committee to considered.

## Consultation and Engagement

Consultation is a conversation that leads to a decision where the views of a community should be taken into account. Decision makers must ensure they have taken into account all views and information before reaching a decision in particular around statutory purposes.

‘Engagement’ is a term that is frequently used within local government and relates to the dialogue the council and its partners have with its residents and communities.

Effective engagement needs a tailored method which builds on our relationships with residents and other stakeholders across our partnerships. As we know from the work through our Neighbourhood Teams, our communities all work differently and will prefer to engage with us using different methods. Sometimes it may be appropriate just to inform our residents and communities about local issues or challenges the public sector faces through routine communication channels, while at other times we will seek to consult and involve residents and communities in much greater depth for both local and statutory reasons.

Bury’s LET’s Do It! Approach sets out the commitment to inclusive dialogue with communities to shape and priorities, This includes at a neighbourhood level through the work of Public Service Leadership Teams, community Partners & Communities Together [PACT] meetings, including the attendance of Council and partner agencies at community settings, meetings and network. Similarly, this takes place from thematic perspectives, for example through Circles of Influence which engages young people in the Borough and participation opportunities in place-shaping of regeneration schemes.

In general engagement with residents and other key stakeholders does not end with a decision being taken; there may often continue to be a need for ongoing engagement to ensure policy decisions are effectively implemented.

Consultation is used to give local people a voice in our decision making and an opportunity to influence. It also provides the Council with an opportunity to listen and learn from local people before decisions and priorities are set. For the Council in addition there are legal implications if a consultation is not run for something that is deemed statutory. In general consultation is a good thing to do to encourage residents participation, understand resident satisfaction and shape activities around residents needs.

The Council utilise a Consultation Checklist to support officers when undertaking consultations. This provides guidance around statutory requirements and best practice methodology.

The Council encourages as many people as possible to give their views on decisions which affect them through appropriate consultation. Details of live consultations and how to get involved are available on the Council website at <https://www.bury.gov.uk/council-and-democracy/consultations> . You can also find information about past consultations there.

## Communications and marketing

We want everyone in Bury to feel informed, involved and able to have their say. We have an overarching communications strategy that sets out this aim as well as our principles, channels (or methods) of communications and clear objectives to create the right conversations to help us achieve priorities. This section is intended to give a short overview of the parts of the communications strategy that identify our channels and how anyone in the borough should be able to use them to help them participate in, and contribute to, our shared success for the borough. Our communications are guided by the principles of being clear, accurate, timely, accessible and, where possible, two-way. That means we use a mix of channels so you can choose what works best for you:

- **Council website** – the main hub for news, service updates, meeting agendas and consultation details.
- **Social media** – follow us on Facebook, Instagram, LinkedIn and X for updates, videos and opportunities to find out about our work, comment and share your views.
- **Local media** – we work with newspapers, radio and TV to keep you informed about decisions and events.
- **Community networks** – including faith forums, ward councillors, and local groups where we share information and listen to feedback.
- **Email and direct mail** – sign up to our newsletters and get important updates straight to your inbox or home.
- **Face-to-face engagement** – from public meetings and consultations to community events and focus groups.
- **Out-of-home advertising** – messages on billboards, bus stops and other public spaces to reach people across the borough.
- **Video and storytelling** – short videos and case studies showing how council decisions make a difference in real lives.

We aim to make every interaction simple, inclusive and meaningful, so you can help shape the future of Bury.

Our approach to communication is always evolving. The channels we use today may change as technology and audience preferences shift, so this section gives a high-level overview rather than listing every platform. Social media platforms, for example, are constantly changing in effectiveness and some even cease to exist, and we will adapt to ensure we continue to reach people in the best way possible.

These channels are often intended to echo, amplify and signpost people to the other

methods of participation identified in this guidance. We may promote our formal public meetings and committees, run campaigns to promote voter registration and remind people of upcoming elections, and we may explain consultations in simple ways to draw people to respond in full.

However, it is important to remember that, where some of these corporate communications methods provide a good place to provide us with insight and views to continuously improve our services, channels such as social media are not a substitute for, example, voting in elections or submitting a formal response to a consultation.

- Petitions

We welcome petitions from those who live or work in Bury and recognise that petitions are one way in which people can let us know their concerns or the strength of public feeling.

*What is the scope for petitions?*

Petitions must relate to a matter over which the Council has powers or duties and may be rejected if they: contain language or statements which are defamatory, frivolous, vexatious, discriminatory, false, or otherwise offensive; disclose confidential or exempt information; name individuals, or provides information where they may be easily identified, e.g. individual officers of public bodies; make criminal accusations; contain advertising statements; refer to an issue which is currently the subject of a formal Council complaint, Local Government Ombudsman complaint or any legal proceedings; or relate to a matter where there are other statutory processes in place for dealing with these matters (such as planning or licensing application matters or statutory petitions for a referendum.

*How can a petition be submitted?*

Petitions need to be submitted online and an online facility for running a petition is provided on the Council's website. There is no standard format for a petition but it must include:

- a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish us to take;
- the name and address and signature of any person supporting the petition, which must be not fewer than 50 people; (the Council will use its discretion where there are fewer than 50 signatories in cases where there is clear local support for action)
- contact details, including an address, for the petition organiser who will

be the person we will contact to explain how we will respond.

*What happens once a petition has been submitted?*

All petitions sent or presented to the Council will receive an acknowledgement within 10 working days of receipt explaining how we will respond. ~~Re~~

Details of all petitions received, and of our response, will be published on the website. The contact details of the petition organiser or signatories to a petition will not be placed on the website.

If your petition has been signed by a certain number of people who are registered to vote in the Borough (currently 2500) then you may request that the petition is scheduled for submission at the next ordinary meeting of the full Council. If that is the case the petition organiser will have up to 5 minutes to briefly present the petition at the meeting.

- What do Councillors and officers do?

*What Councillors do*

Councillors are directly elected to represent the people and therefore have to consider not just the interests of their ward, but those throughout the whole Borough.

Your Councillors are responsible for making sure that the services that the council provides meet the needs of residents and those who work in Bury. They do this by setting the overall policies and strategies for the Council monitoring the way in which these are implemented. Councillors have a complex role and act in a number of capacities: as committee member, constituency representative and party activist.

The full Council of 51 members is responsible for agreeing the main policies and priorities for all services, including the Council's budget. The Cabinet have responsibility for all decisions which the law, or the Council, does not require to be taken by others and agrees policies and actions to implement the budget and policies set by full Council. Councillors who are Cabinet portfolio holders have more specialised roles in agreeing particular policies, representing the Council while at the same time working with other agencies to tackle issues such as improving overall health and wellbeing, social care and safeguarding, education, housing, transport, and promoting economic growth within the Borough.

### *What Council officers do*

Council officers are the people who work for the Council and who are paid to deliver the services agreed by Councillors.

Officers help Councillors to develop policies and objectives through providing professional expertise and advice but they must remain impartial and serve the Council as a whole. Their main role is to provide the public with the highest possible standards of service within the budget that the Councillors set and in accordance with the priorities agreed by the Councillors.

### *What can my Councillor do for me?*

Your Councillor can:

- be contacted to discuss your problem or ideas to improve the ward or borough
- help you if you need information or are dissatisfied with a Council service by advising or directing you to someone who can help sort out your problem, and can sometimes progress the case on your behalf
- as a community leader, put forward proposals to improve the ward they represent which may include bringing together different community groups to develop a case for change
- campaign on local issues
- represent your community within the Council and to other organisations
- speak at Planning Control and Licensing and Safety Committees on matters affecting the ward they represent
- ask questions or put forward views on your behalf at public meetings of the Council
- present petitions on your behalf
- get an issue (either within the remit of the Council or on a matter affecting the borough) debated at the full Council by submitting a motion.

### **Decisions**

#### *How do I know what decisions are being taken about matters that affect me or where I live?*

We provide on our website (Forward Plan) summary information about future significant decisions to be taken by the Cabinet, together with contact details so that you can find out more information or provide your views. You can also contact your ward member and ask them to put forward your views on your behalf.

Planning or licensing applications which have been submitted are also published on the Council's website so that those who may be affected are able to make comments on the proposal.

The agendas and minutes of meetings are published on the website, and where a decision has been taken by a Cabinet member or officer, the decision report and notice of the decision are published on the website.

*Are all decisions recorded and published?*

Many are, but there are lots of day to day decisions which are not published. The Council has decided that officer decisions with a financial value of less than £100,000 will not be published unless there is a legal requirement to do so. This is because the number of such decisions would make it impractical to publish.

*Why is some information kept confidential?*

We aim to publish information unless there is good reason not to. Sometimes a decision takes into account information which may be personal to an individual, or which would compromise the commercial position of the council or another individual or organisation. There may be particular legal or employment reasons for not making the information public. When this is the case we will explain why the information cannot be made public, and will periodically review whether those reasons remain valid. If they do not we will then release the information.

*How long is information about decisions kept?*

Generally, the law requires information to be available for public inspection for six years from the date of the decision.

*How do I find out about decisions taken by partnerships?*

Bury Council works with a wide range of partners to achieve shared objectives in an efficient and effective way. We keep a register of strategic partnerships on our website which includes information about where decisions taken by those partners is recorded and how you can find out more about them.

*What if I can't find the information I am looking for?*

The Freedom of Information Act 2000 gives you a general right of access to all types of recorded information that we hold. More information about how to make a request, and about your other legal rights to information, can be found at:  
Access to information

[Freedom of Information request - Bury Council](#)

## Other ways of getting involved

### *Planning*

Information about planning applications submitted is available on the Council's website and public notices are displayed in the area affected. You may submit comments on a planning application which will be considered by the decision-maker. If the application raises unusual or sensitive planning issues you can ask your ward member to request that the application is considered by the Planning and Control Committee rather than a single officer.

If you have provided comments on a particular planning application which is considered by the Planning and Control committee you will be asked whether you wish to register to speak at the committee to present your views. Three minutes is generally set aside for public speaking in objection/support to an application and registration is on a first come first served basis.

### *Scrutiny reviews*

You may request that a matter or concern be considered for inclusion in the future work programme of a scrutiny committee. The committees cannot include every suggestion but prioritise items taking into account: the significance and impact of the issue; the ability of scrutiny input to add value; the need to avoid any duplication; the timeliness of scrutiny involvement and the resources available to undertake the work.

The committee may invite members of the public to submit their views or evidence to inform its work; when they do this the call for evidence will be publicised.

### *Vote*

Elections for Bury Council take place on a four year cycle. For year one, two and three elections are held for a third of the Council, with no elections scheduled to be held on the fourth year of the cycle, as well as national elections and GM Mayoral elections. Your vote in all these elections and any other referendums that take place is important, but in order to vote you must be on the electoral register. Information about how to register is available on the Council's website.

### *Volunteer*

We provide a wide variety of services to people in Bury, particularly to those who are vulnerable and have complex needs. As more pressure is placed on our budget, and on the budgets of partner organisations, different ways of delivering these services are being developed. Individuals and communities are doing more to help each other and themselves. If you are interested in

volunteering or have an idea for your community you would like to develop more information is available at Volunteering.

### *Youth Parliament*

Bury Council values the voice of young people and supports participation through the UK Youth Parliament and local youth engagement initiatives.

- What is the Youth Parliament?  
The UK Youth Parliament gives young people aged 11–18 the opportunity to influence decisions and campaign on issues that matter to them. Members of Youth Parliament (MYPs) are elected locally and represent the views of young people in their area.
- How can young people get involved?
  - Stand for election as an MYP when opportunities arise.
  - Take part in consultations and campaigns led by Youth Parliament.
  - Attend Youth Parliament sessions and events, which may include debates on local and national issues.
- How does Bury Council work with Youth Parliament?
  - We invite Youth Parliament representatives to attend relevant Council meetings and contribute to discussions on issues affecting young people.
  - We consult Youth Parliament on policies and strategies that impact young residents.
  - We promote Youth Parliament activities through our communication channels to encourage wider participation.

For more information on Youth Parliament and how to get involved, visit UK Youth Parliament or contact Bury Council's Democratic Services team at [democraticservices@bury.gov.uk](mailto:democraticservices@bury.gov.uk).

## Section 7 - Probity in planning code of conduct

---

### 1. Purpose of the code

1.1 The purpose of this Code of Conduct is to regulate the performance of the Council's planning function principally as it applies to applications for planning permission, but also to the other areas within the terms of reference of the Committee pertaining to development management (viz enforcement, UDP, listed buildings, conservation areas, tree preservation orders, planning obligations, advertisement control, building regulations).

The Code has the following objectives:

- to guide Members and Officers in dealing with Planning related matters.
- to inform potential developers, and members of the public generally, of the standards adopted by the Local Planning Authority in the performance of its Planning function.

1.2 This Code of Conduct is intended to be supplementary to the Code of Conduct for Councillors, Independent and other voting representatives adopted by the Council on the 10<sup>th</sup> April 2002 in accordance with the provisions of the Local Government Act 2000.

1.3 The purpose of this Code is to provide more detailed guidance on the standards to be applied in relation to Planning related issues.

1.4 The Code seeks to ensure that decision-making is governed by an open and transparent process. The Code does not seek to extend or alter the requirements of legislation or planning policies or guidance; it stands as a statement of intended practice as to conduct. The Code supports and follows the nine principles which underline the Council's Code of Conduct. These are:

- **1.4.1 Selflessness:** Members and co-opted members should serve only the public interest and should never improperly confer an advantage or disadvantage on each other or any person.
- **1.4.2 Honesty and integrity:** Members and co-opted members should not place themselves in official situations where their honesty and integrity may be questioned. They should not behave improperly and should on all occasions avoid the appearance of such behaviour.
- **1.4.3 Objectivity:** Members and co-opted members should make decisions on merit including making appointments, awarding contracts or recommending individuals for rewards or benefits.
- **1.4.4 Accountability:** Members and co-opted members should be accountable to the public for their actions and the manner in which they carry out their responsibilities and should co-operate fully and honestly with any scrutiny appropriate to their particular office.
- **1.4.5 Openness:** Members and co-opted members should be as open as possible about their actions and those of their authority and should be

prepared to give reasons for those actions.

- **1.4.6 Respect for others:** Members and co-opted members should promote equality by not discriminating unlawfully against any person and by treating people with respect regardless of their race, age, religion, gender, sexual orientation or disability. Members should also respect the impartiality and integrity of the Authority's statutory officers and its other employees.
- **1.4.7 Duty to uphold the law:** Members and co-opted members should uphold the law and on all occasions act in accordance with the trust that the public is entitled to place in them.
- **1.4.8 Stewardship:** Members and co-opted members should do whatever they are able to do to ensure that their Authority has used its resources prudently and in accordance with the law.
- **1.4.9 Leadership:** Members and co-opted members should promote and support these principles by leadership and by example and should always act in a way that secures or preserves public confidence.

1.5 The Town and Country Planning Act 1990 requires Members of Local Planning Authorities to determine all planning applications in accordance with the approved statutory development plan (in Bury's case, the Places for Everyone Joint Development Plan – PfE – and the Unitary Development Plan) unless material considerations indicate otherwise. Material Considerations in this context relates to land use planning matters on which Members will receive specific advice in the report to Committee. This responsibility for deciding must be performed without undue influence or personal interest.

1.6 Members of Local Planning Authorities also have a duty to take into account any representations made to the Council as a result of consultation with interested bodies, including Local Area Partnerships, or as a result of public notices or neighbour notification. In doing so it is necessary to decide which representations are material to the decision to be made, and if so, what weight to attach to them. This conclusion should not be reached until all the facts have been presented in the Assistant Director (Strategy, Planning & Regulation)/Business, Growth & Infrastructure report considered at the Planning Control Committee.

1.7 It is essential that Members of the Planning Control Committee do not give any commitment in relation to any planning matter prior to its consideration at the Committee meeting.

1.8 Members should clearly disclose their Membership to outside groups or social media groups where there is a stated aim or clear disposition to applications or proposals that would conflict with the neutrality or open mindedness that is required to carry out the functions and duties of the Planning Control Committee. This may require Members to not take part in the committee meeting or not be a Member of the Planning Control Committee itself.

1.9 However, it is recognised, that Members will from time to time be approached individually by developers and objectors in relation to planning proposals. This Code is intended to assist Members in dealing with these situations and is designed to maintain the integrity and fairness of the decision-making process.

1.10 During Planning Control Committee meetings, using mobile phones can be construed as receiving or sending influencing messages during a debate. As such, the use of mobile phones (other than in an emergency) should be avoided unless the device is being used to view the agenda and reports

## **2. The general role and conduct of Councillors and Officers**

2.1 Members and Officers have separate and distinct, but complementary roles in dealing with planning matters. In general, it is the role of Members to make decisions and for Officers to ensure that the Planning Control Committee Members are advised as to relevant material planning considerations.

2.2 In making decisions about planning matters, Members are required to balance all the material considerations which apply in each case. These considerations will include but will not be dependent upon the views expressed by local residents. Applicants must have their proposals judged in the light of all relevant matters including planning policies.

2.3 Both Councillors and Officers are guided by Codes of Conduct.

2.4 The Council's Code of Conduct provides guidance and standards for Councillors and is contained in the Council's Constitution.

2.5 Officers who are Chartered Town Planners are guided by the Royal Town Planning Institute's (RTPI) Code of Professional Conduct. Officers must always act impartially. In order to ensure that Senior Officers do so the Local Government and Housing Act 1989 restricts the political activities of senior officers. It also enables restrictions to be set on outside activities, such as membership of political parties and serving on another Council. Councils should carefully consider when officers are required to be subject to such restrictions and review this regularly.

All relationships of a private or business nature that planning officers may have with applicants applying for planning permission should be disclosed to the Planning and Regulation.

In addition, under the Employees Code of Conduct, all officers should declare any interests and have them recorded in the Council's Register of Officers Interests kept by their Department. Should you have any query in relation to this, the Democratic Services team can provide help and support.

## **3. Compiling the Unitary Development Plan**

3.1 The Unitary Development Plan (UDP) is vital to the development control process because it sets the criteria by which planning applications are endorsed. Therefore great care is needed to ensure that any procedures in respect of the development plan are robust and transparent.

3.2 The arrangement for reviewing the UDP must be agreed by the Executive and

set out details of any working groups etc. that will be adopted to help the project.

3.3 Any representations received from current (or ex) officers and members should be copied to the Monitoring Officer by the Assistant Director (Strategic Planning and Regulation). This will ensure an objective evaluation of the comments before they are included in any formal reports for Members.

3.4 Finally, Members and officers must remember the requirements for disclosing interests and hospitality if working groups etc. are set up as set out in Section 4 of this Code.

#### **4. Declaration and registration of interests**

4.1 The Local Government Act 2000 requires any Councillor who has a prejudicial interest in any matter, including a planning application to declare the interest and withdraw from any meeting during the consideration and determination of that matter. It is the duty of each Member to declare an interest and also to advise the Monitoring Officer of any new interest which will be added to the Register of Members interests.

4.2 The Code of Conduct sets down Councillors' responsibilities in declaring personal interests and when they can speak and vote on a matter, including the determination of planning applications.

4.3 A prejudicial interest is one which a member of the public with knowledge of its relevant facts would reasonably regard as so significant that it is likely to prejudice the members judgement of the public interest.

4.4 Any interest including a personal interest would include any relationship a Councillor or his/her family or close friends may have, for example as an employee or as a member of a club or voluntary organisation. A relationship to someone acting as an advisor or providing services to an organisation would also constitute an interest which should be declared. Membership of pressure groups, or expressions of view for or against an application before it went to Committee, would also be 'interests' in this context. Where the interest is personal but not prejudicial, a Member should declare the interest but can stay and take part and vote in the meeting.

4.5 The Code of Conduct states that a member with a prejudicial interest in a matter must:

- (a) Withdraw from a meeting unless a dispensation has been granted.
- (b) Not exercise functions in relation to that matter.
- (c) Not seek improperly to influence a decision about the matter (NOTE: the Code of Conduct sets out exceptions to this)

#### **5. Hospitality**

5.1 During the course of carrying out their duties, Councillors and Officers may be offered hospitality from people with an interest in a planning proposal.

5.2 If possible such offers of hospitality should be politely refused. If it is felt necessary to accept hospitality the Members should comply with the Code of Conduct whereby a member must within 28 days of receiving any gift or hospitality over the value of £25.00 provide written notification to the Monitoring Officer of the existence and nature of that gift or hospitality. Another option could be to contact the Mayoral Office and see if the gift could be donated to one of the Mayoral charities.

5.3 The Registers will be reviewed by the Monitoring Officer at regular intervals. For further details Members and Officers should contact the Democratic Services team [democratic.services@bury.gov.uk](mailto:democratic.services@bury.gov.uk)

## **6. Lobbying of and by Councillors**

6.1 The integrity of the decision-making process must not be impaired, either in reality or in perception through the lobbying of Members of the Planning Control Committee. It is important that any approaches by lobbyists are recorded and that any representations made to Members of the Planning Control Committee form part of the public information leading to any decision. This applies equally to submissions made by or on behalf of applicants for planning permission and to other interested parties objecting to or concerned about proposals.

6.2 It is quite common for applicants or other interested parties to wish to discuss a proposed development with Elected Members before a planning application is determined. However, unless care is exercised by all parties it can undermine impartiality and call into question the integrity of Councillors. Therefore to ensure that lobbying is seen in a positive way:-

- (a) Members of the Planning Control Committee should take care about expressing an opinion which may be taken as indicating that they have already made up their mind on the issue before they have been exposed to all the evidence and arguments at the relevant meeting of the Planning Control Committee.
- (b) Members of the Planning Control Committee should restrict themselves to giving procedural advice and suggest to those who are lobbying that they should speak or write to the relevant officer, in order that their opinions can be included in the officer's report to the Committee.
- (c) Any political group meetings prior to the Planning Control Committee will not be used to decide how Councillors should vote.
- (d) Councillors on the Planning Control Committee should not organise support for, or opposition to, a planning application, and avoid lobbying other Councillors.
- (e) Members of the Council should not put pressure on officers for a particular recommendation.
- (f) All documents received by Councillors from applicants or objectors must be notified to the Assistant Director (Strategic Planning and Regulation).
- (g) Councillors who are not Members of the Planning Control Committee must not lobby Members of the Planning Control Committee. This is particularly significant given the likelihood of being approached by residents and constituents seeking support for or against applications. Any views may be

expressed by Members at the Planning Control Committee (see Paragraph 7) but no attempt should be made to make contact with Members of the Committee before the meeting. In addition, Councillors who are not members of the Planning Control Committee may express an opinion but must do so to the Assistant Director (Localities)/Resource and Regulation in writing. They can also suggest how constituents can support or oppose an application (Appendix 2).

- (h) Councillors who are unsure whether an interest should be declared should seek the advice of the Council's Monitoring Officer although, as indicated in Section 4, the decision ultimately rests with the Councillor.

6.3 In addition to the above the circulation of unofficial papers (i.e. those not previously considered by Officers) is prohibited at Committee Meetings. Planning applications must be determined on the basis of the documents and information formally submitted and on which interested parties have had the opportunity to comment.

6.4 Only submissions from applicants, agents or objectors, which are formally received by Strategic Planning and Regulation can properly be taken into account when making a decision. Also the last day for the submission of objections to a scheme will be the midday of the Friday prior to the Planning Control Committee meeting. If the meeting day is changed from a Tuesday the same timescales would be adhered to.

## **7. Ward Councillors**

Ward Councillors may speak on applications affecting their Ward (This could include a neighbouring ward(s) outside the application area which can be impacted) at meetings of the Planning Control Committee and subject to the Chair's discretion.

## **8. Disclosure of information**

The large increases in land value that are generated by planning permission means that site development can sometimes involve an element of speculation. Any unofficial indication that planning permission is likely to be granted can lead to significant outlay by developers.

Unofficial disclosure of information can lead to accusations of bias from others because information has been divulged to a developer. This could lead to complaints by the Developer if the information revealed is incorrect.

It is therefore essential that information is not disclosed by officers or members prior to the determination of the application.

### **8.1 Development proposals submitted by Councillors and Officers and the Council's own development**

8.2 Planning applications submitted by Councillors and officers and their close friends

and relatives, can easily give rise to suspicions of impropriety, as can proposals for the Council's own development even though it is perfectly legitimate for such proposals to be submitted. Proposals can take the form of either planning applications or development plan proposals. However, it is vital to ensure that they are handled in a way which gives no grounds for accusations of bias.

8.3 The following should apply:

- Serving Councillors who act as agents for people pursuing a planning matter within their Authority should play no part in the decision-making process for that proposal. Similarly, should they submit their own proposal to the Authority they serve, they should take no part in its processing.
- The Council's Monitoring Officer should be informed of such proposals.
- Proposals should be reported to the Planning Control Committee as main items and not dealt with by officers under delegated powers.
- Proposals for a Council's own development should be treated in the same way as those by private developers in accordance the national Planning policy Framework and the National Planning Practice Guidance.

## 9. Pre-application discussions

9.1 Discussions between a potential applicant for planning permission and the Council prior to the submission of an application can be of considerable benefit to both parties and is generally encouraged as assisting the planning process. However, it would be easy for such discussions to become, or be seen to become, part of a lobbying process.

9.2 In order to avoid such problems, pre-application discussions should take place within the following guidelines:

- It will be made clear at the outset that discussions will not bind a Council to making a particular decision and that only personal and provisional views based upon the development plan can be given.
- A written note of the discussion will be taken and placed on file. A note should also be taken of similarly potentially contentious telephone discussions.
- Advice should be consistent and based upon the development plan and material considerations with no significant difference of interpretation of planning policies between planning officers.
- All meetings with applicants will be arranged by officers who will ensure that the Council's guidance is followed.
- For high profile or contentious meetings not involving Members, more than one officer should attend.
- Wherever possible meetings should be held in the Council Offices rather than in the developer's premises
- A follow-up letter re-emphasising the non-binding nature of discussions should be sent for major or contentious applications.
- Once a planning application has been lodged and before it has been determined by the Council, any meetings between Members of the Planning Committee and the applicant are prohibited.

9.3 To maintain impartiality, it is preferable for Members not to take part in pre-

application discussions. However, should there be occasions where Members are involved, they should always be advised by the appropriate officers and the discussions recorded in the officer's file. If Members do give their initial reaction, they should qualify it by indicating that they will only be in a position to take a final decision (Only when they have a fair and open mind) once the Planning Control Committee has sat.

#### **10. Views of consultees**

The Assistant Director (Strategy, Planning & Regulation)/Business, Growth & Infrastructure must ensure that:

- All requests for comments from consultees should be logged with the responses.
- Responses from individuals should also be logged.
- Consultees' comments and objections are set out in reports submitted to the Committee.

#### **11. Officer reports to the Planning Control Committee**

11.1 Members are required to arrive at a decision on granting or refusing permission by using planning criteria and by excluding non-planning considerations. This expectation leaves no opportunity to abstain from the voting process.

11.2 To this end, the reports of officers to Members must be accurate and cover all relevant points.

11.3 Members are equally expected to give appropriate time to read reports thoroughly before arriving at the meeting and can seek clarification prior to the meeting. A final briefing will take place prior to the main committee meeting where clarifications can also be sought.

11.4 These reports should:

- (a) contain a section on the relevance of the development plan, a description of the site and any related planning history and all other identified material considerations
- (b) cover, amongst other things, the substance of any objections received and the views of people who have been consulted or notified
- (c) incorporate a written recommendation for Members' consideration. Oral reporting (except to update a report) should be extremely rare and carefully minuted where it does occur
- (d) should contain a technical appraisal which clearly justifies the recommendation
- (e) if the report's recommendation is contrary to the provisions of the development plan, the material considerations which justify this must be clearly stated.
- (f) outline any related planning obligations offered by or discussed with the applicant.

## **12. Public speaking at Committee**

12.1 As part of the Council's initiative to encourage more involvement in its work, the Planning Control Committee has a policy of listening to views about planning proposals and has produced the "Planning for Bury Have Your Say" guidance which explains public speaking at Committee.

12.2 Members of the public are invited to attend and take part by speaking, explaining their concerns, either for or against, a proposal, or simply listening to the Committee debate. People should ideally register their intention to speak with Democratic Services prior to the committee meeting taking place. Otherwise, addressing the Committee should be at the Chair's discretion.

12.3 Each item is introduced by the Chair who then invites comments from the public. The standard practice should be that one person is allowed to speak for, and one person against, a proposal. If more people are interested they will be asked to agree who the single spokesperson should be; exceptionally more than one person may be able to speak at the discretion of the Chair, the Chair should say at the end of each presentation that another speaker for or against is permissible only where items have not been covered by the earlier speaker. (NB. Ward Councillors not on the Committee may speak on applications affecting their Ward at meetings of the Planning Control Committee for no more than three minutes and may attend site visits) but should not address any Members of the Planning Control Committee.

12.4

Each speaker should aim to speak for a maximum of three minutes so that it is fair for all parties involved. The Chair has the right to stop a speaker after their time limit has been exhausted.

## **13. Decisions contrary to Officer Recommendations and/or the Development Plan**

13.1 The Town and Country Planning Act 1990 requires that where the development plan is relevant decisions should be taken in accordance with it, unless material considerations indicate otherwise (Section 54A).

13.2 Applications which the Committee intend to approve as departures from the Unitary Development Plan will have been advertised, will be identified in the officer's report to the Committee and where necessary will be the subject of referral to the Secretary of State for the Environment, Transport and the Regions.

13.3 Where the Committee makes a decision contrary to the officer's recommendation (whether for approval or refusal), a detailed minute of the Committee's reasons will be made and copy placed on the application file. The officer should also be given the opportunity to explain the implications of the contrary decision.

13.4 Members may also wish to consider referring the application back to the Assistant Director (Strategy, Planning & Regulation)/Business, Growth & Infrastructure for further information or advice.

#### **14. Committee Site Visits**

14.1 Site visits can be useful to identify features of a proposal which may be difficult to convey in a written report or via the use of photographs/drawings, but site visits can cause delay and additional costs and should only be used where the expected benefit is substantial. A valid reason needs to be noted if an application is deferred for a site visit at the Planning Committee meeting.

14.2 Site visits should:

- be used sparingly and where the expected benefit could be substantial -this does not mean there should be no site visits (but they should meet the criteria in this paragraph 16.2);
- be made only for planning reasons;
- focus on factors exclusively relevant to the application and subsequent planning decision;
- not be an opportunity for further engagement of the applicant or members of the public; i.e. it should not be an opportunity for lobbying, public address, debate, submission of new information and hearing representation from members of the public or the applicant (this being a matter for when Committee formally sits);
- not be used an opportunity to defer consideration or determination of an application;
- should involve the whole Committee, though it is obviously realised this may not always be possible;
- always involve officer representation;
- be carefully conducted in order that there can be no accusation of bias, re-determination or other impropriety against Members of the Committee;
- be monitored in terms of costs and impact on planning decisions;
- be led by the Chairman and with advice from appropriate officers and the said officers should be present at all times during the arranged visit.

14.3 It is important to remember that site visits are 'visits' and not meetings with applicants and other members of the public. Site visits are an opportunity for Members of the PCC to see the site and have the proposal explained by the appropriate planning officer(s), with an opportunity to ask questions of the officer about the proposal. The site visit is not an opportunity to engage directly with members of the public, Ward Councillors not on the Planning Control Committee, the applicant or any consultees, landowners, supporters or objectors to a planning application.

14.4 A protocol for the site visits is attached at Appendix 1.

#### **15. Regular review of decisions**

15.1 At least on an annual basis, arrangements will be made for Members of the Planning Control Committee to visit a sample of implemented planning permissions in order to assess the quality of the decisions. This is usually conducted at training sessions Members undertake with outcomes of site visits and includes examples from a broad range of categories such as major and minor development, permitted departures, upheld appeals, listed building works and enforcement cases.

15.2 The Planning Control Committee should formally consider this review and decide whether it gives rise to the need to review any existing policies or practices.

## **16. Complaints and record keeping**

16.1 The Council has an approved Complaints Procedure which will be followed in relation to public complaints about the handling of planning applications and planning matters generally.

Details of the Complaints Procedure and copies of complaint forms are available online or from the Main Council Reception, Town Hall, Knowsley Street.

## **17. Sanctions**

17.1 The purpose of this Code is to provide guidance to Members, and Members of the Planning Control Committee in particular, in relation to the performance of a Council's planning function. The application of and adherence to the Code is intended to build public confidence in the Council's planning system and to produce a strong platform for planning decision making. The Code does not remove the responsibility of Members to exercise their statutory discretion to determine the merits of individual applications or proposals.

17.2 A failure to adhere to the code may give rise to a range of potential consequences to a Council, and individual Members, especially if this results in a pattern of inconsistency. The normal sanction of the democratic process is through the ballot box. Councillors may make a reputation in their community not only for their beliefs but also for their general conduct. Consistency and fairness are important qualities in the public eye and they are vital to the conduct of a Planning Control Committee. Beyond the normal democratic process, a number of specific consequences can be identified.

## **18. The Local Government Ombudsman**

Although the Local Government Ombudsman will not investigate the balance or argument in any planning decision, she/he may agree to investigate a planning complaint if it concerns the manner in which a decision was taken. If it is found that injustice has been caused by maladministration in the light of statutory or established Council procedures, they will recommend redress which may take the form of compensation. Where the Local Government Ombudsman makes a finding of maladministration on the basis of a breach of the National Code of Local Government Conduct, then the report may name the individual Member and give particulars of the breach.

## **19. Appeals to the Secretary of State**

An applicant who has been refused planning permission has a right of appeal to the Secretary of State. If an appeal is successful and it is shown that the Council's conduct in dealing with the matter was unreasonable, the appellant's costs may be awarded against the Council.

## **20. Judicial Review**

If objectors are convinced that the Council, in determining to grant an application, did not observe their statutory obligations to carry out all necessary procedures, base their decision on the Development Plan and take into account all representations, they may apply for judicial review of the decision, which might result in it being quashed. In such circumstances it would be normal for the costs to be awarded against the Council.

## **21. Powers of the Secretary of State**

The Secretary of State possesses a range of powers which could be exercised where a local planning authority appears to be making inconsistent decisions, or decisions which are seriously in conflict with national and development plan policies. This could involve a greater use of the power to "call in" applications, whereby an application would be determined by the Secretary of State following a public inquiry. Where permission has already been granted by the Council, powers exist to revoke or modify permissions, or to require discontinuance of a land use, which if exercised would give rise to a liability to compensate on the part of the Council. Also as part of the Government's drive to improve planning performance, there are a series of monitored measures that Local Planning Authorities are assessed against. These include:-

- Speed of decision making (8/13 or 16 weeks application depending)
- Quality of decision making, including where Committee overturn recommendations which are subsequently upheld on appeal
- Numbers of Committee decisions (whether the scheme of delegation is suitable)

Where the specific performance measures fail over a 12 month period and do not meet Government identified thresholds, the Local Planning Authority can be placed into Special Measures, which would enable applicants to submit applications to the Planning Inspectorate (PINS) to determine instead of the Local Planning Authority. Fees would also be paid to PINS. This effectively removes the decision making power away to PINS.

The Local Planning Authority would then be required to lay out and deliver and improvement plan in performance aimed at addressing shortfalls against specific measures.

Processing of applications including when decisions are made outside of an agreed period of time can result in fees being required to be refunded. Determination dates set out in officer reports are therefore critical to note.

## Appendix 1

### Protocol for Site Visits

In order to ensure that all official Member Site Visits relating to planning matters are dealt with consistently and fairly, the following protocol and code of practice will apply (it should be noted that reference to titles of Council officers shall include successors in title and/or general functions):

1. Site visits shall, in accordance with its usual protocols, only be held following either:-
  - 1.1 a majority resolution of the Planning Control Committee whom, on hearing the application and representations there to, by majority considersuch a visit will for planning reasons be of substantial benefit to the decision making process; or
  - 1.2 as may otherwise be authorised by the Chair in consultation with a Development Manager or other appropriate planning officer, where for example, a planning application is a major development, has received asignificant number of objections, or is unusual in its nature to warrant avisit by Members of the PCC in the opinion of the said officers.

In the case of 1.2, a site visit may be arranged, but should not take place until the Agenda of the Planning Control Committee and the reports there in have been published. Following publication of the Agenda, the site visit may take place at any reasonable time during any working day (including the day of Committee) before the Committee formally convenes to decide upon the related application.

2. A written record of the decision to attend or not attend a site visit, whether in accordance with 1.1 or 1.2 above, should be formally recorded by Democratic Services.

3. Site visits shall only be attended by appointed Members of the Planning Control Committee along with the appropriate Council officers.

4. For the purpose of making logistical arrangements such as access to the site, the applicant shall be notified in writing of the proposed date and time of the sitevisit, but shall be informed that they, or any landowner or other interested person(s) should not approach or attempt to speak to or engage with any Member or officer of the Council about the application immediately before, during or immediately following the site visit. Where it is not possible to access the site for any reason, Members will be directed by officers to appropriate vantage points. No other person is required to be notified of the date and time ofthe site visit.

5. Site visits are an integral part of the committee decision-making procedure.

Therefore, all Members of the Planning Control Committee should, where possible, attend the site visit together with appropriate officers and not

individually, or in small or separate groups.

### **Procedure at the Site Visit**

The site visit will be conducted in the following manner:

- a) officers on the site visit should explain to any person present that they should not approach or attempt to engage with the Members on the site visit.
- b) The Development Manager and/or other appropriate planning officers shall be invited by the Chairman to explain the proposal to the Members, which shall include a summary of the relevant objections to the proposal.
- c) Members shall then be invited by the Chairman to ask any questions concerning the proposal to the respective officer(s)
- d) The Development Manager or other appropriate planning officer(s) shall then where they consider, in the context of the particular planning application, that it is necessary, reasonable, appropriate and practicable, guide Members to various parts of the site or vantage points to view the site.
- e) Members should remain together at all times during the site visit and should not attend separately on their own or in small or separate groups.
- f) Members shall during any site visit respect and adhere to any health and safety and other on-site requirements of the landowners or operators of facilities on the land where applicable (for example, when viewing an operative industrial facility or active building site)
- g) A record shall be made by the Democratic Services officer of the site visit.
- h) No decision on any application shall be taken at a site visit and Members should be mindful at all times that they should not provide any indication of the likely outcome of the application.
- i) Members shall be mindful at all times of the need to avoid allegations of predetermination and bias, as well as avoiding the fettering of discretion in relation to a planning application; the need to uphold probity in planning decisions is of paramount importance for Members of the Committee, both individually and collectively.
- j) Members should not allow themselves to be approached or addressed by any persons other than appropriate officers. It is accepted that this can be difficult and even unavoidable at times. Where an attempt is made by any such other person, including the applicant and if applicable any Councillors not on the Planning Committee, Members should politely, but firmly and immediately, discourage and curtail any such dialogue or any other form of engagement and

react in accordance with the guidance on lobbying in part 6 to this Protocol, above. This should then be reported to Democratic Services. Remaining together on the site visit at all times in accordance with e) above will minimise the risk of being approached.

k) In order to ensure that, as far as possible, all Members of the Planning Committee have the same information before them, the Development Manager or other appropriate planning officers shall provide a brief summary update to Members of any significant additional information or issues raised at the site visit prior to formal deliberation by the Members on the related planning application.

l) Members of the Planning Control Committee that are not able to attend the arranged site visit should, following the update by the Development Manager, or other appropriate planning officers in accordance with k), above, consider whether they feel capable of making a decision in relation to the application, having not had the benefit of the site visit themselves. The non-attendance of Members at the arranged site visit shall not of itself mean that Members should not be able to decide on the related application, simply that they themselves should consider whether probity in planning is being upheld and whether in the circumstances they feel they are able make an informed, objective and appropriate decision on the basis of the information before them.

## **Appendix 2**

### **Helping Constituents to oppose or support Planning Applications**

1. All Members of the Council will be approached by their constituents about planning applications. With the exception of Members of the Planning Control Committee most Councillors may consider leading their support or opposition to a planning application.
2. Any Member who does support or oppose an application cannot then take part in or vote on this matter should it be considered by a Council Committee at a later date.
3. In any event Members may find the following tips and information useful in helping to advise and work with constituents on planning applications.
  1. Anyone can comment on an application.
  2. Plans and supporting information can be inspected on the Council's website.
  3. Technical Officer advice is available by contacting the case officer.
  4. All written comments must be made to the Assistant Director (Strategy, Planning & Regulation)/Business, Growth & Infrastructure in order that they can report them to Committee.
  5. Examples of the types of matters which cannot be taken into account by the Planning and Control Committee are:
    - Disputes about encroachment across boundaries
    - Worries about disturbance whilst construction work is underway.
    - Concern about competition from other traders
    - Impact on the value of property
    - Views
    - Private Rights of Way/civil matters
  6. Examples of the types of matters which can be taken into account by the Planning Control Committee are:
    - Issues affecting individual amenity and amenities of the wider area
    - Affect an outlook and privacy
    - Design and appearance
    - Traffic and parking
    - Noise and pollution

## **The Bury Integrated Care Partnership The Bury Locality (System) Board Terms of Reference**

### **1 Purpose**

- 1.1 The Bury Locality system Board ("Locality Board") has been established to provide strategic direction to the Bury Integrated Care Partnership, to manage risk and to support the Bury Integrated Delivery Collaborative for the performance of the Bury health and care system. The Locality Board will provide effective leadership to support the strong and ongoing commitment in the borough in respect of prevention, earlier intervention, health inequalities and neighbourhood working. The Locality Board will undertake its duties in the context of the agreed Strategic Plan for Health, Care and Well-being for the Borough the Locality Plan. The primary purpose of the Locality Board is to set the Strategic direction for the reform and transformation of the operation of the health, care and well -being system in Bury, and to manage an integrated budget for the place (including a pooled fund between Bury Council and NHS GM). The Locality Board brings together senior leaders for the NHS (primary, secondary, community and mental health), local authority and the VCFSE (Voluntary, Community, Faith & Social Enterprise).
- 1.2 The responsibilities for the Locality Board will cover the same geographical area as Bury Local Authority.
- 1.3 The Locality Board will have overarching responsibility and manage (subject to reserved matters) all matters relating to the Integrated Health and Care Fund (Pooled Budget) as set out in the S75 Agreement relating to the Integrated Health and Care budget for the borough between Bury Council and NHS GM. The Locality Board will have delegated decision making authority of up to £211.3m (annual spend) with regards to the Pooled Budget of the Integrated Health and Care Fund and any other relevant new funding streams (such as grants).
  - In terms of the Better Care Fund; The Health and Well-being Board continues to be responsible for the Joint Local Health Well-being Strategy (JLHWS) which should directly inform the development of joint commissioning arrangements (S75 of the National Health Service Act 2006) in the place and the co-ordination of NHS and local authority commissioning, which include the Better Care Fund plans.
  - With regard to the Pooled Budget; the Health and Well-being Board does not commission health services themselves and do not have their own budget however play an important role in informing the allocation of local resources. This includes responsibility for signing-off the Better Care Fund plan for the local area and providing governance for the pooled fund that must be set up in every area.
- 1.4 The Locality Board will have overarching responsibility and manage (subject to reserved matters) matters relating to the Integrated Health and Care Fund (aligned and non- pooled budgets).

## **2      Status and authority**

- 2.1 The Bury Integrated Care Partnership is formed of the parties, who remain sovereign organisations, to provide strategic coherence, shared ambition, and operational delivery of the health and care system in Bury, in pursuit of better outcomes for residents and a financially sustainable system. The Bury Integrated Care Partnership is not a separate legal entity, and as such is unable to take decisions separately from the parties or bind its parties; nor can one or more party 'overrule' any other party on any matter (although all parties will be obliged to act in accordance with the ambition of the Strategic Plan for Health and Care in the Borough).
- 2.2 The Bury Integrated Care Partnership establishes the Bury Locality Board to lead the Bury Integrated Care Partnership on behalf of the parties. As a result of the status of the Bury Integrated Care Partnership, the Locality Board is unable in law to bind any party so it will function as a forum for discussion of issues with the aim of reaching consensus among the parties. However the Locality Board will have responsibility via the Section 75 agreement for the operation of the Integrated Pooled Budget for the borough.
- 2.3 The Locality Board will function through engagement between its members so that each party makes a decision in respect of, and expresses its views about, each matter considered by the Locality Board. The decisions of the Locality Board will, therefore, be the decisions of the parties, the mechanism for which will be authority delegated by the parties to their representatives on the Locality Board.
- 2.4 Each party will delegate to its representative on the Locality Board such authority as is agreed to be necessary in order for the Locality Board to function effectively in discharging the duties within these terms of reference. The parties will ensure that each of their representatives has equivalent delegated authority. Authority delegated by the parties will be defined in writing and agreed by the parties and will be recognised to the extent necessary in the parties' own schemes of delegation (or similar).
- 2.5 The parties will ensure that the Locality Board members understand the status of the Locality Board and the limits of the authority delegated to them.

## **2.6      Statutory framework**

- 2.7 In respect of the Integrated Health and Care Fund (S75, Pooled Budget), the Locality Board will sit as a joint committee (of the ICB and Local Authority), established under Regulation 10(2) of the NHS Bodies and Local Authorities Partnership Arrangements Regulations 2000 ("the 2000 Regulations").
- 2.8 In respect of the NHS GM Aligned Budget (non-pooled) element of the Integrated Health and Care Fund (Aligned Budgets), the Locality Board will sit as a Committee of the Integrated Care Board (ICB) of NHS GM on which there is Council and wider partner representation. The Locality Board will fulfil the requirements as outlined in the NHS GM Scheme of Reservation and Delegation.
- 2.9 For the avoidance of doubt, insofar as the Locality Board sits as a joint committee under the 2000 Regulations, Bury Council and/or NHS GM are delegating the making of decisions to the Locality Board and not to their individual representatives on the Board. For the avoidance of doubt where the Locality Board sits as a Committee of the ICB,

NHS GM is delegating the making of decisions to the Locality Board collectively and not to their individual representatives on the Board.

In the event of one or more partners disagreeing with a decision following consideration within the organisation, it is expected further dialogue and discussion will take place at the Locality Board. The Chair of the Locality Board will have a second and deciding vote, if necessary and required, however the aim of the Locality Board will be to achieve consensus decision-making wherever possible.
- 7.2 To promote efficient decision making at meetings of the Locality Board it will develop and approve detailed arrangements through which proposals on any matter will be developed and considered by the parties with the aim of reaching a consensus. ## **8 Conflicts of Interests**

- 8.1 The members of the Locality Board must refrain from actions that are likely to create any actual or perceived conflicts of interests. The Locality Board partnership has many benefits with one being that it should help to ensure that public money is spent efficiently and wisely, however in doing so there is a potential risk that conflicts of interest may arise.
- 8.2 As a Locality Board and as individuals, we have a duty to ensure that all our dealings are conducted to the highest standards of integrity and that monies are used wisely so that we are using our finite resources in the best interests of our population.
- 8.3 All members of the Locality Board must ensure that any such conflicts of interests are formally disclosed to the Locality Board so that they are subsequently managed in adherence with the NHS Greater Manchester Integrated Care Conflict of Interest Policy.

- 8.5 The Locality Board members will at all times, observe accepted principles of good governance in the way it conducts its business, including the highest standards of propriety involving impartiality, integrity and objectivity in relation to the joint stewardship of public funds and the conduct of its business.
- 8.6 In addition, appropriate Codes of Conduct will be followed at all times also by members of the Locality Board alongside adherence to the seven Principles of Public Life (Nolan Principles) and compliance with any statutory bar on participation and/or voting in

particular circumstances. The Locality Board members will also be aware of what may constitute a Conflict of Interest under their own organisation's Conflict of Interest Policies as well.

- 8.7 With regard to quoracy during meetings in respect of conflicts of interest, it can occur that the suspension of Locality Board members' voting rights on agenda items causes the Locality Board to lose quoracy. Where this occurs, it is the responsibility of the Chair of the Locality Board to determine where/when/how the agenda item should be resolved. This may require, for example, deferral of the agenda item to a future meeting when additional (or replacement) members are present. This decision should be taken during the meeting and recorded in the minutes.
- 8.8 The Locality Board will formally record its deliberations within relevant minutes. Such minuting will be undertaken by the designated officer support provided, alongside the management of paperwork and version control.
- 8.9 Any interests declared at a meeting will be recorded in the minutes and will record:
  - Who has the interest;
  - The nature of the interest and why it gives rise to a conflict, including the magnitude of any interest;
  - The items on the agenda to which the interest relates;
  - How the conflict was agreed to be managed; and
  - Evidence that the conflict was managed as intended (for example recording the points during the meeting when particular individuals left or returned to the meeting).
- 8.10 Depending upon the topic under discussion and the nature of a conflict of interest disclosed or identified, the member may be:
  - Allowed to remain in the meeting and contribute to the discussion;
  - Allowed to remain in the meeting and contribute to the discussion but leave the meeting at the point of decision; or
  - Asked to leave the meeting for the duration of the item under consideration.

## **9 Confidentiality**

Particular sensitivity should be applied when considering financial, activity and performance data associated with individual services and institutions. The main purpose of sharing such information will be to inform new service models and such information should not be used for other purposes (e.g., Performance management, securing competitive advantage in procurement).

- 9.2 Members of the Locality Board are expected to protect and maintain as confidential any privileged or sensitive information divulged during the work of the Bury System Partnership. Where items are deemed to be privileged or particularly sensitive in nature, these should be identified and agreed by the chair. Such items should not be disclosed until such time as it has been agreed that this information can be released.
- 9.3 Given that some Local Authority decision making will go through the Locality Board the provisions of the Local Government Access to Information legislation will apply.

## **CHILDREN AND YOUNG PEOPLE SCRUTINY COMMITTEE TERMS OF REFERENCE**

### **1. INTRODUCTION**

The Local Government Act 2000 introduced a new political management system for local councils in England and Wales, requiring them to have a separate 'executive' in the form of a leader, or elected mayor, and cabinet. To provide a counterweight for this, the Act also introduced the concept of 'overview and scrutiny', whereby every council with an executive management structure is required to have an overview and scrutiny committee. This enables the rest of the council to scrutinise the executive by investigating their decisions, policies and issuing reports and recommendations where any shortcomings are identified.

### **2. THE ROLE OF CHILDREN AND YOUNG PEOPLE SCRUTINY COMMITTEE**

Scrutiny is a statutory role fulfilled by Councillors who are not members of the cabinet. The role of the overview and scrutiny committees is to help develop policy, to carry out reviews of council and other local services, and to hold decision makers to account for their actions and decisions.

The Council has decided that it will have three overview and scrutiny committees (an Overview and Scrutiny Committee, a Health Scrutiny Committee and a Children and Young People Scrutiny Committee) which will have responsibility for all the overview and scrutiny functions on behalf of the Council as set out in part

### **3. MEMBERSHIP**

The Children and Young People Scrutiny Committee will comprise of eleven members of the council. The membership is politically balanced, which means the number of places given to a political group is proportionate to the number of councillors the group has on the Council. Cabinet Members are not to be members of the Committee. Deputy Cabinet Members are not to be a Member of a Committee dealing with an area in which they have an involvement or an interest. All councillors will have full voting rights.

The Chair of each committee is also a councillor. The council will appoint the Chair of the Committee. The Chair has the job of managing the meeting, in the event that the number of votes for and against a proposal are the same, the Chair can take a second vote or deciding vote.

The Health Scrutiny Committee may appoint Overview Project Groups to undertake reviews.

#### **4. FUNCTION**

To initiate public inquiries into matters of local concern. These can lead to reports and recommendations which advise the Leader / Cabinet Members and the Council as a whole on its policies, budget and service delivery.

Monitor the decisions of the Leader/Cabinet members. A decision that has been made by the Leader / Cabinet Member and not yet implemented can be 'called in'. This enables the Committee to consider whether the decision is appropriate. The Scrutiny Committee may recommend that the Leader / Cabinet Member reconsider the decision considering findings and comments made.

Be consulted by the Leader / Cabinet Member or the Council on forthcoming decisions and the development of policy.

#### **5. KEY RESPONSIBILITIES OF THE COMMITTEE**

- 5.9 All meetings will be held in **public**. The Board will retain the ability to **exclude representatives** of the press and other members of the public from a defined section of the meeting having regard to the confidential nature of the business to be transacted, publicly on which would be prejudicial to the public interest (Part 5A and Schedule 12A, Local Government Act, as amended).

Members of the public should ideally register their intention to speak with the relevant Council's Democratic Services Department prior to the Joint Committee meeting taking place. Otherwise, addressing the Committee during the meeting would be at the Chair's discretion.
- 5.17 The standard practice should be that one person is allowed to speak for, and one person against, a proposal. If more people are interested they will be asked to agree who the single spokesperson should be; exceptionally more than one person may be able to speak at the discretion of the Chair, the Chair should say at the end of each presentation that another speaker for or against is permissible only where items have not been covered by the earlier speaker.

They are not an opportunity for further engagement and hearing representations by the applicant or members of the public for forms of lobbying, debate and submission of new information.
- 5.20 Site visits can be useful to identify features of a proposal which may be difficult to convey in a written report or via the use of photographs/drawings, but site visits can cause delay and additional costs and should only be used where the expected benefit is substantial. A valid reason needs to be noted if an application is deferred for a site visit at the Joint Committee meeting.

- 5.21 Site visits should involve the whole Committee, although this may not always be possible. They should be carefully conducted in order that there can be no accusation of bias, pre-determination or other impropriety against Members of the Joint Committee. Site Visits will be led by the Chair or Vice Chair with advice from appropriate officers who would remain present at all times during the arranged visit.
- 5.22 It is important to remember that site visits are 'visits' and not meetings with applicants and other members of the public. Site visits are an opportunity for Members of the Joint Committee to see the site and have the proposal explained by the appropriate officer(s), with an opportunity to ask questions of the officer(s) about the proposal. The site visit is not an opportunity to engage directly with members of the public, Ward Councillors not on the Planning Control Committee, the applicant or any consultees, landowners, supporters or objectors to a planning application.
- 5.23 Planning Applications will be received by both authorities, and a **single joint** report will be prepared from Officers from each partner authority.
