1.0 INTRODUCTION

- 1.1 This report relates to an application by the Chief Constable of Greater Manchester Police in respect of the licensed premises known as Overdraught, 28-30 Blackburn Street, Radcliffe, M26 1NQ, for a summary review of the premises licence due to the premises being associated with serious crime and serious disorder. The Panel must consider whether interim steps are required pending a full summary review hearing.
- 1.2 Summary reviews can be undertaken when the police consider that the premises concerned are associated with serious crime or serious disorder (or both). The summary review process allows interim conditions to be quickly attached to a licence and for the review of the licence to be fast tracked
- 1.3 A 10 working-day public consultation exercise is undertaken in accordance with Licensing Act 2003 regulations, requiring the application to be advertised by the displaying of a blue notice at or on the premises and details of the application to be published on the Council's website.
- 1.4 Under section 53C of the Licensing Act 2003, the licensing authority must hold a full review of the premises licence and determine the review within 28 days after the day of receipt of the application
- 1.5 Following the review under section 53C, the licensing authority must then review the interim steps in place and determine whether it is appropriate for the promotion of the licensing objectives for the steps to remain in place, or if they should be modified or withdrawn.
- 1.6 The premises licence in respect of Overdraught has been held by Alistair Johnson since 18 April 2011, he has also been the Designated Premises Supervisor from the same date.

- 1.8 The Local Authority is required to consider whether interim steps should be imposed for the promotion of the licensing objectives and what the steps should be. Any such measures and the reasons for them must be immediately notified to the premises licence holder.
- 1.9 The Panel will make a decision in relation to interim steps on the day of the hearing and the parties will be notified subsequently of the decision and the reasons for it by letter from the Licensing Office.

2.0 BACKGROUND

- 2.1 The Chief Superintendent has issued a certificate under section 53A (1)(b) of the Licensing Act 2003 in which he states the following:-

At 01:21hours on Sunday 9th November 2025, Greater Manchester Police received a report of a serious assault whereby a customer had been hit over the back of the head with a pool cue at Overdraught, 28-30 Blackburn Street, Radcliffe.

Witness statements are in the process of being obtained and the premises CCTV footage has been reviewed by attending officers. The circumstances of this incident are at approximately 01:14hours, the perpetrator has been playing pool when he was approached

by the victim. A conversation takes place between the two at which point the perpetrator strikes the victim with the pool cue. The licensee, intervenes and briefly splits the pair apart before being approached by the perpetrator once again and sustains several blows to the back of the head with the pool cue before all parties are ejected from the premises.

According to the witness, the assault has continued outside the premises a short distance away and it is alleged that the victim has been struck again by a pool cue following which a call has been made to the police to report the incident.

Officers have attended the scene and the licensee has voluntarily closed for the remainder of the evening whilst the initial investigation began. Officers report that there was no blood present at the scene.

The victim has received a deep laceration to the back of the head and a large swelling to his forearm which at the time officers believed to be broken. The victim was taken to hospital where he had to be sedated following having a seizure whilst in the Accident and Emergency Department. Officer reported from hospital that scans had been completed and fortunately there was no lasting injuries.

A criminal offence of intending to cause grievous bodily harm has been recorded with the investigation in its infancy. It is my opinion that an expedited review of the premises licence is necessary to allow the licensing authority to review this incident, impose any interim steps and review the premises licence to prevent such incidents occurring in the future.

- 2.2 Attached to this report at Appendix 1 is the Application by Greater Manchester Police for the Summary Review and at Appendix 2 the Certificate issued by the Chief Superintendent. An appendix to the application is at Appendix 3.

3.0 CURRENT LICENSABLE ACTIVITIES

- 3.1 The Premises Licence shows the current licensable activities and conditions and is attached at Appendix 4.

4.0 DETERMINING THE APPLICATION FOR INTERIM STEPS TO BE IMPOSED

- 4.1 In determining whether or not to impose interim steps, pending the full review of the premises licence which must be held within 28 days from the date of the application being received, members must consider the information presented in relation to serious crime and/ or serious disorder. If members decide to impose interim steps, the following options are available:

- a. To modify the Conditions attached to the licence
- b. The exclusion of the sale of alcohol from the scope of the licence.
- c. The removal of the Designated Premises Supervisor from the licence.
- d. Suspension of the premises licence

- 4.2 For the purposes of subsection 4.1a, the conditions of a premises licence are modified if any of them are altered or omitted or any new condition is added.

5.0 THE SECRETARY OF STATES GUIDANCE TO THE LICENSING ACT 2003

- 5.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 5.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 5.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

6.0 CONCLUSION

- 6.1 A licensing authority must carry out its functions under the Act ("licensing functions") with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 6.2 In reaching the decision, regard must be had to the relevant provisions of the national guidance and the Council's licensing policy statement.
- 6.3 The Sub-Committee must consider what steps are appropriate for the promotion of the licensing objectives.
- 6.4 In making its decision with regard to this interim steps hearing, the steps the Sub-Committee can take are:
- a) To modify the conditions of the licence;
 - b) To exclude any of the licensable activities from the licence;
 - c) To remove the designated premises supervisor;
 - d) To suspend the licence
- 6.5 The conditions of the licence, with the exception of the mandatory conditions of the premises licence, may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.6 All licensing determinations should be considered on the individual merits of the application.

- 6.7 The Sub-Committee's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 The Sub-Committee is asked to determine what steps, as set out in 6.4 above, are appropriate for the promotion of the licensing objectives.

Equality Impact and considerations:

Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to -

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;*
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;*
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.*

The public sector equality duty requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services.

Both Serious Crime & Serious Disorder.

At 01:21 hours on Sunday 9th November 2025, Greater Manchester Police attended reports of serious crime and serious disorder at Overdraught, 28-30 Blackburn Street, Radcliffe. As a result of this incident, a crime was recorded for S.18 Assault (grievous bodily harm with intent)

Through speaking to witnesses and reviewing CCTV footage, it has been established that at approximately 01:14hrs on the morning of Sunday 9th November 2025, the victim has walked over to the pool table area at the rear of the premises. Initially it would appear that the perpetrator and his friend were playing pool when a conversation has taken place with the victim which has attracted further attention from some of the other patrons within the premises. From the CCTV footage you can clearly see the perpetrators friend unscrewing one of the pool cues in to two halves and was presenting as if they were to be used as weapons but for some unknown reason, the victim is pushed by a female patron before being struck by the perpetrator with a full length pool cue, which initially looks to have struck the victim on the arm as he raises his arm in self-defence.

At this point, the licensee and Designated Premises Supervisor (DPS), Mr Alistair Johnson who is sat at the table where the initial assault takes place, intervenes, separates both parties and escorts the victim towards the bar area before they are approached by the same female who has a brief discussion with the DPS pushes the victim. At this point, the perpetrator approaches and proceeds to hit the victim several times with the pool cue before backing off and the victim is ushered away and ejected from the premises shortly followed by the perpetrator and his friend who is still in possession of the split pool cue.

Speaking to the witness (friend of the victim), the assault continued outside, yards away from the premises at the junction of Blackburn Street and Church Street West, Radcliffe where the victim was struck several more times over the head with a pool cue before walking away down Church Street West.

CCTV enquiries with Bury Council were conducted on the night however the coverage of Radcliffe Town Centre has been impacted due to the regeneration work and as such the assault outside has not been visible however the footage does capture the victim and his friend, walking down Church Street West from the direction of Blackburn Street, under the Metrolink bridge before officers are able to locate them at the junction of Bury Road and Pine Street.

It is at this point those officers were able to see what injuries the victim had sustained, and they report that the victim had a large wound to the back of the head where he had been struck, with blood on his head and clothing. They also report that he had a badly swollen left arm which is believed to have been sustained as a result of attempting to defend himself. Officers note on the incident log that at the time they were unsure as to whether the arm was broken or not due to the victim reporting a lack of sensation and movement in his fingers.

An ambulance was requested and although the attending paramedics didn't believe the injuries to be life threatening or changing, they did take the victim to hospital for further assessment and treatment however whilst in accident and emergency, the victim had a seizure which resulted in him having to be sedated. Officers that attended hospital with the victim report that initial scans had been carried out and fortunately they appeared to be clear.

The investigation is in its infancy and there are numerous enquiries still outstanding certainly with regards any potential CCTV which may have captured the assault outside the premises. Mr Johnson, has allowed officers to review the premises CCTV footage on the night which was subsequently recorded by officers on their body worn video, and I believe enquiries are ongoing to obtain the actual footage from the venues CCTV system itself.

The body worn video of the premises CCTV footage has been included with this application and the secure links have been forwarded to the licensing authority (Appendix A) however further footage may come to light as the investigation progresses. Furthermore, photographs of the broken pool cue were taken at the scene which have been included at Appendix B.

Having looked through GMP computer systems, the only report I am able to find is the one made by the victim / friend of victim. Disappointingly, I am not able to find any reports to the police by the premises. (GMP log reference 000248-09112025 has been attached at appendix C)

This is not the first time an expedited review involving this premises has been requested by Greater Manchester Police. In January 2024 the premise was associated with another serious assault where two customers were attacked outside the premises with knives after all parties had left the venue. On that occasion, door supervisors were not employed and despite a request by Greater Manchester Police for door supervisor to be considered as part of any amendment to the licensing conditions to try and prevent any further serious crime, this wasn't granted.

At the end of March 2025, there was a report of a violent disorder within the premises whereby a male customer had been hit over the head with a glass bottle during a dispute with another customer near to the pool table. Following this incident, a meeting was arranged with Mr Johnson, Laura Bell from the Licensing Authority and myself. This was followed up with a written action plan which was emailed to Mr Johnson on Thursday 3rd April 2025 is included at Appendix D

During those conversation, Mr Johnson agreed to carry out several actions, one of which was to cease all games of pool from 10pm onwards and to ensure all pool balls and cues are securely stored away within the table itself or the office. Unfortunately, this has not been adhered to and again there has been another incident involving serious crime and disorder at the premises which has resulted in this request for a review of the premises license by Greater Manchester Police as we feel it necessary to bring this incident to the attention of the licensing authority with a view to license conditions being amended to prevent a reoccurrence of such serious crime and disorder and ensure the safety customers.

Greater Manchester Police would like the Licensing Authority to consider the below amendments to the current premises license under the below licensing objectives.

PREVENTION OF CRIME AND DISORDER:

In addition to the current conditions, please consider:

1. A SIA registered door company will be employed by the License Holder / Designated Premises Supervisor. A minimum of two door supervisors will be employed between the times of 9pm until close of business every Friday, Saturday, Sunday of bank holidays and other key dates throughout the year including but not limited to Good Friday, Christmas eve, Boxing Day, New Years Eve.
2. The Designated Premises Supervisor or on-duty manager must ensure that all door supervisors on duty at the premises are correctly displaying their current SIA accreditation and are briefed on their responsibilities and relevant company operating procedures before they commence duty.
1. Any door supervisors on duty at the premises must be supplied by an SIA-Approved Contractor Scheme company.
3. No games of pool to be allowed on the premises at any time of day and pool table to be removed from the premises.
4. From 9pm onwards, all glassware will be swapped out for polycarbonate and all glass bottles will be decanted into said polycarbonate glasses.
5. Frequent glass collecting throughout the evening to prevent any glassware being used as potential weapons.
6. CCTV system to be reviewed and upgraded where required to ensure all CCTV cameras are able to record HD format at a minimum of 24 frames per second with enough storage capacity for a minimum of 28 days footage. CCTV cameras to be installed on external walls to cover all entrances/exits. DPS must ensure that the CCTV equipment has a constant and accurate date and time generation as well as regularly serviced at 3 monthly intervals which should be recorded. Said records must be made available for inspection by a police officer or authorised officer of the Licensing Authority upon request
