

**ADVICE FROM THE ASSISTANT DIRECTOR OF LEGAL & DEMOCRATIC SERVICES AND INTERIM EXECUTIVE DIRECTOR OF RESOURCES & REGULATION**

**1. INTRODUCTION**

This note sets out in some detail Members' individual responsibilities to set a legal budget and how Members should approach the task.

It also reminds Members about the rules concerning personal and prejudicial interests.

The paper concludes with specific legal advice over aspects of the budget which potentially give rise to difficulties.

**2. WHEN THE BUDGET MUST BE SET**

Under Section 32 of the Local Government Finance Act 1992, budget calculations have to be made before 11th March, but they are not invalid merely because they are made on or after 11th March. The Localism Act 2011 includes amendments to the 1992 Act and requires the Council to calculate a Council Tax Requirement for the year, due to the referendum provisions if the Council Tax is increased above a prescribed level. However, delay in setting the Council Tax will have very serious financial consequences. It will render the Council vulnerable to legal proceedings requiring it to set the tax.

In any event, it is important that the tax is set well in advance of 1st April as no sum is payable for Council Tax until 14 days after the date of posting bills.

Serious financial losses will accrue very soon from a late setting of Council Tax as income is delayed and interest is foregone.

An important feature of Council Tax is that the statutory budget calculation must be followed exactly. If not, the Council Tax resolution will be invalid and void. Detailed advice will therefore be available at the Council meeting.

**3. NOTICE**

There is a requirement to publish notice of the amount set for Council Tax in at least one local paper within 21 days.

**4. COUNCIL TAX REFERENDUM**

Under the provisions of the Local Audit & Accountability Act, The Secretary of State has the power to require any billing or precepting Authority which sets an excessive Council Tax increase to hold a public referendum.

Any authority planning an excessive council tax increase will be required to prepare a 'shadow budget' based on the maximum non-excessive council tax increase allowed and they will also be required to inform the Secretary of State by notice.

The legislation requires the authority proposing the excessive increase ('the relevant authority') to prepare supporting factual material setting out the proposed council tax increase and budget, the comparative non-excessive council tax rise and shadow budget, and the estimated cost of holding the referendum. At the same time that bills are sent to council taxpayers, the billing authority will send this information, together with polling cards, to every registered local elector. Local councillors would of course be free to make the case for any excessive increase, but the relevant authority would be prohibited from campaigning on the issue.

If the proposed rise in council tax were rejected, the relevant authority would immediately adopt the shadow budget and transfers from the Collection Fund would be reduced accordingly. It would also be required to inform the Secretary of State by notice. The billing authority would be able to issue new bills immediately, offer refunds at the end of the year or allow credits against liability in the following year. However, consistent with existing legislation, billing authorities will be required to refund (and re-bill) any local resident who requests this.

## **5. MEMBERS' FIDUCIARY DUTIES**

The obligation to set a balanced budget at the start of every year is shared equally by each individual Member. In discharging that obligation, Members owe a fiduciary duty to the Council Taxpayer.

The budget must not include expenditure on items which would fall outside the Council's powers. Expenditure on lawful items must be prudent, and any forecasts or assumptions such as rates of interest or inflation must themselves be rational. Power to spend money must be exercised bona fide for the purpose for which it is conferred and any ulterior motives risk a finding of illegality. In determining the Council's overall budget requirement, Members are bound to have regard to the level of Council Tax necessary to sustain it. Essentially the interests of the Council Taxpayer must be balanced against those of the various service recipients.

Within this overall framework, there is of course considerable scope for discretion. Members will bear in mind that in making the budget, commitments are being entered which will have an impact on future years. Some such commitments are susceptible to change in future years, such as staff numbers which are capable of upward or downward adjustment at any time. Other commitments however impose upon the Council future obligations which are binding and cannot be adjusted, such as loan charges to pay for capital schemes.

Only relevant and lawful factors may be taken into account and irrelevant factors must be ignored. A Member who votes in accordance with the

decision of his or her political group, but who does so after taking into account the relevant factors and professional advice, will be acting within the law.

Party loyalty and party policy are capable of being relevant considerations for the individual Member provided the member does not blindly toe the party line without considering the relevant factors and professional advice and without properly exercising any real discretion.

Under the Code of Conduct, members are required, when reaching decisions, to have regard to relevant advice from the Section 151 Officer and the Monitoring Officer. If the Council should fail to set a budget at all or fail to set a lawful budget, contrary to the advice of these two officers there may be a breach of the Code by individual members if it can be demonstrated that they have not had proper regard to the advice given.

## **6. ARREARS OF COUNCIL TAX AND VOTING**

In accordance with section 106 of the Local Government Finance Act 1992, where a payment of Council Tax that a member is liable to make has been outstanding for two months or more at the time of a meeting, the Member must disclose the fact of their arrears (though they are not required to declare the amount) and cannot vote on any of the following matters if they are the subject of consideration at a meeting:

- (a) Any decision relating to the administration or enforcement of Council Tax.
- (b) Any budget calculation required by the Local Government Finance Act 1992 underlying the setting of the Council Tax.
- (c) Any recommendation, resolution or other decision which might affect the making of the Annual Budget calculation.

Members should note the following points:

- (i) These rules are extremely wide in scope. Virtually any Council decision which has financial implications is one which might affect the making of the budget underlying the Council Tax for next year and thus is caught.
- (ii) The rules do not apply just to full Council meetings but extend to committees and sub-committees of the Council.
- (iii) Members who make a declaration are not entitled to vote on the matter in question but are not prevented by the section from taking part in the discussion. However, where questions of enforcement are under consideration, Members with any arrears of Council Tax are likely to have a prejudicial interest under the Code of Conduct.

In these circumstances Members are disentitled from taking part in discussions as well as from voting, and must declare an interest whether or not their arrears have been outstanding for two months and must leave the room.

- (iv) Members will have a defence under section 106 if they did not know that the section applied to them (i.e., that they were in arrears to the relevant extent) at the time of the meeting. Thus unwitting Members who for example can prove that they did not know and had no reason to suppose at the time of the meeting that their bank has failed to honour a standing order will be protected should any prosecution arise.
- (v) It is not enough to state that a benefit application has been submitted which has not yet been determined, as Members remain liable to pay pending determination.

## **7. DISCLOSABLE PECUNIARY INTERESTS**

Members are reminded that a dispensation was granted to all Members allowing them to participate and vote on setting the Council Tax or precepts under the Local Government Finance Act, notwithstanding that they may have a disclosable pecuniary interest by reason of having any beneficial interest in land within the Borough.

### **Personal and Prejudicial Interests**

Under the Code of Conduct, a member will have a personal interest in an item of business if a decision in relation to that business might reasonably be regarded as affecting his or her well-being or financial position or the wellbeing or financial position of a relevant person to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the electoral division or ward, as the case may be, affected by the decision.

Any member with such an interest will, generally, have to declare that interest at the start of the agenda item. However, if the business of the meeting relates to or is likely to affect any of the following categories of people then you need only disclose to the meeting the existence and nature of that interest if you actually address the meeting on that business:

- i) any body of which you are a member or in a position of general control or management and to which you are appointed or nominated by your authority;
- ii) any body exercising functions of a public nature.

A personal interest will also be a prejudicial interest, if it is one that members of the public, knowing the facts, would reasonably regard as so significant as to be likely to prejudice the Member's judgement of the public interest.

However, under the Code, a member will not have a prejudicial interest if the business under consideration — (a) does not affect your financial

position or the financial position of a connected person (listed in paragraph 8 of the Code) nor (b) does not relate to the determining of any approval, consent, licence, permission or registration in relation to you or any connected person or body. (There are other specified exemptions relating to school meals, council tenancies, allowances, etc).

If a member does have a prejudicial interest then the Member concerned must withdraw from the meeting and leave the room.

Members should seek early advice to avoid any confusion on the night of the meeting.

### **Dispensations**

Dispensations are available in respect of prejudicial interests under the Code of Conduct but only in very limited circumstance and only from the Standards Committee. The Standards Committee can only meet on 5 clear days notice and, unless certified as urgent, business can only be transacted if 5 clear days notice of it has been given.

## **8. RESPONSIBILITIES OF CHIEF FINANCIAL OFFICER AND AUDITORS' POWERS**

### **Section 151 Officer and Monitoring Officer**

Section 114 of the Local Government Finance Act 1988 places the Section 151 Officer under an obligation to prepare a report (to full Council) if it appears to him that the expenditure the Authority proposes to incur in a financial year is likely to exceed its resources available to meet that expenditure. A failure to take note and act on such a report could lead to a complaint. Similarly, the Council's Monitoring Officer is required to report to full Council if it appears to her that a decision has been or is about to be taken which is or would be unlawful or would be likely to lead to maladministration.

Under section 25 of the Local Government Act 2003 the Section 151 Officer is now required to report to the authority on the robustness of the estimates made for the purposes of the calculations required to be made by the Council. These are the estimates which the Cabinet is required to determine and submit to Full Council and are contained within this report.

However, if the Council were minded to agree a budget based on different estimates e.g. if Council did not agree with the estimates provided by the Leader/Cabinet then those estimates which the Council would adopt would effectively become 'the estimates' for the purpose of Section 25 and as such should be subject to a report by the Section 151 Officer.

### **External Auditors' Powers**

Section 91 of the Local Government Act 2000 provides that an External Auditor may issue an "Advisory Notice" if he has reason to believe that an Authority is about to take a course of action which, if pursued to conclusion, would be unlawful and likely to cause a loss or deficiency. This power is to be used where the matter is significant either in amount or in principle or both. While the advisory notice has effect it is not lawful for the authority to implement or take the course of action in question unless it has considered the issues raised in the notice and given the auditor notice that it intends to proceed with that course of action in a specified period and that period has expired.

In addition, it is also open to the Auditor to apply for judicial review on any decision of an Authority or failure to act which it is reasonable to believe would have an effect on the accounts of an Authority.

## **9. SPECIFIC BUDGET ADVICE**

### **Balances and Other Budget Calculations**

A local authority must budget so as to give a reasonable degree of certainty as to the maintenance of its services. In particular local authorities are required by section 32 of the Local Government Finance Act 1992 to calculate as part of their overall budget, what amounts are appropriate for contingencies and reserves. The Council faces various contingent liabilities set out in the main budget report. Furthermore the Council must ensure sufficient flexibility to avoid going into deficit at any point during the financial year. Members will need to pay careful attention to the advice of officers here.

In addition to advising on the robustness of the estimates as set out above, the Section 151 Officer is also required to report on the robustness of the proposed financial reserves. The same advice applies to these as to the other calculations required to be made by the Council. The Section 151 Officer's view of the level of reserves is contained within the report.

(Having considered the officer's report the Council is then required to *"have regard to the report"* but it is not required to adopt the recommendations in it. However, Members must demonstrate they have acted reasonably if they do not adopt the recommendations).

### **Alternative Proposals**

If alternative proposals to those contained in this report are moved at the budget setting meeting, the Section 151 Officer will need to consider if the estimates or proposed financial reserves contained in this report are affected and whether a further report (which may be oral) is required under section 25 of the Local Government Act 2003. If the Section 151 Officer is unable to report on the estimates or the reserves because of the lateness of the alternative proposals then he will not be able to comply with this statutory requirement. The Act does not say what happens if this duty is not fulfilled and nor does it say whether the Council can set the

budget without that advice. It follows from this then that there is no express statutory prohibition. However, the authority is at risk of a Judicial Review by an interested person e.g. a resident or the Audit Commission if the Council has failed to have regard to a report of the Section 151 Officer on the estimates and reserves used for its budget calculations.

### **Expenditure Charged to the Housing Revenue Account**

Members will be aware that the Housing Revenue Account (HRA) is by law to be maintained separately from the General Fund and there are strict rules which determine to which account any expenditure must be charged. There are only very limited areas of discretion here. Members should bear in mind that if they wished to review any current determination which affects the apportionment of charges between the General Fund and HRA, they would need to do so on the basis of an officers' report and specific legal advice. The Housing Revenue Account must be maintained in balance throughout the year by Section 76 Local Government and Housing Act 1989.
