

Bury Council Township Forum Report

The Council has allocated £8,000 to each Township Forum to be allocated through a sub group of the Township forum four times a year in June, September, November and March. A maximum of £250 individual grant is available for formally constituted organisations.

Additionally, a borough-wide allocation of £8,000 is available for "cross-ward" applications for activity that takes place across more than one ward. The "cross-ward" applications are determined by the Council's Small Grants Panel.

Organisations applying for funding should be running projects which address at least one of the following priorities or one of those detailed in the Township plans:

- Improved employment opportunities
- Improved Community and Safety
- Improved Health and Well being
- Learning Opportunities for local residents
- Community Cohesion, Community Pride and belonging
- Environmental improvements

This report details the applications received to date including the October round of funding. The first round of applications was approved by the Small Grants Panel as there was insufficient time to form sub group of the Township Forums before the applications had to be approved.

Please note there have been no planning meetings since the last Township Forums.
