

POLITICAL BALANCE – PENNINE CARE JOSC 2017/18

Under the Local Government Act 2000 provisions, overview and scrutiny must generally reflect the political nature of the full council. Where a Joint Committee is established, the political balance requirements apply for each participating local authority, unless Members of all authorities agree otherwise.

In the report that went to each authority to establish the Joint committees, the following was included:

- The rules concerning proportional political representation apply to the establishment of such Joint committees, unless members of all authorities agree that they need not apply.
- The two committees will need to be politically balanced reflecting the overall political balance of the appointing authorities.

This municipal year, the Political Balance rules require:

Across the whole Pennine Care footprint, there are 291 seats. When taken together and the proportions worked out, it equates to:

With 199 of the 291, 68% of seats go to Labour
With 48 of the 291, 17% of seats go to Conservatives
With 35 of the 291, 12% of seats go to the Liberal Democrats
With 8 of the 291, 3% of seats go to others
1 vacancy

Therefore for the Joint Committee to be politically balanced the membership would have to be constituted as follows:

Labour – 10 members
Liberal Democrats – 2 members
Conservatives – 3 members
Independents/Others – 0 members

The proposed membership of the Joint Committee is as follows:

Labour – 9 members
Liberal Democrats – 2 members
Conservatives – 4 members

In previous municipal years the Joint Committee **has resolved to waiver the right** for the Joint Committee to be politically balanced.
