TEMPORARY CLOSURE: PUBLIC FOOTPATH NO. 35a, ST ANDREWS, RADCLIFFE

STATEMENT OF JUSTIFICATION

A temporary closure has been in place on the above footpath in the interests of public safety given significant level differences to adjacent land and construction traffic movements on the adjacent building site. As the works to the site are still ongoing it is necessary to consider extending the temporary closure order.

Works on the adjacent construction site are ongoing and continue to progress, however they currently remain incomplete. Therefore an application for an extension of 6 months is made. The developer has indicated that this should allow sufficient time for the construction works to be completed before the public footpath is reopened.

The existing closure is due to expire on Wednesday 26 July 2016.
