1.0 Purpose of the Annual Governance Statement

- 1.1 The purpose of the Annual Governance Statement is to provide a continuous review of the effectiveness of an organisation's internal control and risk management systems, so as to give an assurance as to their effectiveness.
- 1.2 There is a mandatory requirement to produce a Governance Statement to accompany the Authority's Statement of Accounts – as presented in June 2013.
- 1.3 It is accepted good practice to continuously review the internal control framework, and make interim reports to those charged with governance – the Audit Committee.
- 1.4 The Council has adopted this practice since 2008, and refers reports to the Audit Committee on a quarterly basis.

2.0 Matters for consideration

2.1 Members are asked to:

- Note the report

3.0 Quarterly Update

3.1 Risk Management

- 3.1.1 Risk registers are held at both Corporate and Departmental level.
- 3.1.2 The registers are web-based to allow “real time” update as and when circumstances require.
- 3.1.3 An officer (Operational) level risk management group sits quarterly to discuss operational matters; the Group last met on 22nd May 2013.
- 3.1.4 Similarly, a Member level Corporate Risk Management Group sits quarterly to review registers and action plans. The group last met on 5th November 2013 to review and update the Corporate Risk Register.
- 3.1.5 The Risk Management Annual Report has been presented to this Committee (25th June 2013), the Cabinet (10th July 2013) and Council (11th July 2013).
- 3.1.6 The Corporate Risk Register for the period July to September has been updated to reflect the latest high level risks facing the organisation; see Appendix A attached.

3.2 Business Continuity

- 3.2.1 The Authority has ranked key services in terms of required recovery times, and business continuity plans continue to be developed.
- 3.2.2 A database has now been developed to host these plans, and ensure appropriate arrangements are in place where services are inter-dependant. All the 253 service plans have now been uploaded and the focus now is on improving the information held within the database.

3.3 Budget Monitoring

- 3.3.1 Budget monitoring is undertaken on a monthly basis, and quarterly reports are produced for Members.
- 3.3.2 The quarter 2 statement (i.e. July to Sept) provides a mid-year summary of spend to date and a forecast outturn for the year. This alerts Directors to any pressures which they are required to address.
- 3.3.3 As such, it is critical that forecasts are accurate; evidence based, and have been through a rigorous quality assurance process.
- 3.3.4 The Quarter 2 report is scheduled to go to Cabinet on 27th November 2013, and will be reported in summary later in the agenda.

3.4 Work of Internal Audit

3.4.1 The Internal Audit Section operates according to a risk based Audit Plan.

3.4.2 During the period April to September 2013, the section has examined the following fundamental financial system(s);

- Payroll
- Housing Benefit
- Treasury Management
- Debtors
- NNDR (Business Rates)
- Housing Rent
- Cash and banking

3.4.3 The Internal Audit section produces reports which rank recommendations according to urgency / priority. The reports completed during the first two quarters produced a total of 93 recommendations. To date, none of these recommendations have been ranked RED – which would warrant specific inclusion in the Governance Statement.

3.5 Work of Governance Panel

3.5.1 The Governance Panel has now met regularly since its inception in November 2008, and continues to be a valuable arena to exchange information / concerns regarding the Council's governance arrangements.

3.5.2 The Panel comprises:

- Director of Resources
- Director of Legal & Democratic Services (Monitoring Officer)
- Assistant Director of Resources (Finance & Efficiency) (s151 Officer)
- Head of Internal Audit (Anti-Money Laundering Officer)

3.5.3 The Panel last met on 16th October 2013; no concerns were raised which required specific reference in this update.

3.6 Gifts & Hospitality

3.6.1 A web-based system operates for members and officers to report offers of gifts and hospitality, and any interests which may conflict with their role.

3.6.2 A full update of declarations for the period ended 30th September 2013 is reported elsewhere on this agenda.

3.7 Sickness Update

3.7.1 The Audit Committee has shown considerable interest in sickness absence, requesting absence data and action plan updates from Directors upon request.

3.7.2 The following table contains the sickness absence figures per head (Full Time Equivalent FTE) for the Council and the individual four Directorates over the last two financial years and the first two quarters of 2013/14.

Directorate	2011/12 Full Year	2012/13 Full Year	2013/14 Qtr 1	2013/14 Qtr 2
Adult Care Services	16.8	15.1	14.0	13.2
Chief Executive's	6.6	6.3	7.3	7.6
Children's Services	8.2	8.3	8.5	8.6
Communities & Neighbourhoods	8.6	9.6	9.4	9.9
Total days lost per FTE	9.4	9.4	9.4	9.5

Note – the quarterly figures are calculated on a rolling 12 month basis and do not reflect the quarter in isolation.

3.7.3 To put some context to the figures – currently, Children's Services employ 57% of all Council staff, with DCN employing 22%, ACS 14% and Chief Executive's the remaining 7%.

3.7.4 The conclusions that we can draw from the table is that over the whole Council the sickness levels have risen slightly to 9.5 days per FTE after remaining static for the last couple of years. It should be noted that this is masking a real reduction in ACS of 21% during this period while the other three departments have all experienced increases in sickness.

3.7.5 Going forward, sickness absence figures will continue to be reported to the Audit Committee in future quarterly updates.

4.0 Conclusion

- 4.1 This report provides an assurance, and presents evidence that the Council reviews its internal control / governance mechanisms on a continuous basis.
- 4.2 There have been no significant internal control issues during the period covered by this report.
- 4.3 The control environment will continue to be monitored throughout the year, and the Audit Committee will continue to receive updates on a quarterly basis.
