

Subject: proposed sale of land

Dear Sir

Tottington District Civic Society wish to object to any sale of land at the back of 131/133 Holcombe rd Tottington which is known as Old Kays and is an area used by the general public for leisure pursuits. The society understands that when the council bought this land in the 1930s from the then farmer of Old Kays Farm it was for public benefit, and there is very little green left in the area of Greemount /Tottington .

Access to the site is not easy nor is the actual terrain It should be left as a natural parkland for he enjoyment of all

Faith Greenhalgh (Secretary)
