1.0 Purpose of the Annual Governance Statement

- 1.1 The purpose of the Annual Governance Statement is to provide a continuous review of the effectiveness of an organisation's internal control and risk management system in order to give an assurance as to their effectiveness.
- 1.2 It is a mandatory requirement to produce a Governance Statement to accompany the Authority's Statement of Accounts as presented on 17 July 2018.
- 1.3 It is accepted good practice to continuously review the internal control framework and make interim reports to those charged with governance the Audit Committee.
- 1.4 The Council has adopted this practice since 2008 and refers reports to the Audit Committee on a quarterly basis.

2.0 Matters for consideration

- 2.1 Members are asked to:
 - Note the report

3.0 Quarterly Update

3.1 Risk Management

- 3.1.1 A review has taken place of the risk management process which now provides for the reporting against assurance measures, improves alignment between financial, performance and risk management. The risk scoring matrix has been reverted back to the original 4x4 matrix to make it easier for assessment and scoring. The format of risk registers at both Corporate and Departmental levels now incorporate these changes.
- 3.1.2 The registers are web-based to allow "real time" update as and when circumstances require.
- 3.1.3 An officer-level risk management group meets quarterly to discuss operational matters. Meetings are scheduled to coincide with the quarterly meetings of the Corporate Risk Management Group. The Operational Risk Management Group comprises of a representative from the two directorates of Communities & Wellbeing and Children, Young People and Culture along with the Insurance Manager, Health & Safety Advisor, Risk Manager and the Interim Executive Director for Resources & Regulation. The last meeting of the Operational Risk Management Group was held on the 20th November 2018 and is next due to meet on the 12th March 19.
- 3.1.4 A Member-level Corporate Risk Management Group sits quarterly to review the Corporate Risks and takes account of issues arising from the Operational Risk Management Group. The Corporate Risk Management Group met on the 28th November 2018 to review the Corporate Risk Register. The risk register will be updated to reflect the latest high level risks facing the organisation and will then be circulated to members following that meeting. The next meeting of the Corporate Risk Management Group meeting is scheduled to take place on the 26th March 2019.
- 3.1.5 The Q3 risk register is attached.

3.2 **Business Continuity**

3.2.1 A full review of the Council's Business Continuity Planning Database is being undertaken to take account of the new departmental structures for Operations, Business, Growth & Infrastructure and Strategy & Transformation.

3.3 Budget Monitoring

- 3.3.1 Budget monitoring is undertaken on a monthly basis and quarterly reports are produced for Members.
- 3.3.2 The Q3 statement (i.e. April to December 2018) provides a summary of spend to date and a forecast outturn for the year. This continues to alert Directors to any pressures which they are required to address.
- 3.3.3 As such, it is critical that forecasts are accurate, evidence based and have been through a rigorous quality assurance process.
