PREVENTION OF CRIME AND DISORDER

On the 19th July 2018, a visit was carried out to Killon Street Off Licence, 26 Price Street, Bury, BL97EB. The visit was part of a multi-agency day of action, involving partners from Environmental Health, Housing Standards, Licensing, Greater Manchester Police, Greater Manchester Fire Service, Immigration and North West Electricity. We visited the premises as we had received a complaint that illicit tobacco was being sold from under the counter. Whilst on the premises 665 cigarettes and 200g of hand rolling tobacco were seized, they were either counterfeit, non-duty paid or foreign labelled, stood on the floor under the counter was a half full bottle of vodka.

On the 23rd July 2018, I revisited the premises with Laura Jones from the Licensing service, whilst in the shop, Mr Aijaz was spoken to by Laura, who gave him a list of things to do.

On the 26th July I visited the shop again, accompanied by Laura Jones from Licensing, and Michelle Street from Housing Standards. Whilst in the shop we found various food items beyond their use by date, and beyond their best before dates.

The possession of non-duty paid tobacco is an offence contrary to Section 144 of the Licensing Act 2003. The maximum penalty for this offence is a fine of £1000. The possession of counterfeit tobacco and counterfeit cigarettes is a criminal offences under Section 92 of the Trade Marks Act 1994. Each item found is a separate offence, and the penalty for this offence is fine of up to £5000 or imprisonment. Food beyond its use by date, is deemed to be unsafe by virtue of Article 14(2) to (5) of Regulations (EC) No 178/2002, which is an offence under Regulation 19, of the Food Safety and Hygiene (England) Regulations 2013.

Please provide as much information as possible to support the application (please read guidance note 3)

This premise was visited in July as a result of intelligence received indicating that the shop was selling counterfeit or non-duty paid tobacco from under the counter. As a result of the intelligence, a multi-agency visit was carried out. After a search of the premises, tobacco was found under the shelving units which contained the slush machine within the shop and not on the cigarette gantry behind the till. Also under the counter units was found a half full bottle of vodka, and 2 open packets of cigarettes, an open packed of Richmond with 10 in the packet, and an open packet of pall mall with 15 in the packet. Whilst we were on the premises, the electricity was turned off due to an unsafe meter. The cigarettes and tobacco where seized. The man in the shop was called [REDACTED], and he said his boss was [REDACTED], when asked about [REDACTED] he said he sold the business 9 months ago, he also claimed he was only helping and didn't usually work in the shop.

On the 20th July, [REDACTED] and Mr [REDACTED] attended the licensing office and spoke to Mr Bridge. They were trying to transfer the licence from Mr [REDACTED] to Mr [REDACTED] Mr [REDACTED] admitted that he had not been on the premises since the 4th February 2018 as that was when Mr [REDACTED] took over the business, but no money had changed hands for the business.

On the 23rd July, samples of Richmond and Superkings cigarettes where sent to the trade mark holder for examination.

On the 23rd July, I revisited the premises with Laura Jones, from the Licensing department. On entering the premises there was a strong smell of cannabis, Mr [REDACTED] came to the premise and was given a long list of things to address.

On the 26th July, a witness statement was received from imperial tobacco, confirming the Richmond and superkings where counterfeit.

On the 26th July a further visit was carried out to the premises, with Laura Jones from licensing and Michelle street from housing Standards. Mr Alam was telephoned to come to the premises. Whilst on the premises we found a packet of bacon 20 days beyond its use by date, (the bacon was dated 6th July), 2 packets of meat where the packaging was blown but the date hadn't been reached, various cheese beyond their

use by date, cheese in date but with mould in the inside of the packaging, and various other food items including eggs beyond their best before dates. Mr [REDACTED] was advised that all products needed checking. Mr [REDACTED] said he had been managing the shop since February as he didn't have the finance to complete the sale, so he wasn't there full time and neither was Mr [REDACTED] so only spot checks were done.

In section 11 of the Statutory guidance made under section 182 of the Licensing Act, it talks about certain criminal activity which should be treated as particularly serious. One of the items listed is the use of premises for the sale or storage of smuggled tobacco. Smuggled would include in this context, not duty paid, counterfeit and other grey market tobacco. Out of date food is deemed to be unsafe and an offence under the Food Safety Act 1990,

From the information given to us there appears to have been very little contact from the DPS/PL holder in the months leading up to the visit. An application to transfer the licence was submitted on the 20th July 2018, but was subsequently withdrawn after an objection from the police was put in. Mr [REDACTED] has no direct day to day responsibility for the running of the business, and therefore criminal offences have been committed and contraband goods have been supplied.

The premises is in an area where Greater Manchester Police are aware of issues regarding CSE. Therefore open packets of cigarettes being found under the counter together with open bottles of spirits, are facts that must be taken into consideration when deciding if the premises is being run in line with the licensing objectives of the Licensing Act 2003 to prevent crime and disorder and protect children from harm.

Section 3A – The Objectives

To prevent
crime and
disorder

Please state your reasons:

Killon Street Off Licence is a general convenience store which has been licensed for the retail sale of alcohol for consumption off the premises under the authority of a Premises Licence granted by Bury Council on the 24th November 2005.

██████████ has been named as the Premises Licence Holder and Designated Premises Supervisor since the licence was transferred to him on 18th August 2015.

The licence has the following conditions;

1. CCTV to continue to be installed and tapes to be retained for a period of 28 days for viewing by the authorities, including the police.
2. Proof of identity/age should be required and satisfied before allowing entry of person(s) who appear may be under 18 years of age and who wish to purchase/consume alcohol.

The hours that alcohol may be sold as stated on the licence are Monday-Sunday 8am-11pm.

On the 9th July 2018 I took a complaint from a resident of Price Street regarding the Premises known as Killon Street Off Licence. The complaint was that the premises was operating outside the hours of its licence with the front door open for trading after midnight and that there was a flow of people from the shop and the flat above at late hours.

The complaint led to an evening compliance check whilst on enforcement duties at 11.35pm on Friday 13th July. The shop was closed at this time.

I was part of a multi- agency exercise that visited the shop on 19th July 2018. Mr [REDACTED] was not present at the shop. Working behind the counter was a Mr [REDACTED]. He said that Mr [REDACTED] had sold the shop 9 months ago and his new "boss" was called [REDACTED].

The summary of the premises licence was not on display as is a requirement under s57(3) of the Licensing Act 2003.

There was no visible CCTV in place.

When requested a refusals register could not be produced.

Challenge 25 signage that was on display had been covered up.

I served an enforcement notice to state that no alcohol should be sold until the breaches of the conditions of the licence had been rectified and the licence had been transferred and a new DPS put in place.

The following day I had a telephone conversation with Mr [REDACTED] who informed me that he had, had no responsibility for the shop since February 2018 and that it was being run on a trial basis by [REDACTED] but no money had actually changed hands for sale purposes. A transfer application was submitted on 20th July 2018 to make [REDACTED] the Premises Licence Holder. Mr [REDACTED] had agreed to stay on as DPS whilst Mr [REDACTED] obtained his personal licence. Mr [REDACTED] stated that written authorisation was on display in the shop from him to other members of staff for them to sell alcohol on his behalf.

On the 23rd July I revisited the shop with Kelly Halligan, Senior Trading Standards Officer. [REDACTED] was working in the shop. I questioned him as to where the authorisation was that [REDACTED] had stated was on display. He was not aware of this and had to phone Mr [REDACTED]. When this was located it named [REDACTED] as the Assistant Manager yet he was unaware where the written authorisation for him to sell alcohol was located. The CCTV system was working but only recording for 3 days. I spoke to Mr [REDACTED] on the phone whilst in the shop and asked him where the refusals register was. He stated that he had it with him. I informed him that it needed to be in the shop in order to be used if necessary.

Revisited on 26th July together with Kelly Halligan and Michelle Street, Environmental Health Officer. [REDACTED] was again present in the shop. Refusals book still not on the premises.

	<p>The application to transfer was withdrawn by [REDACTED] on the 17th October 2018 due to personal circumstances and the licence fell back to [REDACTED] as the Premises Licence Holder and DPS.</p> <p>I do not believe that Mr [REDACTED] has a regular presence at the shop and therefore cannot be responsible for the day to day running nor the supervision of sales of alcohol.</p>

DISORDER**

Please state your reasons:

Inspector for Weights and Measures Kelly Halligan has submitted an application on behalf of Bury Council for a premises licence review in respect of Killon Street Off Licence, 26 Price Street, Bury BL9 7EB.

We have noted the contents of the application, and would like to add the following in support of a licence revocation.

We concur that we have engaged in a multi-agency visit to the premises on 19th July 2018 and have had a number of concerns which have been referenced in Ms Halligans' application. We

	<p>fully support the comments made in the application and wish to add some additional points below.</p> <p>It is noted that since the review application was submitted a licence transfer application has been received by Bury Council. This application is in the name of [REDACTED] who we understand has previously been the owner of Tabi's Off Licence, Wash Lane, Bury and is still in the ownership of the family.</p> <p>In January 2012, whilst Mr [REDACTED] was in control of the premises, a warrant was executed at the store regarding the employment of illegal workers. One over stayer was located and arrested by the UK Border Agency. Also at this time a number of bottles of counterfeit vodka were located under the counter. Mr [REDACTED] was later interviewed by Ms Halligan for this offence and we understand that this was the second occasion in 3 months that counterfeit alcohol was located here.</p> <p>Importantly in this case purchase invoices relating to 26 Price Street were found at this location. When questioned by the attending officers Mr [REDACTED] denied any link to this premises despite the discovery. It was believed by officers at the time that stock purchases were being shared between the two stores.</p>
PUBLIC SAFETY	<p>As previously noted, the new licensee has a previous history of being in the possession of counterfeit alcohol on Licensed premises. In this respect it is likely that the poor management may continue at Killon Street Off Licence.</p>

<p>TO PREVENT PUBLIC NUISANCE</p>	
<p>THE PROTECTION OF CHILDREN FROM HARM</p>	<p>The premises appear to have suffered from particularly poor management practices in recent months with little or no training given to staff. During the multi-agency visit in July 2018, a male found working behind the counter claimed not to be employed and was in fact helping out a relative who was not the licensee. He had not received any training regarding the sale of alcohol. We also note Ms Halligan's comments regarding the suspected sale of counterfeit cigarettes as single cigarettes, a practice of attraction particularly to children. It is the opinion of Greater Manchester Police that poor management of licensed premises puts vulnerable members of the community at risk.</p>
