

Health and Wellbeing Report (For information)

MEETING: Health & Wellbeing Board

DATE: 30/01/2014

SUBJECT: Delivery and implementation of the Health & Wellbeing Strategy

REPORT FROM: Lesley Jones

CONTACT OFFICER: Heather Crozier (h.crozier@bury.gov.uk or Tel: 0161 253 6684) & Diane Halton (D.Halton@bury.gov.uk or Tel: 0161 253 6828)

1.0 Purpose of the Report

The purpose of this report is to inform the board of the approach being taken to deliver the outcome measures and develop ways of reporting on the actions from the Health and Wellbeing Strategy.

2.0 Background

The Health and Wellbeing Board signed off the Health & Wellbeing Strategy in June 2013.

In order to ensure the Board has clear oversight and assurance over the implementation of the strategy, three related reports will be provided on a regular basis.

1. Performance report against outcomes in the strategy (Quarterly from 6th March 2014).
2. Performance against milestones in the delivery plan (Quarterly from June 2014- Date TBC).
3. Thematic reports covering one priority area per meeting (From 10th April 2014).

A delivery plan for the Health & Wellbeing Strategy is under construction.

A series of workshops focused on each of the key priorities are being held with a range of stakeholders to look at each priority area of the Health and Wellbeing Strategy in detail, to:

- Define each action in relation to the measure to develop a shared understanding
- Identify owner/s (individual or group) responsible for delivery against the actions
- Identify key milestones in achieving this action including key timescales or delivery dates
- Determine what is not working so well and what would be required to make a difference

The key leads and groups identified for each priority will then form a 'virtual network' that will then be responsible for delivering the actions and measures of success for each priority. The findings and outcomes from the workshops will be summarised and an update presented to the Health and Wellbeing Board in June 2014 (Date TBC). (See appendix 1)

The workshops will run between January and April and a delivery plan will be in place by the end of April.

Workshop 1:	Ensuring a positive start for children (Pilot)
Date:	06/01/2014
Workshop 2:	Encouraging healthy lifestyle and behaviours in all actions and activities
Date:	14/02/2014
Workshop 3:	Helping to build strong communities, wellbeing and mental health
Date:	24/02/2014
Workshop 4:	Promoting independence of people living with long term conditions and their carer's
Date:	19/03/2014
Workshop 5:	Supporting older people to be safe, independent and well
Date:	27/03/2014
Workshop 6:	Ensuring a positive start for children
Date:	11/04/2014

Details of all attendees can be found in Appendix 2 of this report. Suggestions for additional attendees would be welcome from the board.

3.0 Conclusion

One pilot workshop has taken place so far and has been very useful in identifying key groups and leads for the priority, 'Ensuring a positive start for children' and informing the design of future workshops. The findings and outcomes from each workshop will be summarised and presented at subsequent Health and Wellbeing Boards.
