	<p>on reducing carbon emissions, promoting the development of renewable energy initiatives and seeking to make Bury a leader in eco – business. The ambition should be that plans to tackle climate change should be mainstreamed into the borough’s plans for economic growth and those to improve population health;</p> <p>6. The Stakeholder Panel should report back to Council within the next six months setting out what steps the Council will take to address the Climate Change emergency, and the longer term actions that will be necessary;</p> <p>7. The Council acknowledges that the public services in Bury alone cannot deliver the change that is needed and that leadership across our communities is required. On that basis, the Council will look to create Environmental Forums in each of the borough’s six townships to help develop a community response to the Climate Emergency.</p> <p>8. The Council will actively lobby the Government to provide the additional powers and</p>
