Service improvement recommendations	
The Council has agreed to remind planning officers of the importance of clearly explaining how decisions have their reports on planning applications. The Council will consider including the definition of 'main aspect' in its splanning document on alterations and extensions to residential property.	e c
Waste Management to review its policy on how it treats complaints - ie distinguishing between informal comp	lair
formal complaints.	

The Council reviewed its direct payment scheme and commissioned care scheme in respect of client contributio of no care. It says that there is now parity between the two and the revised policies were approved by Cabinet in
After considering the Ombudsman's draft decision, one of the Council's Executive Directors arranged a briefing deal with matters relating to SEN and EHCPs. This briefing took place at the end of February 2019 and covered subject areas:• The need to prioritise the annual review process and ensure it is conducted within the 12-month best to meet the needs of those children who are not receiving education in a mainstream school.• The need to alternative provision when children are out of school and not receiving a full-time education. • How the Council of schools in its area have the necessary tools to carry out an annual review after initiating the process, so they co statutory guidance. On a related point, it has confirmed it will brief all schools on these matters in the forthcomin
