#### 1.0 BACKGROUND

1.1 The report advises Members on operational issues within the licensing service.

## 2.0 Licensing Hearings Panel

2.1 The Licensing Service received an application for the grant of a premises licence in respect of The Hub Bar, Haslam Street, Bury. Representations were received from Greater Manchester Police and An interested party in respect of this application. This matter was scheduled to take place on the 1<sup>st</sup> April 2020, However the Licensing Unit Manager explained via telephone conference call, that since the application had been received there had been the outbreak of the Covid-19. As a result of this and the restrictions and requirements for social distancing, it was felt that the hearing of the application together with representations from GMP and the Ward Councillor could not be dealt with fully in the public interest. It was noted that GMP had indicated that an application would be made to hear some of its representations in private.

- 2.2 Due to these circumstances, in order to deal with the application in the appropriate manner it was proposed that the time period set out in the Licensing Act 2003 (Hearings) Regulations 2005 within which the hearing of the application must be commenced, be extended in the public interest, in order to ensure a full and fair hearing, for three months until 1 July, pursuant to regulation 11 of those Regulations.
- 2.3 It was agreed unanimously, pursuant to regulation 11 of the Licensing Act 2003 (Hearings) Regulations 2005, to extend the time period set out in the Regulations within which the hearing of the application must be commenced, for three months until 1 July, in order to deal with the application in the appropriate manner and in order to ensure a full and fair hearing, in the public interest.
- 2.4 The rescheduled meeting took place on the 1<sup>st</sup> July 2020 and Members resolved It was agreed unanimously, to grant the application subject to the conditions as per the report and the additional modified conditions agreed between the applicant and PC Scott on behalf of GMP.
