**Please state the ground(s) for review** (please read guidance note 2)

Since February 2017, the pub has been a regular source of nuisance behaviour, criminal behaviour and behaviour that undermines public safety.

We have collated 28 separate incidents which we have witnessed where the objectives of the 2003 Licensing Act were not upheld. Please see the document which has been attached to this form. Against each incident, we have listed which of the 4 licensing objectives we believe was not upheld. Additionally, we have noted to whom we have raised the issue at the time.

It should be noted that we are the pub's closest neighbours, and we spend most of our living time at the back of our house. As we do not have constant surveillance of the pub, the incidents that we have logged are only the ones that we have happened to capture when in the front lounge or the kitchen. Therefore, it is possible that the number of times the objectives of the Licensing Act have not been upheld is higher.

We would also like to point out, as can be seen in the accompanying document, that we have always made efforts to engage with the most suitable stakeholders to resolve our queries before escalation. For example, we originally discussed incidents with the premises supervisor at the time, Ms Lisa Moran. When the situation did not improve, we escalated to the Joseph Holts Operations Manager, Mark Norbury. As the situation still did not improve, we escalated to the Joseph Holts Chief Executive, Richard Kershaw. Finally, when all these avenues were exhausted with only superficial and temporary improvements being implemented, we began to involve the Bury Council Licencing team.

Following the change of premises supervisor, we again reverted to engaging directly with her (Ms Valerie Muirhead Watt) as we were hopeful that she would be more successful at upholding the four objectives of the 2003 Licensing Act than Ms Lisa Moran. Unfortunately, as can be seen from

the incident record we have provided, this is not the case and the pub remains as much a source for criminality and anti-social behaviour as it was in 2017, if not worse, since the refurbishment seems to have attracted even more of the undesirable element. The whole design of the refurbishment was badly thought out, and greatly increases the exposure of houses on Dales Lane to the pub. For example, the large windows mean that on a busy night, hundreds of customers can be staring across into our front room and kitchen. Additionally, we are forced to be exposed every day, 7 days a week, from 11am onwards, to Goats Gate customers in the pub car park, smoking, swearing, spitting, using bad language and drinking.

The most serious recent incident, on 4<sup>th</sup> July 2020 included:

- Witnessing customers consuming drugs directly opposite our house;
- A large melee of approximately 30 people in the car park, swearing loudly, squaring up to each other and fighting;
- A Goats Gate customer repeatedly and deliberately trying to run down with their car another customer on Dales Lane;
- A glass being thrown which resulted in shattered glass landing all over our driveway.

We are a young family, and myself and my wife are busy professionals. We value our homelife dearly, and the continual failure to uphold the objectives of the 2003 Licensing Act by this premises is impinging on our enjoying this time together. It has created stress in our house and also it takes time for us to log and complain about the regular incidents that we witness taking place. It is distressing and intimidating for us and our daughter to witness criminality and anti-social behaviour of this type, literally on our doorsteps.

All of our neighbours on this side of Dales Lane have similar concerns and many have contacted the brewery in the past to complain. These households include:

- i) 2 young families such as our own;
- ii) An elderly couple;
- iii) A single female who lives alone.

We have engaged reasonably at all stages and tried to work with the relevant stakeholders to provide us with solutions. Every time, both the licensee and the brewery have failed us. As we have exhausted all of these avenues, we feel that the Licence Review is our only option with a view to the Licence being revoked. This pub is completely unsuitable for the demographics of the residential area in which it is located.

Dear licensing@ Bury Council-Goat's Goat, Radcliffe New Road, licensing review.

The word on the street was that the Goat's Gate public house was going to be renovated and turned into a residential hotel, we were delighted. When it reopened we were sadly disappointed. We didn't realise that it was to become a lounge for larger louts, and a venue for drunk and loudmouthed people to vent their feelings. Night after night, particularly at weekends, there is so much arguing and shouting taking place, it is awful to listen to, and disturbs my sleep. I expect better than this in my retirement.

Twice per week, when football matches are being played, the noise from the venue is so loud. Margaret, my wife and myself are in our eighties, and we both wear hearing aids. When the football matches are on, we need to take them out. Late at night, (usually 11,30 pm. to after midnight) the pub car park becomes so many things. It becomes when the streets are quiet as a sounding board for noise. It seems as if they are trying to out-shout and out-argue one another, breaking the disorderly act and giving us no peace. I fully expect over the next few weeks, to see, not only the police in attendance but also ambulances. Families and individuals can be heard using threatening language in the car park. If you watch you can see them taking drugs at the back door and at the side of the venue. I can't remember the dates or days some of these offences have taken place, but the incidents are many rather than few. 4/7/2012, a large crowd gathered and were rioting in the car park. I was unable to sleep because of the noise. 30 people gathered fighting with one another. A glass was thrown onto the floor creating a hazard from broken glass. 6/7 2020 another large crowd of young people gathered. The result was the same. Fighting, challenging shouting and arguing, and, remember as the goes out, as from a sounding board into the streets.

Our front gate has been taken off its hinges, carried 30 years down the street, and left in another person's garden. Last Wednesday, 29th July, they turned over the blue bin outside of number 9 Dales Lane and scattered the contents over the road. This created a hazard, because you may well know how narrow Dales Lane is for traffic passing one another. The Wednesday before that the green bin at another house was thrown onto its side with the contents all over the place. I tried to lift it but injured my knee in doing so.

There are so many incidents, that we dread the place. One of our friends went into the Goat's Gate last Saturday and had to vacate the premises. The place was full of people, none of the 'social distancing'.

Living here, since it was renewed, is like living under the wall of Manchester City football ground. I pray that Manchester City will not score, because if they do, they go wild and the noise is horrendous and injurious. They don't just rejoice, they go mad! As they leave the premises they start chanting in the street, Dales Lane, 12 o'clock, midnight.

A very serious incident took place the day the pubs were reopened by the Government, 21.7.2020.

From the 21st to 23rd of July there were too many things happening that were a disturbance of the peace, prevention of crime and disorder, public safety, prevention of public nuisance.

When the pub reopened on Saturday, one man drove up the pavement in his car and tried to run down another man. The police had to be called and visited

the pub. Couples could be heard arguing and swearing at one another, shooting obscenity into the night air. Crowds were milling together, and it sounded and looked like a riot. People could be seen openly taking drugs. There have been threatening language and fights on a weekly bases. People taking drugs, Urinating at the back and side of goat's Gate. I have been nearly run over on a number of occasions while trying to cross the road, because of the traffic in and out of Goat's Gate. We live near a deadly round-a-boot, at the end of Dales Lane, joining Radcliffe New Road. There has bee a number of accidents there over the years, and too many near misses to count. The pub has increased this danger in many ways. My wife and I wonder, how much more of hits can we take. Should we at our age, after living where we do since 1986 think about moving house?

Sincerely,  
Reverend Terry Atkinson. (retired)

Hi

This email relates to your review of the Goats Gate. I am a resident of Dales Lane, Whitefield. Since the re-opening of the pub I have personally seen troubling incidents and I've also been made aware of other incidents by some of my neighbours and I hope the pub and yourselves can make some tangible efforts to resolve.

I trust you have already been made aware of a mass brawl outside the pub and directly on Dales Lane on the evening when lockdown restrictions were lifted, which resulted in the police being called. I personally saw this take place and it certainly isn't something I would expect to spill over into a residential area and also a main road. I do admit that there are perhaps extenuating circumstances for this incident given it was the first day of lockdown being lifted. With that being said, I think steps should be taken to avoid these types of incidents occurring again, whether that be refusing to serve those who have clearly drunk too much or to take steps to ban/refuse entry to those who have caused trouble in the past.

I have previously queried why the back door entrance was being used as a smoking area when on the original planning permission it stated that the smoking area would be in the beer garden. I believe since lockdown this entrance has been mainly closed which has resulted in a significant reduction in noise. This entrance I think is one of the factors for the disturbances for residents on Dales Lane. I think having this permanently closed would benefit both the pub and residents and have no detrimental impact on the customer experience. I have personally used that door to enter and leave the premises a number of occasions when drinking/eating and it would be no hardship for others and myself to only use the main entrance. Although I don't personally smoke, I again believe it would be no hardship for someone to smoke on the other side of the pub at the designated area, this would then lead to a reduction in unnecessary noise. Noise from the pub is inevitable and I'm not trying to advocate no noise whatsoever, I'm purely pointing out ways to reduce unnecessary noise.

I have also been informed and seen video footage of people taking illegal substances in that area. This is of no benefit for Joseph Holts or the landlords, one way of taking steps to limit this is to have a security light or CCTV camera there, this would I think stop anyone using that spot to take illegal substances.

Finally I'm led to believe that adding fencing around the pub has been mooted. A fence to replace the small concrete wall would follow a style usually associated with estate pubs. It would also lead to more privacy for those residents living directly opposite the pub. Again I

Speak as someone who has sat by the windows in The Goats Gate, seeing inside someone's house and seeing them come and go didn't add to my experience, and I doubt adds to anyone else's experience in the pub.

I hope you take points raised by my neighbours on board and also take my points on board as well. I have purely identified issues that with fairly simple actions would lead to tangible benefits for residents, Joseph Holt, landlords and also customers which would lead to everyone co-existing in a harmonious way.

Please feel free to contact me if you have any further questions.

Cheers  
Chris

An observation regarding the incident at Goats Gate Restaurant 4<sup>th</sup> Jul 2020  
My primary concern is for my daughter who lives across from the Restaurant  
Having viewed the video taken by a neighbour it did appear very disturbing.  
There was however no fighting and I saw the manager and staff calmly trying to diffuse the situation.

The neighbours on Dales Lane are as decent and respectable people as one could wish for and I fully understand their concern. I do not live with Jayne and I certainly would not wish for her to be living in any threatening environment.

I have spoken with Ray Hatton the manager at the Goats Gate and I do believe that the steps he has taken to prevent any further problems are as resolute as can be expected. He does after all have his own young family living with him above the premises. I find him approachable and professional with respect to any concerns.

The Goats Gate has always been a pub. Serving food as a restaurant should hopefully attract families. I am told that they employ thirty plus people. In the current climate with the covid 19 virus and ensuing job losses this has to be a consideration. What is the alternative? The brewery has spent a vast amount in a high- quality renovation that has enhanced the appearance of the building. Does anybody really want to envisage the site of an empty building and the ensuing problems?

It is surely more beneficial for the community to have a constructive discussion and agreement with the management to allay any potential future problems.

Subject: Goats gate inn Whitefield

Hi I spoke to someone from your department the other day about the goats gate inn,Whitefield.It seems there has been a complaint about the pub,I would also like to put forward a complaint about anti social behaviour,it has now become intolerable at weekends,I live about 8 doors away from the pub,on Radcliffe new road,in all the years we have lived here we never had a problem with the pub,until it was refurbished last year,and then from the very first weekend it re,opened,we began to have problems,it seems the clientele had changed completely,groups of people and individuals,walking and staggering past the house,shouting,singing,sitting on garden walls,leaning against our car,and discarding bottles,and glasses in gardens,and the footpath,as well as takeaway food waste,every garden had a glass or bottle in the garden one Sunday morning,I can forward you the photos as proof if you want them.

Sent from my iPadi contacted the brewery at the time,and forwarded photos to them,they did reply but nothing changed.A few weeks later my wife and I were walking past the car park with the dog,around 10.30 in the evening,when we had to more or less jump out of the way of a car speeding through the car park into the road,the young guy driving had plenty of time to see us but made no attempt to slow down,disgusting behaviour! Well the problem stayed the same each weekend,and we have just had to live with it,until lockdown came,and the pub shut,no more problems,then it re opened and straight back to the usual,only now it's worse,as people are now just going back and forth between the goats gate,and the northern craft house,singing, shouting,littering etc,with us stuck in the middle having to put up with it,which we would do until last Saturday 08/08/20,I'm going to send you a short clip from my cctv,please note the time is not set properly on my box,it's 3 hours behind,but the date is correct,if you watch the clip you will see four drunk guys having left the pub,shouting and singing,and pointing at the houses ,keep watching,when one returns and jumps onto my neighbours garden and runs up to his door,(you cannot see him at the door in the clip,but I saw him through the window)he then starts banging on the door,and shouting,you will then see him re appear as he jumps back onto the footpath,my neighbour has two young children,by the way,and they had gone away for the weekend,if he had been in,anything might have happened,I only looked out of the window when it happened because of the noise they were making coming up the road,that's how I knew it might be on camera. All this behaviour is totally unacceptable,and Joseph holts need to take some responsibility here ,and maybe the northern craft house as well.I cannot believe both premises do not have door staff. Anyway just wanted to put my situation across,as I'm sure lots of other residents are suffering in silence,thank you,D.Commins.

To Whom it May Concern,

I have only just discovered that the pub licence is under review and therefore I haven't had time to put together the best quality evidence I have to hand.

My name and address are:

Christopher Birch  
6 Dales Lane  
Whitefield  
Manchester

I have lived opposite the Goats Gate pub since April 2014. For the first few years, I enjoyed visiting the pub, attending the quiz night on occasion - put on by the landlord at the time (Roy, I think). However, since late 2017 or early 2018 the atmosphere in the pub changed considerably and it started to feel unfriendly and unsafe and I've stayed away from it.

From my memory, there have been a number of incidents where I've witnessed drug taking (clearly sniffing substances from a flat surface in the side door). I've seen male pub goers urinating outside the pub although this does seem to have gotten better with the installation of a bright outside light and gates on the side of the pub.

However, one of the worst instances I've seen was when the pub reopened after COVID lockdown. My girlfriend and I had just got back from a long day of cycling around 10pm. We'd made dinner and were about to eat very late, around pub closing time. As we were eating, we started to hear noises and shouting from the pub. We could see people pushing and shoving each other, hear the yelling and threats. We turned our lights off because we were scared they'd see us and as they were clearly drunk and emotional, possibly threaten us. There was no-way we'd have considered going outside. The most memorable part of this event was when one person driving a car, appeared to deliberately try to run over another individual on Dales Lane! As you can imagine, there was zero social distancing between this melee of people. This loud and frightening disturbance went on for 20 minutes (possibly more) before dispersing.

The most disappointing part of the Goats Gate management is just how much worse the behaviour of pub goers has been since the pub reopened, after refurbishment late last year. Although I worked away all week, it was very noticeable that every weekend seemed to have some kind of shouting argument or brawl in the run up to Christmas. I was looking forward to visiting what I hoped would be a transformed pub. Sadly, I think it's worse.

Since reopening after COVID, the side entrance to the pub which faces my house has been closed. This has improved things a lot, mainly because I don't see anyone taking drugs in the doorway anymore. It's definitely a bit quieter on this side.

If I can provide any more help or information for the licence review, please don't hesitate to get in touch.

Yours Faithfully,  
Chris.

## **APPENDIX 4**

Good morning

I have contacted licensing in the past, just over two years ago regarding my concerns about the volume of music from the pub. Specifically an outdoor wedding reception and within a short period a funeral wake.

This time I would like to let you know about the pub since it has been modernised.

I have not had any issues with music from the venue, which is a relief. I think that the change from a drinking pub to a restaurant has helped.

In my opinion the pub has improved both visually and as a local venue.

It has also provided new jobs too.

If there are any issues with the pub I will contact yourselves, the licensees and Joseph Holts

Kind regards

Subject: Licence Review - Goat's Gate Public House

I have no connection to the above premises or the licence holders and no direct financial interest in this business.

I live on Radcliffe New Road in fairly close proximity to the Goat's Gate and have done so for about 5 years. I have visited the Goat's Gate on a handful of occasions and occasionally use the shop across the road from the pub.

During that time I have never witnessed, seen or heard any incident whatsoever that would cause me to feel the premises is unsafe or the source of anti-social behaviour.

It may be the interested party has witnessed incidents as I understand is the reason for their request for the licence review. I cannot comment on this. However, it is clear to me, from following the progress of licensing applications in Whitefield, that there a number of local residents within the area are simply resistant to new pubs, bars and cafes establishing themselves in the area. This was certainly apparent with an application for a new bar 'The Brink' in Whitefield a number of years ago (again to which I have no connection) where a number of residents convinced Bury Council to refuse planning consent seemingly on the basis that the business would become a magnet for anti-social behaviour and lead to traffic chaos and which has led to two commercial units lying empty since that time at great financial loss to the local area. It seem many residents are content to purchase houses close to commercial premises surely with the understanding that they will continue to operate as such but then resist any future change or development to those premises.

I believe it is important, particularly in these current very challenging times, to enable business to set up and operate within the area to avoid the falling behind economically other regions. I would urge those on the licensing review board to consider the benefits that a modern, recently refurbished commercial establishment brings to the area and the loss if this or other business have their licence restricted or revoked.

Many thanks

Dear Sirs

I am a local resident to this establishment which I have had the pleasure of attending with my family and friends since its reopening.

I am astounded by the recent suggestions in the newspaper and having been here both during the day and evening predominantly when watching the football have never witnessed any unsavoury incident.

Val & Ray are both very attentive, and I know from my discussions with Ray in particular, they are keen to ensure the public house is run consistent with the current Government Guidelines.

Good afternoon

After reading the article in the Bury Times, I felt I had to contact yourselves about the Goats Gate.

I live on Radcliffe New Road about 100 metres away from the pub.

Until it underwent the refurbishment, I'd never dare set foot in there as it didn't look the best of places from the outside. My partner however said it was actually OK.

Since the refurb, we have been in as a family numerous times at various times of the day. Not once have we witnessed any trouble whatsoever. I would not take my children somewhere I didn't deem appropriate. The only time I have ever heard anyone swear is in the back bar area while watching football which I believe to be acceptable.

The Manager and his staff have always been so friendly and the Manager comes over to chat to us as he recognises us now. We even asked if we could hold our wedding reception there when it first reopened.

I have never witnessed a brawl but this is something that happens at every pub at some point when people have had too much to drink.

With regards drug taking, again I have never witnessed a thing. There is a half way house just around the corner on Dales Lane where teenagers sit on the wall and there are comings and goings there but they are not linked to the pub.

My partner works for a company who owns pubs and he often deals with licensing. He agrees that it would be a complete and utter shame if The Goats Gate had their license reviewed.

We as a community have really come together since the reopening as it is now somewhere we can meet..... Prior to Covid.

The Covid measures undertaken have been exemplary. Customers are greeted at the door and are shown to a suitable table after scanning the track and trace sign at the entrance. Tables are well spread apart and I have witnessed a few times staff reminding people to stay at their own tables and not go over to chat to someone they know at a different table. There are drop off and pick up table where food is served and customers can leave their empty glasses.

I hope this email helps to give you an insight into our local. Maybe you could visit it yourself.

Hi

I would like to say that since the refurbishment of the Goats Gate it has revitalised the local community.

Val & Ray especially make everyone welcome no matter who you are. They are the extra ingredient what makes the place so special. Val & Ray give time to everyone and it is noticeable how well they treat their staff. It is a place my children feel comfortable going and always want to go as do I and my partner.

We live opposite on Nipper Lane and have never had any issues since it's reopening to which prior to the works we wouldn't have gone in. When any pub or Resturant opens you will always have teething problems but credit to Val & Ray they have resolved immediately to the benefit of the community that use the Goats Gate.

As a local resident with my family I support Val & Ray and the community pub the Goats Gate.

Hi There

I am writing to say how please I am with the Goats Gate and the improved environment we have now due to the refurbishment of the pub. We live directly over the road from the pub and are not affected by the increased noise, in fact it is better than it was prior to the refurbishment.

The incident recently was not a terrible disturbance, and was seen at several public houses in the area following the lifting of lockdown. This type of incident has not been repeated since and was not the case previously. My understanding is that the issue was between 2 family groups who unfortunately met up at closing time and caused the disturbance, having been removed from two nearby pubs earlier in the evening.

We are one of the nearest houses to the Goats Gate pub and have no issues. In fact it has improved the area - is very clean and well kept. We now frequent the pub with our family, something we would never have done before. The pub is attractive and very welcoming - I have shared with the landlords how pleased we are with the changes previously.

Please contact me if needed.

For the Chair of Licensing Committee  
14<sup>th</sup> August 2020

Dear Councillor Walmsley

I and my two fellow Pilkington Park Councillors would like to make representations to your committee in support of the Goats Gate Hotel, staff and customers.

The Goats Gate following a complete rebuild opened its doors to the public in November 2019 and is proving a massive attraction to hundreds of people in the area as can be evidenced when trying to book a table. It is also a business that provides employment for twelve people at any one time.

The Goats Gate itself has existed as a landmark hotel since 1860 before being rebuilt by Holt's Brewery in 1962.

The refurbishment from the old and tired looking 60's pub that was not the most pleasant landmark to approach Whitefield to a glass fronted open plan restaurant has been a joy to see.

Though as Councillors we were always given a welcome from the previous landlady, since the refurbishment and change of managership the contact has increased and is always reassuringly helpful.

With our regular contacts with the Whitefield Police we have been regularly assured that the Goats Gate is a venue that does not cause problems for them.

We understand from Whitefield Police that the particular event cited by the complainant on the 4<sup>th</sup> of July at the reopening of all hotels and wine bars in the area did not warrant any response from them.

The recent article in the Bury Times at this time of writing has had 15 comments of which only one was not supportive.

In conclusion the Pilkington Park Councillors feel that the Goats Gate is a well-run welcoming establishment that is a major asset to the Whitefield and neighbouring communities, that should have its licence confirmed by your committee and that the views of the Whitefield police would, in our opinion support that position.

To whom it may concern,

My name is Susan Wong-Su, my husband and I are the proprietors of the Chinese Takeaway Ming's located directly across the road from the Goat's Gate pub on Radcliffe New Road, Whitefield.

We moved into the premises in September 2019 just before the pub reopened after a major refurbishment. Ray Hatton and Valerie Watt came over to introduce themselves as the licensees of the Goat's Gate shortly after.

My husband Ming and I have visited the pub several times along

with our two teenage daughters for drink and meals. We have also visited with family ranging from 2 years old to aunts that are mid-80s. All these people commented on what a clean and safe environment the pub provides. The staff inside, are always courteous and helpful. Ray and Val are always on hand to provide support to staff and customers whenever required.

Since the recent opening of the pub, during the Covid-19 pandemic, all our customers that frequent the Goat's Gate, ourselves and our friends have all felt the environment Ray and Val have created during these challenging times have been exceptional. The 'Track and Trace' system that has been implemented upon entering is effective and has

provided a safe environment to all their customers.

As with all pubs unfortunately, there are times when alcohol fuelled arguments and incidents will spill out.

I can honestly say, in the close proximity of where we live, we have never been disturbed by any noise or any trouble from the Goats Gate.

Ray and Val are wonderful neighbours who are an asset to our community. We sincerely hope they stay.

Yours Faithfully,
