Date: 16-03-21	Ref No:	
Type of Decision: Cabinet Key Decision		
Subject matter: Additional Restriction Grant Phase 3		
Reason for failure to include on the forward plan Government have recently announced a further allocation of discretionary grant that will accompany the Restart Grants that were announced at the March budget. Previously Government stated that the ARG was a one-off grant to last until March 2022. Further ARG will be allocated dependant upon the amount of the current grant being spent. Phase 3 was not on a forward plan because of the fast-changing grant landscape and delays in receiving guidance from Government.		
Decision to be taken by Cabinet It is recommended that Cabinet endorses the Phase 3 approach to supporting the Bury Economy to reopen safely and that Phase 3 is progressed at pace in order enable the strategic deployment of grant into the Bury economy.		
Chief/Senior Officer		
After consultation with:
