

EQUALITY ANALYSIS

This Equality Analysis considers the effect of Bury Council/ Bury CCG activity on different groups protected from discrimination under the Equality Act 2010. This is to consider if there are any unintended consequences for some groups from key changes made by a public body and their contractor partners organisations and to consider if the activity will be fully effective for all protected groups. It involves using equality information and the results of engagement with protected groups and others, to manage risk and to understand the actual or potential effect of activity, including any adverse impacts on those affected by the change under consideration.

SECTION 2 – AIMS AND OUTCOMES OF POLICY / PROJECT	
<i>Refer to Equality Analysis guidance page 5</i>	
2.1 Detail of policy/ decision being sought	Data shows demand and usage of day care provision over the past 24 months (including before any impacts generated from the Covid-19 pandemic), indicates there is an oversupply of day care places. As these places are paid for as part of the Persona contract, to remove this unused excess capacity would generate a saving. As the number of places would be reduced, the proposal would be to close Pinfold Lane Centre and relocate the dementia day service to a designated area at Grundy. If this proposal was agreed, the dementia day service would have its own secure area at Grundy and be refurbished to be ‘dementia-friendly’.
2.2 What are the intended outcomes of this?	If the proposal is agreed: <ul style="list-style-type: none"> Removal of unused day care places, therefore generating a removal of unrequired places and release a saving.

	<ul style="list-style-type: none"> • To close Pinfold Lane Centre and relocate the dementia day service to a designated area at Grundy. • Dementia day service would have its own secure area at Grundy and be refurbished to be 'dementia-friendly'

3.1 To eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by Equality Act 2010	Yes	<p>Care Act 2010, outlines a clear requirement for processing assessment of need. The Care Act assessment is undertaken to understand if a client requires services such as daycare. This ensures, equal opportunities, dignity, inclusion also promotes independence and building on strengths.</p> <p>Day care placements will continue to be provided on the basis of assessed need. Performance monitoring of contracts regularly takes place and Social Workers, and families / carers /advocates give feedback.</p> <p>In addition, the Council monitors data on placements made to ensure that there is fair access to all that meet the eligibility criteria.</p>
3.2 To advance equality of opportunity between people who share a protected characteristic and those who do not.	Yes	<p>The care act criteria promotes equality despite a person's background, beliefs or any protected characteristic.</p> <p>Placements are based on a person's individual need and offers opportunities for people to live as independently a life as possible including in the wider community.</p>
3.3 To foster good relations between people who share a protected characteristic and those who do not	Yes	<p>The Day care service is open to all. However the LD day service is aimed at those with a learning disability. The older person's day services is aimed at those over 50 years. The proposal considers how these groups of people could be brought together and also considering how links with wider community groups would be beneficial to customers. This fosters a good relationship between people who share a protected characteristic and those who do not.</p> <p>In addition, day care services support people with disabilities to live within the community thus</p>
