## **EXECUTIVE SUMMARY:**

This report is a synopsis of the deliberations and recommendations made by the Independent Remuneration Panel (the IRP or Panel) for Bury Council to advise the Council on its Members' Allowances scheme.

The IRP report states that evidence shows that the Bury Council Members' Allowances scheme is a low paying scheme both comparatively and in real terms. Benchmarking shows that the Bury are the lowest or next to lowest in every category across all the Greater Manchester. Moreover, the SRAs are now lower than what they were in 2010.

The IRP received anecdotal evidence that the current level of allowances was acting as a barrier to the recruitment of a wide range of candidates to stand for Council. In particular, the time required to be a Member (whether this was at the most senior level or at the backbench level) was not recompensed by the current level of allowances payable.

While the Basic Allowance and SRAs were never intended to reflect the 'market value' of the workload and responsibilities undertaken by Members, they are intended to go a large way to recognising that there is a substantial time commitment and complexity

to being an elected Member that is largely unrecognised in their current remuneration. Legislative changes have increased the demands on all Members but on leading Members in particular. The current allowances payable do not reflect the increased demands made on Members.

Currently, it is the IRP's view that the Bury Council Members' Allowance scheme does not meet this core principle underpinning the purpose of establishing such schemes.

## **1.0 INTRODUCTION**

Each year, the Council must approve a Members' Allowances Scheme before the end of the preceding financial year. Before doing so it must consider the views of its Independent Remuneration Panel.

The Democratic Arrangement Forum gave authority in June for the Monitoring Officer to establish a new Independent Remuneration Panel (IRP) to carry out this review of all Member allowances.

## **2.0 BACKGROUND AND TERMS OF REFERENCE**

2.1 Under the Local Authorities (Members' Allowances) (England) Regulations 2003, Local Authorities must establish and maintain an Independent Remuneration Panel. The purpose of the Panel is to make recommendations to the Local Authority about the allowances to be paid to Members. Council's can not alter or update their schemes without first considering a report from an Independent Remuneration Panel.

2.2 The Regulations require that Independent Remuneration Panels should have at least three members, none of whom is a Member of the Council or of a committee or sub committee of the Council or is disqualified from being a member of the Council by virtue of s 80 of the Local Government Act 1972 and s 79 and 83 (11) of the Local Government Act 2000. Members of Panels cannot be Members of any Local Authority in respect of which the Panel makes recommendations and must be independent of the Council.

The Panel was Chaired by Dr Declan Hall who has extensive experience in Chairing IRPs across the country including Greater Manchester. The Chair was assisted by two independent members, Dr Andrew Hall Managing Director of Avoira Limited and a John Thompson Trade Union representative, Unison Branch Secretary.

2.3 It was agreed that the Panel be asked to consider the following specific issues:-

- i. The amount of basic allowance that should be payable to its elected members.
- ii. The responsibilities or duties which should lead to the payment of a special responsibility allowance (SRA) and as to the amount of such an allowance.
- iii. About other allowances including an allowance in respect of the expenses of arranging for the care of children and dependants and if it does make

such a recommendation, the amount of this allowance, travel and subsistence and phone.

- iv. The level of allowances paid to co-opted members of the Council's Audit Committee and co-opted members of the Standards Committee.
- v. The level of allowance paid to the Mayor and Deputy Mayor for the purpose of meeting the expenses of those offices (i.e., the Civic Allowances).
- vi. The implementation date for the recommendations, including whether any allowance should be backdated to the beginning of a financial year in the event of the scheme being amended.
- vii. The payment of member(s) appointed to the Greater Manchester Combined Authority (GMCA) in respect of duties and responsibilities undertaken as a member of the GMCA, and if so to specify the amount of any such allowance (in accordance with the Greater Manchester Combined Authority Order 2011 Schedule 1 - Constitution (Remuneration page 18)).
- viii. The level of Travelling, utility and Subsistence Allowances for members of the Independent Education Appeals Panels.
- ix. The consideration of a Parental Leave Policy for elected members. This item was added at the request of the standards Committee.
- x. Whether annual adjustments of allowance levels may be made by reference to an index, and, if so, for how long such a measure should run.

### **3.0 METHODOLOGY AND TIMELINE FOR UNDERTAKING THE REVIEW**

- The Panel sought views of Members both written and oral, with an opportunity for selected Members to meet the Panel (See Appendix XXX list of interviewees)
- Factual Briefings from Officers
- The Statutory Guidance on Regulation for Local Authority Allowances 2006.
- The 2003 Members' Allowances Regulations
- Roles and Responsibilities as contained within the Council's Constitution
- That recommendations should conform to existing legislation and anticipate likely future legislation so far as possible.
- The requirement for their report and recommended changes to the scheme of allowances to be easy to understand and adequately justifiable to the electorate.

To assist in its deliberations, as background information the Panel was provided with comparative information from other GM authorities.

The Panel considered each item listed in the terms of reference and have made recommendations. The supporting information is set out in their report dated 5th November 2021. Members are asked to note that in addition to the specific

recommendation relating to individual allowances the IRP also recommends that indexation should run for four years (2022-2026), which is the maximum length of time permitted by the 2003 Regulations. For authority for indexation to be extended beyond the fourth anniversary of the establishment of the new scheme of allowances the Council is required to first seek advice from the IRP.

The IRP recommends that the new scheme of allowances based on the recommendations contained in this report is adopted from the date of the Council's Annual Meeting 2022.

### Assessment of Risk:

**Consultation:**

Group Leaders and the Mayor at the Democratic Arrangements Forum and Members of the Standards Committee. The terms of reference set out members would be interviewed by the IRP and a Member survey was sent to all Members to obtain their views.

---

**Legal Implications:**

The legal implications are set out in the report.

---

**Financial Implications:**

The report includes a broad range of recommendations. Depending upon whether some, none or all of the recommendations are adopted the financial consequence will differ. The current budget is £753,600 for the allowances noted within the report. Adoption of all of the proposed recommendations based upon the same number of members and special responsibility allowances thereby comparing on a like for like basis would require an increase in the budget of £111,600 to create a revised budget of £865,200, representing a 14.81% increase. There would also be additional costs for independent members attendance at meetings but based upon current activity this is not anticipated to exceed £5k per annum. If the new rates were adopted from the Councils annual meeting in May 2022 there would be a part year effect in the 2022/23 financial year. Any agreed increase would be built into the Councils budget setting process which is currently underway.
