

Member Questions:

QUESTION 1:

1. Councillor Quinn stated at the last meeting that "he is talking to colleagues in Greater Manchester as to how to address the shortage of HGV drivers." How did those discussions progress, and have the council finalised a plan to address the shortage of HGV drivers?

2. Have Bury Council as yet taken delivery of the remaining bin trucks from Germany?

Councillor Rydeheard

QUESTION 2:

The third sector are a key partner in supporting the communities across the borough. Can the Cabinet Member outline how the Council intends to work with the third sector with regards to the great work being carried out by the Community Hubs and explain how long they envisage the Community Hubs to be in place for.

Cllr Nick Jones
